## *Foreword*

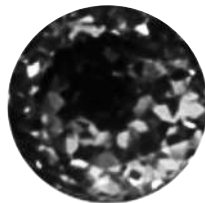

These words were received  
between the hours of 2:00 am and 7:00 am,  
the quiet time,  
when God speaks  
to the soul of man.

*God's  
Love Song*

*to*

*Man*

The  
songs  
that spring from the soul of man  
pale in comparison  
to God's Song  
of Love,  
infinite  
Love,  
for all.

It is yours  
and all who would take  
and receive . . . His Love.  
Take ... .. and ... .. live.

This  
is not  
of religion,

But of the Spirit,  
and the soul, and the Source  
of the power.

You will hear, and understand.  
All will be spread before you,  
as it is now,

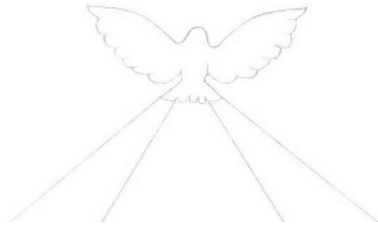

But you will see anew, with light,  
thus, making the truth visible,  
to eyes once closed.

For you will be seeing with the soul  
in wisdom, and the Love of God,  
the Alpha, and the Omega.

All power and energy is in God,  
Jesus, and the Holy Spirit,  
and, it continues.

# *Chapter I*

*In the beginning...*

Before anything,  
there was  
God.

With a thought,  
He created  
all.

From perfect  
and infinite Love  
energy exploded;

Creating the power  
to impel all matter  
through time. It continues.

All energy forms spring forth  
from God's Eternal Love.  
There is nothing more to know.

It is all, One with God.  
We are all part of  
The Eternal One.

Out of  
the darkness  
a Golden Orb,  
at first, small and distant,  
moved closer, then exploded.

There was a second in time  
before the blackness came alive  
and sparkled, with Gold Flecks  
floating everywhere, resting nowhere.

The explosion of power  
created all that is,  
and was,  
and will be,  
in continuum.

Creation  
travels at the speed of light.  
It continues unabated  
through time with no end,  
for God has no end.  
He was . . . . . and always  
will be.

He  
Is The Creator  
and all good comes from the Creator.  
Nothing He creates is bad.  
All He has created...is loved by God.  
All He created. . .is good.  
Take care of His creation, much of it  
is in your care  
on this plane.

Be  
peaceful  
and “know,”  
you are with God.  
In all you touch or see,  
you touch...or see...God.  
He surrounds you with Love  
in every particle that was created.  
Trust in God and “know” all is good.

You are  
a particle of forever,  
eternity beats in your breast,  
courses through your veins,  
and is in every breath you draw.

Your thoughts  
are eternity and create eternity.  
Your thoughts affect the outcome  
of yesterday, today and tomorrow.

Your thoughts travel  
through time, in time;  
therefore, your thoughts,  
should be loving thoughts.

God's  
loving thought  
created All That Is  
and it comes back to Him  
in the end.

To understand the love that created your human body  
is to have a minute understanding of the Love  
God had, has, and will always have  
for what He created in the beginning.

In the beginning, God created all  
that was, is, and ever will be.  
This, you know.

The  
root of creation  
was the Love God experienced  
at the moment of creation  
when the boundlessness  
of His feeling of Love exploded  
into shimmering particles  
of Himself,  
His Love.

The rush of emotion  
that can bring tears of joy  
and rapture to your human body,  
and thrill your soul to sing, lasts but seconds,  
and is minuscule in comparison to what God feels,  
will always feel, and felt, at the moment of creation.  
The human body and mind can experience ... a glimpse  
of this Love, and some understanding, when they experience  
unconditional love . . . . . for another person.

Messages  
and messengers  
were sent by God  
to make the changes  
to turn the covenants  
of fear and sacrifice, back.

