

THE QUIET PLACE

God's Daily Message 2011

God Speaks

to every man, woman,
and child, on Earth, everyday!
And at The Quiet Place, we conclude
our morning prayers with these words asking
God, what we should know, today: "Our Creator,
God, what is it that You wish for us to know, today?"

And
God says:

December 31, 2011

All
that you
experience, as
you walk, upon the Earth,
holds lessons of great value
which will assist you
along the way
to wisdom.

A n d
The
Holy
Spirit
s a y s:

As you prepare to experience
the end of one year, and the beginning
of another, take some time to set yourself aside today,
and review - the experiences of the year - holding them, as
precious treasures, which held lessons of great value for you. And
as you touch and remember certain things brought into your thought
pattern, release any misgivings, any anger, or frustration, any misery,
or grief, or sadness; for, they no longer serve you well. But the lessons
you learned, will be of great value to you. This is The Way of Wisdom.

December 30, 2011

Before you
step into the new day,
take some time, to clear away
the cobwebs, to shake-off the dust,
so that you might be free, to run in-
to the new day, with a joyful heart.
And The Holy Spirit says:
When you rise-up from a good night's
sleep, one of the first things you do,
before going into the day, is to wash
your face, get the sleep from your
eyes, put on some clothes, comb
your hair, and make every-
thing just right.
This is
the same thing
that you should do, for
your spiritual self, in fact, you should do it
at night as well as in the morning. Think of it, as
preparing, and starting fresh, with every new day.
Rise-up, and go into this new day, with a joyful heart.

December 29, 2011

There
are times,
when it is necessary
to make a journey, so that you
might feel more comfortable at home.
And The Holy Spirit says:
One of the most precious gifts
you can give another
is support,
while
they
journey,
while they go
upon their way, so
that they might be complete, so
that each day might be a celebrat-
ion, of all they are doing for the glory
of God. Give the gift of love, and support
another, as they make the great journey!

December 28, 2011

Nothing
is kept from you;
but, it is you, who must
find it, you must find All That Is.
And The Holy Spirit says:
The great joy, the great adventure, of
being, upon the Earth, is remembering
who you are and your destiny.
It is remembering, that you
are to seek the goal;
and remember,
you are an
eternal
being.
Be at
peace
this day,
as you open your eyes,
and embrace all that you are.
Eternity is with you. Live in it.

December 27, 2011

If you will utilize the energies
of compassion and understanding,
you will walk the Earth, with a joyful
heart, you will know happiness.
And The Holy Spirit says:
When you give the gift of compassion
and understanding to another
you receive the gift of peace,
and you know joy, and
your life is filled with
happiness, and
contentment.
Give the
gift
of compassion
and understanding,
and you will be twice blessed.

December 26, 2011

From
conception,
there is birth,
from birth, there is
growth, each flowing,
from One, to the other.
And The Holy Spirit says:
The ideas, the thoughts,
which you accept, and
embrace, are con-
ceived, within
you; and
those
things that you can
conceive, are brought forth
in the words and actions which follow.
This is birth. And the patterns that are set
within your thoughts, words, and deeds, grow
upon the Earth. Pay attention to what you are
conceiving, and giving birth to, so that, through you,
All That Is growing, in The Garden of Earth, is of good, is
of love and light and peace! Be mindful of that which you conceive.

December 25, 2011

Come.
Come My children, gather
'round, for I have gifts for you today.
I have given you the gift of life, and every minute,
every hour, every day, there are gifts, for you. But to
see them and to know them: you must open your eyes,
you must open your ears, and your heart. To see
some of them, you must be in the light.
Come children, gather 'round.
I have gifts to give unto you.
And The Holy Spirit says:
Awaken, to the gifts,
which are yours. See them,
spread before you, unending, never-ending.
You have been given the gift of life, and it is eternal.
It cannot be taken, from you. You have been born, of
The Spirit of God and you live eternally. When you come
to comprehend this, and the meaning, of the gift, there will
be joy, and peace, upon your heart, now, and forever!

