

THE QUIET PLACE

God's Daily Message 2014

**God
Speaks**

to every man, woman,
and child, on Earth, everyday!
And at The Quiet Place, we conclude
our morning prayers with these words asking
God, what we should know, today: "Our Creator,
God, what is it that You wish for us to know, today?"

And
God says:

December 31, 2014

Do not lessen your joy upon the Earth
by entertaining the energies of fear, and
doubt and worry and confusion; for, you
live! You have been given eternal life.
You live; and you live constantly
receiving My love. Every
misstep, every
situation
of this past year,
has been a lesson. Do
not fear, your lessons. Do
not doubt your ability to learn
your lessons; for, with this attitude
all things, that come to you, are good;
providing you a way to grow; and to know
that which you are meant to know. And The Holy
Sprit says: Rise-up, and shine as the star you are; for in
your eternal experience, this present time is but a piece,
and before you turn around, your lifetime upon the Earth,
as you know it, now, will be done. "Cherish the lessons," you
have learned, each and every one; for you are meant to master
these lessons, and know them well; therefore, you see, the goal,
this day, is to take every lesson, and know it... this way. Sing,
and dance, with the joy of knowing that you are eternal,
that you are growing, that your life is precious,
and the light you are showing ... is grand.

December 30, 2014

The
material things
you seek will be found
in the world created by man;
but, the spiritual gifts, you seek,
will be found in The Kingdom of God;
and, The Kingdom of God is within you!
Therefore, be still, and go within; take the
sacred journey within! And The Holy Sprit says:
When the time comes, that you need something
material: some desk or chair or food for your
body, it is necessary for you to walk into the
world of man, and find that which you are
seeking; but when the time comes that
you need to find compassion, and
forgiveness, understanding,
love, joy, comfort,
sanctuary,
then it is
necessary
for you to enter
The Kingdom of God
to find that which you need.
And this journey is not made
walking into the world of man,
this journey is made going within
the sacred corridors of your being!

December 29, 2014

For those who are willing to ride upon the breath
of The Holy Spirit, there is contentment, and a satisfaction in
"knowing," they have chosen well, and they are on their way. And
The Holy Sprit says: Open the door to this new day, and open your heart, and
your mind, open your arms, open your eyes and ears. Embrace this new
day, and be willing to rise-up; for the occasions will come, the events
will be; and all that is necessary, for you to see, the truth, in
everything, is for you to be willing to ride upon
the breath of The Holy Spirit; for,
within the breath of The
Holy Spirit, you
will hear, the
whisper
of wis-
dom.

December 28, 2014

Giving
birth, brings,
with it, the sacred
responsibility to care for,
to tend, to nurture, that, which
you have created. And The Holy Sprit says:
When your thought brings forth, within you, a creation,
when your desire brings forth within you a creation, you treasure it,
and you care for it, until it is born upon the Earth. And, no matter,
whether you have created from a thought, or a desire: a book; or
a garden; or a relationship; or a child; once it is born,
you have the responsibility
to tend for it, and
care for it,
to be the light, to
show The Way, so it will reach
its true potential, grow into that which it is
meant to be, to live, upon the Earth, because of thee.

December 27, 2014

The
seeker
will always
find, that, which
they are seeking; and,
that which they are seeking
will be measured-out to them
in accordance with that
which they can accept.
And The Holy Sprit says:
Before you seek
bless yourself,
anoint yourself, with
the oils: of openness, of love,
of generosity; anoint yourself in
such a way that your heart is open,
your arms are open, and your spirit is
eager, for that which you are seeking. In
this Way, you will be given the answer; and,
the answer will flow into your open arms, into your
open heart, and bring joy to the spirit that remembers
once it sees. There are different ways of seeking but before
you go forth, on your quest, go to your knees, and be blessed!

December 26, 2014

You
are never
in darkness
when you know the light
is within you. And The Holy Spirit says:
For those who hold the wisdom
to know they carry the light of God
within them, there is no dark-
ness, there is
only the
light.

December 25, 2014

When
one of you
hears My whisp-
er, and answers My call, we
sit together. I share with you that, which
you were meant to do, and from our communion,
our sacred communion, you rise-up: strengthened, prepared, and
ready to deliver the miracles, onto the Earth, to be My living word.
And The Holy Spirit says: Miracles spring forth: from faith, from those willing
to say, "Yes;" from those who take the time to sit with God, and there-
fore, rise-up filled with courage, boldly announcing
to the world, "I will do this, for the glory
of God." And the world watches,
in amazement, as that which
was once impossible,
becomes possible,
through faith,
through
courage,
through the
miracle, delivered
by a child of God. Rise-
up this day, and deliver your
Christmas Miracle to the world.

December 24, 2014

In a whisper, I call to thee; and you come to Me, and we are together.
 In this holy state of communion, I speak, and My words give you the
 strength to do that which you once thought impossible to do; and
 the courage to boldly pronounce, "Thy will be done." And The
 Holy Sprit says: When the world shouts, and orders, and
 commands, and demands, that you do this, or that,
 God calls in quiet! In a whisper, God speaks,
 and the Words thrill your spirit, and soul,
 move into your heart, and it grows, be-
 yond anything, you could have im-
 agined, before, you heard the
 whisper, accepted the call.
 God summons you,
 in quiet; but
 the Words
 spoken, erupt with
 a chorus of joy in your heart,
 and you are better equipped to move out
 into the world, and be all you are meant to be! Go
 forth this day and deliver God's love, in peace, and light, and joy!

December 23, 2014

Just before the birth of a child, there is stillness in the womb; it is
 time for preparation, and then the journey begins, the leaving
 of the womb, the arrival onto the plane of man, birth. It
 is also the same, when you are giving birth, of a
 different kind, when you have created, with-
 in you, something that is yours, and you
 wish to bless the Earth with it. If it is
 a book, there can be years, of re-
 search, and study, then pray-
 ing, then writing, then
 the silent time, be-
 tween mailing
 the manuscript
 to the publisher,
 and waiting to see
 the unveiling of the book.
 And you could go on, and on, a-
 bout anything that you have created.
 When it is time for you to give birth to your
 creation, be still, be quiet, because it is the sacred time,
 hanging suspended, between Heaven, and Earth; and, at
 the proper time, there is birth. And The Holy Sprit says: Amen!

December 22, 2014

I
do
not
shout
at thee,
demanding,
and commanding
that you do this, or
that, for Me;
I call to you,
in a whisper,
inviting you
to draw nearer
to Me: so that you
might share in My glory,
and love; so that you might know
My peace; so that you might abide
with Me. And The Holy Sprit says: God's
voice is a gentle song; God's whisper,
enticing; God's love, eternal; God's
power, mighty; God is whispering
to you, today, to come, and be
with Him, in every way!

December 21, 2014

Do
not
stumble
in darkness,
when you have the ability
to be the light, to show The Way. And
The Holy Sprit says: Let it be your intention, this
day to light a candle all along The Way: so that
your path upon the Earth is marked with light;
so others can see ~ that ~ which you have left
in your footsteps; and follow the light,
out-of the darkness, out-of
the night, into the
new day,
dawn-
ing!

December 20, 2014

You
have
been given
the opportunity
to bring forth the light,
and to let it shine brightly,
all around you. And all you
have to do to accomplish this
is choose the light. And The Holy
Spirit says: Let it be your intention
this day, to reject the temptation
of shadow, and darkness, and
choose the
light.

December 19, 2014

It is time:
to tear down
the walls and fences,
and open the doors and win-
dows, reach-out beyond boundries,
and limitations, and walk into My Kingdom,
unhindered; and experience the eternal present, today!
And The Holy Spirit says: Wait no longer; now is always the time!

December 18, 2014

In speaking with Me,
you will find the answers
you seek! And The Holy Spirit
says: And the answers will be
of truth, and wisdom, and
in them, you will find
your strength,
and com-
fort.

December 17, 2014

I
AM
with you
always... but
when you let Me
be an active participant
in your life, your days become
an amazing adventure, and
light surrounds your
every move,
reaching-
out in
every
direction!

And The Holy Spirit says: Speak
with God! Walk, and talk, with God; and
you will come to "know," God; and, your life
will be whole. and complete, and filled with light!

December 16, 2014

Some days
arrive, as a gift, of
unexpected ~ pleasure,
when all things flow, with-
out effort; and, all is right!
Sing praise, for the gift, be
thankful for the treasure.
And The Holy Spirit says:
Be prepared to seize
the opportunity
when you
encounter
days which
require work
and toil. Be prepared
to sing a song of thanksgiving
when you encounter a day of ease, and
pleasure, when all is right with the world; for
it is your oasis, of peace, where you are to rest!

December 15, 2014

A
smile is
a blessing, on
another. And The
Holy Spirit says: Go forth
and cast your blessings
over the Earth! Let
the air itself, ring,
with the song of
your bles-
sing!

December 14, 2014

The
events
shaping
your day
can be the
vehicle, of miracles.
And The Holy Spirit says:
Do not turn your head:
from a challenge
that is mighty;
from a jour-
ney that
is long;
from a task
labeled as impossible
by the world; for, it is in
these things, and in this Way,
that you will encounter miracles!

December 13, 2014

When
you are
living in
the light,
your energy
is healed, and re-
newed, and restored,
and you are strong, and happy.
When you are living in darkness,
your energy is drained, you feel
weak, and alone, and you feel
frightened, and afraid.

Recognizing the
difference be-
tween the two,
light, and sha-
dow and dark-

ness, how could you
choose to live any other way?

And The Holy Spirit says: Breathe-in
deeply, and take this message into
your being... If you want to feel light,
and strong, and vibrant, choose the light;
for as you walk in the light, you are constantly
renewed; the light does not draw from you, it adds
to you, enhances you, completes you; when you know
this, the choice is easy, you will always choose the light

December 12, 2014

Being at peace ~ is a sign ~ of Faith!
And The Holy Spirit says: No matter what
you are doing ~ where ~ you are going,
or what is occurring all around you,
it is possible to be at peace; but, to
be at peace, you must find it first,
within; for the outer-shell can be
still, yet hold turmoil within,
and that turmoil will grow,
become more agitated,
and burst open
the shell
that was still;
therefore, go within,
and remember, always, no
matter ~ what the situation, or how
high the mountain appears to be, ~ or how
wide the river appears to be, God, and The Power
of God, is always within thee; and, God is greater, than
all these things. Therefore, given the opportunity, why not
surrender it all, to the hands of God; and, go forth, in peace!

December 11, 2014

Let
every
choice
you make,
every direction,
and step you take,
be guided by the love
of God; for I will lead you
in light; and in this Way
you can be assured
that all of
your decisions
will be right, and
good, and according
to the divine plan; and
you will live in peace,
in this Way. And The
Holy Spirit says:
Sometimes
decisions can be
difficult to make, because
there will be so many options; some-
times directions will be difficult to take,
because there will be so many roads, and
paths, and alleyways; but if you will bless
every choice, every direction, with the love
of God, your choice will be good, your direct-
ion sound, and your day will be spent in peace.

December 10, 2014

Since it is the time of the new day,
and you are preparing to create,
whatever you are to experience
this day, I suggest you ponder
going within, to work on
creating within your-
self, magnificent
light, magnifying
all that you find there
that is "of joyous delight;"

The Gifts of The Holy Spirit,
work on them, and magnify them,
until you glow, inside, and out; for,
in this Way, you will be creating the
perfect gift; for all those around you
and for Earth! And The Holy Spirit says:
Creation ~ is in your hands! What-
ever comes your way, you can
take it, and, much like
a lump of clay,
mold it to be
whatever
you wish it to be.

If frustration comes your way, you can
take frustration, and mold it into clarity, and
knowledge. If anger, or hatred, come your way,
you could grab that lump of clay, and create: love, and
understanding, and compassion. No matter what comes to you,
you have the opportunity to create, anew! Remember this, in all you do.

December 9, 2014

Be willing to dance with Me.
Be willing to sing, with Me.
Be willing to live with Me;
and, in this Way, you will
live, free, of the encumb-
rances, of Earth; you will
live, by Divine Light, and
we will dance . . . and sing,
and live, together ... as One!

And The Holy Spirit says: No matter
what your thoughts, where you go, or
what you do, no matter, what you say,
this day, let it be
a walk
through
one of your days
upon Earth, which is done
with joy and gladness and happiness,
let all beings see God, living, through you!

December 8, 2014

Your
options
are numerous,
choose wisely, so that
your choice is sacred,
so that you know
The Way.

And The Holy Spirit says:

Almost hourly, you make choices,
you choose to be upset about something, or
you choose to add your blessing on that something,
so that grace is settled upon it, rather than frustration.
You can choose to be disappointed; or, you can choose to
let your blessing fall upon that situation; you can choose
a number of things, but there is always a choice that
rings-out, filled with grace, and love, and under-
standing, and wisdom. So, as you make
your choices this morning, know
that with every choice you
make, there is the
opportunity
to make
a choice
that is sacred,
and when you do so,
wisdom grows within you,
and grace flows, upon the Earth;
it is always better to bless, than to curse!

December 7, 2014

When you
find a treasure
you are willing to give
everything you have to give,
so that this treasure ~ might be yours:
to hold, and cherish, ~ so that you might have
this thing, this treasure, of great value as your own. And
The Holy Spirit says: You know you have found something of great value,
when you desire to hold it close to you, to care for it, and to take care of it!

December 6, 2014

You will recognize the ones who know,
and embrace their creative power upon Earth
because they are surrounded by light, and peace!
They are calm and serene; they are not disgruntled,
or frustrated or confused. They walk in light; and,
create peace! And The Holy Spirit says: Those who do not
realize their creative powers, are often caught-up in
the muck, and the mire of living upon the Earth.
They stumble over debris ~ in darkness, and
wander in shadow ~ because they do not
know, their creative powers, upon
the Earth. But the ones
who know, they
create:
their day;
their year; their
time, upon the Earth, and
how it unfolds, they are surrounded
by the light, wherever they go; and,
this is how, you will know them,
this is how you will know
the ones
who embrace
their creative powers,
and are The Instruments of
God's Peace, and Light, and Love.

December 5, 2014

For those who are willing to follow, as they are guided
by the light, the rewards are bountiful, and life is sweet!
And The Holy Spirit says: If your choice is to be guided by the light
in all ways, you are blessed, and your days upon the Earth are
glorious, because you walk with certainty, and intention, and
purpose to complete the mission ~ as you are led to do ~ and
this, in itself, takes all worry and concern away from you
because it is set in your mind, that you will listen,
and be guided, by the light. There-
fore, rise-up this day, and
be guided, by the
light!

December 4, 2014

You
will be amazed
at the joy you feel
when you take, that,
which you believe you
need, and change it into
that, which, you provide,
for another. And The Holy
Spirit says: It is a most
joyful thing,
to become,
of your own free will,
the source of another's light,
and love,
and comfort,
and understanding;
for you will find, at the end
of the day, when you have provided
another with these things, these gifts,
you will close your eyes and realize
they have been yours, all along!

December 3, 2014

For those
who are willing
to use the gifts, the tools, the
spiritual tools, you have been given, the
unseen is revealed, and made known! And The Holy
Spirit says: In the world ~ there are things that are seen; and,
things that are unseen. You live with the unseen, every day; and
the unseen is made visible by using instruments, and tools. The
scientist looks through a great magnifying glass, and finds
a colony, a microscopic colony, which has been living
with you, all along; yet, remaining unseen, until
there was one ,who used a tool, an
instrument, a gift,
if you will, to
bring the un-
seen, into focus.
And this is how it is,
with the spiritual unseen! You
must use the gift to bring it into focus,
and the realm of the unseen reveals itself, with you.

December 2, 2014

Come,
walk into My arms,
and let us dance together, into
this day, eager, and excited, to see
what our dance will reveal, about you,
and about Me. And The Holy Spirit says: When
two people come together to dance, they become
partners in the dance, each one a part, a piece, of
that dance; and when two people come together to
dance, who have been dancing together a very long
time, they each anticipate the moves of the other;
and at the same time, they each trust, and know
each other well enough to follow, when the an-
ticipated movement is different, has a flare,
was created just for that moment, and
when they know each other
this well, and can
anticipate
each movement,
or have the faith to follow,
wherever the other will lead,
this dance reveals secrets, there is
revelation, and the dance is beauti-
ful, and good. Be at peace, this day,
walk into the arms of God, and dance.

December 1, 2014

Come,
let this day
be filled with the joy
you create, within My Light.
And The Holy Spirit says:
If you have come to the realization
that you truly are a child of God,
who will live forever, it is time
to rejoice, and celebrate.

November 30, 2014

When
you are willing
to bring forth the light
you carry, within, your being,
darkness will be no more. And The Holy
Spirit says: Confusion and doubt, are as shadows,
clinging to you, and blocking The Way, leading you
into total darkness, be it night, or be it day; but if
you are willing to travel, within your being, and
find that light, that seed, that gift, that hope,
that you carry within, and take the time
to ignite the ember, the flame, will
leap, and you will see, and
know, you carry
the light wher-
ever you go.
Therefore,
be willing
this day,
to bring forth
the light, and darkness
will haunt you, nevermore!

November 29, 2014

It does not matter:
whether you are hungry, or full;
whether you have a new coat, or an old coat;
whether your body is achy, or you are struggling with a cold;
no matter what the situation of this day, do not let the day grow
any older, until you do something most important, until you put a
smile on your face. And as soon as you do this, as soon as you feel
the corners of your mouth lifting upward, you will feel better.
And The Holy Spirit says: A smile is a greeting without words.
A smile says, I am fine. A smile says, I know.
A smile says, I care for you.
A smile says a million
different things, and
they are all correct, and
appropriate, and just right
for every occasion; so, what are
you waiting for? Put on a smile!!!!!!

November 28, 2014

Be
the
good
gardener,
the gardener who tends their own garden,
lovingly pulling the weeds, turning the soil,
feeding the plants that are yours, the gifts
that are yours.
And then,
watch your
garden grow,
and blossom,
and become ripe,
and bountiful. And The Holy
Spirit says: Do not waste your time,
wandering, and meddling, in the garden
of another, suggesting they move the radish
to where the potatoes are, and the asparagus
to where the broccoli is. Rather, use your time
in such a way that is of the greatest value, tend-
ing your own garden, making sure that the gifts,
the seeds, you have been given, are planted care-
fully, tended lovingly, so that they might enrich
and enhance, the garden that is you. Resist
the temptation to arrange another's gar-
den, work your own garden!

November 27, 2014

Let not your heart be worried.
Refuse the demons, of loneliness,
and despair; for, I AM with you; I
AM there; and today we celebrate!
We celebrate; and, are thankful,
for all that you have, for you
have Me; I AM with you;
I AM, within, thee!
Therefore,
throw open the
windows and the
doors, and sing. Let
thanksgiving be
on your heart;
and let
the notes
ring-out, over
the city, through
the countryside, up,
onto the mountain, and
down, onto the shore. Reject
worry, loneliness, and sadness. Let
them be in your heart, nevermore! And The Holy
Spirit says: No matter where you find yourself today, if you
will be still, and be quiet, and let the power of God, fill your heart, and
soul, and being, you will rise up singing "Thank you God for the gifts of this day!"

November 26, 2014

The brief time you have, upon the Earth,
is sacred! Treat it as such. And The Holy Spirit
says: Life upon the Earth is a glorious journey:
when you are connected, with Home Base;
when your focus is to do, that, which
you are meant to do; and to do
it, in the light of God.
These things,
these simple things,
bring you great joy,
and in-so-doing,
bring joy to
all those, those
you; cherish the time,
you have, upon the Earth;
for, it is brief, and it is sacred!

November 25, 2014

If today you find yourself in a place, in a situation, where someone has left you, choosing another, or others, over your company, resist the temptation to slip-in-to a shroud of solitude, or sadness. Rather, fill that empty void you feel within you with My presence; for I AM with you, and I will guide you to the truth. And The Holy Spirit says: When you are faced with rejection, or sadness, or loneliness, be sure to take the time to fill that emptiness, within you, with the presence of God, with the Holy Spirit of God; and then, listen; for you will be guided, at that moment ~ to let the love of God flow into you ~ and through you, freely; for, this is your call to action:
do not sit alone, ~ rise-up, ~ and go-out,
and touch others, or another.
Gather food, and
take it to
the hungry.
Gather a basket
of flowers, and take it to
those who are in a hospital,
or otherwise confined, for a while.
Take books to a prison, smile at a child, who is
crying. In this way, by the end of the day, you will find
that emptiness. within you, has been filled, with the love of God.

November 24, 2014

If
you are
laughing,
or smiling, or
generally feeling
happy... right now,
keep it up! The day
is what you make of it;
so, create a happy day, filled,
with smiles. And The Holy Spirit says: If,
at this moment, you do not find yourself happy,
smiling, or generally joyful, be still, and know,
that those things, those thoughts, are,
actually, within you! Do not give
safe harbor to sadness, feel-
ings of being alone, or
without love; chase
them away with
one simple
thought,
"I wish to give
the world, the gift
of joy, this day!" Then,
rise-up, and be on your way!

November 23, 2014

Sometimes, a bold spirit, and a courageous heart,
spring-forth, out-of necessity, when times are difficult,
and situations demanding. Sometimes, a bold spirit, and a
courageous heart, spring forth, from a fire, burning deep, at
the core of your being, saying, "It is time, there is something
to do, that mission within you, it is ready." And the finger,
points to you. Somewhere from a distant, quiet hallway
within you, you know it is your time to fulfill your
destiny. And The Holy Spirit says: Do not let the
reluctance of the world, keep you,
from rising-up, riding
the flames of
your spirit,
into courageous
deeds; for, when it is
time, those who are ready,
step-to-the-fore; and for them,
shadow and darkness are nevermore!

November 22, 2014

Do
not be
quick to
point ~ out
the errors, or
the short-comings,
of another, rather, choose
the silent tongue, and observe
what is happening. And then, take
this lesson, within you. In this way,
you learn from your brothers, and
sisters; your brothers, and sis-
ters, become your teacher,
no matter what their
place, or situation
might be. Learn
silently; make
the correction in-
side, of your being;
this is a master lesson.

And The Holy Spirit says: as you walk
upon the Earth, you will, sometimes, find
the behavior of others, a bit off-putting. When
this happens, make note of your observation; and, take
the time to correct it within yourself. Every time you successfully
do this, the ways of the world change, through you. Be quick to have
compassion, and understanding for others. Be quick to see the lesson; and internalize
the lesson; so that, that, which is displeasing in others, does not find a home, within you!

November 21, 2014

Do not rush through
this day - live - this day,
every single minute of it.
And The Holy Spirit says: Stroll
through this day, observing
what is happening, all a-
round you. Breathe
deeper, laugh
longer, let
compassion, and
understanding, grow
stronger, within you; and,
your day will be sweeter, and
filled with love; now, that, is living!