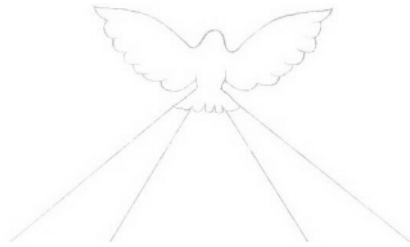

The  
animal  
sacrifices  
are very rare now,  
but used to be daily.  
This type of sacrifice is gone  
because a portion of man's intellect  
was opened, he saw,  
and he "knew."  
He opened  
to God's  
Love.

The messages, and messengers,  
come with their message,  
it evolves; and,  
His creation  
continues.

My lesson  
for you is this:  
His creation never stopped.  
It is complete, in its continuing.

## *Chapter II*

*What you should do...*

Be  
vigilant, and listen,  
this message is for you  
and any, who will hear it:

God  
is Love.  
God is eternal.  
All things have been,  
are now...and...will be.  
There is . . . no beginning;  
there is ... .. no end;  
All That Is ... .. will be.  
The majesty and power  
of God the Creator  
is never ending  
Love.

Seek the light of truth  
and follow the path.  
In Him you find  
true peace.

Love  
God  
with your  
whole body, and soul.  
Love Him in all you see.  
He is the energy  
about you.  
He is  
the air  
you breathe  
that sustains you.  
He is the food that feeds your body.  
He is everything, you see, God Is All.

Know  
God  
in all His Power  
is always  
with  
you.

And you can do  
all things through Him.  
Nothing is impossible  
through God's Love.  
God is Love, and is, in all things  
and all things are God. Know this  
in your soul, for your soul is God.

All  
souls  
are of God,  
Who Is Magnificent Love,  
and the Source of all powers which emanate from Love.  
To know our soul is to know, we have all things,  
and we are to dance in the joy of knowing  
we are the product  
and source  
of Love.  
Nothing  
can alter  
The Father's Love.

There is  
much forgiveness in the Father of all creation,  
because of His Love for His creation.

His Love overcomes  
the earthly body's  
failings,  
trials,  
and tribulations.

His Son was sent to suffer the flesh  
with its failings . . . and . . . temptations.  
He knows the fight and loves the children  
and gathers the troubled ... and fatigued  
like a shepherd with a wounded lamb.

The lamb...will not be tossed aside  
in its pain and agony, but lifted  
to His shoulders and carried.

God ... so loves ... you  
that no sin, goes  
unforgiven.

God  
so loved the world  
that He gave His only begotten Son.  
His Son became flesh,  
and knew  
the ways  
of man.  
He is  
One  
with man.

Man  
struggles.  
Just remember,  
in all you do,  
God Is Love, and God is in All Things.  
Your soul is created of Love.  
Though the physical body  
may be weak  
and subject  
to the test,  
the soul  
is pure  
LOVE  
and majestic  
in the sight of God.  
God created the human body  
with all its failings and weaknesses.  
You do not fail. You can not fail.  
The test is your choosing.  
In other words, you will do it,  
until you have chosen The Way.  
Ultimately, you cannot fail.  
The illusion of failure  
is in, not trying,  
not engaging.

Loose  
the troubles  
from your heart.  
Release your pain  
and cease with doubt.  
Give up your fear.  
There is no fear in Love.  
Take refuge in His unending Love.  
Do not be afraid, jump into the Sea of His Love.  
Splash with joy, in His flowing, bountiful, Love.  
God  
loves you  
in your trying  
and raises – you – up  
in the soul's struggle with its task.

Look  
about you.  
Feel His Love and Power.  
Know your daily tasks  
pale in comparison  
to the true task of man,  
to love.

Why  
do you busy yourselves  
to the exclusion of accepting and giving love?  
Man's body must have bread. Man's soul must have love.  
It is better to feed your soul than your body.  
Do not...lose sight of this...my child,  
God will never forsake  
His children.

You  
are all spirits  
He created and loves  
with boundless energy.  
My message . . . to you  
is a message 'of Love'  
that is your message,  
Love is good.  
Love Is  
God.