December 24, 2011

Go forth into this day, with a joyful heart, giving
the gift of love, to each one you meet, along The Way.
And The Holy Spirit says:
Rise-up! It is time to prepare. It is time to prepare you voice to sing
the song, rejoice! It is time to open your eyes to the wonder, and surprise,
and amazement, that you will experience when Jesus is born, within each
of you, every day, Christ Consciousness in the world, delivered through
you, conceived by The Holy Spirit, giving you the faith, giving you
compassion and understand, giving you tolerance, fortitude,
giving you charity, all of the gifts delivered to you,
the gifts, the fruits of The Holy Spirit.
Therein is paved The Way
of the birth of Jesus
every day.
Rejoice!

December 23, 2011

Listen
to The Wind,
for within it are held
The Secrets of Eternity.
You cannot see The Wind; but
you can feel The Presence of The Wind.
It is the same with other dimensions all around you.
You can feel the presence, but you cannot see, until
you open the eyes of your soul, and then,
you will see, All There Is, to see.
Listen to The Wind.
And The Holy Spirit says:
Feel the presence of God, and
you will feel the eternal presence, and know life.
You will know, and you will feel, and then in this state, you will see.
You will see beyond, and go right to the core, to the heart of the matter.
You will see with the eyes of your soul and therein will be revealed the
mysteries, of The Kingdom of God. Listen to The Wind, see with the
eyes of your soul, and behold, The Eternal Presence of God.

December 22, 2011

You have been blessed
with the gift of 'eternal
life.' Wake-up, and live!
And The Holy Spirit says:
As your soul sings softly,
the sweet song of night,
let your heart
joyfully
herald
the new day.
Rise-up, and see,
the glory of God, in every
way; this day, rise-up, and sing!

December 21, 2011

Joy
does not need to be
loud. Joy does not need to be
the clanging of cymbals. For joy, often,
is found, in the quiet place within your heart, when
you are in a state of contentment, when you know peace.
And The Holy Spirit says:
You will find joy in your heart, as you walk along a country road
and see a flower, or spot something growing, in a season, when
it is not usual to be growing. Joy is walking-out on a dark
starry night, and looking-up at the sky, and seeing
a shooting star go by. Joy is laying your head
down, on a pillow, preparing to close
your eyes, knowing, you spent
the day, doing good, for
the glory of God.
Joy is peace.

December 20, 2011

I will see
others, through you, if
you will give Me your eyes.
I will hear others through you,
if you will give Me your ears.
I will speak to others through you,
if you will give Me your tongue.
I will touch others through you,
if you will give Me your hands.
I will guide your way every day,
if you will give Me your feet.

And I will love others
through you, if
you will give
Me your
heart.

For I will love
through you, every day.

And The Holy Spirit says:

What a glorious day you will have
if you begin it by dedicating yourself
to the glory of God. And in this way, you
will see, and hear, and speak, and go, and love
for God. Earth will be touched, by God, through you.

December 19, 2011

The
mountains
will lie down,
so that your feet
might make their way
along the path. The valleys will rise-up,
so that your passing will be easy. The river will flow smoothly, and stay
within the banks. And the sun will shine brightly, upon you, so that
you can see, and know, with clarity. The night will be your comfort,
and the wind a cloak, a blanket to wrap around you. All Earth will
come to you, and please you, and be at your side, a helpmate. These
things, I say, for those who follow, who come, who know The Way!

And The Holy Spirit says:

When you 'know, how to do something,' it seems easy to do.
Difficulty comes, only, as you are learning: a new task,
or anything such as a game, or gathering knowledge
from a book. The difficulty falls away,
when you know, what you are doing: for
the one who sews, creating a garment is easy;
for one who sings, bringing life to the notes is easy;
for one who can build, constructing a dwelling is easy;
and for one who is willing to open their heart, loving is easy;
knowing what you are doing brings ease and peace and confidence. Therefore, ask for
guidance, and clarity, so that you too, might 'know,'
and spend the days of your life, upon the Earth, in peace and confidence.