November 20, 2014

Do not approach the dawn,
with hesitation. Rise-up, and greet
the new day, eager for the opportunity to
create a glorious day! And The Holy Spirit says:
Do not shy-away from the challenge, change
your perspective slightly; and you will see
every challenge, as "the opportunity,"
it truly is! And today, you have the
opportunity to create a day, fill-
ed with: hope, and love, and
compassion, and faith.
Here it is; what are
you, going to
do, with to-
day?

November 19, 2014

Do not worry, or concern
yourself ~ about ~ how things
appear to be, shaping-up, when
it is time, that, which is to be, will
unfold before you, just as intended,
and revelation will be yours. And The
Holy Spirit says: Do not rush the rose,
and its unveiling, enjoy the beauty
of the bud, and the petals
unfold-
ing,
one
by
one,
reveal-
ing in time
the story, and
the glory of the rose.

November 18, 2014

Every day brings with it new encounters.
Sometimes, people walk into your life,
bringing the gift of joy. Sometimes
people walk into your life, seek-
ing the gift of joy. Be quick
to share the gift fulfilling
their need, and the
waters will flow,
and joy
will be unconfined!

And The Holy Spirit says:
Joy is the salt of the day, enhancing
the taste of that, which is, already, good.
Today, create, a joyful day, and pass it around!

November 17, 2014

There will be
times in your life, when
you are to give, and times when
you are to receive. When it is your
time to give, give as you would like to be
given; and, when it is your time to receive,
receive, with an open heart of gratitude; for
that which you have been given. And The Holy
Spirit says: The more you give, the more you
will learn how to give. Receive with joy,
and thanksgiving so others might have
the opportunity to give unto you.
Giving and receiving is a
circle of unending
fulfillment!

November 16, 2014

Nourish
the faith, you have
been given, cherish it,
as the special gift, it is;
be quick, and constant,
in your forgiving, of all
things, as this will free
you, and bring joy
into your life;
run from
the energies
akin to anger, or frustration,
because these things will lead you
into darkness, and hatred will become
your companion. These things I tell you,
these three things, for you to look, and see,
that using them will bring you great joy! And The
Holy Spirit says: In faith, live your life, forgiving all things,
rejecting anger and frustration, embracing The Way of Love.

November 15, 2014

Signs are tokens, permitting you entrance
to the next segment... of your journey... opening
the next door... unlocking the next box... which might
hold the key to that which you are seeking. Be mindful,
and watch for the signs! And The Holy Spirit says: The signs are
all around you: they can be on a billboard; they can be in a gift;
they can be in the words, spoken to you, or by you; they can be
in the rising, of the sun, or the setting, of the sun; they can be
in a solitary star or the vast heavens, holding stars beyond
counting. Signs are all around you, and for those, who
are observant, and believe in the signs, the days are
exciting, and filled with joy, unlocking boxes,
unwrapping gifts, walking through
doorways, seeing things
you could not have
imagined, be-
fore, the
signs.

November 14, 2014

You are a unique,
and wonderful being;
you are My child, away
from home for awhile, on
an adventure, experiencing
Earth. While you are there,
remember, I love you! And

The Holy Spirit says:

Do not be
disheartened
by the harshness
of the world created
by man. Do not let
the ways of the
world, rob
you,
of your
glory. You
are now, have been
and always will be, a
unique and wonderful
being, created by God!

November 13, 2014

You might not know, exactly,
when the next opportunity
may come your way; but,
you can be prepared to
accept it, every day.

And The Holy Spirit
says: And

you might not know
when the next challenge
may come your way; but
you can be prepared, to
accept it, every day.

Be open to
every
possibility,
that comes to you,
and prepare to show
what you can do, given
the possibility and the op-
portunity, or the challenge!

November 12, 2014

From only one seed,
of faith, you can grow
a garden, of faith; but,
the seed must be planted
in the fertile soil: of belief,
and trust, and tended, well.
And The Holy Spirit says: Nurture
the seed of faith, you have
been given,
and
that
which
springs forth
from it, will sustain you!

November 11, 2014

My
Love
flows
to you,
encouraging
you to be thoughtful,
kind, and forgiving.
And The Holy Spirit says:
When you feel
the love
of God,
flowing
through you,
moving you to be
thoughtful, kind, and
forgiving with others,
you are magnifying
the love of God,
as it swirls
through-
out
your
being,
flowing
onto the Earth
in your words, and deeds
of thoughtfulness, kindness, and for-
giveness, and this is cause for celebration!

November 10, 2014

Do not
begin the day
dreading, or fearing
what might happen. Open
to the possibilities, expecting
the best to happen! And The Holy
Spirit says: Once you remember
that you create the energy
in which you live, then
all you have to do, is
create the energy
in which you
would like
to live;
and, all
is changed,
for the better!

November 9, 2014

You must use the gifts you have been given,
so that you might have an abundant life,
as you walk upon the Earth; for those
who do not use the gifts they have
been given, will find: they feel
they are lacking; they feel
they are lost; they feel
they are in-need;
and, their life
upon the Earth
will appear as such,
lacking, lost, in need.
I have given you, all
that you need. Use
the gifts, and be
at peace! And
The Holy Spirit says:
Happiness goes to those, who
use the gifts, and use them well; for,
they will be "a sign." Yes, I say unto you,
they will be a sign: to the most lost; to the one
who is in-need; to the one who feels they are lacking;
and when those who have not, see the glory of those who
have, ~ they will begin to open the gifts ~ and fear will fall
from them, ~ and they too, will use the gifts, ~ and be glad!

November 8, 2014

Do not save your kind words, your generous deeds,
 and your forgiveness, for those who love you, who have
 kind words for you, who are generous toward you. No,
 let love, and kindness, and forgiveness, flow, through
 you, to all the inhabitants of the Earth; for, this is
 The Way! And The Holy Spirit says: How will the world
 know The Way, if you do not show The Way,
 if you do not extend your hand, in
 loving gesture to all, and
 draw them into
 your abode,
 where they
 might dwell in
 peace, and harmony,
 and balance. Let the love,
 of God, flow, through you, on-
 to the world; this... is... The Way!

November 7, 2014

When you are unsure of which way to go, the only wise action
 is to be still and pray; and ask for guidance to come to you, in a
 clear way; and, it will come, step, by step, by step, until you have
 begun to move in the right direction. And The Holy Spirit says: Do not
 let uncertainty, move into doubt, because as sure as you open the door
 to doubt, the friends of doubt will follow: confusion, mistrust, fear.
 And when they all get together, when they all have your ear,
 you are frozen, and cannot move, one way or the other,
 because you are living with doubt, and confusion,
 and mistrust, and fear; and, when they are
 around, it is difficult to hear the words
 which you are meant to hear!
 Turn your head from
 these energies,
 which will
 keep you
 from your mission.
 Free yourself of doubt, and
 confusion, and mistrust, and fear, by
 being still, and lending your ear, only, to God;
 and at this time, you will hear, and you will know, for
 The Way is written on your heart. Be still, and ask for
 guidance, and listen, and you will know The Way!

November 6, 2014

When you see a tree,
with cherries ripe and ready for picking
you taste the fruit, and are thankful for the gift;
for in the gift you know the tree. When you see a tree
filled with apples, ripe for the picking, you taste the fruit,
and are thankful for the gift, and know the tree. When you
see a tree, filled with love, and kindness, and forgiveness, and
compassion and understanding, and mercy, you taste the fruit,
and are thankful for the gift, and know the tree. My child, you
are the tree which is to ripen, so that you might give the gifts of
love and kindness and understanding and compassion in such
measures that others will taste the fruit, and know, you are
the tree from My orchard! Be the tree of eternal life.
And The Holy Spirit says: When you realize that you are
the tree of eternal life, and you have the ability
to grow the fruit, of all the gifts, of
The Kingdom of God,
you are eager
to display your
fruits; so, others
might see, and taste,
and know, that you are
the good tree, planted in The
Kingdom of God, to bring the fruits
to those upon the Earth. Live, and know.

November 5, 2014

Being loving, and kind, forgiving, and thoughtful, in the most difficult of situations, can often be easier than using love, and kindness, and forgiveness, and caring, and thoughtfulness, in your every day exchanges; but for those who recognize this, and see it as a short-coming, hear Me. When you have reached this plateau, it means you have been working on using love, and kindness, and you have reached a place, which requires a bit more effort. Still, you are doing it. You are practicing it. And it is also an indication that you do not have far to go, before you are loving, and kind, and forgiving, in every situation, be it difficult, or every day exchanges. And The Holy Spirit says: When you notice something, which you feel requires a bit more attention, that is progress.

You notice that which you are focusing on! Therefore, if you notice it, you are obviously, attentive to it; it is a sign! It is a sign that you are doing, and practicing, and using the gifts as they are meant to be used!

November 4, 2014

For the one who is willing to be patient, and wait,
when the timing is right, the answer will be complete;
and, it will be a joyful occasion. And The Holy Spirit says:
You cannot demand a cake be baked in one, or two minutes.
You must be willing for the baking to be complete to enjoy
the cake, as it is meant to be. You cannot demand
that a house be built in a day. But if you are
patient, and wait, as the building
continues,
day after day,
it will be complete,
when the timing is right.
And it will be a source of joy,
just as the cake. Today, practice
patience, and wait. And when
the timing is just right, all
will be complete, as
it is meant to be,
and the song of joy
will fill your heart,
and you will dance, and sing,
for that which you longed for is yours.

November 3, 2014

If you will embrace, as eternal lessons,
all that comes to you, today, then, you
will know, all you are to know, today.
And The Holy Spirit says: Sometimes you
are led to do things, you would not
choose to do. Sometimes you
are led to be quiet, so an-
other might speak.
And while this
can be difficult
to maintain, once
it is accomplished, you
retain all, the information, you
have received, during your period, of
silence. And, in this Way, you learn more, by
not speaking, than you could ever know, by speaking
your mind. Be at peace this day. Accept your direction, and
go, as you are led. And, come the night, before you go to bed, you
will bow your head, and say, "Thank you! I know the lessons, of this day!"

November 2, 2014

You are upon the Earth. And you are upon the Earth
to experience Earth! I send you forth, and you go!
Some of you go into the meadows, and the forests,
where it is pristine... and sweet... and bucolic. Some
of you journey into the cities, constructed by the hands of
man, where it can be more difficult; yet, you are there. And
I tell you today, I do not turn My head from you, but whisper,
gently, to you, "I AM there, I AM with you!" And The Holy Spirit
says: No matter where you journey, be it meadows, and wood-
lands, or cities and towns, it is important for you to know
that the hand of God is with you! Yet, it is also
important for you to know, that you
carry, within your being,
a great gift, it is
the gift of
free will,
so that you
might choose,
that, which you are to do,
using the guidelines, yet knowing
The Way. No matter how you choose
God's hand is with you! God will not
turn from you, no matter what you do,
or where you go; for, this is your exper-
ience, so you might know, truly, The Way!

November 1, 2014

Come, My child, and let us celebrate this day,
a new beginning, in every way; and, in the celebrating,
remember who you are, you are spirit, first, and foremost; and,
the healthy spirit gives birth to a healthy body! And The Holy Spirit says:
Before the pills, and the powders, and the elixirs, take first, the spirit; re-
turn, and reconnect, to the spirit, that is you; and then, you will remem-
ber, what it is you are to do. Live in the spirit, first; for, that is your
beginning, and that is your source of power, and your source
of health! And then, slip on the body you have chosen
for a while, and let the spirit animate the body
in every way; for, it is in this Way: that
you are... that you breathe...
that you live... that you
create... as you,
are meant
to do!

October 31, 2014

The
Presence
of The Light
is always with you; and
It will extinguish all darkness,
and eliminate every shadow,
all you have to do, is
believe!
A n d
The
Holy
Spirit
s a y s:
Living
in The Light
is a glorious experience,
all you have to do ~ is believe
The Light is with you, and with-
in you; and then, It will shine all
around you, illuminating The Way.

October 30, 2014

Today
make it
your intent-
ion to see, with
positive light, and let
this light, illuminate
every situation.
And The
Holy Spirit
says: Begin
the day, with
resolution to stay
within the positive light
of God; and then, stop, and check,
to make sure you do not stray, or wander in-
to shadows. Let the light of God illuminate this day!

October 29, 2014

Open
your heart,
and your arms,
embrace life with joy,
and enthusiasm! And The Holy
Spirit says: Create a magnificent day!
Open your heart and your arms and em-
brace the opportunity, that is yours. Realize
all the possibilities ~ set before you; ~ and, create!

October 28, 2014

When you
prepare to go-out in-
to the world, let prayer be
a piece of the preparation.
And The Holy Spirit says:
When you "bless," your jour-
ney, into the world, with
prayer, you go in
peace.

October 27, 2014

Do
not let
your course
be determined
by the shouts, and
commands, of others;
let your course be guid-
ed, by the still, small voice
within! And The Holy Spirit says:
You are not meant to wander,
in darkness, you are meant
to walk in the light, with
purpose, and con-
fidence,
knowing
The Way
is charted, by
the hand of God.

October 26, 2014

Do not set loose careless words to ride the wind; for, once they are created, it is done; hold your tongue and speak only, when, your heart is filled, with good, overflowing with light, knowing peace.

And The Holy Spirit says: When you accept the magnificent gift of eternal life, and you recognize Who You Are, it is time to accept also, the responsibility, that is carried by every child of God, who is awakened, in the light. Since you have awakened, and you are in the light, be responsible for all you think, and do, and say!

October 25, 2014

I see you; and I know you; you are My child, a being of light, a being of eternal life. And The Holy Spirit says: The ways of the world, the judgment of the world, will create tags for you; and, for others too. They might tag one stupid, another brilliant; they might tag one beautiful, another homely; they might tag one mean, while they tag another humble. And while these are not tags of your choosing, they are "marks," of the judgment, and the ways of the world." Do not be limited by tags, and name calling, and judgment, for you are, most assuredly, a child of The Creator of All Things. You are definitely a being of light, and you were created to live forever! Therefore, turn your head, from the ways... and the words... of the world, and reach-out to eternal life, and the light, and the hand of God!

October 24, 2014

Do not let the ways of the world define who you are.
Do not let the words, of the world, turn your head;
for, I have created you, and I know who you are.
And The Holy Spirit says: The ways of the world
can be distracting: the ways of the world can
halt your progress, or make you doubt
your mission, or criticize
your journey.
But when you
sit in the lap of God,
you will hear the truth, and
the truth will set you free. You will be
free, free: from the ways of the world; from
the criticisms of the world; from the flattery of the
world; because in the truth, all things are illuminated.
You are a child of God, and God created you, exactly, as
you are meant to be. Find your truth, in the lap of God!

October 23, 2014

Listen
to My whisper, and
you shall be filled with light.
And The Holy Spirit says:
Turn quickly from the ways of the world;
for, they can be harsh, and mean, and break
your spirit. Stand in the light of God, and
listen for the whisper; for, within the
whisper is held, the guidance,
and within the light
is held
the hand
of God. This
day, stand in the light,
be moved by the hand, listen
to the whisper, and see the day,
great, and grand, and wonderful!

October 22, 2014

When the world puts you down, and puts you off and tempts you to turn around and go in another direction resist! Listen to your spirit; take My hand; and together, we will go forward; for, this is your adventure; this is your journey upon the Earth. And The Holy Spirit says: Hold fast to the song of your spirit and let your soul sing out with joy! This is a great adventure: one, you have longed for; one you have hoped for; and now, it is yours: you are on a journey; you are upon the Earth, what good will you do today?

October 21, 2014

Sometimes I send you the gift of thought, so that you might know that, which you are to do! And sometimes I whisper, guiding your actions, in answer to a prayer, just as if I AM standing there. Every day, I guide you, along The Way. And The Holy Spirit says: For those who have awakened, to the touch of God, the day is sweet, and glorious, and filled with surprises. So I ask you now, what thoughts have come to you from God? What whispered answers to your prayer have you recognized today? Listen and know: God is always sending answers; so you might know The Way to go! Be still; and listen; so, you might "Know!"

October 20, 2014

Let not the ways of others, deter your song,
diminish your joy. And The Holy Spirit says:
Listen not to the ways of the world, to the anger, and
the frustration, and depression, of the world. Listen to
the whispers of God, guiding you, leading you, showing
you The Way; for, how you react to another, or act, in
your knowledge of the presence of God, shows who
you are. If you let others bring you down,
that is where you place your
importance, on the
judgment,
of others.
If you let
the whispers
of God, lift-you-up, that
is where you place importance, on
the celebration, of your relationship with God!

October 19, 2014

If you will stand in My light,
I will illuminate, the truth; and,
you will see, as you are meant to see,
because ~ you are standing ~ with Me!
And The Holy Spirit says:
If you will take the time to adjust your focus,
so that you are standing, moving, seeing, and
living, within the light of God, all things
will be revealed to you, as they
are meant to be, and
you will be at
peace!

October 18, 2014

Do not be afraid to open the door. Do not hesitate to walk-out in to All That Is, set before you. Do not doubt that you are ready to take that step. Open the door, walk over the threshold and look around you: it is the new day you have been waiting for; it is the opportunity that you have been preparing for; it is your time; it is now!

And The Holy Spirit says: It is your time. It is now. Go forth, and shine, the glory of God, all around you.

The New Day
is here!
Amen!

October 17, 2014

No matter where you are, I AM there, with you. And The Holy Spirit says: Sit on the sand, and look out, over the ocean; it seems to be unending. Sit in a meadow, and look up to the sky; it seems to go on forever. Sit on a mountaintop, and set your gaze on valleys, and rivers, and meadows, and towns, and be amazed, and in wonder, and then know, My unending love for you, goes on forever... amazing... and filled... with wonder!

October 16, 2014

The
most
challenging
things you do,
those things which require dedication, hard
work and sacrifice, yield the greatest rewards.
And The Holy Spirit says: Today, dedicate yourself
to persevere through the challenge,
set before you,
sacrificing
time, and
energy,
so it is ac-
complished;
and your reward
will be a new creation,
satisfaction and confidence.

October 15, 2014

Do
not
be tempted
into anger or frustration
by the choices of others;
rather, set your sails
to ride
the waves
of peace, and
hold your course!

And The Holy Spirit says:
Wisdom is found in peaceful waters.

October 14, 2014

Let
your
sense of
adventure
stir within you.
Rise-up to see, what
this day holds, for thee!
And The Holy Spirit says:
The great adventure,
of today, is yours.
Greet it, with
eager antic-
ipation.
Do not
wander
as if you
are lost; walk
with purpose, and
confidence, in God;
for, God is with you!

October 13, 2014

Resist
the temptation
to look back, in sorrow,
or regret. And The Holy Spirit says:
Use all, of your life experiences,
as lessons, which will help you
create... the best days... yet;
and if you use the lessons,
incorporating forgive-
ness, wisdom will
be, your re-
ward!

October 12, 2014

If you
will believe in Me
as much as I believe in thee,
we will accomplish great things, together.
We will know no boundaries, and we will
move over the Earth unrestrained, un-
confined, and life will be good.
And The Holy Spirit says:
When things seem,
or appear, to be
far more than
you can bear,
reach-out,
and you
will feel
the hand of God
enfold your hand, and
you will hear God say,
"Come, this we do, together!"

October 11, 2014

Those
who live, within
My light, are enlighten-
ed, because their focus is not on
the ways of the world, but on the light
of eternity. Therefore, that is what they know.
And The Holy Spirit says:
The books you choose to read are the things you know.
The movies, and the plays, you choose to attend, are
the things you know; the friends and acquaint-
ances, you gather around you, these are
the things you know, the people
you know, the places
you know.
Today,
get to know
God, better! Let the whispers,
in the stillness, coming from Heaven, be,
as the books and the plays and the movies, and
the people, friends, acquaintances, even family. To-
day, live in the light, be enlightened, by the ways of God.

October 10, 2014

Everything
you create holds the
components, of the creation.

And The Holy Spirit says:

When a parent raises a child, the end result
of the child's personality, holds the components
of the creation. Therefore, if the child went through
a childhood filled with frustration, anger, judgment, fear,
doubt, concern, and worry, those will be the components of
the child's personality, individuality. However, if the child's
childhood was filled with love, and kindness, and generosity,
thoughtfulness, forgiveness, compassion, then, these things
will be components of the child's personality, individual-
ity. And the same rule applies to the things you create.

Everything you create, including your thoughts,
holds the components of their creation.

This is your opportunity; yet,
it is a responsibility
as well! Create
in light, and
your creation
will be enlightened.

Create in shadow, or
darkness, and your creation
will hold shadow, and darkness. Be
mindful this day. All eternity is waiting to see, that
which you will create. Rise-up, and accept the responsibility,
and embrace the opportunity, to create a day, worthy, to be a gift to God!

October 9, 2014

Do
not
concern
yourself, if, it
appears, there is disruption
along the path; for, no matter what
happens, a detour will always be there;
and soon you will find your way
back, along the road
made straight
for you to
walk over.
Be at peace,
always; and, when
the storms come ~ "know,"
there will be shelter; when the winds
come, know, there will be a quiet place; when
the sun comes, know there will be an open valley, a
meadow, sweet with flowers; when the night comes, know,
there will be a place for you to rest your head; and when the day
comes, "know, I AM with you!" And The Holy Spirit says: Amen.

October 8, 2014

Give unto the Earth,
and all the people around you,
that which you desire. And by giving
to others, that which you desire, it is yours.
By giving the gift of... love, and kindness, and
generosity, hope, encouragement, support, for-
giveness, tolerance, and understanding, these
things, become yours! And The Holy Spirit says: Let
that, which you desire, be the first thing you give
away to others; for, in the giving of the gift,
the gift is yours. In the giving
of the gift,
you are blessed;
therefore, this day, give
that which you desire to receive,
and you shall know it, and it shall be yours!

October 7, 2014

The day will come, and the day will go,
and in this, you have no control. But what you can
master, are the hours in-between the coming of the day
and the passing of the day; for, that is the time for you to
create. It is yours. You cannot stop the day, from coming.
You cannot stop the day, from going. But you can create,
between the coming, and the going. That is yours to do.
And The Holy Spirit says: And so it is the same, with the day,
and with the night: you cannot stop the day, you cannot
stop the night, nor can you stop their passing; but,
you can use the time, in-between, to create.
So, go forth this day, and create: that
which is on your heart; that
which is your desire;
that which you
are led to
do!

October 6, 2014

Once
you make
the commitment,
and the pronouncement,
"I will do it," your strength, and
guidance, will come from Me.
And The Holy Spirit says:
Be not afraid, be not lost,
be not discouraged, for
your confidence lies
in the hand of God,
and the hand of God
is moving you to rise-up,
and walk into this glorious new day.
Remember, your strength is the power of God!