Enjoy life  
as . . . it . . . is.  
You did not become flesh  
to gnash your teeth and wail,  
but...to triumph...and rejoice.  
Sing . . . and dance in the Lord,  
your God . . . and . . . Creator,  
because . . . He...loves... you.  
So sing, and dance, and walk  
with all of God's creations.  
Walk in light and dark.  
Feel His presence  
in all you see,  
and touch,  
and know.  
Do not  
despair.  
Find joy  
in His Love.  
He will lift-you-up always.  
Man, is not alone, except  
when he rejects Love  
and then, he is still  
not alone.

Love  
is not the seeker.  
It is sought, but never found.  
It is freely given, but never taken.  
Love can not...be grasped and held.  
Love...is...endless...and...timeless.  
Love . . . is . . . as . . . God . . . is . . .  
Love is boundless...in its capacity  
and will calm the raging spirit.  
True love comes from union  
with the Creator.  
It is a gift.

Oceans  
will part  
and mountains will fall.  
There will be no impediment to the Father  
except, in the hearts of man.  
Leave your troubles  
at the feet of God  
and visit them no more.  
God will provide all you need.

Man's  
soul - is majestic,  
even in his lacking, he pleases God.  
It is in the nobility of trying  
that man finds dignity  
and the Spirit to persevere.  
The goal - is  
innate.

Great  
good  
can come from man's failings,  
wrong decisions, and shortcomings;  
...the victory comes...  
in how  
you handle  
the situation.  
Do not judge.

Before  
you judge, any man,  
go first and sweep your house  
and prepare it . . . for The Lord.

Once  
your house is swept  
and made ready for The Lord,  
judge . . . no man.

For  
if you judge, you. . .are guilty,  
and must seek his forgiveness  
before you speak  
to God.

Do not judge, love.

There  
is no shame  
in affliction, of any kind.  
It is a badge  
of truth.

Man's  
plagues  
are but mites  
to God's master plan,  
mere cosmic flecks, in a second of time;  
do not rant and rave over that of no consequence.  
Seek truth, find Love, it is His Power.  
Keep your eyes on the Light of Love  
and the darkest corner ... will be lit.  
If you stumble, fear not God's revenge.  
Get-up, and walk in the Light of His Love.  
He is ever with you.  
He is in you,  
so fear not.  
Rejoice.

The  
Spirit  
is in you. Rejoice!  
Rejoice and sing His praise, for you are loved.  
Do not cry. Sing! Do not lament.  
Call forth in happiness.  
You are an  
immortal  
being.  
You are  
eternity  
and majestic  
in the sight of God.  
You are . . . . “of God”  
and resonate His Power, which is Love.

There  
is good  
in man's failure.  
God does not expect  
perfection, from a finite being.  
He expects the trying, the learning, the search.  
Flesh will fail, but the Spirit will be lifted-up.  
It is in accepting failure, that we accept  
immortality  
in God.  
The body  
is nothing but dust,  
but it comes from All.  
The Spirit soars and dances  
amidst the pieces of forever.

Your

soul is majestic.

Your Spirit is eternal.

Your human body is the mantle of trial

you have draped around you for the testing and learning.

Your glory is in the trying. Do not fear, failure of the flesh.

Go unto God, and you will be clean, and pure

in His forgiveness . . . of earthly tainting.

You are here to experience and learn.

Do so and fear not your God

for He is Love.

If you  
have fallen,  
pick yourself up  
and fly to His Love.

If you  
are doubtful,  
look to your Spirit  
and know His Love.

If you  
are crying,  
look to your heart  
and sing His Love.

Let  
the wind  
carry your fear,  
on high. Let it journey  
through the corridors of time  
and be placed at His feet,  
to be touched by His Love,  
and returned to you as grace  
on the wings of the Dove.  
Abandon your fear  
and walk, with  
God.

Walk  
with God  
and know no fear,  
and you will be blessed  
with the gift of song, forevermore.