December 18, 2011

Be
watchful,
and vigilant, and
you will see the signs,
you will know the signs.
And the signs will lead you,
through your lifetime, and point,
and direct, The Way, back Home.
And The Holy Spirit says:
As you grew, from child, to adolescent, to adult,
you learned the signs, of the world. They were taught
to you, at a very early age: when to stop, when to go, when to
show caution, where to sit, where to stand, when to be quiet, and
many more. The world functions in a traffic pattern, you might say,
with everyone 'knowing,' the signs: what to do, how to act, where to
go. Today, understand, it is the same with your spiritual life, there are
signs! And, as you begin to 'see the signs, and know, what they mean,'
you 'know,' which way to go, what to do, what to say, when to be at peace,
when you are 'tempted,' to distress. The signs are there, you just have to open
to them. Be watchful, and vigilant, and you will 'see, and know, the signs.'

December 17, 2011

My children,
each of you have a mission;
and as each of you have a mission,
each of you have been given the tools,
necessary, to complete the mission; each
of you have been given a counselor, personal,
your own, to guide you. Yes children, each
of you have The Holy Spirit to guide you;
and, you will be guided in a way
that is right, just for you.
The Holy Spirit
will guide
each of you into the truth,
and the truth will bring you freedom, and
you will move along The Way, in great joy. And The Holy Spirit says:
Since you have come, from God, and planted your feet upon the Earth
to complete a mission, rise-up this day! Stand-up, in confidence, and
with a heart filled with joy, eager to do that which is set before you.
Rise-up, this day, and walk, forward. Your mission awaits. It is
time, and you have all you need, to accomplish your goal.

December 16, 2011

I
wish
for you
to understand,
and embrace, the glory
of what it means to be My child,
a child of God walking upon the Earth.
And The Holy Spirit says:
Before you begin this day, and all during the day, ask,
"What is it that I can do to bring the glory of God
upon the Earth in a most significant way
this day?" And in the asking,
you will please God;
and God will fill
you with purpose,
and intention; and,
The Way you walk will become
The Way of Miracles! You will deliver,
unto the Earth: compassion and understanding;
generosity and the love flowing from an open heart; you
will deliver God, to all you see, and touch, and know, this day!

December 15, 2011

Wisdom
will come to you
on the voice of The Wind,
talking about where you are going,
helping you to understand
where you have been.
And The Holy Spirit says:
The one who seeks
to walk in the world,
holding the wisdom of God,
seeks also, a place of quiet, where
The Holy Spirit can fill them with wisdom,
and light. The Holy Spirit is with you.
The Holy Spirit is within you.
Be still, so you can
hear, and know,
The Way
of God.

December 14, 2011

When there comes to you, those seeking mercy,
kindness, compassion, understanding, make sure
that is what they receive at your hand; and be
generous, with the handing-out, of the sacred
gifts of The Holy Spirit. When individuals
come to you seeking peace and serenity
and tranquility, make sure
you provide
a place
of peace
for them.
And The Holy Spirit says:
All encounters have a treasure
to exchange. No matter, whether it is
that you give, or receive, make sure that you
give, or receive, in the name of God! Be at peace.

December 13, 2011

Do
not
doubt,
for I AM
with you, now,
and forever, within you.
And The Holy Spirit says:
God's presence is, forever, with you:
constant, unchanged, eternal. If you are
feeling separation, or isolation, if you are
feeling, as if, you are wandering in darkness,
the answer is within you! Go within, and begin
to clean-up the corridors between you, and God.
And, as you move the bundles, and the stacks, as
you move the protestations, and confrontations
created during your lifetime, you will begin
to feel closer to God; because isolation
is not created by God! Isolation
comes from ego, comes from
that which is created
in the world.
If you will clean
the corridors, the interiors
of your being, you will see the light, and
you will 'know, God, is with you,' wherever you go.

December 12, 2011

When you make it your intention
to open, fully, to My power, My love
flowing into and through you, you
come to know Me, as I know you.
And The Holy Spirit says:
When you make it your intention,
you set your purpose,
to open to all
that God
is sending
to you, you feel
the presence of God,
within you, you are aware
of the power, flowing through you,
and in that moment you stop, and say, in a
most prayerful way, "God, now, I remember You."