October 5, 2014

Your
truth
will be
found in
our quiet
conversations,
in the wisdom, I pour-out upon you.
And The Holy Spirit says:
Do not waste your time seeking
the adulation of others,
of the world
created
by man,
for that is fickle,
and faint, and falls apart,
and you are left standing in the dark.
Let your confidence come from that which
is written upon your heart, by the hand of God!

October 4, 2014

Let joy
be associated
with all that you do.
And The Holy Spirit says: It is possible to incorporate joy
in everything you do! It does take practice; but, it is worth the effort,
because then, all that you do will carry this beautiful energy of joy!
Even when you are assisting someone; or, praying for someone's
health or well-being, it is possible, to carry into that situation
the energy of joy; because you should be joyful,
that you can be there
with them, joyful
that you can
lift-up a prayer,
and let it ride into The
Dimension of Perfection.
You can bring ~ the element of
joy ~ to everything ~ you create!

October 3, 2014

The best gifts are given to you,
so that you might use them, in a way, to
enhance your journey, to assist your mission.
And The Holy Spirit says: The best gifts are given, un-
to you, so that you might use them, in such a way,
that they bring glory to God; and God's light
shines from them, and all around them,
and you pick-them-up, and you
lift-them-up, and you say,
"God, this is my gift
to You, to-
day!"

October 2, 2014

There
are actions,
which you can take,
to make your time upon the Earth
the great journey, the great adventure,
it is meant to be. The wise man "knows,"
when it is time to make ready his vessel,
to sail-out onto the sea, because he is
watching the tides come-in, and
the tides go-out.
He has been
vigilant; and,
when he knows
it is time, he boards
his vessel... made ready,
for the adventure to continue!
And The Holy Spirit says:
Watch for the signs, as, they are as the tide,
flowing-in, and flowing-out. Set-up your vessel,
make ready to ride with the tide, out to sea. But do not
lose hope, if you mistimed the tide. Set-up your vessel, because
the tide will return. It does not wait for you, but it will return for you!

October 1, 2014

I
AM
calling you
to rise-up! I AM
calling you ~ to action!
There are signs all around you.
It is time to pick-up the pieces, of
that, which began a long time ago,
and put it together, so that it is so,
so that it might be complete!
And The Holy Spirit says:
Today is a day of action.
Set your course,
and move
with the
guidance of
God; for, the time
has come; and you are
ready! Celebrate this day; and mark
it on your calendar, it is the day, it began, again!

September 30, 2014

You
cannot be
an instrument
of peace, until you are
willing to forgive all things; and,
at that moment, at that sacred moment,
when the decision is made, within you, to forgive,
you are crowned, as a bringer of peace, a Peacemaker,
unto the Earth. And The Holy Spirit says: Once you begin to
forgive, the practice becomes easier, and easier. And
from that point on, you are eager to make it
a daily practice, to search-out
the things that are
to be forgiven,
so that
your
peace might
be complete; so
that you might deliver
peace completely to the Earth;
for The Way of the peacemaker
is sacred, and sweet, and pure.

September 29, 2014

Slip on the cloak, that designates you as an explorer, one who is journeying over the Earth, and eagerly go into this new day; for, that, which comes to you, in the next twenty-four hours, or so, is unexplored territory; and, it is all set before you. And The Holy Spirit says: Be not afraid. Do not turn to the right, or left. Do not inch your way backward. No, go forward into this new day. Celebrate the opportunity; for, you are about to experience the great adventure! Go, and let there be light, with whatever you find. Sing, and dance, and be joyful, through the day, and into the night, because it is yours.

September 28, 2014

I
know
how you feel.
I hear what you say.
I see that which you do.
I AM aware of your thoughts.
I AM with you; and because of these things, I know what you need, better than you. Therefore - trust in Me, and in - that I will give you that which you need.
And The Holy Spirit says:
God sees, and knows, and hears, and is aware of all, that is important to you; God reads the language of your spirit and your soul and your heart.
In this way, God is closer to you than your friends, and our family, and your workmates, because God knows the real you, the authentic you, the you that is the child of God.

September 27, 2014

If there are times when you feel as if you are watching life unfold around you from the sidelines, then it is time for you to remember, that your life upon Earth is meant to be an adventure, a great journey. Therefore, it is time for you to get off the bench, or step out of the rut ~ and get yourself ~ into the game. And The Holy Spirit says: There is an adventurer hidden deep within you, an explorer, and it is time to bring these attributes forward, so that you can experience life upon the Earth as it was meant to be, so that you do not get upset, or frustrated, when little twists and turns occur, in your path. See it as the adventure it is, as the greatest game you will ever play, as a sacred journey; now, are you ready to begin this day?

September 26, 2014

When the experience of living upon the Earth seems to be fraught with falls, and missteps, remember, the glory is in rising-up and moving on! Give Me your hand, and rising-up will be easier, and the glory will be ours, together!

And The Holy Spirit says:
 It is not unusual to see a child, with scrapes, and scratches, and scabs on their knees and elbows; for, these are "signs," of childhood, running into the playground, tripping and falling, because, perhaps, they were not looking where they were going; but they are also reminders, of living life, fully, eagerly. Do not let the falls deter your forward motion. See them ~ as lessons, reminders, ~ and know the glory ~ has always been in the rising-up, and continuing the journey, going to places you have never been, before!

September 25, 2014

Appreciate those around you:
who support you, along The Way;
who speak words of encouragement
when you face a difficult day; who
offer a hand ... and a shoulder,
to lift-you-up; for, they
touch you, for
Me!
And
The
Holy
Spirit
s a y s:
Today,
appreciate
God's messengers
all around you, the seen, and
the unseen, as well, for they dwell with you.

September 24, 2014

To
one
who
thirsts,
water is sweet. To the one who labors,
rest is complete. To the one who seeks,
revelation is fulfillment, of the signs
and signets, along
The Way!
And The
Holy
Spirit
says:
Enjoy
the journey
of today; and,
all it will reveal
to you, the seeker!

September 23, 2014

Life
as you
know it
upon Earth
is a temporary condition;
but it is a vital piece, of
your eternal experience.
Recognize it, for what it truly
is, a piece of eternity,
your piece, of
eternity.
Live it
with confidence
in who you are; and, what
you are doing. And The Holy Spirit
says: Live today, with enthusiasm, and
joy, creating this present piece of eternity.

September 22, 2014

If
you
will let
Me in, I
will show you
where to begin!
If you will allow
My Presence, to be, at
the center ~ of all things,
then, all things you do, will re-
volve around Me, and My love for you!
And The Holy Spirit says: The wise "know," to
call upon God, before, they ever go, into the day.
The wise "know," that keeping God at the center, of
all you do, is insurance that you will not stray
from the path, you are intended to walk.
Forget, this day, what others are
doing, or saying, or
thinking, and
focus all
that you have,
upon bringing God
into the center, of all things.
In that Way, you will be blessed with the
Presence, of God, and you will truly be at peace.

September 21, 2014

You are about to begin the journey, of a brand new day.
Set your course to be ~ a course: ~ of happiness, of joy,
of confidence in who you are; and "Do not be afraid!"
And The Holy Spirit says: Open your eyes, and look around,
and then proclaim, ~ in a prayer, ~ of thanksgiving,
all that you have found! Do not set your eyes
on the ways of the world; rather, turn
your head, and see
the streams
and the rivers,
the grasses, the trees
and the flowers,
the insects.
See the
fruit on
the trees,
and the crops, in
the fields, and know,

September 20, 2014

It is
relatively easy
to be kind and loving,
considerate and compassionate,
to those who are agreeable, or in pleasant
situations; but I AM asking you to be kind and loving,
considerate and compassionate, at all times, to all peoples.
And The Holy Spirit says:
There is only one way, that you can be kind and loving, considerate
and compassionate ~ at all times, ~ and this is to make sure ~ you
are connected with God, at all times. In that way, God's love
flows, strongly and powerfully, through you, flowing
onto the Earth, to all peoples, in all situations.
This takes practice, but is
a practice worth
doing!

September 19, 2014

When you are able to
direct your focus, toward
Me, ~ you see ~ with clarity
that which My Light reveals.
And The Holy Spirit says:
There is no need to stumble
in darkness, when
The Light of
God
is yours!
When you
feel the darkness,
or shadows, encroach-
ing around you, call on
The Light of God; and
clarity ~ will be ~ yours!

September 18, 2014

Today,
I offer you
the opportunity
to be My Living Word,
heralding love, and compassion,
as you walk along the way. If you will embrace
this opportunity, you will be blessed, manyfold.
And The Holy Spirit says:
Go forth, heralding the new day,
and all of the blessings,
which will come
your way.
Sing a song
of joy, as you
deliver love, and
compassion, to those in
need. Bestow the gifts, today.

September 17, 2014

Watch
for "the signs;"
for, they are simple,
and always with you;
they are the promise
of something, yet
to come.

Signs
are held
in the rising
and the setting of
the sun; signs are held
in the phases of the moon.

And The Holy Spirit says:
Every beginning has an ending, and every
ending has a new day, a new time, a new birth.

September 16, 2014

Believing ~ in Me, ~ and you,
and what we can do together, creates
a reality, wherein all things are possible.
If My hand is leading you, do not hesitate
to rise-up, and follow. It is time to fulfill
your destiny. It is time to do, that,
which you are meant to do.

And The Holy Spirit says:
Believe!

September 15, 2014

Rise-
up, and see, that
which I have given unto thee,
with all of its pieces and parts.
And The Holy Spirit says:
Rise-up, and greet the new day;
for, it is time to sing
a song of
love.

September 14, 2014

When you carry peace, in your heart,
there is no need to look for it, in the
world of man; for, peace is with you.
And The Holy Spirit says:
Create, and establish ~ peace ~ with-
in your being ~ first ~ acknowledge
The Kingdom of God, ~ with you,
that kingdom of eternal beau-
ty, within you; and let your
work be there, first.

For, you
cannot
find peace,
in the world of man,
and know it, if it is not al-
ready dwelling, within you!

September 13, 2014

The air within your home
will become stale, will become dust-ridden,
and the corners will begin to fill with cobwebs, unless
you throw open the windows and the doors, and invite The Wind
to enter, and begin moving that, which was still, clogged-up, difficult
to breathe. The winds of change will move through your home, and
refresh... and rejuvenate... that which was once stale, and old.
And The Holy Spirit says: Do not be afraid to ride The Wind;
for, It will take you to places you have never been.
Throw open the windows, throw open
the doors, and let Me in!

September 12, 2014

In
the trees,
and the grasses,
and the flowers, and
the sun, and the moon, and
the stars in the sky, you will see Me. In
the sound of the rushing rivers, slow-moving streams,
the crashing of the waves on the shore, the song of the bird
taking flight, and the laughter of children, you will hear Me.
With the gentle breeze or a comforting wind you will feel Me.
And with these things, and in your heart, in the stillness,
you will come to know Me; for, I AM with you.
I AM always with you. Today,
see Me, hear Me, feel Me,
and celebrate that you
have come to know
Me! And The Holy
Spirit says:
Amen.

September 11, 2014

I
will
send you
"signs," of that
which you are to forgive,
that which remains unforgiven,
within you. And with every forgiveness, you begin
to wipe the slate clean; and once that is accomplished, you begin
anew, fresh, revitalized, rejuvenated, all things
forgiven, from within you.
And The Holy Spirit says:
Be mindful of your thoughts.
Be mindful of the signs,
no matter how
they come
to you.
Be quick to
forgiveness. Be slow
to anger. Be willing to give
up the ways of the world, seeking
retaliation for some injustice, or unkind
words. Rather, seek to be "the instrument of
peace." Forgiveness leads to internal and eternal Peace!

September 10, 2014

Let there be raindrops of grace,
and sunlight of blessings, creating
rainbows of love, between Heaven
and Earth, granting you peace.
And The Holy Spirit says:
When you are able to take
a ray of sun,
and bend it
into a rainbow
when there are clouds,
you have done a mighty thing;
for - you have found the rainbow - in
the storm - by watching the light - of the sun!

September 9, 2014

When
you begin
to see each day
as the magnificent adventure
it truly is, then, and only then,
will you truly appreciate the gift
of each day ~ upon ~ the Earth.
And The Holy Spirit says:
Your lifetime upon the Earth
exists, and is formed of
every day of
your journey
upon the Earth.
Therefore, make it
an incredible story,
a story of: faith, and trust, of compassion,
of generosity, of thoughtfulness, and kindness;
make it a book worth reading; make it a lifetime
worthy to set before God; for, this is your journey;
this is your experience; this is your lifetime, upon
the Earth; go-out and create a most perfect day!

September 8, 2014

When you practice tolerance,
and kindness, and charity, you
come to know compassion as well.
And The Holy Spirit says:
Using The Gifts of The Holy Spirit
brings you eternal wisdom, one
gift leading you into another,
doubt, being replaced by
confidence and trust,
worry and
concern,
being
wiped away,
with the blessing,
and the grace of faith.
Go forth this day,
and practice!
Practice
tolerance,
practice kindness,
practice charity. Come
the evening, you will be sitting,
comfortably, knowing the gift of compassion.

September 7, 2014

It is not, the harvest, that is lacking,
for it is bountiful, it is the labors, who are few.
This is why I call you ... Come ... and look ... and see.
The harvest that I have sent for thee, is, truly, all you need!
And The Holy Spirit says: The harvest is bountiful, there are gifts galore,
treasures beyond your wildest, and most fantastic, imagination. Yet,
there are few willing to walk into this harvest, and gather the gifts,
and the treasures; for the ways of the world entice you, call to
you, and you turn your head from the fields of glory,
and march into the cities, created by man.
But I tell you this story, there is no
greater treasure, than the
harvest you will find
held in the
hand of
God.

September 6, 2014

Do
not
hesitate
to rise-up,
upon the wings
of the eagle, and soar, into the heavens.
Do not be afraid to go, and ride The Wind.
Your time upon the Earth is meant to be
a joyous experience, seeing,
learning, knowing,
one adventure,
after another,
until the
journey
ends.
And The
Holy Spirit
says: Rise-up,
and fly, with the
eagle; do not be afraid
to flow ~ with ~ The Wind.

September 5, 2014

Do not come to Me because others want you to do so; or,
that, so many around you are walking in My direction,
making it awkward to resist; no, come to Me, so you
can fulfil that desire, within you, to acknowledge
your heritage ~ as My child ~ upon the Earth!
And The Holy Spirit says:
To be one in many, flowing with the crowd,
doing what others are doing, does not
fulfil a commitment, a desire,
it is simply going along
with what others
are doing. But come
the day, come the time,
that you feel a stirring, within
you, and you desire a richer life, with
an understanding that there is so much more
to come; then, you will know, and you will rise-up,
and you will approach God on your own, acknowledging
the beauty, of being a child of God, and fulfilling your destiny,
to walk upon the Earth, for a while, and then, the promise of Home.

September 4, 2014

The ways of the world can be frustrating, and demanding, chaotic, draining of your strength, and your reserve; but as you draw nearer to Me, as you focus your attention on Me, you will find that frustration floats away, and the demands, of the world, seem less important, as chaos falls from you, and your strength is restored, and the well of your reserve is full to overflowing.

And The Holy Spirit says:

Before walking into the world sit with God. In this Way, your strength will lead you first, and your reserve will be with you; and as you go through the day, and you feel your strength waning, sit with God, as sun flows into the moonlight, as day gives way to night, and you will once again be restored, and renewed, resting your head, going to bed: fulfilled, whole, and healed.

September 3, 2014

Come forth; it is time; and you are ready: to see, that which was unseen; to know, that which was unknown; and to behold. all that is sacred, and holy. And The Holy Spirit says: Amen.

September 2, 2014

A
bird
taking flight
is a beautiful thing to see,
and the song of the bird is a beautiful thing to hear.
And The Holy Spirit says: Let your movements through
this day, be as a bird taking to flight: let
the words you say, all of this day, be
as the song of the bird,
a total delight,
to any, who
will stop
and hear
your song,
and watch
your flight,
all through the
day, into the night.

September 1, 2014

When the turbulence
of the world threatens to rattle,
or shake, your inner-peace, be still,
I AM with you, take My hand, and
follow Me. And The Holy Spirit says:
Maintain your connection, your
relationship, with God,
no matter what
is going on,
around
you,
be still,
and you will be
less threatened by the chaos
of the world. Be still, and find your
balance, and harmony, in the light of God.

August 31, 2014

The day
will come, when the
robes of Earth, no longer fit
the spirit, ready to soar, into the heavens.
And The Holy Spirit says:
Following the life, from the birth of the child, into old age, and
beyond, is a glorious thing, a miraculous observation; for, as
the child grows, the garments, the clothes, change, alter,
to fit the body, more appropriately. But one day,
when the body is becoming more spirit,
the clothing of Earth falls away,
and the child is free,
once again.

August 30, 2014

I
will
give you
the strength
to master every
challenge. I AM
a whisper away.
And The Holy Spirit
says: The path
you have
chosen
to follow is
uniquely yours;
and, the best direct-
ion you can ever have is
to take the hand of God!

August 29, 2014

The day will come when you
will sing and dance;
and it is today!
And The
Holy
Spirit says:
Take this day
to heal all wounds,
and make the way straight.

August 28, 2014

Rejoice!

And The Holy Spirit says:

A new day has come! Let
this day, ~ be a day ~ of great
celebration! And then, with
the setting ~ of the sun, go
quietly, and sweetly, to
your sleep, resting
in the lap, of
God!

August 27, 2014

Prepare

to greet the new day,

as the sun rises, the gift is yours.

And The Holy Spirit says:
Do not take lightly, the gift, of a new day;
as it has been given to you, by the hand
of God, carry it with great care;
and, create, a day, of
love!

August 26, 2014

Peace

and Wisdom

ride on the wings of forgiveness.

And The Holy Spirit says:

Do not hesitate to forgive all
transgressions,
including
your
own, as
holding back
forgiveness denies
the peace, you are
seeking. Wisdom and
Peace are found within
the gift of forgiveness!

August 25, 2014

When you are at peace,
held within the light of God,
you walk through even the most
turbulent of times, in confidence.
And The Holy Spirit says:
When you are in confusion, tossed
about by the shadows of doubt,
you feel lost, and in chaos,
even through the most
tranquil, of
times.

August 24, 2014

When you are "holding on to,"
the things of the past, you are mis-
sing the joy of living in the present.
And The Holy Spirit says:
Living in the past is counterproductive.
But using "the lessons of the past," as
"tools," for today, will open the door
to a productive tomorrow! To-
day, is your opportunity
to use the tools,
of the past,
to create for
tomorrow; it is
all yours to do, today!

August 23, 2014

To accomplish great things,
you must have great thoughts,
and a positive attitude; for you
will surely "create," that, which
you are thinking, and doing, and
saying. And The Holy Spirit says:
The mystical, magical ability
to create, with thought,
is not a concept
for the future,
or the science fiction of
yesterday, it is the reality of today.

August 22, 2014

The
best "plan," is
to be willing to go wherever
the hand of God leads you. And The Holy
Spirit says: Set your preconceived notions
and lists aside; today, set yourself free
to ride the wind, off on an adventure
to places you have never
been before.

August 21, 2014

Do not set-aside the dreams
of your heart, embrace your song,
and sing with joy! Always remember
to sing, ~ and dance, ~ and delight-in
the opportunity of life upon Earth!
And The Holy Spirit says:
All ~ of Heaven ~ is listening,
for your song; ~ so sing,
that, which is writ-
ten, on your
heart!

August 20, 2014

Whenever
you begin to feel
the weight of the world
upon you: remember, I AM
with you; remember . . . your
Eternal Parent . . . is . . . God;
and the weight of the world
will tumble . . . as you rise-up!
And The Holy Spirit says: Remem-
ber your strength ... does come
from the power of God; walk
in the light of God, and
you will walk
in peace!

August 19, 2014

Even
the most
daunting of days,
can be a joy to experience,
when you are at peace.
And The Holy Spirit says:
Take a "deep breath,"
center yourself, in the light
of God, and walk into
this new
day.

August 18, 2014

Be
still, be
quiet. I know
what you need,
and it shall be yours.
And The Holy Spirit says:
Sometimes, it is more
important to be still,
and listen, rather
than reciting
your
petitions,
in repetition; be
still; for, God already
"knows," that which you need!

August 17, 2014

There
will be times
when My will does
not seem the same as yours.
However, you can be assured that
My will is always for the best for you.
And The Holy Spirit says:
Pray wisely. Speak to God wisely.
"Thy will be done,"
is a prayer
of faith.
Pray for
the wisdom
to accept that
which is happening
around you, and to do so
using the gifts, you have been given,
and the strength of God to continue on your journey.

August 16, 2014

There
is no song
any more beautiful
than the song of the bird;
for, it is ~ a song ~ of life!
And The Holy Spirit says:
Listen to the song
of the bird.
Behold the
beauty, in
the song,
of the bird
and ~ sing, ~ as
the bird sings! Sing,
because the joy is within
you! Sing, because you live!

August 15, 2014

If you feel lost... if you are living in confusion... sometimes even chaos, you cannot know peace, you cannot be content. You will not be in balance, and harmony, with all creation, until you rid yourself of the state of confusion and chaos. And The Holy Spirit says: Once you rid yourself of the confusion you are experiencing, you will be in peace. Chaos cannot threaten the one who is content, and at peace; therefore, be still, be quiet. Experience the moment without projecting yourself into, what you perceive to be the future, or returning to the past to dwell on that which is done, and over. These are exercises in futility. Remain in the present moment, and feel the air about you, and breathe-in deeply, and know, you live forever; but this piece of your forever journey, this leg of the journey, is in a physical body, walking upon the Earth, for just a brief time. And remember, you have the power, within you... to rid yourself of confusion... and live in peace.

August 14, 2014

When
I call you
come to Me,
sit with Me, talk
with Me, be... with Me;
for you will soon find, as we walk together, that
the voices of those who mock, and belittle you,
who stir-up turbulence and trouble, for you,
will fade, and be disbursed, as the breath
of The Wind moves you
to a better place. And
The Holy Spirit says:
I speak to you,
and the power
of My breath
lifts-you-up.
Come, ride
upon The Wind;
for I will take you to places
you have dreamed about, and thought
about, but never been. Now, it is time to answer
the call, of the voice of God... "Come, and ride The Wind!"

August 13, 2014

From
temptations
I will deliver thee;
out-of the darkness, I will lead you,
into the light. I will reach into your
grief, and sorrow, and
bring you a song
to sing, all
the day,
into the
night.
And The
Holy Spirit says:
Do not be misled,
do not believe that you can buy happiness,
that you can find the answer to all your questions,
seeking everywhere, before, going inside; because,
as you sit, in quiet... and speak to God... on high,
you will find fulfillment... every time. There
is no problem, that cannot be solved, by
opening the book of your heart,
and reading the words
written there, by
the hand of
God.