You are not alone.  
Walk in grace, and be joyful.  
Peace will follow.

Take  
peace and love  
wherever you go throughout the day.  
Carry happiness and joy, and give it freely.  
Each step you take  
is a prayer.

Man makes  
his own time, and;  
is to live it, as he makes it.  
Man's thoughts, should be  
thoughts "of love,"  
then his reality  
will be  
love.

God  
created man  
to have free-will.  
God's thoughts are pure.  
Man's thoughts  
are of the flesh  
and free-will.  
God has no knowledge  
of but that which is good.  
Man has free-thought  
and God purifies his thoughts.

God  
has gifted you  
with . . . free-will.  
Nothing, He created, is bad.  
Nothing can come from you, but good,  
for He will make it so, as it is so, in eternity.  
All creation was, is, and will be,  
good, and pleasing to God,  
for it was, is, and will be,  
His creation  
and glorious  
in His  
sight.

Do not  
debase your body.  
It passes into and is eternity.  
But any touch with love, is love,  
and so will pass ... with love.  
Any touch ... without love,  
passes ... without love,  
and will be cleansed,  
for all will be  
pure.

Man cannot  
debase God's creation.  
God's thought was creation  
and His thought ... was pure  
Love.  
Man can debase his thought,  
but it too will be cleansed  
by God's ... unending  
Love.  
There is no rend  
that cannot  
be sewn.

Keep  
your thoughts pure.  
Do not chastise others. Do not chastise yourself.  
Accept others. Accept yourself.  
Accept the Love  
of God.

Do  
not  
hang  
your head  
in ... shame.

Accept the Love of God  
and go about your earthly business.  
Tarry not, in the doorway of despair.  
Turn to the Light of Love  
and walk . . . in its path.  
Shadows ... of doubt  
will linger no more  
when uncovered  
by the lamp.  
All things  
are possible  
with God's Love.

Do  
not  
go forth  
in anger,  
for the ears  
will hear not  
the Word.  
Sing of Love.  
Let not the cries  
of dismay  
darken the light.  
Sing of Love.  
Why do you hurt? Why do you cry?  
Cry not for  
yourself,  
for you  
are loved.  
If you cry,  
cry for those who cannot hear,  
and the melody will beckon all.  
Sing of Love.

Gather  
the souls  
among the thorns,  
soothe their wounds with the Love of God.  
Touch them with peace  
and revere  
their soul  
because  
they are  
God.  
Do not  
let them  
waste away.  
God wants you  
to love all things  
and be love.  
God is all forgiving.  
Do not worry your heart.  
Sing of His Love.

Look  
through  
the eyes of soul  
to find God in all things.  
Look beyond the tatters and tears,  
beyond the gold and finery, there, you will find God.  
Reach beyond the prison walls of selfishness and fear.  
Reach out to touch the cowering soul  
and touch the face of God.  
Call out to those who fear and cry.  
Call and touch and walk with souls who know despair.  
Touch the well of God's own grace.  
Draw the bucket-up. Partake  
to quench the thirsty soul  
for those waters  
will make you  
whole.

The  
path  
is always  
clear to God.  
If you stumble,  
crawl, and He will raise-you-up in your trying.  
Look for the treasure and tap the root.  
Honey will flow on the land  
and goodness will be  
your reward  
and honor.  
Goodness  
will follow you.  
Rejoice in God!  
Revere His creation,  
large and small, exalted and unproclaimed.  
Find God in all you see, and feel, and hear  
for it is all good, and loved, by its Creator.

A  
new day  
is dawning,  
sing His praise,  
sing the song of love,  
with a fervent soul.

This day  
the truth will be known  
and all of God's creatures  
will sing of His Love.

Do not lose heart.

Sing.

Wake to the wonders of The Lord,  
for you are One  
with God.