December 11, 2011

The wonders
of living life upon Earth,
filled with My power, and light,
will unfold before you and within you,
when you open to the signs, and follow!
And, The Holy Spirit says:
When you are walking, in wisdom, you know,
because you are filled with the light of God.
You come to understand that true power
is living within the light of God
fully, and completely, and,
you open to all the signs
around you: you
watch, you are
vigilant;
you pay attention to dreams;
you pay attention to that which is spoken to you
in words, from your brothers and sisters; because, therein
could be a message; you take yourself to a quiet place, and you are still,
so you can hear what God has to say to you, and you leave yourself open
for that which The Holy Spirit wants to say to you. When you are living
this Way, you are led into miracles and wonders, which will amaze those
around you. Be still; be quiet; open the eyes of your soul, and see; open
your ears, and hear; open your heart, and be filled with the love of God,
and you will be led all the days of your life, until you return Home.

December 10, 2011

I
have
already
given you
your inheritance,
you hold it, within you,
the inheritance of the heavenly kingdom,
the kingdom of eternal life and ever-lasting presence,
is abundance, abundance of all that is
lasting, never-ending, eternal.
And The Holy Spirit says:
God has given you,
your heritage,
and it is great
abundance.
And you have the opportunity to
spread the abundance of Heaven, upon Earth:
the abundance of love, and light, and peace, under-
standing, compassion, forgiveness, wisdom, good counsel,
and all things created of God. God has given you this gift, so you
might give it, too; and thus extend all things eternal onto the Earth.

December 9, 2011

You
will never have
another chance, to 'live,'
this day; so, embrace it, as the
gift, it is. And The Holy Spirit says:
When you have 'the wisdom,'
to treasure each day, as a gift,
days are, as precious pearls,
to be slipped on a string,
becoming 'a piece,' of
the eternal ring,
of creation.
You
hold
the pearl,
this is your day!

December 8, 2011

No
matter
what temptations
and trials you may face today,
you will find peace, in My light,
and comfort in the words I say.

And The Holy Spirit says:

When all around you
is the clatter, of
chaos, and
the roar, of
confusion,
seek refuge
in the quiet place
within your being,
where you will find peace, and
comfort. Be still, be quiet, and go within.

December 7, 2011

Many times
the things you run away from
are the things which will build
your strength and confidence
when faced and mastered.

And The Holy Spirit says:

It takes faith
to face that
which you fear;
but you will grow
stronger, the minute
you make the decision
to stop running; and you
will grow more confident
when you acknowledge,
see, and know, that
which once held
power, over
you.

December 6, 2011

Be
the kind word
you have often
longed to hear.
And The Holy Spirit says:
No matter
what is said
or done to you,
respond with kindness.

December 5, 2011

Experience the gift, of
today, with an open heart.
And The Holy Spirit says:
Begin today, to open your heart
more fully to the love of God,
and your heart will grow
in its capacity
to love!

December 4, 2011

I wish for you to remember this:
every incident, every situation, every occurrence,
yes, including every person who comes to you, is delivering
an opportunity. Sometimes, the opportunity is to hear, listen, bless,
for that person, a person, perhaps, not in a situation to be able to bless
what they are saying; and, that is a beautiful opportunity, for you; it
is an opportunity for you to remember, that it is really, all about
you and Me, delivering My light, during every event,
every occurrence, every incident, and doing it
in such a way, that you create, of
the opportunity, a golden gift,
which you send, back, to Me;
it is our circle of trust and faith,
of love and action, within My light.
And The Holy Spirit says:
No 'matter,' what occurs, in the coming days,
no matter what incident, no matter what people say,
or do to you, these things come to you, as an opportunity;
seize the moment to be the vessel, to be the channel for God's
light, and love, and peace upon the Earth. Do not be 'distracted,'
by the one bringing the message, or the confusion, or chaos, held
within the incident. Be confident... that if it comes to you... it is yours.
Have the wisdom to know, that if you ask, God will show you The Way.
Angels will surround you, every day; and, in the quiet, you will hear them
say, "Do this. Do that. Do the other." Move into the coming days, in the
company of angels, connected to God, delivering the light, unto the world!