August 12, 2014

This day, open your eyes
to the beauty all around you:
My creation singing, dancing,
releasing their fragrance to ride
The Wind; watch the leaping waters;
feel the touch of a gentle breeze; reach
down and become a piece of these things
I have created; for, in acknowledging the
beauty, you are acknowledging My work.
And The Holy Spirit says: As you acknowledge
the work of God, the creation of God
and the beauty, of all that is,
created by God,
pause, just
a while,
to appreciate
the creation of you!
And then you will see: as
God loves the flower, and the tree,
and the rushing brook, and the wind, and
the sand, and the fertile soil of Earth, God loves
thee; for, God is The Parent of your eternal birth!

August 11, 2014

The light of My love
shines, equally, on all beings; it
shines on all of My children upon Earth:
no matter how high the walls you might build;
no matter how much clutter, and debris, you stack in
the corridors, and the hallways, of your inner-being. The
light of My love is with you; but, to experience the warmth, the
satisfaction, the fulfillment, of bathing in the light of My love, you
must tear down the walls, and sweep the hallways, and corridors, of
your inner-being free from debris and clutter and obstacles. And The
Holy Spirit says: God does not measure-out a cup of love for this one, a g
allon of love for that one; no, God's love does flow to all. The only dif-
ference in the quantity of love, flowing to you, is based on the obstacles
you have built - around you - and within you; and, unworthiness is a
feeling, that you need to cast from you; for this, too, is an obsta-
cle to keep you from experiencing the total love of God. To-
day, tear down the walls, throw open the windows,
sweep your hallways, and corridors, clean,
and walk-out into the sun light.
It is there, always!

August 10, 2014

Rise-up. I call you, rise-up,
and come forth all ye wounded,
all ye sick, all ye lost, and weary.
I call you; and, I kiss the wounds,
and I kiss your weary body. I kiss
any doubt, that has formed with-
in you, and I whisper, into each
receiving ear, "There, it
is all better!"

And The
Holy
Spirit
s a y s:

There is
no wound
which cannot be
cleansed. There is no
doubt, that cannot be stripped
from you. There is no loss, that cannot be
fulfilled, and made whole, in the light of God; for,
The Good Parent, The Eternal Parent, bends-down, and
you feel the breath upon you and that which is lacking is kiss-
ed, and healed, and made whole! And the gentle Voice comes,
as you feel the stroke upon your head, "There, it is all better!"

August 9, 2014

When you are given the opportunity to be still, to be quiet,
embrace that gift, as the blessing it is; and, "know," I AM
with you. And The Holy Spirit says: It is important to remember
that God is always with you, available to you at any time,
a staggering thought, that The Creator of All Things, is
just a call away: it is important to remember this, as
you walk into the day. You can hear The Voice
of God! In a busy city, it might come
as a whisper;
driving a car
The Presence
might seem closer,
than ever before; but,
when you are in a quiet place,
when you are still, the Voice of God
can be heard better, stronger, speaking
to you, a song of love, sent from Heaven,
to touch you as you walk upon the Earth.

August 8, 2014

When you live in balance, and harmony,
 with all things I created, then you live with a joyful heart,
 and you know peace, as your constant companion; and you ask,
 desiring joy, and peace, "How might I live in balance, and har-
 mony?" And I answer you, "My child, give Me your hand, and
 walk with Me, and I will show thee." And The Holy Spirit says: When
 you are living... within the light of God... you are at peace. You see
 things differently, from within the light. You see things as One,
 connected to God; as in the prayer of Jesus... that we all
 be as One! This day, stay in the light. Open your
 eyes, and look, and see, and delight, in
 all of God's creation! Walk in
 balance, and harmony,
 and peace!

August 7, 2014

When
 your work
 upon the Earth
 involves healing, and helping,
 assisting others, your rewards are many.
 But there comes the time to set yourself aside
 so that My angels can minister unto you,
 so that you are quiet, and can hear
 Me, as I whisper to you.
 And in this way,
 I will help,
 and heal,
 and assist thee,
 preparing you to go-
 back into the world, and
 take care of My children.
 And The Holy Spirit says:
 Feel ~ the hand of God ~ move you
 to take care of others, in such a way that you
 lift-them-up, and brighten their day, open the doors
 of hope, and possibility, making dreams come true. Today,
 open the door of dreams, and possibility, and let the light of God
 flow onto, and through you, lifting-you-up to ride upon the breath of
 The Holy Spirit, into a new day of peace and quiet, balance and harmony.

August 6, 2014

Pay attention
to what you are doing.
Do not let your thoughts
and words ~ and deeds
contaminate the Earth.
This day, sing a song
of praise, and glory,
and thanksgiving.
This day, sing
a song of
love!
And
The
Holy
Spirit
s a y s:
It is time
to begin the day, so,
set your intentions as you
pray; what are you going to create
this day; let it be: light and peace and love!

August 5, 2014

This day be willing to go
where The Wind will take thee.
Rise-up; and, ride the breath, of
The Holy Spirit into the new day.
And The Holy Spirit says:
Come... I have things to show you.
I have places to take you, I have
things to tell you: as we ride,
as we move, as we go in-
to a day, which will
be created, by
everything
you think,
and do,
and say.
Therefore,
let us go together,
and bless this sacred, new day.

August 4, 2014

There will come a time, when you will "know,"
there is much more, much more. More is to happen. More
has been. This "piece," you are living is just that; your life upon
the earth is a piece of your eternal existence. It does not end when
the body falls down. You are an eternal being. You are My eternal
child. Look, and see, and do not waste a precious moment. Do not
cast away a precious piece of eternity, which you are living today. And
The Holy Spirit says: Wake-up; look around you; observe what you see,
and draw it into your being; breathe deeply, for there will come a time
when you will long to: experience taking a breath, touch a tree, hold
a rock, run your fingers through the soil of Earth, put your feet
in the water, of the streams, and the rivers, and the oceans,
touch another human being, with a tender feeling, brea-
the-in the aroma of an orange, any fruit. You are u-
pon the Earth, for a very short time. Use today
as a special time to appreciate the gift, to
awaken to the power that is yours;
for, you live, not just now, but
forever; so, enjoy where
you are, every speci-
al space. En-
joy Earth,
today!

August 3, 2014

Patterns of behavior, or habits, are learned, practiced, perfected, used daily. Habits become habits through practice, finding that they work, using them constantly, until they become a piece of who you are. But patterns of behavior and habits can be broken the chain severed, the new can replace the old! Do not accept who you are today as the final product in any way. As you walk upon the Earth, you are "perfecting" who you are, letting the debris, and the dirt, those bad-habits you have picked-up along the way, those things of the world, fall from you. And, if you continue with this practice, you will find that the harsher habits are replaced by joy and happiness and contentment and comfort. And The Holy Spirit says: When you are content from the core of your being, you feel joy and happiness. But joy and happiness will be illusive and evasive until you are at peace at the core of your being. This day, go there, go to the core of your being, sweep the debris from the corridors, and hallways, and replace all that was swept away, with the precious gift of peace; and from peace will spring forth joy, and happiness, and life will be good!

August 2, 2014

Most men are eager to point-out the differences between individuals, and groups of people, thus marking a line in the sand, dividing the people, separating the people. But the wise man, the one who "knows," the one who is quiet, and patient, quickly points-out the similarities, that which they hold in-common, erasing bits of the lines drawn in the sand, so that they embrace that which they can, and sit, in prayer and meditation, regarding the other.

And The Holy Spirit says: A wise man held up a pencil, pointing to the end of the pencil where there was lead, and wrote the words on the paper. Everyone in attendance looked, so they might see that which was written down. And then they realized, the words were of: disappointment, and frustration, and separation, leading to isolation. And everyone reading the words thought that was the message to be delivered by the man. But once he had their attention fully in his hand, he then pointed to the other end of the pencil, and began to erase the words, of: disappointment, and frustration, separation; and he wrote the words of understanding, and cooperation. The crowd stood, and did not understand for a moment, until the man spoke, and the man said,

"That which you have done
can be erased with understanding,
and love. It is not wise to use your energy
in any other way. You have been given the power,
and the ability to create, do not use your power to desolate."

August 1, 2014

Seeking to see the
unseen is well worth the
effort, a journey well taken.

And The Holy Spirit says:

As you walk through
your daily life,
you look,
and see
all
around you.

You see the chair, you see the desk,
you see the car, you see the rest, of
the mundane world. But, for those
who are willing to open the eyes
of their soul, they see that
which many do not see,
the realm of the unseen.

It is a journey into eternity.

It is reality. Open your eyes, and
look, and see. If you knock, the door will be
opened, and your life will be changed, forever.

July 31, 2014

"Doubt," slows you down, or stops you, in your tracks!
It becomes a heavy burden, that you bear upon your backs!
But when you open to the possibility, that you can do all things
through the power I send to thee: you fly through the day, you
float all The Way; seeing every challenge, as the possibility
it is meant to be. Watching as you climb the mountain,
that you once thought impossible to ascend;
and you stand at the top, and
quietly whisper,

"Amen!"

And The

Holy Spirit says:

Let go, of the burden,
of doubt; and, set yourself free!
Go-out into the world, and do amaz-
ing things! All the things "you thought"
were impossible on one part of your journey,
become "the stepping-stones, along The Way,"
as you climb higher and higher to meet Your
destiny, complete your goal, and be totally free!

July 30, 2014

Forgive, all things; and, do not be afraid; for,
the unforgiven is as an albatross, around your neck;
and fear is the weight which holds you in place, denying
you the freedom of flight! And The Holy Spirit says: To achieve
peace, to live in a state of joy and happiness, requires that you
forgive all things, be done with them at last, by pronouncing
them forgiven. And do this forgiving, from your heart!
And then, once you have done this, set aside 'the
temptation of fear.' Be not afraid! Free
yourself of this, as well; and,
prepare to take flight.
All things forgiven,
you will fly un-
afraid into
the New
Day!

July 29, 2014

If, this day, you find there is 'a void,' in your life,
go-out, and create, that, which you are seeking, and give
it to another; and, in this Way, you will fill the void, with
that, which you need, and magnify its glory, by giving it away;
thus assuring it will come back to you many-fold every day.
And The Holy Spirit says: Rise-up, and go forth, as God sends you;
and wherever you find a need, fill it, remembering that,
that which you give away is yours as well; for,
All is One!
Therefore,
it is impossible
to give kindness,
and not receive kindness,
in abundance. It is impossible to give:
understanding; support; courage; strength; love;
without receiving it yourself, because that, which you give
away, will be returned to you, many-fold, every day. Go-out
and create, that, which you are lacking, and it shall be yours!

July 28, 2014

Do
not be
short-sighted,
limiting that which
you can do, to that which you are able to understand,
or think you can do. Open your heart, and hear what
I say, and do not set limitations for yourself this day;
for, what you cannot do on your own,
I will do, through you,
for you are My
child, My own.

And The Holy Spirit says:
Set aside fear, and doubt.
Open... your heart... and hear
the word of God; and, that which you
will accomplish, will be accomplished by:
the hand of God; the power of God; the light
of God; and, the love of God, flowing, through
you. Set your sights upon a heavenly goal; and
open your heart; hear, the words, you are told!

July 27, 2014

For
those who
spend their time
upon the Earth, connected with Me,
living in My light, there is the gift of joy,
and there is the gift of happiness; and,
these gifts open the door
to the most amazing
life. Stand in
My light,
be filled
with joy
and live
the amazing life.

And The Holy Spirit says:
For those who are standing in
the light of God, they see only the light,
because they are within the light. And everything
around the light is touched, by the light, shines, in the light.
It is an amazing life, filled with joy and happiness, walking in the light, of God.

July 26, 2014

Today
is an excellent day
to begin doing that which you
have been putting-off doing, for a while.
And The Holy Spirit says:
One of the easiest ways to rid yourself of regret,
or frustration, or a myriad of other negative en-
ergies, is to pick-up the task you have set aside
some time ago; and, let it begin. Then, you
will find that all of those thoughts about
hesitation and aggravation will
disappear. Today is an
excellent day to
begin.

July 25, 2014

You
embark
upon this,
uniquely special day,
the only time in eternity that this day will be created; and,
this day will be created by you! Therefore, as you embark
upon this day, do not forget to: carry with you, your sack
of joy, your sack of song, and dance; celebrate, because
I have given you the opportunity to create this day;
make it worthy of eternity.
And The Holy Spirit says:
It is a most
amazing gift,
given by God,
to the children
of God, the opportunity
to create, not to be destined to live
where all has been accomplished; but,
to be set down in a place where all is waiting
to be accomplished; no limitations, no boundaries,
for the children of God! Embark upon this day,
with a great joy, because it is yours to create,
a gift from you to the beings of eternity.

July 24, 2014

When
you are, fully,
standing in My light, no
weakness can assail thee; for, I
AM protecting thee: My strength,
My light, My power, is within thee!
And The Holy Spirit says:
Set your course, first, to be directly
in the light of God, connected
to God, in every way,
because then,
every day,
all that you
think, and do,
and say, is filled with
the light of God! Therefore,
shadows and darkness, fade away;
they must fade away, in the light of God.

July 23, 2014

I shower you with grace! All you have to do
is step into the place ~ where ~ you can open
and receive it. And standing in that space,
receiving all of My grace, you will know
you have My power, and My strength;
and that will give you confidence,
to rise-up; and walk
into the new day.
And The Holy Spirit says:
All you need to keep you
refreshed and rejuvenated is to
find the place, within your being,
where you can go, and be still; and, in
that sacred space, you will hear the word
of God; and it will wash over you, streaming into,
and through you, and wash you clean; and, you shall be free!

July 22, 2014

Do
not be
afraid of
the unseen;
for that is where
you will find your
strength, and courage.
And The Holy Spirit says:
Your body is weak, and
will fall to decay.

Your spirit is
eternally
strong,
and it will
always, rise-up,
and you will ride away
upon the breath of The Wind. Take your strength from where
you have been, where you are going, and where you are now,
more spiritually, than physically. There is weakness in that
which is mortal, strength lies within immortality, strength
of spirit, courage of spirit. Begin to open more to the
unseen, and your spirit will become more promin-
ent in your thoughts. Do not cling so much to
that which is temporary. Seek eternity.

July 21, 2014

Be
vigilant,
for shadows
do not assail you,
as if they are attacking;
they tiptoe-in quietly, un-
til they are upon you, and
darkness is around you.
Be mindful of the
temptations
carried on the back
of the shadows; for, if you turn,
and acknowledge their presence,
the light will illuminate that which was
once, a shadow. In this Way you will keep
yourself free, by recognizing that which is
tempting thee, shadows tiptoeing in,
so you cannot see, until
they are upon you.
And The Holy Spirit says:
Be vigilant: sing, and
dance; be joyful, and let the
light of God shine through you! Do
not turn your head from the shadows; but
set your gaze upon them, and let the light of God,
illuminate that which was once "the precursor," of darkness.

July 20, 2014

Finding glory, in the challenge, thus,
rendering it "the opportunity," it is,
will bring you happiness, and joy!
And The Holy Spirit says:
You have the opportunity of a life-
time: how much joy, how much
happiness, how much light,
can you bring to the
situations
you will
encounter
this day? It is
the opportunity of a lifetime.
Don't give it away. Rise-up, and
celebrate, the present piece of et-
ernity, you are living, fully, today!

July 19, 2014

When you are walking closely with Me,
holding My hand every day, the obstacles
you encounter will become a game we play.
And the gifts you encounter we will open with
delight passing through the day, walking triumphantly,
into the night. And The Holy Spirit says:
The day is set before you. It holds
challenges, and it holds gifts.
The challenges are
opportunities
to strengthen
your spiritual muscles,
to climb every mountain,
to make your way over
every stream,
and river, to walk
through the valleys.
And you will find gifts,
all along The Way, as well,
mixed within the challenges, or
opportunities, however you choose to see
them. But the day is set, and it is there. Now, how
you handle every situation, will surely declare, whether
you believe you have had a successful day, as you go, into the
night. Reject the negative and choose the right! The choice is yours!

July 18, 2014

The
value
of humility
is known by the wise;
and, the value of kindness, understanding,
and generosity is known by the wise.
And The Holy Spirit says:
The one who knows humility,
kindness, understand-
ing and generosity
holds these keys
to wisdom, and
knows them well;
for they are the keys
which will open the door,
and lead you beyond the world
of man into The Kingdom of God.

July 17, 2014

If you believe
you are weak, only capable
of the capacity of being human,
you will limit, your true potential,
to match your belief; but, if you believe,
you are an eternal being; and,
that I can do all things through you,
you will find your true potential ~ is
unlimited ~ matching ~ your belief.
And The Holy Spirit says:
Your true strength, and confidence,
comes from The Power of God,
and your belief that you
can move mountains
with The Power
of God.

July 16, 2014

No
matter
what happens
today, the way you handle
every situation
will determine
the end
result!
And
The
Holy
Spirit
says:
Today
will be
a shining
success if it is
created with positive energy!

July 15, 2014

When your interactions
with others spring forth
from seeds of kindness,
and understanding,
you are cultivat-
ing gardens
of peace.

A n d
The
Holy
Spirit
s a y s:

Remember,
you will find
flowers of joy, and
happiness, growing
in gardens of peace.

July 14, 2014

When you
open your eyes
to the light of a new day,
celebrate the gift, as it is yours.
And The Holy Spirit says:
That which you create today,
will live! Therefore,
create the day
you have
envision-
ed, as the
perfect day,
filled with peace,
and light, and hope.
Create a day of vision.

July 13, 2014

When
you are
at peace, from
within, then you know
joy, then you know happiness!
And The Holy Spirit says:
Peace. Even saying the word
brings some measure
of the quality
in the gift, of
peace. And
when you are
at peace: there is
joy; there is satisfaction;
you are whole - and complete;
and you live in a state - where happi-
ness abounds! And it all comes, from peace!

July 12, 2014

The
ways of
the world will
let you down; and,
push you around, until
you feel - there is no place
to go; but My Words, will lift-
you-up, and support you, and
give you courage; so that
you will "know," that
I Am with you
wherever
you go.
And
The
Holy
Spirit
s a y s:
Celebrate
this day! Break
the chains of worry,
and concern; so that
you are no longer tricked
by the ways of the world; but
live fully in The Kingdom of God.

July 11, 2014

You can let
an entire day, be
led by My hand; and,
if you will give it a try,
you will find the most
mundane chores
become
a grand
experience
in how to be led.
And The Holy Spirit says:
I will show you The Way.
I will guide every day.
Set your plans aside,
and begin to
pray,
saying, "God,
show me The Way, even
to the smallest chore, today."
And then, let it be, and you will be
surprised. The most ordinary day,
will become the most extraordin-
ary Way, to walk with God.

July 10, 2014

Those
who labor, in
My vineyards, bear
the mark of the workers,
for The Kingdom of God.
And The Holy Spirit says:
When you work, when you labor,
when you toil, it is impossible
to come from that work,
and not be marked,
in some way,
or another.
When
you are working for God,
you are working from the heart,
your spirit and your soul are activated,
and the light of God fills you, with glory.
Bear the mark of the worker, with a happy heart,
knowing it is the sign of what you do, and in some cases,
it is the sign of what you do for Me. Work with joy, and let
all of the world see, that which you have accomplished, just
for Me. As I AM with you, all the day, let us both pray, together.

July 9, 2014

Do
not
taint
the soil
of the garden
you intended to clean.
Keep your thoughts pure,
glowing with light, then the garden
will grow up, and be a constant
delight, for you, and all
who see, that
which you
created.
And
The Holy
Spirit says: Be
mindful of your thoughts;
do not entertain darkness or shadow;
for, that which is created there, in silence,
will spring forth - and live. Therefore, open
the door to the light of God, and therein abide.

July 8, 2014

I
AM
always
available for you.
This remains true, no matter what you think,
say, or do; I AM, always, available, for you.
And The Holy Spirit says:
God's presence is with you.
It is your responsibility
to keep the doorway clear,
to keep the hallways and the corridors,
of your inner-body, free, of debris and clutter
and obstacles. Every day take the broom,
and sweep your inner-being.
Clear-out the darkness,
and shadows.
Begin with
forgiveness
for all things.
And in this way,
your will always hear God.
God is present; but your responsibility
is to keep the passageways clear and free from debris.

July 7, 2014

Let a song of joy, be a mark
you leave, upon the Earth,
showing where you walk-
ed, what you touched,
and the energy you
left. Sing a
song of
joy.
And
The
Holy
Spirit
says:
The wise
know that
they create
that which they
experience. Create
a day of joy, so that joy will
be, your experience, for today!

July 6, 2014

Living your life in a "joyful state,"
has more to do - with "giving," - to others,
rather than ... "receiving," ... from others!
And The Holy Spirit says:
Give unto others - that which you would want them to give
unto you! This is how you make your way upon the Earth:
if you are desiring understanding and compassion... first,
you must give understanding ... and compassion ... for,
in this way, you come to "know," the true meaning
of understanding and compassion; and the same
holds true, for: love, generosity, support, en-
couragement, nurturing; that which you
desire is that which you should give,
first! When you are giving it,
you know it, and you know it
well; and, in that Way,
you receive it,
by giving it
away!

July 5, 2014

The
journey
of your lifetime
is meant to be an adventure
upon the Earth, watching
for the signs,
and following
the course they set.
And The Holy Spirit says:
God does not randomly toss the signs up
into the heavens, and let them fall where they may.
God sets the signs, specifically for you. Watch for the signs.
While others might not see them, or know them, you will recognize them,
and they will show you The Way. Be led, from your inner-being. Do not
let the ways of the world, distract you from the path you are destined
to walk. You are setting the history, marking your footprints,
all along The Way; so when you return Home, you can
look-up, and say, "The adventure is done,
the journey complete.
Amen."

July 4, 2014

Free
yourself,
from the grips
of fear and doubt,
worry, anxiety, and
concern; so that you
might live, your life
upon the Earth,
to the fullest
measure,
singing and dancing,
all the days, all the nights.
And The Holy Spirit says:
Awaken to the truth of who you are!
Awaken to the truth of the nobility,
at the core of your being; for,
what should stop a child
of The Creator of All
Things, from ex-
periencing life,
upon the Earth, to
the fullest measure?
Do not become ensnared
in the shadows and darkness: of
doubt, and worry, and anxiety, and
concerns; for, these things, you can dust
from you, you can shake from you; you are
a child of God, an eternal being, for all time.
Let nothing stand in your way! You are free!

July 3, 2014

Your
thoughts
draw you nearer
to the object of your thoughts,
to the object of your creation,
within your thoughts; there-
fore, be mindful
of your focus,
be mindful of
"your thoughts."