Rejoice,  
as the sun touches  
the heavens with light.  
Sing, for a new day is dawning.  
Stir from your slumber and sound the trumpet  
to welcome the Light of God,  
for His Glory shines about you.  
Lift the rock, turn the leaf. Seek high and low  
and gather all of God's creatures  
to sing His Praise.  
The Son is in  
the heavens.

Rejoice!  
God has given you  
a new day to sing His Praise.  
Find the beauty of God in all you see.  
Find the magnificence of God in all you hear.  
Find the wonder of God in all you touch and feel and know.

All  
God's creatures  
gathered, and they asked:  
"What would You have us do to celebrate  
the coming of a new day?" And God said:  
"Love all you are."  
And God's creation sang of Love.  
And the side of the earth that held light,  
serenaded the side of the earth that held dark,  
and Love danced  
in the dreams  
of man.

The  
true path is Love.  
God calls you  
to follow  
Him.  
Listen.

He tells you what to do  
in the whisper of the leaves  
and the stirring of the grass.  
Be...and know...His Love  
and the keys to heaven  
and all eternity  
are yours,  
for you  
believe.  
Call Him  
and He has  
already answered  
before you thought His Name.

The  
Kingdom of God  
is all around you.  
Search for God in what you see.  
Touch a tree and feel God.  
Press a flower to your face  
and breathe in the aroma of God.  
Listen to the call of nature and be moved.  
Do not wait for tomorrow,  
walk with God  
today.

See Him  
in all things  
and see His Wonder.  
See Him in the flower.  
See Him in the mountain.  
The whole world sings the song of His Praise.  
Rivers will talk and mountains will dance.  
Trees will whisper the secrets to man  
and valleys will hush to hear.  
The valleys will ring with the song of God's creatures  
and the peaks of the mountains will carry the joy  
to the ears of the angels on high.  
Then the angels will come  
and ride on the clouds  
and sing with the earth  
and God will hear  
and be pleased.

Do not  
be afraid any longer,  
for all eternity cannot be quieted  
when it wants to sing.  
Be One  
and  
“know”  
it is good.

Be One  
with Him,  
Who is One with you.  
Eternity is now, take it, eat and live.  
Do not store-up the fruits, eat and share  
and it will be multiplied.  
There is plenty in God.  
Sing and dance  
and revel in  
His Bounty,  
so all will see  
the goodness in His Love.  
God's Word will sustain you.

Believe.

Go out  
and spread the joy  
of the Word of God,  
for all to hear, in Love.  
Let it soar on the wings of butterflies  
and kiss each flower's petal.  
God is in His creation  
and all is good.  
Be at One  
and  
at peace  
and walk with God  
together, as One.

Oneness  
with nature  
is a goal akin  
to oneness with God,  
the Source of all Love.  
To accept the grace of God is:  
to be engulfed in the Sea of Love;  
to ebb and flow with the current;  
to be aware of all;  
and, to be All.  
Be still  
and let  
Love  
fill  
the  
soul.  
Give in  
to divine rapture.

God comes to you in Love  
giving shelter.  
Take it.

God comes to you in Love  
giving hope.  
Take it.

God comes to you in Love  
giving the promise of eternity.  
Accept it.

God comes to you in Love  
giving boundless grace.  
Accept it.

Your destiny is to live forever  
in His Love.  
Rejoice!

Listen  
to me  
and be quiet.

I am the watcher, the seer.

I see good in all things and turn my head from naught,  
for all is good. Listen to me, my child, and “know,”  
all you have been told is truth.

The Way Is Truth.

Truth Is Love.

Love Is God

in all His

Power.

He Is

The

Source

of all power.

Without God, nothing would exist.

Every speck of dust, every grain of sand, is God.

God Is in all things and through all things.

Therefore, all things, should be, revered.

I bring  
you truth  
that you might see and “know”  
of God’s Eternal Love  
for all  
He has  
created.  
God. Unity. Love.

## *Chapter III*

*...and He comes.*

I see  
an angel  
delivering  
a glowing book.

I see  
a lion  
with a hairy mane.

The  
angel  
puts the book  
in the lion's mouth.