December 3, 2011

Rise-up! Open your heart to My love.
Know the angels are with you, and The Holy Spirit
abides within you; and walk into the world, delivering
the wisdom of Heaven, delivering My light, My love;
and in so doing, you will be, delivering, My peace!
And The Holy Spirit says:
Rise-up! It is a day for great joy; rise-up, and walk
confidently into the world; for, God has directed
it. God has said, "Yes, My child, it is time!
You can go to Earth, and be, and live!
And I will send an angel with thee,
and you will hold The Holy Spirit
within thee, and you will deliver
My light, and My love; and
you will spend the days
of your life, upon
Earth, in
peace."

December 2, 2011

I
wish
to look out
and see My children,
who are upon Earth: singing,
laughing, happy! This is what I wish
for My children: to be joyful, and loving.
And The Holy Spirit says:
For those of you, who are good parents,
that which God wishes is exactly,
what you hope and pray for
your children, your
earthly children.
You wish to look out
and see them smiling,
singing, happy. You wish to
look out and see them joyful! You
wish to see them as loving. Therefore, today
throw your arms open, wide, open your heart,
and your spirit, and your soul, and sing of love, and be
thankful, because God has created you, and you live, forever!

December 1, 2011

All things will come to you; they will be simple to do, if you will remember the first thing: to think of love, to speak of love, to act of love. This is all you need to do; first, there is love.
And The Holy Spirit says:
The simplest way to make sure
that you stay
on the path,
that you stay
in the light, is
to focus on love, day and night;
focus on love: the love of God, flowing to you; the love you have for God, flowing from you; and, in this way, all things will be easy to do, when you focus on God's love, for you!

November 30, 2011

Pay attention to that longing, that desire, deep within you, the secret something, you wish to do; for, it is yours!
That is what is written, on your heart! Once you accomplish it, you will be at peace.
And The Holy Spirit says:
Sometimes it is called daydreaming.
Sometimes you think, "Oh... that is my fantasy!"
That special thing,
held upon your heart,
that you wish and desire,
you could do, is, in reality,
what you are to do! But the ways of the world have distracted you, or somehow convinced you, you are not capable of doing it. As this year reaches an end, and another one is just around the corner, bring-out your secret desires and longing, that thing that is possibly considered a fantasy, or something out-of-reach, for you to do. Set it front of you; and reach-out and embrace it; for, it is, in reality, what you are to do.

November 29, 2011

Once you
awaken to the truth,
held within the light, it is
difficult to return to the shadows.
And The Holy Spirit says:
Once you experience life, living
in the light, hearing
the words,
knowing
wisdom,
you are
no longer distracted
by the temptations of darkness, and
shadow, you see them for what they are, and
continue, along The Way, walking in the light.

November 28, 2011

As the great season of winter quickly approaches, look and see
the beauty, the beauty revealed in that which was once hidden
from view. See the mighty trees, the leaves gone, the sturdy
structure revealed, the strength, the power, and the peace.
Look at the hillsides, and see the rocks, the boulders,
the great stones, of Earth, the strength
and the power revealed.
Look and see!
And The
Holy Spirit says:
It is in the winter
that you see strength,
where once you saw green leaves,
and grasses gently moving in the breeze; and
it is the same with each of you: you can alter your body,
your outward appearance, it changes, as the seasons change,
as the years go by; but to see the real strength, go within; there,
there is power, it is mighty, it is of peace. Within each of you,
lies your true strength, and power. Go inward, and see!

November 27, 2011

You each have a mission.
You each have a miracle.
You each have the light
that I give, unto you.
And The Holy Spirit says:
There is something
unique, special,
and wonderful
about each
of you.
You
have
a part to play
in The Great Plan of God;
and, as you deliver your mission, it is
accomplished! Your piece of eternity shines
forever, through what you think, and do, and say.

November 26, 2011

The
mother of Jesus
embraced the light,
saw the angel, heard the
words, and did not run
in fear; and, her life was
one of fulfillment, rich
in the promise of God.
And The Holy Spirit says:
Do not be reluctant to
embrace the light,
others cannot
accept.
Do not be afraid to see the angels,
messengers from God, whom others reject; do not
close your ears to the words, others refuse to hear; for if the light
comes unto you, it is yours to embrace; if the angel comes unto you,
the angel is yours to see; and, if the words flow to you, they are yours
to hear. And in the embracing, and the seeing, and the hearing, you will
live a life, rich in fulfillment, you will lead a life that is the promise of God!