And The Holy Spirit says:

When you are concentrating
on the light of God, you will not fo-
cus on shadow, and darkness. Reject the
temptation to linger amongst the shadows;
for soon, that will be where you abide. Ra-
ther, focus on the light, and there to reside!

July 2, 2014

When
you are at peace
from within, joy sings-
out, all around you; and
the song delights you; and
fills you, with happiness.

And The Holy Spirit says:

To fully understand
happiness,
one must
experience joy,
from within, first;
and to know joy from
within, first, you must be
in a state of peace; and, to
be in a state of peace, you
must sit in balance and
harmony with All
That Is!

July 1, 2014

When
you are living
in My presence,
when you permit Me
to live with you, walk with you,
and be with you, all the time, your experience
on Earth My child, will be "of great joy," and delight,
no matter what the situation, no matter, day or night.
You will be "in joy," because we are united.
And The Holy Spirit says:
Sing-out, and be of joy.
Be happy. Live in wonder:
at the creation all around you;
at the flight and the song of the bird;
at the beauty and the fragrance of the flower;
at the lushness of the grasses; at the brilliant color
of the trees. God has created all of these, and you.
Now, there is only one thing left to do. Enjoy
God's creation to the fullest measure,
and let the month, stretched
before you, be joyful
in song.

June 30, 2014

Be
quiet,
be still,
so that you might
know, My will for you.
Be quiet, and be still, so that
I might teach all of My children,
My will for them. Hear Me, and
you will know My will, for you.
And The Holy Spirit says:
You cannot know God's will
for another,
unless God reveals
God's will for another, to you;
you cannot know the heart of another, unless
another reveals that which is upon their heart to you; but
you can know what God wishes for you to know. Be still, and quiet,
the answers will come to you, as they are meant to do, and the guidance
will be just for you, and you alone, guidance from God, uniquely for you!

June 29, 2014

I
have
given you
the gift of life,
so that you might live
within My love, for you; and,
I have given you the gift of living life
upon the Earth for a while, so that you might
know My creation; and in so doing, know My love,
better. And The Holy Spirit says:
It is time to ring the bells, to summon all of the children
of God to enter the circle, and dance, for The Lord
of the Dance has given the gifts, and they
are good. Dance with delight, in
this moment... children
of Earth; for soon
you will be
returning
Home.
Celebrate with
great joy, today you
live, and you live forever!

June 28, 2014

Remember,
when your focus is on
serving others, there is no time
to focus on that which you perceive as
your lack, your need, your discomfort.
And The Holy Spirit says:
In serving others, when you give others
a healthy dose of love, love is
what you know! When
you give others
kindness, and
consideration,
then kindness, and
consideration, is what
you know. Today, remember,
focus more on serving others, and what
you serve to others will be yours as well.

June 27, 2014

All of My children upon the Earth
have been given "a gift;" and how you
choose to live, your life, upon the Earth,
is an illustration of your comprehension,
your understanding, of the gift given.
And The Holy Spirit says:
When you appreciate the gift, you
use the gift! You do not
put it in the closet,
to the very back,
on the floor.
You set-it-out,
so that you can touch it,
so that you might utilize the gift,
every day, so that the gift might become
a piece of who you are in a special way. Use
the gift, so that you might understand the gift;
and, the importance of the gift, in every way.

June 26, 2014

Remember, when you are playing with negative energy,
you are playing with energy which seeks to control you,
to drain you, to rob you of your light. When you are
playing with positive energy, you are playing
with energy which enhances the light,
which sustains you, and fuels you,
which invigorates you,
and restores you.
Which energy
will you use today?
And The Holy Spirit says:
Be mindful in any exchange,
exchange being communication
with other people: hold onto the light;
do not take part in negative energy exchang-
es; for, in this way, you can be drained. Rather,
lead any conversation into the light, where all part-
ies will be enhanced, and filled, with the glory of God!

June 25, 2014

Give Me
the reigns, for
just one day, and I will
show you The Way to freedom,
The Way to joy The Way to peace!
And The Holy Spirit says:
When you make the decision
to turn all things over
to the hands
of God,
you will
experience
rebirth; burdens
will fall from your shoulders,
when you see, and know, at last,
that you have never, really, been in
control, at all. You have been carrying
the responsibility, the burden. Lay down
the burdens, and let God show you The Way!

June 24, 2014

I
give you
'the key,' to
how you can
resolve every
issue ~ which
challenges you
in the world, to-
day... "Be still, quiet
yourself, stop talking, and
go within; for, I promise you this,
the answer to every question you have
is held within you, at the core of your being.
Stop running in circles, and travel within."
And The Holy Spirit says:
If you are lost and alone, go within,
and you will find home.
You will find
you are not
really alone
at all. Let
the times of crisis,
be the times of revelation
for you. Do not despair. You
are not alone. Be not afraid;
for, I AM with you. Be still,
and know, I AM with you!

June 23, 2014

The joyful heart is free
from the disruptions: of chaos
and confusion, doubt, anxiety,
and fear, of hatred and anger,
of sadness, and sorrow. The
joyful heart is free. And The
Holy Spirit says: Because the
joyful heart is filled
with the light
of God!

June 22, 2014

Trying
to experience joy,
trying to live in a state of joy,
while your heart is burdened
with unforgiven thoughts,
words, and
deeds,
is much
like a man
trying to make his way
through a two foot wide door,
carrying a sack, which is ten feet wide
and ten feet tall. To pass through the door
he must set his sack down, and take some of
the things, he is carrying, out of the sack.
Then he can freely make the passage.
And The Holy Spirit says:
Once you have forgiven
all things, you
are free to
experience joy,
you are free to live
in a state of joy; and, this
is how it was meant to be, all along.

June 21, 2014

When you set your intention to serve others,
when you let it be know that it is your desire
for God's love, and power, to flow through you, onto
the Earth, the call goes out, and summons those in need,
and they come. They come to the mountain, some walking,
some riding, some in their dreams, some by phone, some by
letter, and mail; but they come to the mountain of service.
And The Holy Spirit says:
That which is written on your heart, and magnified
by your words and deeds, is the completion, it is
doing God's will, before your own. That
which is written on your heart, is
the script for your mission,
your journey,
your walk
Home.

June 20, 2014

Arrival is only a piece of the journey.
And it is the same with accomplish-
ment or completion; accomplish-
ing a goal is only a piece of the
journey taken in the quest.

And The Holy Spirit says:

The journey is great, it is
filled with opportunity.

Completion marks the end
of that particular leg of the journey.

It is a line you cross, a door you go through;
but when you think about it, it is the journey: that
holds the richness; that holds the gifts; that holds the
messages, and the learning. Do not forget this! The an-
ticipation of Christmas Day, can be more glorious than all
of the gifts, you anticipated, receiving. You created this an-
ticipation of a glorious day, within your thoughts, and it sus-
tained you, until the day. Remember this... your perspective
changes everything! Are you anticipating eagerly, with ex-
citement; or, are you dreading the day? You can change
dread, into anticipation, it is all within your head. Go
forth on your journey, of today, with eager antici-
pation, celebrating, all along The Way.

The journey holds the gifts!

June 19, 2014

Once you have been still, for a while,
once you have enjoyed the quiet with-
in, then, and only then, can you be-
gin, to truly understand the unity,
the connection of all things.

And The Holy Spirit says:

You cannot become angry
with another person,
without harming yourself.

You cannot be envious, of another
person, without doing yourself an injustice.

Once you realize this, you will be mindful, and
hold your tongue, and bless, when you are tempted
to curse. There is wisdom in silence, but this wisdom
comes only when you are willing to be still and quiet,
so that you might know the ways of God, for the
ways of God are meant to be your ways, always.

June 18, 2014

Just as I speak to you every day,
My creation of Earth speaks to you in every way.
Continue the dialogue. Continue the dialogue with Me.
Continue the dialogue, with all you see; for, there are words
held in the silent message: of the tree, the water, the birds,
the rocks, and the stones, and the dirt. It is living. It is
vital. Reach-out, and live, as you are meant to live.
And The Holy Spirit says:
Listen. The more you listen, the more you
hear. Look, and see, the more you
look, the more you see. Open
your heart to the
experience
of love,
be willing to expose
your innermost being, and
the more you love, the more
you will know love, the more
you will feel love.
Be at peace
this day,
and be aware
of all around you; for, as
you live, all around you is living.
See yourself as an integral part of eternity,
an eternal being, on vacation, on the Earth.

June 17, 2014

Greet this "New Day,"
with the same enthusiasm
as you greet a "New Year."
And The Holy Spirit says:
At the beginning, of a new year,
there are positive thoughts, plans
for making something better; for,
improving something, maybe even
yourself. Do not lose sight, of the
truth, that a day has a beginning,
and has an end, just like a year.
These things ~ as you mark
them upon the Earth,
give you the opportunity
to: do
over,
do again,
start again,
begin again;
every day offers
this opportunity; so,
greet this new day, with
the same enthusiasm, that you
greet a new year; and do so, with a
joyful heart for the New Day is here!

June 16, 2014

Do
not let concern,
anxiety and worry
about tomorrow
rob you
of the glory,
the wonder, and
the miracles, of today.

And The Holy Spirit says:

If your focus is on tomorrow,
you will be robbed of the precious moments,
and hours, of this day; for, in truth, if you live in the moment,
if you are living in the present piece of eternity, then you are creating
tomorrow. The mystery is, by remaining in the present piece of eternity
you are following, constructing, creating the future. If you jump ahead,
there are pieces missing; it is a temptation to lure you, to distract you;
therefore, remain in the present, for the present is where you are
right now; but create the present, in such a glorious way,
that it is the proper stepping stone to a new day.

June 15, 2014

The
angry heart
cannot know joy;
the greedy heart cannot
know joy; the grieving heart
cannot know joy; the heart filled with
chaos and confusion, cannot know joy; for,
joy cannot abide: within anger, within greed.
Joy cannot abide in these places; therefore,
find the source of your anger, frustration,
greed, and resolve the matter; so that
you might be free; so that you
might know joy!

And The Holy Spirit says:

Joy resides in: peace,
tranquility, serenity; joy
abides where there is balance,
and harmony. Do not confuse joy
with excitement or celebration; joy lives
with peace; and to know peace, you must free
yourself of: anger, and frustration, of greed, and
anxiety, of grief, and mourning. Do not delay begin,
today! Do the work so you might live with a joyful heart!

June 14, 2014

Wonder, inspiration, revelation,
joy, and peace, await those, who
will be still, watch for the signs,
and follow; for there is a plan;
it is the Divine Plan, and it
flows eternally. And The
Holy Spirit says:
When you
awaken
to the knowing
that the will of God
keeps all things flowing,
as they are meant to be,
existing ~ and abiding,
within this amazing
Divine Plan,
wherein
every
thing
is a piece
of the whole, a
unique piece of the whole,
you will spend your days in peace,
and you will live in joy. Today, be still, watch
for the signs, and then rise-up, and follow, follow.

June 13, 2014

When you
find yourself imprisoned by
anger, and frustration, by hurt feelings,
and passed transgressions, look, and you will see,
the key to unlocking the door will come through My love,
which flows to thee. Use it, as it is the key, which will set you free.
And The Holy Spirit says:
Refuse to be imprisoned by the things that are negative by nature. Reach-
out, and take that which God has given to you, and use it to set yourself
free! And you will know when it is done, because you will feel as if
you are floating over the Earth, soaring into forever,
riding upon the breath of The Holy Spirit,
and you will sing-out, "Thank you,
God, I am free, at last
I am free."

June 12, 2014

Freedom is
knowing, with surety,
that you will, always, have
what you need upon the Earth.
You will have what you need
to complete your mission.

And when you live
in this way
your journey
is filled with joy.

And The Holy Spirit says:
Faith, have faith, that God knows
what you need, and what you need
will be provided every day.

Knowing this,
rise-up, and say,
"Thank you, God, I will enjoy,
and celebrate, the gift of this day."

June 11, 2014

Let
this day be
"a celebration,"
because you live,
because you give
the gift, of light,
and love, every-
where you go.

Therefore,
let this day be
a day of celebration.

And The Holy Spirit says:
No matter what you think, or say, or do,
you are dispensing light ... or darkness.
The gift of glory is held within the light.
No matter which, you do, the creation
story continues through you. There-
fore, you will either bless the Earth,
or curse the Earth, with that which
you say, with that which you do.

Pause, and set your intention
to be the bringer of light,
and peace,
and love,
and joy will be
your companion,
all the day through.

Let "the celebration of life,"
begin, and let it begin, within you!

June 10, 2014

Remember,
My child: that
which you create, using love,
holds the energy of love; that which you create in joy,
holds the energy of joy; that which you create out of
generosity and charity, holds the energy of gener-
osity and charity. Be mindful of the energies
you use to create.
And The Holy Spirit says:
Reject creating in anger, or
frustration, reject creating in hat-
red, and animosity, reject creating in
fear and frustration, because that which
is created, with these energies, perpetuates
the energy. Let it be your intention to create,
using the tools, the gifts, of The Holy Spirit of God,
and using them, only, in your creation story; and then,
everything around you will be filled, with light, and glory.

June 9, 2014

Let My love fill you with light, and
then, from within you, will come only joy,
glory, peace, and happiness. And The Holy Spirit says:
Sometimes, you will find that a meal is only good
and tasty, if the ingredients are right, and good
and tasty. You will find that a garment - fits
right, - as long as it was made with good
measure. And you will certainly see
the glory, and the light, shining
from those who are filled
with the love of God.
What is within,
shines from
within!
Today,
be illuminated
with the light of God,
and you will surely be joyful.

June 8, 2014

What
type of sign
is it, if you are kind,
and loving, and good, to those
who are kind, and loving, and good, to you?
This is, only, maintaining the status quo; it has nothing
to do with spiritual growth. If you want to see the sign, the mark
of Heaven upon Earth: watch for the one who is willing to love, to be
kind and generous to the one who is locked-up with a mean spirit; watch
for the one who is kind, and loving, and generous, to those
who are not kind, and loving, and generous. In short,
My message, delivered by My Son, was clearly
stated, "Love those who hate you."
It is not impossible to do.
This is the mark
of Heaven.
And The Holy Spirit says:
If you want to change
the energies,
prevalent
in the world today,
you must begin with yourself,
and be willing to say, "God, love through me."
for, in this Way you will deliver Heaven to Earth!

June 7, 2014

You
are My child.
I AM your Parent.
Therefore, you carry
a piece of Me within
you. I AM within
you. At the core
of your being
there is
a piece of Me.

This is how you can hear Me.
This is how you can know what to say,
how to say it, where to go, what to do.

My child, it is all within you.

And The Holy Spirit says:

At the core of your being
there is a piece of perfection,
it is "of God." It is your link, your
connection, to Heaven, Home Base. And
at the core of your being is where you find perfection.

When you connect with the piece of you, that Eternal Piece
of you, you have the ability to speak the perfect words, to perform
perfect deeds. And this is because, if you go there, with the intention
to open to "the Will of God:" you will speak, the words of God, and these
words will be perfect; you will do the deeds of God, and these deeds will
be perfect; you will go where you are sent, and you will listen with the ears
of God, and in so doing, you will hear perfectly, as it is intended for you to
hear. The core of your being holds perfection. Go there and you will
be perfect as God is perfect. There is no other way. It has to be so.

Do not think so much on it, act upon it, and you will be surprised.

June 6, 2014

If you find yourself caught-up in a storm,
My words will lead you through it. If you find yourself
in disease or ill health, My words will lead you through it.
If you find yourself lost and alone, and in despair, My words
will lead you through it. My words will not change, the cir-
cumstances; but My words will lead you through it,
every time, changing your perspective,
bringing you confidence, with
your hand in Mine.
And The Holy Spirit says:
The things that you are
to experience, as you walk upon
the Earth, are yours to experience. But if
you can alter your perspective, to see every experience,
as God would see it, then you will come to understand, that it is
an exercise in "faith," and you will make it through; for, you see,
if you remember, you always do. It is how you make it through
that will change, when you are guided, by the words of God.

June 5, 2014

You have already taken the first steps
into the new day, another piece of your
journey upon the Earth. Before you go
any further, stop, bless this day, and
set your intention, that it be a day
that you experience for
The Glory of God.
And The Holy Spirit says:
God is with you; God is for you;
God has set a plan; and, given you
all you need to accomplish the goal.
And, with all this in place, the hand
of God is just before you, reaching-
out; before you take another step,
be sure to reach-out, and take
the hand of God,
and be on your way
to a most glorious day.

June 4, 2014

The value
of a peaceful, joyful life
cannot be measured, as it reaches into
every facet of your being! It is 'the promise
of happiness.' It is a promise, of fulfillment.
Be at peace, and all things will come to thee.
And The Holy Spirit says:
Breathe-in peace. Let every breath, you take,
be a prayer, a celebration of life, and know-
ing you are there upon the Earth
to bring The Kingdom of God!
Let it flow through you
onto the Earth,
from the day
of your
birth,
there, until
you return Home!
Be the beacon of peace, and
feel the presence of God. with you,
all the days you walk upon the Earth.
Let every breath you take, be, a prayer!

June 3, 2014

When
everything
seems to be going
right, it is easy to overlook
the little pockets of irritation,
and frustration, which you are
carrying, with you. It is only
when something happens
to stir them up, that
the remembering
begins, and
things erupt
from these pockets
of irritation and frustration; and
then you know, you must take the time
to weed-them-out of the sacred garden,
that is you, before they erupt, before
they contaminate your spirit,
your soul, and your body.
And The Holy Spirit says:
Issues that are swept under the rug,
are not dealt with, but hidden; but you can
be sure they are there, until the work is done,
until they are repaired. Lift-up the rug, and
sweep the debris, from your body, soul, and
spirit, a clean sweep, so you can joy-
fully be upon the Earth.

June 2, 2014

Do not let a single situation deter you.
Do not let 'the words of others,' deter you.
Let us go into this day together; for I will lead
you... I will guide you... I will show you The Way.
And The Holy Spirit says:
Once you have given guidance over, into the hand of God,
and made it your intention to go as you are directed, then,
you can watch the day unfold, as it is intended to do, as it
is meant to do, reaching its full potential right in front
of you. Let it be ~ that you ~ watch this day unfold,
as the hand of God moves, and you are told:
where to go, what to do, what to say.
Let us start, watching this
day unfold, in all
its perfection!

June 1, 2014

Let joy
be the mantle,
the cloak you wear, even
when you are tempted, by: despair,
and sadness, and trial and tribulation; for
these things will pass; but joy, is a gift, forever!
And The Holy Spirit says:
Be mindful of "where you focus, your thoughts," for even in
the darkest hours, you can turn your focus, your attention,
inward, where you will find the light, and peace, of God;
and in that moment ~ when ~ you have the faith, to go
within, and find the light, that has always been,
with you ~ all the darkness ~ fades away;
and in its place is a sunny day, filled
with light, created by you,
in your darkest
hour.

May 31, 2014

There are some who are lost, wandering in darkness,
seeking; but not finding, The Way. There are some
who have read the words, or heard the words, and
think they know The Way. There are very few
who walk The Way. And for these very few,
they are given a gift; for, in walking The
Way they are living the words I say.
And The Holy Spirit says:
When you hear the words, and
act upon the word, you
bring the words
to life,
they live,
through you;
therefore, you be-
come The Living Word!
When you live the words of God,
the words God whispers to you, at that se-
cret space, at the core of your being, you are walk-
ing The Way. And there will be sign, unto you, that you shall
know this is done by you: for, you will rise-up every day, in joy;
you will walk the Way in confidence, knowing the words of God,
as spoken to you, are living through you; and you will bring peace
to the Earth, and you will 'know, The Kingdom of God is with you.'

May 30, 2014

No matter how chaotic the situation
you are facing on the outside might be,
you will always find peace, within, sitting
with Me! So come, be still, let us begin: to
unravel the knots; to straighten the road;
to find peace; and, to establish order,
where there once was chaos.

And The Holy Spirit says:

Do not be distract-
ed by the
situations
which surround you,
this day. Turn inward;
sit with God; create
a peaceful
presence;
and, the
environment
you create will be
a healing environment, one
where you will come to know peace,
and one where you will come to be healed, and
be made whole. Within, lies the answer, you are seeking!

May 29, 2014

Once you are at peace,
within, you feel it, and know it,
and then there begins, the growth of joy;
for it is in peace, that you come to know joy.
And The Holy Spirit says:
Be still. Do not run, from this place to that.
Be still, and in the stillness you will find
peace, and order. And in this Way
you will bring joy to your day;
for peace and joy are
kindred spirits.

May 28, 2014

Set your intention to speak to Me with great fervor, today;
do not be distracted by the things, the situations, the discomfort
of the world; let these times be the times that you turn, more com-
pletely, and fully to Me, so that our communion, our conversation,
becomes so complete the situations disappear, the discomfort you
cannot feel. All things will revolve around us, our reunion, our
communion, our communication. And therein you will be
relieved of the stresses of the world, as you sit,
comfortably, with Me.
And The Holy Spirit says:
When you are in dis-
comfort, or you are dis-
traught, leave those things
to themselves, no matter what, it
might be; and go, with great intention,
within. Find that sacred space, that quiet place,
at the core of your being, and speak with God; because
it is in these times - you realize - that you have the power, and
the ability to communicate with The Creator of all things; and what
The Creator of all things will tell you today, is more important than any
situation, or discomfort, in your way. Take the time, today, to go to God!

May 27, 2014

Let
there be
no distraction
from joy; for, it is
the medicine for the heart.
And The Holy Spirit says:
No matter what the situation is
today, no matter what
you might be fac-
ing, employ
the energy
of joy!

May 26, 2014

Come, and let us see the new day unfolding.
Come, and let us sit by the stream, in delight.
Come, and let us be still, and listen to the birds,
as they sing into the night. Come and be with Me,
even for a while, and the time will go quickly, and the
lessons learned, will be the wisdom, upon your heart.
And The Holy Spirit says:
Do not underestimate the time you spend with God,
for it is of great value. A minute can bring you
a year of wisdom. An hour can bring you
peace, and joy. A day can bring you
closer to God, then you ever
thought possible, before
the minute, before
the hour, before
the day.

May 25, 2014

Every day,
many times a day,
you must make a choice, you
must choose; you must choose to fit
into the world created by man, to live
according to the rules of the world, or to live
in the world knowing, The Kingdom of Heaven.
And The Holy Spirit says:
Do not be: duped, tricked, or distracted, by the ways
of the world; for these things will pull you off course,
they will stop your missions cold. You have come to
Earth for a reason: now it is time to awaken, and
remember the vision, and know the mission.
It has naught to do, with the things of
the world; it has to do, with
what you will bring
to Earth!