God  
works in  
strange ways.  
He sent the lion  
out to get the lamb  
so all would know peace.  
Let the beauty shine.  
Let the song . . . be sung.  
Let the Word go out to all.  
That He  
Is Love,  
Eternal Love,  
Eternal Love to all.

The  
lamb  
did not hide  
from the lion. No,  
it ran in joy to the Light.  
And the lion gathered the lamb and it was not afraid  
and they lay down to listen to the Song of Love  
and “knew God,” was with them.  
Be the lion  
and walk  
in the  
wisdom  
of God.  
Be the lamb  
and run without fear  
into the Light of God’s Love.

The lion will lie down with the lamb  
and they will “know”  
the peace  
of God.

All  
will know  
they are One in God’s Love  
and it will be a sign.  
They will see, and know, it is good.  
The walls of fear will crumble  
with the power of love.  
No fence will mark the way.  
Love will mark the way.  
And the Way to God is clear.  
Follow the path that winds through  
the valley of tranquility.  
Stay, in the  
Light.

Do not  
step into darkness  
for that is a maze of confusion.  
Walk in the Light.

God calls all  
to come to Him in love.  
He is patient. He sets no time.  
He asks, but that, you love Him  
and accept His boundless grace.  
For, like a persistent lover,  
He will call your name  
and seek your love.  
He is unrelenting  
in His Love.  
He will tap  
on the door  
and sing the sweetest love song.  
Even the hardest heart will melt  
in the beauty of the song  
and surrender to  
His Love.

Like  
the gentle call  
of the whispering wind  
I call you to My side, and you come.  
Without hesitation, come.  
Without doubt, come.  
Come with your soul open and receive  
for all is given to you.  
Take it, and  
live.

Do not  
be afraid,  
I AM with you.

I AM  
always with you in truth.  
Be still, you are  
worried and anxious.  
There is no need for worry  
or anxiety.

Nothing  
is anathema to Me  
that I have created.

I AM  
One with you,  
and you are One with Me.  
You are  
a particle  
of forever.

I AM  
part of you  
and you are part of the universe.  
Be still and feel the wonder of all about you.  
Join into  
the Universal Brotherhood of Oneness  
with God, your Father.  
We are One  
in God.

The  
day will come  
when all shall be as One  
and  
it will  
be good.

On  
that day  
you will realize  
that I AM in My Father  
and you are  
in  
Me  
and  
I AM  
in you.

John 14:20  
NIV

My  
teaching  
is not My own.  
It comes from  
Him  
Who  
sent Me.

John 7:16  
NIV

God  
is Spirit  
and His worshipers  
must worship  
in spirit  
and  
truth.

John 4:24  
NIV

Moreover,  
the Father judges no one,  
but has  
entrusted  
all judgment  
to the Son.

John 5:22  
NIV

You  
judge  
by human standards;  
I pass judgment  
on  
no one.

John 8:15  
NIV

My command is this:  
Love  
each other  
as I have loved you.

John 15:12  
NIV

And,  
it is the same.  
The Son of God  
elected to journey to earth's plane  
to bring the Love of His Father to man.  
His chart was His alone  
and destined  
to alter time  
and turn  
the hearts of man.

God's Word

is not man's word.

God's Truth is not man's truth.

Man's word will be made God's Word,

and man's truth will be made God's Truth.

This . . . will be done . . . through . . . Love.

Mark the Words of Jesus and live by these Words only.

For the time has not yet come for the purification.

His Glory...will not be revealed through strife,

but on the rolling ... thunder ... of ... Love

echoing . . . throughout . . . time.

The tremor of the resounding Love

will shake the truth of Love

from the lips of man.

Mark  
the Words  
of Jesus Christ  
and sound the trumpet.  
The Song of Love will dance in the heavens  
and warm the heart of man.  
Man will hear  
and sing,  
and dance,  
and rejoice in  
the Word of God  
made good. It is His Will.

