Easter morning  
"11" Day

During morning prayers and meditation, Michael reached over and took my hand in his. I looked over to see that he held up Sophia in his left hand in prayer and thanksgiving. I raised my right hand in prayer to our Heavenly Father and instantly received the following song from the angels:

HE RAISES ME-UP,  
SO I CAN SEE ETERNITY

He raises me-up, so I can see eternity.

From mountaintops, I see it spread in front of me.  
And it is beautiful. Yes it is beautiful.  
For God's creation holds...all that man could need.

He raises me-up, so I can see eternity.

From ocean floors, I see it spread in front of me.  
And it is beautiful. Yes it is beautiful.  
All God's creation holds...whatever man could need.

He raises me-up, so I can see eternity.

From valleys deep, I see it spread in front of me.  
And it is beautiful. Yes it is beautiful.  
For God's creation holds...whatever man may need.

He raises me-up, so I can see eternity.

And I see Jesus, standing there in front of me.  
And He is beautiful. Yes He is beautiful.  
For in Jesus man...has every thing he needs.

He raises me-up, so I can see eternity.

And I see Jesus, standing there in front of me.  
And He says take My hand. Yes He says take My hand.  
For in My Father's Land...there's every thing you need.

He...raises me-up...and promises...eternity.....

The Quiet Place  
“6” Day

The first verse of the following song came in on April 23, 2003. The next two verses came in this morning around 4:00 am...

### HE FREED ALL MEN FROM THE GRAVE

Throw open the window and greet the new day,  
let the breeze of spring kiss your face.  
Touch the dew to your lips, taste the promise He gave,  
as He freed all men from the grave.

Throw open the window and greet the new day,  
let the song of birds touch your heart.  
Put the notes on you lips, sing the promise He gave,  
as He freed all men from the grave.

Throw open the window and greet the new day,  
let the scent of spring fill your soul.  
Feel it blossom inside with the promise He gave,  
as He freed all men from the grave.

Throw open the window and greet the new day,  
Let the Son fill your spirit with love.  
Claim His victory as yours, taste the promise He gave,  
as He freed all men from the grave.

The Quiet Place  
“7” Day

... Prayer ...

**SEALED  
BY THE SIGN  
OF THE CROSS**

Sealed by The Sign of the Cross, I am ready to start the day.  
Sealed by The Sign of the Cross, I am ready to walk the way.

The Way was marked by Jesus, so that man could see  
the way home to the Father  
and there with Him to be.

Sealed with The Sign  
of the Cross,

I will move  
through  
the day  
without  
care.

Sealed  
with  
The  
Sign  
of the  
Cross,

I will carry God’s Love everywhere,  
and see the world touched by Jesus, so that man could feel,  
the mighty Love of the Father...and in His arms...be healed.