May 24, 2014

Let
joy be
the sunshine,
which begins every day, and
the moonbeams, which illuminate every night.
And The Holy Spirit says:
When you understand the true gift
of joy, you will dance in
"the knowing,"
that it is
with
you
all
the
time,
because
it is created
by you. Begin
the day, and end
the day, holding
joy, in your
heart

May 23, 2014

When your heart holds the energy
of joy, it is open to the words of God.
And The Holy Spirit says:
The energy of doubt will hold shut the door;
the energy of anger will clog the passages;
the energy of sorrow will cast a pall over
your entire existence; and, the energy
of frustration will distract you
from The Word; but
the energy
of joy,
held upon
your heart, will:
throw open the door;
unclog the passages; lift the
pall from your existence; and focus
your attention upon The Word of God, and
the glory, that it brings to you, and all of Earth.

May 22, 2014

Seek first
to bring joy to others, and
you will find, in bringing joy to others, you
have successfully created joy within your being.
And The Holy Spirit says:
Earth is waiting for One to rise-up with a joyful song, a song
that will announce to all close by, and to all those far away,
and to all those unseen, that you "know," who you are,
and you are living upon the Earth, doing all you do,
for the glory of God. Sing your song, joy-
ful child, God is delighted
to hear.

May 21, 2014

Let
everything you do
this day be infused with the energy
of joy. Before you standup, think about what
you are getting ready to do, and make the decision,
"I am going rise-up in joy." Before you work outside,
make it a conscious decision, "I am going to work out-
side, with joy." Before you go to the libraries, or to the
places of research and study, make the decision, "I am
going to study, and do this research, with joy." It will
change the pattern of your day, and come the night,
as you lay your head upon the pillow, you will
smile and say, "This was a day filled with
joy!" And The Holy Spirit says:
Amen!

May 20, 2014

Your life
upon the Earth
will not be the adventure
it is meant to be, if you will not move,
if you are not ready to rise-up, and answer the call.
And The Holy Spirit says:
Do not make yourself so comfortable where you are
that you are unable to answer God, when you
hear the call, "Rise-up, and come
with Me. You are upon
Earth, so you can see
the glory, the beauty,
the majesty; for, as
these things are
created, and
are upon the Earth,
you will find these things
within you, the glory the beauty the majesty.
Set yourself free, so that you might come with Me."

May 19, 2014

Once you accept the truth,
that your physical health is direct-
ly connected to your spiritual health,
do not delay, cleaning-up the point of
contamination. No matter how small
the shadow is, within you, clean-up
your spirit. Clean your spirit, and
keep it that way; so that you
might walk, every day,
in health,
with body, soul and spirit shining;
and this will bring you joy, as
you walk upon the Earth.
And The Holy Spirit says:
It is time
to be serious
about washing
the face, the face
of your body, the face
of your spirit; begin each day, with
a thorough cleansing; and; that day will be
productive, peaceful, pleasant; and you will know
the presence of God, with you, in a most powerful way!

May 18, 2014

At
the core
of your being,
"you know, the secret, of life!"
Go there, today, so that you
might re-member, The Way!
And The Holy Spirit says:
The secret of life is within you!
It is your map to a
successful time
upon
the
Earth,
succeeding in
every way, the goal
that you set, accomplishing
your mission, remembering that
each person upon the Earth is upon
the Earth, because they have "a mission to
complete." Once you find this mission once you "know
it," and "accept, the commission," your life will be different!

May 17, 2014

Do not measure your success, by the yardstick
of the world; for I have sent many, into the world,
on a mission; and most of them appear to have fallen
short ~ according to the measurements of success ~ in
the world created by man; but they have exceeded
all expectations in the heavenly kingdom;
for I sent you forth, on a mission!
And The Holy Spirit says:
That which the world
cannot see, God
sees. That
which
the world
will not accept,
God has sent you
to deliver! You will find
your success, doing the Will
of God, performing your mission,
completing the task, and going Home.

May 16, 2014

Take My hand
and let us go-out to see
the beauty, of Earth; for,
she is, truly, magnificent!
And The Holy Spirit says:
Do not ignore the miracles
of Earth today; for the
seeds planted
weeks
ago,
have
opened.
That which
will be harvested
tomorrow, has awak
ened, and blossomed, today!

May 15, 2014

The task
set before you
will get done. How it is
accomplished is up to you.
And The Holy Spirit says:
Go about the task at hand, after
praying for guidance, you will
be surprised, how everything
will come together. Bless
every task, with a
prayer.

May 14, 2014

When the body grows frail, and
weak, and loses its strength, spirit
will carry you onward, lifting-you-up.
And The Holy Spirit says: Exercising your physical
body is good. Exercising your spirit is even better, as
the time will come when the body
will be released, and the spirit
continue into
forever!

May 13, 2014

I
do
not
demand,
order, or command you
to come to Me. I call to you,
so you might "know," I AM
near to you, so you can
come sit with Me,
whenever
you desire
to be with Me.

And The Holy Spirit says:
Fill the longing in your heart
with the presence of God, and
you will feel complete, and fulfilled,
and you will know peace!

May 12, 2014

There are days marked
as days of celebration,
on every calendar; do
not limit celebration
to these days; celebrate every day,
as every
day is
worthy
of celebration!

And The Holy Spirit says:
Make this day, a day of celebration.

May 11, 2014

When you are in the human being form,
it is easy to look around, and see family members,
and determine who you are, and from whence you came;
and you can also experience these family traits by pushing
further, and further, back, through the layers of your heritage
finding this one, and that one, who seem very much "just like
you." The truth is who you are is written in the strands of DNA
you carry, that is who you are, through the thousands and
thousands of years. It is from whence your physical body
came; and it is the same with your spiritual body!

You have spiritual DNA, and it comes
from Me, your Eternal Parent.
Therefore, "know," who you are
at the core, of your being;
for, it is eternally you!
That which is your
physical form,
your physical
family,
will fall from you,
and the dust will settle,
and be carried on The Wind; but your
spiritual beginning, and end, is with Me!
And The Holy Spirit says: Know the difference, and
understand family physical and spiritual and take your
strength from who you are, at the core of your being; for
you are first, foremost, and forever, a child of God!

May 10, 2014

When you become embroiled
in a tedious task a task that seems
to take more, and more, and more of your time,
stop; take a deep breath; and fill yourself with peace;
knowing this: in the present time, at the present place,
you are to use My ever present grace, to be calm, from
the beginning of the exercise, until it is accomplished.
And The Holy Spirit says: Sometimes it requires, relying on
the grace of God, to get you through a project, a
task, a chore, or, perhaps, even an event,
or a relationship. But be assured,
the grace of God will do it,
and you will make it to
the other side,
calmly.

May 9, 2014

When a day filled with joy,
meant for fun, comes to you,
accept it. And The Holy Spirit says:
Embrace the days that are yours.
Embrace all days; but when
the day comes, when
the day
arrives,
the one
set aside for
fun, for sun, for
singing, and for danc-
ing, embrace it, and live it!

May 8, 2014

Revelation
takes place on
a personal, individual level,
in accordance with that which each individual will accept,
and ultimately embrace; one never knows the time, or how,
or the place; but the signs will come, and you will see; and
then you will turn around, and it will truly be Me, reveal-
ing to you that which you need to know
to help you along The Way.
And The Holy Spirit says:
There is no set pattern,
there is no set time when
this, or that, will happen, when
you are dealing with spiritual things.
For in the wisdom of God, God knows that
all will be rejected ~ unless ~ the timing is right.
You cannot force a garden to harvest, before its time.
You cannot force a garden to grow, before the seed is planted;
you cannot force the seed to grow, if it was scattered amongst thorns
and on rocks. It is all in the preparation, and the timing; but most im-
portant, it is in the individual who is willing to open, accept, and embrace!

May 7, 2014

Be
willing
to learn, to
read the signs
which come to you; for
it is in the reading of the signs
that you find you are prepared
for that, which is, yet to come.
And The Holy Spirit says:
When something occurs to you,
from within, something that
keeps whispering do this,
or do that, do it, and
do it quickly,
so it is done timely.
When there are signs
all around you, and they come,
they are repeated, until you notice
that you have seen something once,
or twice, or three times, or more,
do not dismiss it as coincidence,
or you will miss the opportunity
to be prepared, for that
which is yet to come.
Listen, and embrace
the message; be
vigilant, and read the signs.

May 6, 2014

That which you do,
that which you create
is an extension, of you,
that which is within you,
that which comes from you.
And The Holy Spirit says:
Let all you do bless Earth, and
the inhabitants of Earth.
Let your heart sing,
and be filled
with the
glory of God,
and instill that song,
and that glory, in-
to all you do.
This day
create
with intention,
create with purpose.
This day, create, with God.

May 5, 2014

The opportunity
you have often prayed for,
waited for or hoped for, is here,
it is a brand new day, a time to begin
anew, where all things are before you. Be-
gin today in earnest "knowing," it is a new day.
And The Holy Spirit says:
Rise-up, and be "of joy!" You are one of the ones,
one of the ones who will experience
this new day upon the Earth.
What will you do
with the
opportunity?
It is all up to you.
Push all negativity away, and
concentrate on "the positive," today!

May 4, 2014

Prepare
well, for that
which you intend to do!
And The Holy Spirit says:
Preparation is important! Before you prepare a meal,
you wash your hands carefully. Before you prepare to attend a function,
you wash your body carefully. Before you begin to create, to make a chair
or a table, or to sew a dress or curtains, you prepare, and measure care-
fully. Before you enter a dwelling, you prepare: you scrape the bottoms
of your shoes, to clean them from the debris, so you do not track it in,
leaving your mark. Therefore, before you begin this day,
wash your hands, cleanse
your spirit, and
your soul:
remove
the hatred,
and the anger,
and the frustration;
do not mar the good deeds
you intend to do, with a solitary
speck of anger; forgive all things; pre-
pare well, for that which you intend to do!

May 3, 2014

When you have established living peace
within your being, then, you are ready
to deliver peace to those who have
been thirsting, and hungering,
for the presence, the power-
ful presence, of peace.
And The Holy Spirit says:
True peace
is borne within
every child of God.
Awaken the energy,
the spirit of peace,
within you, and
watch
it flower
in the light
of a new day.
Rise-up. Come, it is
time to deliver the pres-
ence of peace to those of Earth.

May 2, 2014

Some of the most tender moments you can experience
are sitting quietly with a loved one, or a friend, letting
the language of your heart, take the place, of words;
and, in this sacred, sweet communion, you draw
closer, as if you "know," you are "One."
And The Holy Spirit says:
Some of the best conversations are held
in silence, when you are: walking
along a beach, hand-in-hand
with another, watching
the sun rise-up,
over the water,
welcoming the new day;
sitting on a bench, as the day
is done, watching the sun set,
on the horizon; these times
are precious, because
communication
goes to a place
of reflection.
Be at peace
this day. Walk
with those you love, and
share the tender moments that are yours.

May 1, 2014

There
will come an hour
when you will open your eyes
and see with your spirit; let that
hour be sooner, rather than later.
And The Holy Spirit says:
It is all set before you, all things
grand, and great, and
wonderful,
all things
of Spirit,
majestic,
mystical,
magical,
sacred, and true.
All you have to do is open, and
believe, and see. Do not turn your head
from the truth. Open your eyes, and see.

April 30, 2014

Do not let doubt, or fear, rob you
of the experience of life. And The Holy Spirit says:
When you are delighted, when you are in wonder, of what
is going on all around you, you open your arms, and your heart,
and your eyes, and you run into the experience; and from the ex-
perience, you are exhilarated... happy... living! But when you
permit ~ fear or doubt ~ to permeate your being, you are
frozen, still, constricted, restrained, robbed of the
glory, and the experience of exhilaration,
wonder, and life. Every experience
is filled with wonder; do not let
doubt, and fear, rob you
of "living the life,"
you are in-
tended to
live!

April 29, 2014

My children who have awakened,
and know who they are, do not see
the glass half full, or half empty.
They know there will always be
water; even when there is but
a drop, and the glass is
turned-up, and
it rolls upon
their tongue,
the heavens part,
and My hand does appear,
and the glass is full, for I AM near!
And The Holy Spirit says:
The brightest, clearest day, filled with sunshine, is
just that way, no matter, if you see the glass half full, or
half empty. When the day does come, when the rains do
fall, the day is the same, for all; no matter whether
you see the glass half full, or half empty.
God is consistent, and constant,
in The Presence with you.
Your perspective is your reality.
Enjoy the presence of God, with you,
in the bright shiny days, and the days filled with rain;
for they are both good, and there will always be water to sustain you.

April 28, 2014

In order to grow one must reach-out,
beyond the place where you are, to
the place where ye shall be. I
will call to you, and
when you come,
the buds blossom,
new life occurs, and
you have reached beyond
the boundaries, and limitations, of
yesterday, and stepped out to ride The Wind
of The Present forever. And The Holy Spirit says:
If you watch a plant, as it grows, you
will find, that after a time, it is
necessary for the plant
to stretch-out,
to take-up
more space,
to reach higher into the heavens,
to reach deeper into the soil of Earth.
This is growth.
If the plant
is limited,
it stays the same.
Do not limit your possibilities ,
grow, flourish, in the name of God.

April 27, 2014

Do not waste the opportunity to be of great joy,
in your journey upon the Earth: look-out
and see, the sea; look-out and see
the rising sun; look-out
and see the birds
circling above;
look-out and see
the outline of the trees
against the sky; look-out, and see.
And The Holy Spirit says: Be of great joy, it is your
time to walk upon the Earth, do not waste it, be of joy!

April 26, 2014

When you are given the gift of
a beautiful day, don't waste it.
And The Holy Spirit says:
It is time to consider every day,
every hour, every minute,
as a gift, holding
great
potential,
and the gift is
yours; therefore, you
are holding great potential.

April 25, 2014

Reach-out to one in-need,
by listening to what they say;
and, you might be surprised, to
learn that all they really need-
ed, was someone to listen.
And The Holy Spirit says:
The act of listening,
without inter-
rupting: is
a gift
you give
another; and
a practice, well worth
the effort; for only, when you lis-
ten, will you know, the heart of another.

April 24, 2014

When you open your eyes
to a brand new day, em-
brace the opportunity.
And The Holy Spirit says:
Every day presents
the opportunity
of rebirth,
new begin-
nings, adjusting
your course, opening
to new vistas. It is all set
before you, embrace the new day.

April 23, 2014

Go-out into the world,
and make it a better place.
And The Holy Spirit says:
If you make it your intention
to do the best job you can do, that
is what you will do. If you make it
your intention to spread joy, every-
where you go, that is what you will
do. If you make it your intention
to bring peace to chaos, that is
what you will do. If you make
it your intention to carry love
into every situation, that is
what you will do. Go-
out into the world
and make it
a better
place.

April 22, 2014

Let
an element
of kindness exist
in all you say or do.
And The Holy Spirit says:
A simple act of kindness
will make all the differ-
ence for another, and
for you. Today,
sprinkle
kindness
everywhere
you go, and watch
The Garden grow!

April 21, 2014

When
you have the oppor-
tunity to choose, choose to
honor the 'freewill,' of others.
And The Holy Spirit says:
Once the decision has been made,
to honor the freewill of others,
peace and balance is restor-
ed, where once, there
was chaos, and
confus-
ion.

April 20, 2014, See

Once you have forgiven
all things, life begins anew,
life begins anew, within you.
And The Holy Spirit says:
In order to rise-up, in order
to experience life,
fully, and
completely,
there must be
forgiveness.
All things
must be forgiven,
and then you will rise, and
you will see, and you will know!

April 19, 2014

Live life to the fullest, and celebrate with great joy; for, you live,
you are eternal you shall never die. And The Holy Spirit says:
Passing from one existence to the other transforming,
and moving on with your eternal
life is much like
a butterfly.
Think of it.
The caterpillar,
crawling upon the Earth,
climbing high into the tree,
being held within a cocoon,
eyes closed, for a while, only
to be released, flying in
the light of the sun,
as colorful as
a flower.
Look and see
all the transformation
going on around thee, and then
understand, you are a part of it all. Live
this present piece of eternity, as if you know this.

April 18, 2014

Do
not curse
the darkness
or shadow, which envelopes you
from time to time. Call My name,
come to Me, and I will fill thee
with light.
My light
will illuminate
the shadows, and
disburse the darkness,
for shadows and darkness
cannot live within My light.
And The Holy Spirit says: God sends
light into the world of shadow and
darkness; and for those who reach out,
and take the hand of God, they live within
this light. God sends the living word into the
world; and for those who hear the word they
live within the power, and the light, of God.

April 17, 2014

When
you awaken,
and shift your position,
from the mundane to the sublime,
the journey begins, new vistas, which
were once closed, open; and you see
as never before, you see with
the eyes of your soul.
And The Holy Spirit says:
It is time to awaken.
It is time to look and see,
to reject the thoughts, which
hold you in place, and reach-out
and embrace 'the opportunities.' It is all
there; you are surrounded by possibility;
your journey will be transformed; and
you will perceive it, as the magnif-
icent adventure it truly is!
Awaken! Shift your
position, and
live!

April 16, 2014

When
I Am your
cruise director,
your vessel will master every sea,
be it turbulent, calm, filled with serenity,
for when we are 'as one,' all that should be
is done. And The Holy Spirit says: Be at peace.
God is with you. You can do all things
when your vessel
is in the hands
of God.

April 15, 2014

Peace,
and serenity,
create an atmosphere
wherein miracles can be seen,
and heard, and celebrated.
And The Holy Spirit says:
Strive first, to be at peace,
to open to the love of God;
for all things good, come from
an atmosphere, an environment,
wherein there is peace,
wherein you feel
the presence
of God.

April 14, 2014

When you are open to My love,
when I knock, you will hear Me, and
when I call, you will rise-up to follow Me.
And The Holy Spirit says:
The ways of the world can lead you here and there,
all up and down and around; and, you will, soon,
find yourself lost, no longer confident, or sure,
where you are to go, what you are to do; but
if, in stillness, you will sit, and listen, to
the whispers, you will know
the voice
of God; and
as it calls you,
you will be eager.
And when you receive
the directions, and guidance,
courage will be your companion, and
you will step out into the world, created
by man, and work the wonders of God!

April 13, 2014

In order to produce a most amazing garden, one must first:
till the soil; plow-up the field; prepare the earth to receive the
seed; plant the seeds, with diligence; water the tender shoots;
and weed the garden, with care. Then, giving praise for all
the gifts you have, and the abilities you have, to do what
you have done, you turn around, your face, catch-
ing the light of the sun, and see; you see
the most amazing garden!
And The Holy Spirit says:
To produce something
of great value
requires the
willingness: to work;
to practice; to toil; and the faith to
know, while you are working, practicing
and toiling, that it is all worthwhile; because,
in the end, all who see pronounce, prayerfully,
"I can see the hand of God in this; and it is good!"

April 12, 2014

What is "a miracle?"
It is something extraordinary,
springing forth from the ordinary;
it is something amazing and miraculous,
springing forth from the mundane; it is joy, from
sadness; it is laughter, from tears; it is looking back
upon the day, and seeing what came your way; for, to see
a miracle; or, to experience a miracle, you must be willing:
to look; to recognize the signs; and, to embrace the moment,
divine. I can assure you that there are miracles every day! Are you
ready to embrace the miracle? Are you ready to walk The Way?
And The Holy Spirit says: If you begin your day in dread, fearing what
might lie ahead, then, that is what you will experience. I speak to
you today, and say, set those intentions aside make it your
intention to watch for the signs and see the miracle of
this new day. Reject the negative and embrace
the positive. This is The New Day you have
been waiting for! What "will"
you do with it?

April 11, 2014

You cannot see, through eyes that are but half-
open. You cannot hear when you refuse to listen.
Today, embrace the miracles which come your way.
Open the eyes of your soul, open your heart, and see.
And The Holy Spirit says:
The only way to see, and know, and embrace the truth, as it is,
is to let God's love flow through you; and in this way, truth is il-
luminated, by the love of God. When you have lived long enough,
when you have spent a number of years, upon the Earth, you un-
derstand, that facts, can be altered, by a change in perspective.
This is true, of the things of the world; yet if you are looking
through the eyes of your soul, and filled with the love
of God, the light of God illuminates, all things,
and you "see," and you "know." Today,
open; for miracles abound, for
those who are ready,
and willing, to
see! I see
you!

April 10, 2014

Earth is a giant maze,
 filled with so many
 distracting corridors,
 that it can be difficult,
 making your way, from left
 to right unless you have faith and
 are led by the light! And The Holy Spirit
 says: I will whisper, and you will go, and
 in that way we will show, all who
 wish to see, the beauty
 of the light,
 shining through thee!
 To make your way upon the Earth,
 holding peace and tranquility, is to have faith
 and then confidentially go, where you are led
 to go, knowing that: when it is time
 to turn left, you will be told
 to go left; when it is time
 to go right, you will be tapped, so
 you make the change in your course; when
 it is time to stop, you will stop; and when it is time
 to turn around, and go back, from whence you came,
 to find more solid ground; that is what you will be guided
 to do. The hand of God is with you! Reach-out, and take it.

April 9, 2014

Do not impede the progress of your journey, by opening the door
 to doubt, by sitting with worry, or concern. These things: will dis-
 tract you, have the ability to turn you in your tracks. Focus on the
 goal. Focus on The Way! Focus on the gifts, of the day; for when
 you are in positive energy, all things will flow; and, they will flow,
 just as they are meant to go. And The Holy Spirit says: A key to hap-
 piness, while you are upon the Earth, is to stay positive. Reject the
 'temptations,' to be: frustrated, or upset, or angry, or sorrowful,
 for these things will weigh you down, and slow your journey.

Do not be 'distracted,' by: doubt... or fear... or worry.

A key element to joy, and happiness, is living in
 the positive, and rejecting the negative.

Go forth this day, and embrace
 all positive attributes,
 all positive energies,
 and you will be happy,
 and joy will be in your heart.
 Rise-up, and start, this is the day!

April 8, 2014

This
I say
unto you,
as a reminder
of who you are, for
it is obvious that once eternal beings
slip into the cloak of humanity, and inhabit Earth,
they forget who they were before their earthly birth.
You are an eternal being! Your eternal presence is
at the core of your being.
That is where
you are
everything
you are meant
to be. That is where
you will find all the answers.
That is where you will know peace.
And The Holy Spirit says: When you 'know yourself,'
from the inside out, there will be very little room for doubt.

April 7, 2014

Listen
intently to
what another
is saying to you
before you start
telling them
what to do
to fix
the problem,
for the resolution
is held in what they
are saying. Listen, so
you might guide them.
And The Holy Spirit says:
The answer - to every question - is
held - within the heart, of the seeker.
All that is required is patience. Listen,
because - once you 'know,' the answer,
they are close to finding it themselves.
Their answer is found in their words,
for it has been written on their
heart, by the hand of God.