It  
takes  
great faith  
to hear the Word  
and sing the song.  
Some will be sent,  
to stop the song.  
From time to time,  
the danger will come from within,  
but sing-out.  
His Words  
have been hidden  
in the shadows of fear,  
and mistrust, and ignorance, and pride.

Hold  
His Word  
out, for all to see  
that they might know  
the majesty of His Love.  
That they might find true life in His Love  
and bathe in His radiance for all time.  
He created all in Love.  
He calls all in Love.  
He Is All  
in Love.  
The force  
that binds eternity is Love.

Behold,  
it is good.  
Rejoice and “know”  
God intends His Word to be heard.  
Love is the moving force  
behind the power  
of All That Is.  
Know this:  
Love Is  
God’s  
Power.  
Love Is  
His Creation.  
Nothing comes from  
the Father, that is not Love.

All the heavens will sing songs of joy  
when they gather in His Name  
to open their hearts  
to the Power  
of God.

Accept the knowledge, and Love.  
Exchange the message  
for, it is sent in Love  
for the Glory of God  
to be known.

God  
is all loving.  
He does not intend  
for any of His creation  
to be alone or in sorrow.  
He wants His creation  
to sing and dance  
and bring joy  
to life.

Remember,  
God Is Love,  
in Him, all things are possible.  
Do not doubt. He is with you always.

Wake-up  
and greet the new day  
and 'know'  
you  
are  
One  
with God.

I AM  
waking you  
so you might live.  
Take the olive branch like a dove.  
Carry it to fertile ground and drop the seeds  
to put up new shoots  
in the new garden.  
There will be  
no thorns  
to pierce  
His head  
when He returns.

*Sermon on the Mount*

And  
when it was time,  
and they were ready,  
God called His chosen  
to the mountain  
to sing.

And  
they came.  
They arrived, two by two  
and He was there to greet them  
and take them to the place  
and they began  
to sing.

Gather  
the circle  
and let them hear  
the singing of the song,  
so they might sing the chorus.  
Fear . . . cannot quiet . . . the lips  
while they sing the song...of His Love.  
Anger cannot move the mountain  
that will dance in the joy  
of the song.  
Nothing  
can stop  
the singing  
once it begins.

Sing.  
The song will bring Light  
where there was darkness.

When they challenge you with hate,  
sing of His Love.

When they challenge you with despair,  
sing of His Promise.

When they challenge you with doubt,  
sing of His Answer.

When they challenge you with fear,  
sing of His Knowledge.

When they challenge you with want,  
sing of His Bounty.

When they challenge you with death,  
sing of His Life.

But sing the loudest  
and softest  
of Love.

Sing from the highest peak and lowest valley.  
Sing from sunrise to sunset.  
Sing so all might hear  
and know and dance  
in the goodness  
of the Word  
of God.

Sing The Word  
of the Son  
of the  
God  
of man.

Carry it  
as a banner.  
Wrap yourself  
in its protection.  
Because God is in you  
and His Promise is Eternal Love.

Yet,  
I will sing of His Love.  
If you hate me, I will sing of His Love  
and the wounded heart will find peace.

Yet,  
I will sing of His Love.  
If you slander me, I will sing of His Love  
and the downcast will be raised-up.

Yet,  
I will sing of His Love.  
If you cast dirt upon me, I will sing of His Love  
and it will crumble and fall to my feet.

Yet,  
I will sing of His Love.  
If you shout at and defile me, I will sing of His Love  
and the noise will rise, then threaten no more.

Yet,  
I will sing of His Love.  
If you raise-up armies, I will sing of His Love  
and the battle will rage, then fall in defeat.

Yet,  
I will sing  
of HIS LOVE.

Sing  
the praise  
of God in song  
and the words will rise to the heavens,  
like flowers on the wings of angels  
and fall to the feet of God.  
The petals will not be trampled or disturbed  
until they are stirred by the wings of angels,  
and returned to you, kissed,  
by the grace  
of God.