November 25, 2011

You are
My children,
and I give you the gifts,
and wait for you to:
see them,
open them,
and use them.

And The Holy Spirit says:

You are fast approaching the season,
when parents go-out, and purchase, or make,
gifts to give their children. And the parents wait,
until the time is right, and they set the gifts out, in
the darkness of the night, and slip back into bed. And,
the next day the children rise-up, sleep still in their heads,
eager to find the gifts, to see what they are, to use them,
and play with them, or perhaps, to work with them.

And the parents watch the children,
as they find the gifts and open them,
and there is great joy, in the exchange.

This is the same with your eternal parent, God.

God has given you the gifts, and waits for you to see them,
and recognize them, and use them. Open the gifts, that are yours,
your spiritual gifts, and use them, and this will bring great joy to God.

Thanksgiving

November 24, 2011

Begin to understand the gift,
that life is, do not mock your life,
embrace your life! Be thankful,
that you live. Be thankful,
for the gifts you bear,
and use them.

Do not set them
on a shelf somewhere.

Use your gifts, and be thankful,
for the reason you have life is to use
the gifts you carry with you. This day,
celebrate life, and the gifts you bear.
And The Holy Spirit says:

To be truly thankful for something,
you must know the gift, or the
saying of, "thank you," is
empty. Know why,
you are living!

Do not be amongst those
who question life, and its meaning. Know the reason you are living
is to bring the glory of God, upon Earth. That is it. It is that simple.
If you are doing other things, you are just following distractions. Live
your life, in such a way, that God's power flows through you every day
and covers the Earth. Deliver the glory of God to Earth, and rejoice,
and use your gifts to do so. When you are doing this, you will have
reason to say, "Thank you!" because you will 'know, the gift.'

This day be thankful for your life, it is eternal! Be thank-
ful, for your gifts, they stay with you forever!

November 23, 2011

The
smallest candle
can bring light,
to an entire room;
but first, the light
must be brought forth.
And The Holy Spirit says:
Until you strike the match,
and ignite the flame, the wick is still;
it cannot bring light, until the candle is lit.
And the candle
of your being
can be lit by desire.
If you want the light to shine
from you, that's all you have to do,
and the breath of The Holy Spirit will move, and
the wick, once dormant, still, and unproductive, will
bear the flame, and you will be the candle, in the darkness
bringing light to all who will look, and see, and know.
The smallest candle can light an entire room of darkness.

November 22, 2011

Once you know, the difference
between 'trying, on your own,' and
'fulfillment, within My power,' you will al-
ways choose to be fulfilled, within My power.
And The Holy Spirit says:
Life's many situations, and incidents, will no longer
impede your progress, when you understand and
know, that the power of God is within you,
giving you the strength
to grow, and
to do things,
you once thought
were impossible, undoable.
All things are possible, through the
power, of God, that is surging within you.

November 21, 2011

I
wish
for you
to accept
the responsibility
to use the power I have given unto you
for the glory: of Heaven, of My Kingdom,
of your Kingdom; for the glory of eternity.
And The Holy Spirit says:
Once you accept
the responsibility
to use that which
is yours from God,
life on Earth will be different;
you will be confident in what you are doing,
knowing that you have been sent on this mission,
because God has trust, and faith, in you to accomplish
your goal. Accept the responsibility! And, move into the
New Day with confidence in the glory of God that is, within you!

November 20, 2011

Every day, you encounter situations,
which can appear to be challenging.
How you choose to 'react,' or 'act,'
will determine whether you are
'the victim,' or 'the master,'
of each encounter.
The decision
is made,
when you
decide whether
the obstacles and challenges,
are actually 'opportunities, in disguise.'
And The Holy Spirit says:
When you are able to face every obstacle and challenge,
'knowing,' that it is 'your opportunity to learn the lesson,
to master the situation,' you will grow in confidence; and
each day you will see, and mark your progress, along The Way.