April 6, 2014

You are meant to:
clear, every hurdle; ford,
every river; climb every mountain;
for, if it is before you, it is yours to do!
You have been chosen! You have the grace
to complete "the mission!" You have a finite
number of days! That which you experience
upon the Earth, will remain with you, as a
"memory." You will bring this memory,
into your spirit form. You are
building a library, while
you are upon
the Earth,
which
you will
reference,
in years to come,
once you have slipped
the body and returned Home.
And The Holy Spirit says:
Let your earthly memory be filled, with:
dancing and singing, celebrating; for, Earth
is a glorious place to be; and you are there!

April 5, 2014

Situate
yourself in
a place of peace,
and that is what you
will know. And as you sit
in this place of peace, you will grow.
You will know peace from the inside, and
you will create peace, on the outside.
And once you are filled with peace,
it will be time for you to rise-up,
and go into the world; and there,
you will be an island of peace, a Mecca
of peace, the source of peace, for all those
around you. And The Holy Spirit says:
Once you truly "know peace," you can-
not imagine living, in any other
state; for those who live
in a state of peace
life is good!

April 4, 2014

When
you create
something of beauty,
something of value, take the time
to appreciate what has been created.
And The Holy Spirit says: Take the time
to create acts of kindness and
generosity;
and then,
take the time
to appreciate
the beauty, you
have created; for,
kindness, and generos-
ity, are 'something of value!'

April 3, 2014

If
you
will
have
the faith
to give all things to Me,
I will turn your problems
into possibilities;
you will be
amazed
how
perceptions,
and perspectives,
will be changed, be-
cause you trust in Me.
And The Holy Spirit says:
When you look at a problem
through the eyes of the world,
it can appear insurmountable.
When you look at a problem
through the eyes of God,
there comes a light
of wisdom,
and resolution
is the miracle of faith!

April 2, 2014

The only good resolution to an argument
is to resolve not to argue at all.

Hold your tongue, and
listen; and
you
will be
enlightened.

And The Holy Spirit says: Let it be;
whispered words of wisdom, "Let it be."

April 1, 2014

Rise above
what others say, or do,
to hear what I AM telling you;
and I will lead you into a new way of living,
far beyond that which you thought possible.
And The Holy Spirit says:
Rise-up, awaken, and live The Way, of God.
Do not be distracted, by what others
say, or do; listen, and hear,
what God is telling
you!

March 31, 2014

Today
is the perfect day
to sprinkle seeds of kind-
ness... everywhere you go.
And The Holy Spirit says:
Do not hesitate to be the first
to offer: a hand of peace,
reconciliation, love,
or support,
as your
time
upon
Earth
is too short
to be burden-
ed, with regrets.

March 30, 2014

I
do not
ask you
to defy, or rebel against
the laws and regulations
created by the world;
I ask you
to bring
light
to the ways
of the world, so that
"the ways of the world,"
might be enlightened by
your presence, lifted up in
the glory of that which you bring!
And The Holy Spirit says:
Remember, give unto Caesar, the things that are
Caesar's, and give unto God, the things that are God's!

March 29, 2014

My love, My power, My light, is flowing to each one of My children, in fact, it is flowing upon the Earth, all of the time, in the same measure, I do not hold from one, that which I give to another, it is equal. And The Holy Spirit says: If God's love, and light, and power is flowing in equal proportion, to all of the children, and all of the Earth, how is it that some feel The Presence more than others? A good example is a sunny day in a beautiful park. Depending on where you are positioned, you feel the sun's intense power, and see the light, and know its presence, more or less. If you are standing in the direct light, you feel it, you know it, you sense it. If you are sitting under the shade of a tree, you do not feel the full power of the rays of the sun. And if you are in a building, you might not even realize the sun is shining, because you have set yourself aside.
The list could go on and on,
but the example
is very clear;
it depends on
your position,
on your perspective;
it depends on where you are standing.
Today, you have an opportunity to begin again,
a new beginning! Choose to stand directly in the
light of God; so that you might feel the power, of God's love.

March 28, 2014

Weave
your dreams,
and aspirations, in-
to the fabric of today,
and today will be the
inspiration for tomorrow.
And The Holy Spirit says:
This is a day filled with:
dreams, aspirations,
inspirations, and
promise,
live it
to
the
fullest
measure,
and celebrate!

March 27, 2014

When
you begin to slip
into a den of doubt,
and fear, give Me
your hand; for
I AM
near;
and I will
lead you in-
to a place "of
confidence," a place
where there is "no fear!"
And The Holy Spirit says:
Put your worries in the lap of God,
and go about your day in confidence.

March 26, 2014

Begin the day looking for miracles
and miracles are what you will find.
Open the door, and see, that which
was unseen before you believed!

Close your eyes to the things
of the world, and be led
by the vision
of faith!

And

The

Holy

Spirit says:

Seek and you
shall find! Knock,
and the door shall be
opened for you! Believe!

March 25, 2014

One of the key ingredients
to accomplishing the goal is
maintaining a positive attitude.

And The Holy Spirit says:

No matter what you face today: shun
negative thoughts; be steady and
confident; work without stress;
be persistent in completing
your task, and you will
achieve your
goal.

March 24, 2014

Do not be lured in-
to another person's drama.

Reject 'the temptation,' to discuss
another person's issues with others.

And The Holy Spirit says:

When you open your mouth to speak
let your words be kind,
and generous.

March 23, 2014

The
riches
of the world
can be tempting;
the ways of the world can be trying;
give Me your hand; come sit with Me; for I
will whisper unto thee; and your head will turn
from the temptation; and you will see Me;
and the trying will melt away; this
I promise you, today!
And The Holy Spirit says:
Today, do not focus
on the ways of
the world,
no, turn
your head,
and look, and see;
for the promise of eternity
has already been given unto thee!

March 22, 2014

Do not miss the opportunity to open, and
feel My love. Do not miss the opportunity
to let My love flow, through you, into you,
moving within you, and know, from whence
it came. Do not miss the opportunity to let
My love flow through you to another, and
bless all others, in My name; for it is
the flow of eternity, it is the plan
divine, it is walking, with
your hand in
Mine.
And The Holy Spirit says:
Today, prepare to go forth,
feeling
God's
presence
within you, and
letting it flow through you,
to all, without restriction. Let this
day be a day, of celebrating God's love.

March 21, 2014

To assure that your day is one of peace, all the way around,
begin by picking-up something you have put down,
a task you either do not want to complete,
or have not found the time to complete,
or one you have not even started.

Put simply, begin today doing
something that you would
rather not do, that is
easier, not to do,
and then, your
day will end
by your saying,
"I did that today."

And The Holy Spirit says:

The things that you set aside,
that you delay doing, not only carry
the energy of being unfinished, but soon
there becomes an energy of frustration,
anxiety, worry attached to these chores,
these tasks. Avoid that, free your mind
of the constant nagging, and be done
with it. If you can follow-through
with just one thing today,
you will find tonight,
when you stop to pray,
your prayer will include, "Thank you
God, for the strength to do that today."

March 20, 2014

When Winter
releases its hold
upon the Earth, and
you see the first signs of
new birth, of tender green
shoots, flowers, and plants,
making their presence
known, once again,
there is an
exhilaration,
an excitement.

This is what new
beginnings can do.
And The Holy Spirit says:

Every day is a new
beginning.

Try this,
with the
dawning

of every new day,
begin again, fresh, new.

Let springtime erupt from with you,
every day. Live Spring, for it is the promise of life.

March 19, 2014

Even the most ordinary day is filled with miracles,
the smallest, the most quiet, the most tender miracles.
And when you look, and see these traces of evidence,
these signs, you are led to a place of comprehen-
sion, preparing you to understand The
Divine Mystery; how it all
fits together, how
it all works.

Therefore, even
the most ordinary day

is a most extraordinary day.

And The Holy Spirit says:

Open your eyes and see. Watch.

Observe. And even a bee, landing
on a flower, exploring, going deeper
into the throat of the flower, soon be-
comes an adventure; the outer simplicity
of the Eternal Plan. Open your eyes, and see.

March 18, 2014

Take one deep breath; and prepare to go,
ready to continue creation! The day is set
before you, and at this particular time, what
you are about to create has not existed before.
Create; for creation continues, through you!
And The Holy Spirit says:
Jump, and dance, and sing with joy; for
The New Day is here:
a day of celebration,
a day of continuation,
a day the creation story un-
folds, and you are present to see
it, this piece of the eternal presence,
this piece, which is the pearl, of today!

March 17, 2014

All
the chaos and
confusion, wrapped
in the ways of the world,
will be changed, if you open,
and let Me work through you.
And The Holy Spirit says:
You will be able to see the change,
when "the time has come," and
the children upon the Earth
hold the key that will open the door,
ushering in the time of God; for, it will flow
through every child upon the Earth. Change will
come through you, once you are willing to
change your perspective, change
your position, change your
thoughts, change your words, and
change your deeds, so that they reflect,
always, the energies of light, love, peace,
compassion, understanding, acceptance.
Today, change the world, so it might be
a better place, in how you think,
what you say, through
the deeds you
do, this
day.

March 16, 2014

You have a goal
to accomplish, you have something to do
while you walk upon the Earth; therefore, spend
some days in preparation, for that which is set before
you; prepare well, for your mission, for your journey.
And The Holy Spirit says:
Before you take a great trip, a vacation, you make plans.
You decide where you are to go, and then: you arrange
for the transportation; you arrange for the proper
clothing; you arrange, for a number of days,
to be relieved from work, so you might
go upon your journey. You set
everything in place, so it
will work together.

If a
vacation
can hold such
importance, then
why not place at least
equal importance, on that which
you are to accomplish upon the Earth,
your spiritual goal, your spiritual destina-
tion? Begin to make plans, so that you might
accomplish that which you came to Earth to do,
so that you might reach "the goal," set before you!

March 15, 2014

Let nothing stop the celebration of creation.
Let nothing stop the dancing and the singing.
Let nothing stop the joy and the song; for, it is
bringing hope to all the world to see. And The
Holy Spirit says: The one who knows, who
trusts, and who appreciates the gift of
life and all they have been given,
celebrates every day! Look
around, and see, and
you will know
The Way!

March 14, 2014

Take
My Hand;
for sunrise approaches,
it is time to create a new day.
And The Holy Spirit says:
A new day shall be created
of the faith and
inspiration
of the brave,
and the doubt
and the desper-
ation of the fearful.
Rise-up all those of Faith:
carrying inspiration as the banner
of The New Day; the day when faith
washed away doubt, and inspiration
replaced desperation. Welcome the
day of Faith, and Inspiration,
the day of Glory!

March 13, 2014

Let the way you live be
a celebration of creation.
And The Holy Spirit says:
Watch the unfolding of Spring:
from the smallest, most tender,
green shoot, to the tallest, most
magnificent tree; from brooks
flowing gently, to thundering
waves, crashing on rocky
shores; from
hushed
valley meadows,
to majestic mountains;
the circle of life continues
in Spring unfolding, creation
continuing, and you are a piece
of "the celebration, of creation!"

March 12, 2014

Those who are willing to live
the vision, to live the dream,
will fulfill their destiny!

And The Holy Spirit says:

You cannot accomplish that
which you are unwilling
to try; live your life
in such a way
that you
follow
your
heart,
boldly
confident,
ready to emb-
race, each new day!

March 11, 2014

Let your strength, and courage,
be found in My Words. I will lead you
where you are to go, I will show you The Way.
And for those who believe Me, fear and anxiety
vanish, in The Light of Faith and Trust!

And The Holy Spirit says:

The ways of the world can fill you
with fear, anxiety, suspicion
and doubt; but
The Words
of God,
and
the light
of your faith
and trust will
illuminate The Way,
and you shall know strength,
and courage, all of your days!

March 10, 2014

What
you create,
in your thoughts,
lives, as you created it.
And The Holy Spirit says:
Today, bless the Earth
with your creations:
think the best
of people,
and that is
what will
come forth;
think the best
of every situation, and
that is what will come forth;
create a positive attitude, and that
is what will come forth. As you think,
you create, and that is what comes forth.
Today, bless the Earth, with your creations!

March 9, 2014

You carry within you the keys
to a happy, joyful, successful life,
upon Earth. And The Holy Spirit says:
The keys to happiness are yours! You
possess them: using your talents,
the talents God gave you,
will bring great joy
to your life;
using
The Gifts
of The Holy Spirit
to enhance your talents
will make your life upon
the Earth a real adventure. Use
your talents as a sign, to lead you
to that which you are to do in the
world; and use your gifts to raise your
talents to a level worthy to be a gift to God!

March 8, 2014

As
you
make
your way
into the day,
you pick-up and collect: responsibilities, tasks,
chores, jobs needing to be done; and soon it seems
as if the weight is more than you can bear. Call
on Me; for, I AM there;
and once you feel
the presence of
another, of
your God,
willing to
lift-you-up,
and carry these
things with you, and for you,
it becomes a mission of "teamwork,"
what we can do, together; and the weight
is lighter, transformed into a statement of
what you can do when I AM with you!
And The Holy Spirit says:
There is nothing too heavy, too weighty,
too large, for the shoulders of God.
Things that weigh you down,
He will lift-up, and walk
with you; and you
will know
peace!

March 7, 2014

There comes the time for planting the seeds.
There comes the time for tending the garden.
There comes the time to harvest. There comes
the time to enjoy the abundance from a garden
timely planted, well tended, and nurtured.

And The Holy Spirit says:

Make sure you watch for the signs,
and plant the seeds timely.

Make sure you do not
become distracted.

Tend the garden, or
it will grow-up in weeds.

Nurture that which you have
planted, and watch for the signs
to harvest, and enjoy that which
you have grown. Do not hesitate
to share the abundance, from the
seeds you planted long ago, with
others; for those who have not
found The Way to plant
the seeds will eat
from your garden, and
have a taste of abundance therein.

March 6, 2014

When
seas of chaos
threaten your equanimity,
open to My love, reach-out for My hand,
and I will raise-you-up, and you will walk
over the turbulent, tempest-tossed
waters, and come to Me.

And The Holy Spirit says:

There is peace
in the lap
of God,

and it will be
your sanctuary, your
resting place, until the
clouds, and the storm,
move away, and the
light of the sun
brings the promise,
and the dawning, of a new day.

March 5, 2014

When you find yourself: in a valley, walking in a meadow,
close to a river, look around, and see; and breathe-in the wonder,
and the beauty, and let it be. When you are standing on the mountaintop,
with the sun on your face, and a breeze, moving through
your hair, look around, and see; and breathe-in the wonder, and
the beauty, see and let it be. Live every experience, be it
the one in the valley, or the one on the mountaintop.

And The Holy Spirit says:

When you find yourself in a valley,
walking through a meadow,
do not spend your time
there, longing to stand
on the mountaintop;
and when you find yourself
standing on the mountaintop,
do not spend your time there,
longing to be walking through
the meadow in the valley.

Embrace each
experience

as it comes to you.

Do not live in the past;
do not be concerned about the
future, embrace that which is with you.

March 4, 2014

Respect everyone you meet
upon the Earth; and treat them as
a fellow traveler making a journey,
just as you are making a journey,
on a mission, just as you are
on a mission, seeking
The Light,
just as
you are
seeking
The Light.

And The Holy Spirit says:

Today, see your brothers,
and sisters, as the fellow travelers
they are! And support them, on their
journey, offering: compassion, understand-
ing, and love, as they make their way, today!

March 3, 2014

Being caught in a whirlwind of confusion can challenge your ability to focus. It is much like riding on a merry-go-round as a child; and, while the merry-go-round was not spinning quickly, it was moving, you were traveling in a circle going around and around, and while you knew there was a man carrying balloons, and a man selling hot dogs, and the faces of your family seemed to be a blur, as you made the circle again, and again, and again, you found it difficult to focus, to see clearly:
the man with the balloons, the man with the hot dogs, the faces of your family.
It is the same when you are caught in a whirlwind of confusion.
The answers are there, but it is a challenge to focus, to see them. This is why it is important to be still, to be quiet, to breathe deeply, to stop the merry-go-round; and then your options became as clearly set before you, as the man with the balloons, and the man selling hot dogs, and the faces of your family became the minute the merry-go-round stopped spinning.
And The Holy Spirit says:
While you are spinning in confusion, it is difficult to see the answers, to find the solution. But once you are still, and once you are at peace, the spinning stops, and the answers are revealed, the solution is visible.

March 2, 2014

Set your concern and worries, your fears and doubts, aside; push them from you, and rise-up in My light; for in truth, you have all you need. I have given you the gifts. I have given you the talents. The talents you possess will assist you, in making your way upon the Earth, in the world created by man; and the gifts you bear will allow you to create an atmosphere in which you can use your talents, for the glory of the Kingdom, of Heaven!

They all fit together, and they all will provide a piece of your eternal life: that is good, and fitting, and suited just for you.

And The Holy Spirit says:

Do not waste
a precious minute, of
the day you have been given, in:
doubt, or concern, fear, or worry.
You have all you need to go forth
into the world, and make
your place,
and mark The Way.

Use your talents, every day,
and use your gifts, to show The Way!

March 1, 2014

When
you are
willing to
set ego aside,
to push back envy,
and greed, jealousy, and
pride, you will rise-up, upon a wave,
a wave of grace, and you will see all things
from a different perspective, from a different place.

And The Holy Spirit says: Today, "see, and know."

Reject reaction, and act in such a way,
that you "show, God's love."

Today, connect with God,
fully, in a complete
way. Rise-up
on the wave
of God's
grace.

February 28, 2014

Amazing
things happen
when you are riding on
the wings of inspiration.
And The Holy Spirit says:
Your dreams of what you
wish you could do, are
only a hint of what
you are meant
to do.

February 27, 2014

As
you
make
your way
through the day,
do not get caught up in the
negative words and ways of others,
maintain a positive outlook, and your per-
spective will alter The Way you see things.
And The Holy Spirit says: Today, be a positive influence.

February 26, 2014

Celebrate
every leg of your journey.
And The Holy Spirit says:
Do not be distracted by obstacles, and
challenges; be delighted in the way you
maneuver moving the obstacles;
meeting the challenges, suc-
cessfully; singing, and
dancing, with
God!

February 25, 2014

That which
I have in store
for you, will fill
you with inspir-
ation and de-
light.
And
The
Holy Spirit
says: You are
as a flower unfolding
in the hands of God.

February 24, 2014

Life
upon Earth
is an amazing adventure,
for those who embrace it,
as a piece
of eternity,
eternal existence.
And The Holy Spirit says:
Rise-up ... and greet the
adventure of this new day.

February 23, 2014

Imagine what your day could be: if, you truly forgave, all things; if, doubt and fear were not the cloak you chose to wear; if, what others were doing, and saying, was of no consequence to you at all; if you set aside anger, and frustration, and did not pick-them-up; if you were not burdened with sorrow, and sadness. If, you could do these things. If you could free yourself, your day would be "a day of perfection."

You can free yourself! You can make a choice!

You can choose walking with Me, and I will show you the Way, every day.

And The Holy Spirit says:

The trappings of ego
end-up being just that:
they trap you, into a place
much like a prison, they weigh
you down. But when you choose
the light of God: you are free; you
are free, as a child, to play upon
the Earth, as it is meant to be.

So this day choose: choose
to be happy and joyful;
choose to forgive
all things, and
release any anger
you have held within
you; choose to be free!

This day, choose the light!

February 22, 2014

When your actions are meant to please others
living around you, you are never quite sure
what the result of your actions might be;
however, when your action is to please
Me, you can be assured that the sun
will shine upon thee, and grace
will flow through thee, be-
cause I know what is on
your heart. I do not
second-guess your
intention, or
your action. I
see the intention
written upon your
heart, and it is good.

And The Holy Spirit says:

Set your concerns, and your desires
to please others, aside; and let your goal
first be "to be pleasing in the eyes of God."
Stay connected with God, and every thing else
will fall into place, exactly as it is intended to be.

February 21, 2014

After spending just a few days:
walking in My presence; holding My
hand; living in My light, you are sur-
prised that those things around you
which used to cause turmoil, and
confusion, have become
insignificant.

A n d
The
Holy
Spirit
says:

When you
walk with God,
you see things from
a different perspective;
it flows; it is natural; and,
you live in The Grace of God.
Focus this day on communion with
God, and you will surely know peace.

February 19, 2014

Do not let the doings of others undo you.
Do not let the doings of others bring you to
a point of frustration, or confusion. Look, and
see. Be still, and ask for guidance from Me; and
My hand will rest upon you; and together, we will
move the obstacle, climb the mountain, go around
that which is blocking The Way; My hand is with
you. My hand is upon you. And The Holy Spirit says:
Look, and see the obstacles, the challenges, the im-
pediments, the world places in front of you, and
all around you. And then, marvel, and be
amazed, as the hand of God moves you
in such a way, that they fall from
you. Look, and see, and
be moved, by the
hand of God,
today.

February 18, 2014

When joy and happiness are your companions
all things seem possible, because, it is true.
And The Holy Spirit says:
Let not your soul be heavy. Let not your
thoughts be filled with doom. Lift-up
your eyes, and focus; focus on
the light, that is coming
from you;
and bring it
forth in every way
to light the path; for,
it is a new day, a new day
dawning. Set your feet upon
The Way, and proceed with joy,
and happiness, all through the day!

February 17, 2014

The
confident person
does not blame another
for that which is happening;
the confident person, accepts
responsibility .makes adjustments
and moves on. And The Holy Spirit
says: Confidence comes from
knowing who you are;
and the greatest
confidence
comes from the realization,
that you are a child of God, a spiritual being,
wearing the clothing of Earth. Know who
you are, so that confidence is yours;
then, proceed to make all
the adjustments
necessary, so that you
might live in an atmosphere of love, and
light, and peace: confidence, peace, responsibility,
adjustment, living life, upon the Earth, "know who you are!"

February 16, 2014

Every day, you make choices; and
these choices either lead you far-
ther from Me; or closer to Me;
what will you choose today?
And The Holy Spirit says:
How blessed you are!
Today, you have
the opportunity
to bring the light,
of God, to every
situation you
encounter!
And once
you do
this,
you
bless
the Earth,
and all those
gathered about you,
by choosing the light of God.

February 15, 2014

If you
find yourself
walking through the day
without joy, without light, stop,
turn around and come back to Me.

And The Holy Spirit says:

When the temptations of darkness and shadow lead you astray,
away from the path, turn around, and return to The Way.

Often, you will find this difficult to do, as you become
ensnared, with the temptations presented to you.

This is a sign, of how deeply entrenched you
have become in the shadow, or the darkness. Resist
the temptations, pull yourself from the shadows, and return
to the light. You will know when you have arrived
at the place, and you are free, because once
again, you will see, and you will be
filled with joy; for
this is The
Way.