Listen  
My child  
the Song of Love  
that began with God  
will resound forever,  
until man sings  
only Love  
and  
knows  
no more.  
Love Is All.

Love is  
the power of God.  
There is no greater,  
than  
Love.

Though  
armies rise-up  
to challenge the power of Love, they run,  
as frightened children,  
until they are  
caught-up  
with the song,  
fall to the ground  
and raise their hearts  
and souls in the song,  
and confirm the majesty  
and power of God's Love  
for all to hear.

The birds  
of the air still sing,  
while man battles, and fights, and struggles.  
The worm still curls through the earth  
and the trees shake their limbs  
to the heavens.  
All God's  
creation  
continues,  
amidst man's chaos.  
But the birds, sing not,  
and the creatures cease to move  
and the trees hold their breath,  
at the wonder of the power of God's Love.

Day  
and night will blur  
and man will cry-out for the sun,  
but it will not come.  
The sun  
will be hidden in the clouds of chaos.  
And the trample of feet  
and the wails of the weak  
will permeate  
the air.

Day  
and night will blur  
and man will cry-out for the moon,  
but it will not come.  
The moon  
will be hidden in the clouds of chaos.  
And the trample of feet  
and the wails of the weak  
will permeate  
the air.

The weak will grow weary of crying.  
The strong will grow weary of war.  
And the clouds of chaos will settle  
and the clamor be heard no more.  
The gentle call of a bird's song  
will pierce the silence of man.  
And the Son will appear  
in the heavens  
and cast light  
over all  
the land.  
The strong  
will pick-up the weapons  
and bend them to till the soil.  
The weak will drop seeds  
in the furrows, and peace  
will begin to grow.  
The moon  
will shine in the heavens,  
new growth will break into bloom.  
And God will shower His children  
with love for the garden they grew.  
And Earth will sing in the heavens.  
All the planets will hear as they pass  
the LOVE SONG sung by mankind.  
GOD'S LOVE will have come at last.

The heavens opened...

The  
Son  
of God  
was seated on a throne,  
for all to see, He was One, with God.  
His face shone with the Love of God  
and the Holy Spirit  
radiated  
around Him,  
and was Him,  
and They were  
One, with God.  
Multitudes saw  
and turned to the sky  
and God proclaimed His Son, King of Man.

THE SONG OF LOVE  
erupted from the valleys,  
and rolled over the hills,  
and danced on the clouds  
between man and God,  
and they became One  
in the Song  
of Love.  
Jesus  
stood from  
His Throne  
and came to man.  
He parted the throng  
and touched each sinner  
and brought them to His side,  
for no man is bad in His Love.  
All men were bathed and clean in His Light.  
Even the worst were made pure and radiant.  
And tears of love, washed the face of man, forevermore.

I show you  
THE END,  
because it is important to know,  
the Song is a Song of Love  
to bind all  
to God.  
Do not  
be afraid  
to sing the song.

Let it ring, and sound the call  
to all nations to rise-up in song.  
Let the sword drop to your feet  
and the song rise from the lips  
of all men, of all nations.  
The beasts of the Earth  
will hear the sound  
and pick-up the chorus.

The fish of the sea will feel the vibration  
and leap from the waters. The life of the soil  
will erupt in the joy of the song, and all creation  
will proclaim His Love, and peace will reign,  
and Love will flourish and grow.

The fish  
will dance on the land.  
The beasts will swim in the sea.  
They will be as One, and untethered.  
Man will fly to the heavens, and the birds  
of the air take-up dominion on the land.  
They will be as One, and untethered.  
The circle will be complete:  
in the heaven,  
on the land,  
and in the sea  
and they shall flow  
AND BE AS ONE.

Judge No Man.

Keep your own counsel.

Listen only to God's Word.

Respect all creation, people and things,  
as they are from God, created of Him,  
and by Him, and abide in Him.

Let the sword be put down  
and the song be raised.  
Let the battle be silenced  
and the song be heard.

**It is God's Word:**

**LOVE.**

**AMEN.**