November 19, 2011

I give you My light
so you might shine, forever.
And The Holy Spirit says:
Blessed are those, who are willing
to deliver the light of God to Earth;
for, they shine, constant. And even
when there comes clouds and rain,
the light they deliver, unto
the Earth, creates rain-
bows; for all to see,
and remember,
there is
light.

November 18, 2011

In the fall, and winter,
you can see the strength
of the trees, once hidden,
beneath the garment
of green,
in the
summer
and the spring.
And The Holy Spirit says:
Your strength, and your power,
lie within, at the core of your being.

November 17, 2011

There is a path
which will avoid
great difficulty.
It is the path
of peace.
And
The
Holy
Spirit says:
You can accomplish more
on the path of a peaceful presence.
When you are at peace, all around
you, will see, know, and respond!

November 16, 2011

Do
not let
adversity
block your path
or halt your mission.
You hold the key, for every
locked door you encounter.
And The Holy Spirit says:
By using the power of love,
wisdom, compassion,
understanding,
and other
like
energies,
you will move obstacles,
unlock the doors of adversity, and
confidently, make your way over the Earth.

November 15, 2011

Every time you open
and receive, all I give unto you
you become My living blessing
to Earth, fueled by the grace
and the power, of My Love.
And The Holy Spirit says:
Today, let your soul magnify
the grace, and the power,
of God's love; and, you
will bless, all you
encounter,
bringing
Heaven onto Earth,
in a most profound Way.

November 14, 2011

This day
you will do great things:
you will meet every obstacle, with confidence;
you will master, every challenge!

And The Holy Spirit says:

When you
'know,'
what you
are doing,
you can recognize,
and reject temptations, and
distractions cannot disturb your focus.

November 13, 2011

Do not erect a dam, be the free-flowing river
of My power. Do not seal-off a pool or a pond,
be the tributary of My love flowing, freely.
Receive My power, and let it flow into you,
and through you, so all of Earth will see,
and know, My glory, through you!

And The Holy Spirit says:

Open, and receive
the power of God
that is yours: it will feed you,
and sustain you; it will quench your thirst,
and nourish you. The power, of God, is the fuel,
the fuel to propel you over the Earth, delivering that
which is God to all who will see, and hear, and know.

November 12, 2011

When you know
how to do something,
and know you do it well,
you are 'eager,' to accept
the task, and complete it.
And The Holy Spirit says:
When you know it is
your honor
to be upon
the Earth,
to let the power, and
the love, and the light of God,
flow through you upon the Earth,
you are 'eager,' to do it, to wake-up
every day, embracing every moment,
saying... "God, here I am. What can I
do for You today?" And then begin!
Know, who you are. Know, what you are
doing; and then, do it, for the glory of God!

November 11, 2011

Let all things fall from you, the things
which create worry and concern, doubt, fear,
anxiety. Let all these things fall from you,
and be filled with My light! Let My light
flow freely into you, and through you.
Let My light flow freely from you.
Let all things fall from you,
and become fully My light.
And The Holy Spirit says:
Many fruits of Earth
have an outer shell,
or skin, which, at first
appearance, is not attractive to the eye.
It is marked and pitted, or bruised from falling from a tree
or a bush. It is discolored. The outer shell or skin is damaged, and
the eye sees it. But once you peel away the outer skin, that which holds the
damage and abuse, you find in the center, the sweetest fruit, protected at the core,
the place where the seed began, precious still, untouched by the hand! This is as you
are; your outer shell, your skin, might be marred or damaged, but that which you are,
sacred and holy, is held within! Return to the place of your origin, where you
begin! The light, of God, is within you! That is where you are perfect! Make
the connection, and let the light come forth, to shine upon the Earth.

November 10, 2011

You
are not
living life
to the fullest extent
until you feel My presence, within you!
And The Holy Spirit says:
Daily chores, tasks, jobs to do, can often be
tedious, and boring, tiring; but,
when you feel the presence
of God, within you,
all the time,
you can
mop the floors,
and cut the grass,
and wash the windows,
you can attend to the daily
activities with a joyful heart, singing
and talking, with God, all The Way.
You begin living, rather than existing.
You begin knowing, rather than hoping.
You begin waking, rather than sleeping.