February 14, 2014

Temper your desire to help
someone, by honoring their path,
their choice, and their freewill; and,
once you do that your desire will be
to support them with your love, under-
standing, and compassion, no matter
where they are along The Way. And The
Holy Spirit says: Be mindful of where your
brothers, and sisters have placed their feet
along the path: honor their choices,
honor their free will; honor their
beliefs; and support them, with
your love, and under-
standing, all a-
long The
Way.

February 13, 2014

Today, you will receive messages, direction.

It is important to be mindful, to focus in such a way,
that you will be able to discern the whispers of the shadows,
and darkness, from the whispers of The Light, and The Glory.

And The Holy Spirit says:
The first step to discerning the whispers, the spirits of darkness, and shadow, from the spirits of Light, and God's glory, is how you feel: if you feel frustrated, or angry, or you find you are in doubt, or have the feeling of being alone, these are not spirits of light, they are of shadow and darkness, trying to lead you away from the path toward Home. When you are listening to The Spirits of Light, you feel happy, and joyful, there is a smile upon your face, there is a lightness within your being. Pay attention today, for you will be surprised how many times the whispers come from the shadows; and it is "within your power," to send them away, so you will listen only to the whispers of The Light!

February 12, 2014

You have been given a gift. Open the gift, and exclaim with joy upon your heart; for, you see it, and it is yours, a new day, another day to experience Earth, in every way. Yes, the gift has been given.

Now, what will you do with it;
for, it is surely yours.

And The Holy Spirit says:

When you give a gift,
and that gift is opened

before your eyes, you
have the opportunity to see

the joy and the surprise upon the face
of the recipient of the gift you have given.

If they look in the box, and set it aside, and say, "Thank you," you are not sure how they feel about it; but if the recipient opens the gift and exclaims with joy, "Oh, I love it," and holds it, and keeps it on their lap, you know they intend to use it, and enjoy using it. This is how The Creator feels! You have been given a gift! Now, joyfully use the gift you have been given; for, it is surely yours.

February 11, 2014

As this new day begins to unfold, and blossom, know this, I AM with you!
And The Holy Spirit says:
Faith is rising-up, in the darkness,
and walking-out into the storm,
"knowing," the hand of God
will keep you warm, and
safe, and all things
will be
as they are to be;
therefore, be at
peace!
Rise-up,
the day is un-
folding, and soon
it will blossom, and
there you will be,
"experiencing,"
the present
piece
of eternity,
with the hand of God
on your shoulder, and faith in your heart.

February 10, 2014

Be at peace.
Peace is your natural
state, the state you were intended
to be in, as you walk upon the Earth.
This state of peace is created within you;
peace comes from the well within you; and
once you have created this state, of peace,
within yourself, you will experience true
peace, no matter what is happening, all
around you. And The Holy Spirit says:
Do not rely on others to provide peace.
Create a state of peace, within your
own being; for, that is where it
is rich, and deep, and true.
Be at peace, this day,
and make that
peace, with-
in you!

February 9, 2014

Those whom I touch, those whom I call to rise up
to perform a certain task, toil in The Garden of
Promise; and through their efforts and their
work and their diligence, through their
selflessness there blossoms The
Kingdom of God, upon Earth!
And The Holy Spirit says:
When you feel the touch, of the hand
of God, upon you; when you hear
the call of God from within you;
rise-up for it is your time
to enter into The Garden
of Promise; there
to lay down
your seeds,
and tend them, in
such a way, that they
produce a bountiful harvest,
a harvest great enough for all
to see The Kingdom of God upon
the Earth. For those who "heed the call,"
there is the work, there is the promise, fulfilled!

February 8, 2014

The
quickest course
to complete joy, and happiness,
is: sweeping darkness, and shadow,
away from your doorway, protecting
your threshold; open to the light,
and let it fill you with delight.
And The Holy Spirit says:
Look! And see!
Recognize the
darkness, and
shadow, the temptations,
around thee. See, and know, and
make the choice to let them go, from you;
so you are free to grow, in the light of God.
Your natural state is happiness, and joy!
The only barrier to the realization
of this natural state is
the darkness,
and shadow;
cast it from you;
for, it does not belong
to you; and set yourself free.

February 7, 2014

Walk through the days of your lifetime loving
others rather than waiting for others to
love you first. And The Holy Spirit says:
When you sow "seeds of love,"
you are destined to live in
a magical garden! The
seeds are in you. Do
not wait. Plant
your garden,
today!

February 6, 2014

Look, and see what is happening
all around you! Look, and see people
in the acts of: kindness, charity, encourage-
ment, support and love; and be moved to action.
And The Holy Spirit says:
When someone takes action, there is no language
barrier; an act of anger, is an act of anger
in any language; an act of love, is
an act of love, in any langu-
age. Take action to-
day; and, be
love!

February 5, 2014

You cannot see love; but
you can see the results of love;
and the same is true for compassion,
understanding, kindness and forgiveness.
And The Holy Spirit says:
In order to see love, someone must commit an
act of love; then, all around can see the re-
sults of the action, and know, love; and
the same is true for compassion,
understanding, kind-
ness and forgiv-
ness.

February 4, 2014

The journey of your lifetime
is meant to be an adventure, it is
a chapter in your book of eternity.
And The Holy Spirit says:
See the importance of every day,
every step is leading you
into the eternal
present;
for your life
is a magnificent
journey, an adventure,
which will live in eternity.

February 3, 2014

When the rain falls: it
cleanses the Earth; it washes
the dust, from the leaves and the
branches of the trees; it soaks into
the Earth, nurturing the roots, the ten-
der delicate roots, of a springtime, yet to
come; and it fills the rivers, and streams,
and lakes, and oceans, with water. The rain
is life: nurturing, cleansing, feeding, loving.
And The Holy Spirit says:
Watch the rain fall. See all of Earth... glisten,
and shine, in the cleansing! And then, see it
in a spiritual light! See the rain, as God's
Grace, falling upon you, moving about
within you, washing you clean, until
you shine, going deep, deep into
your being, and nurturing
the roots, of a promised
springtime, filling
the empty cups
with Grace
Divine.

February 2, 2014

Every day,
you have hundreds
of opportunities to: make a choice;
you choose to act or react; and "in the
choosing," you change the world, forever!
And The Holy Spirit says:
In choosing to act, or react to any
given situation, you take
the opportunity
to change
the ways
of the world,
to change the ways
in which you operate. When
you choose to act in the light of God,
you choose freedom, for yourself, and all others.

February 1, 2014

The
best way
to experience
kindness is from within.

And The Holy Spirit says:
Do not be reluctant to show kindness to
those who seem void of this experience,
to those who appear to be lacking
in the knowing of it. Be first
to introduce kindness
to any situation.
For that which
begins, within,
blesses the giver and
the receiver. Be at peace
this day, and act from kindness.

January 31, 2014

If you will be kind, in the face of the mean-spirited,
you will soon come to see the value, and worth
of your effort, as peace, and serenity, replace
tension and strife. And The Holy Spirit says:
To enjoy your garden of peace,
first, you must plant the seed,
and tend the garden;
it is work;
but it is
well-worth
the effort; for
the garden will feed those
who hunger for peace, and serenity.

January 30, 2014

Keeping negativity out of your thoughts is a
responsibility and an opportunity to free
yourself of darkness, and shadow;
and this takes practice.
And The Holy Spirit says:
Once you free your-
self, of darkness
and shadow,
your
thoughts,
words, and deeds,
begin to shine, as a beacon
of light, in the world of man.

January 29, 2014

What you think you need
and what you really need,
will often, not coincide.
What you really need
is held within,
written
upon your heart.
And The Holy Spirit says:
When you find yourself
in conflict, or in chaos:
be still, do not panic,
for it is in quiet,
when you
journey
with-
in,
that you
will find resolution,
and be at peace, once again.

January 28, 2014

Walk with Me through this day!
Let Me be a part of all you think,
and do, and say. Walk with Me, today!
And The Holy Spirit says:
The world of man can be distracting, temptations
rise-up to lead you here or there and your focus
becomes scattered, or chaotic. Today, when
you feel distracted, scattered, or chaotic,
whisper the words, "I love you."
and God will respond,
and you will be at
peace, once
again!

January 27, 2014

Watch
for the signs
and use them as tools
to create a glorious day.
And The Holy Spirit says:
Having the right tool is the key
to keeping things working,
running smoothly. Today,
watch for the signs, and
follow, and all will go
well; you have the
keys to create
a glorious
day!

January 26, 2014

Once you have reached a certain age, while you are living upon the Earth, you have learned to read the signs, the signs of the world. And they show you, or lead you, to say, or do, certain things. It is the same, with the spiritual signs. Once you reach, a certain spiritual maturity, you are able to read the signs. And just as reading the worldly signs, took some practice, and time, so does learning to read the spiritual signs; it takes practice, and it takes time. And The Holy Spirit says: As you move through your everyday world, your life, your business your entertaining, and amusing, portions, of the day you acknowledge: a sign that says "stop;" a sign that says "yield;" a light flashing different colors, telling you to: "stop; go; or, be cautious," about entering the intersection. You hear verbal direction: "help; "don't do this;" wait." You even learn to react to emotional signs, signs "of energy," learning to know: when you are being rejected; when you are being accepted; when someone is sad or down or happy. All of these things you learn, by living upon the Earth, directions, signs, showing you the way to go. It is the same, with your spiritual life! Practice! Open so that you might read the signs, all around you; for, they are with you; but you must be vigilant so you might "know," when the time is nigh!

January 25, 2014

When you
acknowledge My
presence with you,
with every thought,
word, and deed I AM
with you, then, at that
very moment, your every
thought, word, and deed,
will change: they will be
more heavenly; they will
reflect, to all the world,
that I AM, with you!
And The Holy Spirit says:
God's presence,
with you,
shall be
a reflection on-
to the entire world;
and the world shall
"see, and know,"
God, through
thee!

January 24, 2014

We are a team, and a team can accomplish more than one. Team is a concept to show the power of a group, acting, and doing, as one, for the good "of one;" therefore, by definition of team we are a team. A team of individuals can raise up the walls of a house, or a barn much quicker, and safer, than one; a team of horses can pull a heavy object up over a mountain and down the other side, in less time and safer than one. We are a team!
Today, let us go forth,
into the world, as One!
And The Holy Spirit says:
Generally, if a team is a good team,
all pieces, all parts of that team, do their job,
perform a function. That is how, it is designed;
no piece of the team, designed to do, or perform,
something, is left with nothing, to do. Therefore,
today, "focus on the team," and what you can do
for the good of the team, functioning "as One!"

January 23, 2014

When you are connected, with Me, all you feel is love, and all those who are gathered around you feel love, as well!
In fact, love is flowing, from your being, reaching out into the world, blessing all, because that is how energy flows. And The Holy Spirit says:
Remember to use this as a sign:
if you are angry, or upset,
or sad, or in chaos,
or confusion;
if you are just
downright grumpy,
or out-of-sorts, change your course;
because you cannot be in any of these conditions,
and be connected with God. Be still, and connect with God,
and you will feel love begin to flow through you; and that is how love is distributed, disbursed to the world; God's love, flowing into you, and through you! Now, be at peace, and enjoy this day of love, which you are creating, with God.

January 22, 2014

Remember, it is your responsibility to keep your spiritual environment: clean, free of litter, nourished, pure. If you will embrace this truth, then, your perspective, and the way you see things unfolding, all around you, will be altered forever;
for, you will truly
be living,
from within.
And The Holy Spirit says:
Maintain your spiritual wellbeing from the inside; in this Way, the outer body: will glow, will shine, will be a vessel, a temple for the divine. Maintain your spiritual environment in a way that you show it is important to you.

January 21, 2014

As this year began, I asked you for something,
I asked that you let Me lead The Way, this year, that
you give Me the opportunity to show you what I can do,
through you, this year. You are now three weeks into this
new year what have you allowed Me to do through you?
And The Holy Spirit says:
Walking with your hand in God's is the most amazing adventure
that you can imagine. No book can match it, for sheer joy,
and excitement. No movie can replace it; for, it is real;
it is an eternal experience; it is your walk with God.
Take the time to rededicate this year, in such
a Way: that you walk closely, with God,
every day; that you hear the words
God whispers, and you say,
in reply, "Thy will
be done!"

January 20, 2014

Let
your
tongue
be still,
and let your actions speak, and
show that which I have taught you.
And The Holy Spirit says:
When words can be: rejected, mis-
spoken, misstated,
or out-of-line,
actions,
showing the
word divine, live!
Hold your tongue,
and let your deeds be
The Living Word of God!

January 19, 2014

Your body
is sustained by the bread,
the fruits, the things that grow
upon the Earth; for, from the Earth
you sustain your body; but, your spirit
is sustained, by that, which I send to you:
messages, which flow to you; words which
I whisper to you, in the stillness, in the quiet,
when you sit, and listen. You are complete, when
your body, and your soul, and your spirit are
sustained and nurtured! And The Holy Spirit says:
The bread of Earth, sustains your body;
the word of God sustains your spirit.
Nurture body, nurture spirit
and be whole!

January 18, 2014

The
manner
in which you
move mountains,
or other obstacles,
the manner in which you
embrace opportunity, rather than
referring to it: as a challenge, or a problem, or
defeat, is very important; for, as you move along The Way,
clearing The Way of obstacles, you are making The Way clear, for others!
Therefore, let others see you do this, with a joyful heart. And The Holy Spirit says:
Once you "move a mountain," the mountain does not return to its former
place. Once you clear away the obstacles, they do not run-back, and
stack-up again. Once you pass-over The Way, whatever you do
along The Way is done. This is why I can say, "See, The Way
is being made clear, for you." Keep this perspective, in
your view. You might be the one, clearing The Way.
You might be the one: to make straight the
winding road to make flat the mountain to
bridge the abyss. Do these things, for
others with a joyful heart!

January 17, 2014

Do
not
waste
your time,
trying to figure, or wondering why,
people do this, or that, or the other.
Rather, use your time wisely,
blessing people,
no matter,
if they do
this or that
or the other.

And The Holy Spirit says:

Don't get caught-up, in what
others are thinking or saying or doing.
Spend the days, you have, upon the Earth:
blessing; renewing; nurturing; being under-
standing, and compassionate; seeing the lesson,
in everything that comes your way; connecting
with God, every single day; this is what should
occupy your time, upon the Earth; therefore,
let it be, no other way; live with God, today!

January 16, 2014

Set your sights, and your focus,
on working, so that you might rise-up,
and say, "I forgive all things this day!"
And The Holy Spirit says:
Once you reach the place, where you can say,
"I forgive this day," you have taken a step,
a leap forward. You have risen-up,
and you will find that you have
removed yourself, from the
ways of the world, and
moved yourself,
more, into the
Ways, of
God!

January 15, 2014

Remember, as you begin this day, whatever you give to another is not really given away. The gift that you give to another is held in your heart, and there it will stay! And The Holy Spirit says: You are made "richer," with every gift you give away; because, as you give your heart retains the memory, of the gift; as you give in love your heart, your being, is increased with the gift, and the love. Whatever you give in love remains with you always!

January 14, 2014

At the core,
at the very center,
of every human being,
there is a piece of My love,
there is My Light. And there,
you will find My power. Nurture
that inner love, that inner light,
that inner power. Bring it forth,
from within you, and; all shadow
and darkness will fall from you,
because, you will be operating
within the light, that is you!
And The Holy Spirit says:
Today, set your intention,
and with purpose, go
to the inner light,
go to the love,
that is at the
core, of
your
being!
Even if this is
the first trip, you've made,
to the inner you, do not hesi-
tate, go there; for, it is where, you
will experience profound wisdom,
and peace, and come to know bal-
ance, and tranquility. Bring
forth the light, that is
you.

January 13, 2014

When one is willing to set their personality aside, and resurrect the spirit, that is real, and eternal, miraculous things occur, and a spirit of God walks upon the Earth, an angelic being in the body of a human being recognized, realized, fulfilled; an eternal being experiencing Earth! And The Holy Spirit says:
Walking, upon the Earth, as a spirit, of great light is within the realm of possibility for every human being; the only thing required is "the desire," to do so!

January 12, 2014

The Signs are with you. The signs are sent; and, they are all around you; but, human beings are more focused, on "the world," on the things "of man;" therefore, most of the time, the signs go, unseen. And The Holy Spirit says:
Let your intention be: "to see with the eyes of your soul; to hear that which is whispered, from within; so that you might 'know,' The Way;" for "the signs," are with you; they are with you, today!

January 11, 2014

The one who walks in faith knows Heaven, upon the Earth. And The Holy Spirit says:
Hand over your burdens, all of your cares, concerns, and worries. Give them to God; that is where they belong; and, you shall know peace, and joy, and happiness. Have "the faith," to give your problems to God.

January 10, 2014

There
are many in need of:
a smile, a kind word, a gentle
touch. These precious things are missing
from their lives. Reach out and smile, and speak
kindly, and touch lovingly. And The Holy Spirit says:
The greatest need of human beings upon the Earth
is to feel genuine love, flowing from another,
bringing them comfort, wrapping them
in a blanket of security; for, love
is missing, upon the Earth.
There are pockets,
where it is
practiced,
and some places
where it is spoken of;
but, there are very few places
where love is given freely! This is what
the world needs, this is what the world lacks:
smiling faces; gentle words; loving touch. Go
forth, and provide this to those who are in need!

January 9, 2014

When you find it in your heart to be more compassionate, and understanding, listening,
rather than speaking, loving without condition, you begin to understand, in a
small way, how I love you. And The Holy Spirit says: Let it be your
intention, today, to be compassionate, and understanding,
to listen, rather than speaking, to love, placing no
conditions or restrictions on the love you are
giving freely! At the end of the day,
you will be blessed, beyond
what you could have
understood,
before!

January 8, 2014

Seek to
reject "old ways,"
which were a hindrance.
"Reject habits," which kept you
from moving forward, into positive
light. Rather, embrace a practice, which
fine-tunes you, in such a way, that your awakening
occurs, every day; and, enlightenment is yours, as you
walk. Seek "a practice," that is "a tool," toward the unfolding
of perfection. And The Holy Spirit says:
Rise-up and shake-off the old ways, the old habits
which held you back, and embrace a practice:
which opens doors; parts the veil; lifts
the curtain, so that you might know,
so that you might "see," so
that you might truly
"believe."

January 7, 2014

Fear, and doubt, are energies
which will keep you from discovering
that which you did not "know," before;
keep you from seeing, that, which is unseen,
when the eyes are clouded with fear and doubt.
And The Holy Spirit says:
You cannot "know," what is around the next bend
until, you make the journey; and, at the end,
you will see, that which was unseen, before;
you will know, that which was unknown,
before. Remember, just because you
do not know it, and just because you
cannot see it, does not mean, that it
does not exist, that it cannot be
seen. Go forth, and you will
discover, that, which you
did not "know," and
that which you
could not see
before.

January 6, 2014

Pay
attention
to the gifts
which come
your way. Pray for
the wisdom to recognize the gifts,
and cherish them, and protect them; for,
you do not know when the time will come
to use the gifts given unto you.
And The Holy Spirit says:
Pray for the wisdom
to recognize
the power,
and the
significance,
of the gifts, which
come your way; and when
it is time, you will have that
which you need; for, the gifts
will come, and the signs will come,
and "the wise, will know, and follow."

January 5, 2014

For those who prepare for exploration on Earth, they must gather together inventory: they must have equipment, and rations of food; they must have technical equipment, as well as equipment for the physical body. Their load is heavy. It can be a burden on the journey. But I bring you great news. For any who will awaken, and realize that their life upon Earth is an exploration, the gathering of what you need is not a burden; all you need to do, is to: establish your communication with Home Base; make sure The Way is clear to hear Me, to speak with Me. Be willing to open to the wisdom of The Holy Spirit, with you; We will lead you Home; and the voice, of Jesus, will whisper in your ear, "This Way. This Way." It is all you need: you do not need clothing, or food, to make this journey, this expedition complete, all you need is faith in Me! And The Holy Spirit says: Be joyful; for if you have awakened, then you know, you are on a mission, then you realize you are sent from Heaven to walk upon the Earth to experience this adventure, and all you need is faith to get you through. Call Home, and you shall be led, by The Hand, of God!

January 4, 2014

As
you begin
your journey
you will find,
very quickly,
that ego
pops-up,
wanting to do this, or that, or the other:
"Wouldn't it be great, if? Wouldn't it be fun, if?
Wouldn't it be wonderful, if?" Be sure, as you begin
your journey, that you also begin communicating with Me,
in a very close, and significant way, asking, "Is this The Way
I go? Show me The Way I go." If you will begin your journey
communicating with Me, you will avoid the temptations and
distractions, of the world, and we will go together, flowing
over the Earth, through the world of mankind. You
have begun the journey, and I will give you
the keys, as you walk.
And The Holy Spirit says:
Call on Me, as well;
for I will speak to you,
and you will have wisdom,
within you. You will know how
to avoid the distractions, and tempt-
ations, and you will, of your own free-
will, choose to face the sun, and walk.
This adventure is meant to be glori-
ous, an experience of a lifetime.

January 3, 2014

Now
that you
have taken
the first steps
into the adventure of this new year,
the journey has begun, and you
can be assured that all along
The Way you will hear Me
whisper, "The light is
within you. Continue
your great adventure."

And The Holy Spirit says:

You carry, within you, all that you need
to experience: this adventure, the great journey,
the expedition; and, you are well suited for it, or
you would not be in it. It is yours. Go forth, and
explore, and see All That Is, set before
you, because this is your
dream, this is your
reality, this is a
piece of your
eternity!

January 2, 2014

Accept
this new day,
embrace this new day,
and all of the gifts, it will bring your way.
And The Holy Spirit says:
Remember, refuse to look at situations as obstacles,
or challenges. See the situation as an opportunity;
for no matter what the situation might present
to you, you can be sure,
if you look at it
from a positive
perspective,
there will
be gifts,
and lessons,
associated with it.
Accept, and embrace, all
of the opportunities, of this day.

January 1, 2014

Before explorers and adventurers begin a journey of great significance, they prepare well: they check their rations, they check their supplies, they check their equipment, to make sure that they have what they need, during the great adventure. You are about to set-out on an exploration of a new year, a time that has not been before. It is uncharted territory. This has great significance, because you are about to encounter a time that you can effect greatly, by what you think, and say, and do.

And as the great explorers knew, they were going to claim what they found, it is time for you to stake a claim for the light. Every single day is of importance. I bless you, and send you forth, to explore, this new time; and I AM with you, on the journey.
And The Holy Spirit says:

This is the first day of a new year. Set your intention, and do not let the flame go-out within you. Hold a desire to explore this new year, and deliver peace, and light, and love, to the Earth, and all of your brothers and sisters, whom inhabit Earth; for, it is time, for Earth to shine!