November 9, 2011

When
ego is set aside
those of Earth come together,
connected by the thread, of
My love.
And The
Holy
Spirit says:
Ego is the wall of separation
and isolation, the energy which keeps
each individual, separate, from the other.
But once ego is set aside, it is as the needle
with the eye, the thread of God can move
through, and is pulled from one child
to another, connecting those, of
Earth, with the eternal
flow, of God's love.
See this, and
know
it!

November 8, 2011

Connecting fully with My love,
which is always there for you, is the
only way you will come to know peace.
And The Holy Spirit says:
Focusing your attention on loving God,
and receiving the love of God,
will bring you peace.
Even when
faced with
distractions,
and temptations,
as long as your focus is complete,
and the connection is full, you will
know peace. Today, make the connection
and 'know, the piece of God,' within you!

November 7, 2011

When
you are willing
to let My love flow through you,
surging, filled with power, and light,
there will be no judgment, all will be right,
with you, with others, with the Earth. Open,
and let My love fill you! It is The Way!
And The Holy Spirit says:
When you are 'in love, with God,'
when you are focused
on bringing
as much light
onto the Earth,
as possible, by letting
God's love flow through you, you have
no time for the energies of darkness and shadow.
Therefore, the answer to the question so many ask, is,
'Focus on your connection with God: focus on your love
for God, and God's love for you, and all things will fall into place.
It is always about your relationship with God! Focus on love!

November 6, 2011

Every day, every hour, you make a decision, whether to live by worldly standards, or to live enlightened by The Kingdom of God. Your decision makes all the difference in how you see Earth, as you move through this lifetime. When you make the decision to live fueled by My power, animating My love upon Earth, Earth changes, in all ways: you see Earth, living, in all ways; you see your brothers and sisters, living; you see with My eyes. Your decision makes all the difference.

Choose wisely!

And The Holy Spirit says:

The procession, which

began some years ago,

is well underway: it is time

to move into The Age of Spirit,

into the new time, into the new era.

Those who choose to make the crossing,

will live life, differently. Those who choose

to stay behind, will not 'know,' the difference.

To see the light, you must open your eyes to know it.

November 5, 2011

I

spoke

and creation

began. You speak

and it continues,

in all you

do.

And

The

Holy Spirit

says: Awaken.

Rise-up. There is

work to do. Creation continues

through all you think, and say, and do!

November 4, 2011

When you amble down a country road, I AM there.
When you stroll down a broad city avenue,
I AM with you. No matter where you go,
or what you do, you can speak with Me,
and I with you! The adventure you
experience is amazing! Do not
lose sight of the glory
of it. Do not
become
entrenched in
everyday minutia.
Lift your head, and
look around you, and see,
and I will see, through you.
And The Holy Spirit says:
For those willing to open their eyes,
and see, every day is a miracle unfolding.

November 3, 2011

When you take the time to be still, and quiet,
and sit with Me, there is more accomplished, than
you can see, at the present. For, in coming together,
you gain 'wisdom,' and 'grace,' and 'answers,'
which will lead you to a place, of peace.
And The Holy Spirit says:
Be mindful 'not to close the door,'
on the source, of your
energy, your
power, your
connection,
to All That Is,
to all that is good,
to all that is love. This day,
reconnect, in a most powerful way,
to God! And, in the quiet, you will hear,
God say, "Welcome child! Sit a while with Me!"

November 2, 2011

Once you make the decision,
and accept the responsibility, your lifetime
upon Earth, will become an amazing adventure,
the amazing adventure it was meant to be all along.
And The Holy Spirit says:
Once you accept your position in the family of God,
you feel, and you know, God is with you!
You are at home, wherever you go,
because God is with you.
You are not lost,
or alone,
because
you are on
the great adventure,
a most amazing adventure; and,
it is yours. You have asked for the right,
and honor, to travel to Earth, to work for God,
and now you know, it is happening. So, don't squander
the moments, don't waste the time. Rise-up, and walk into
this day, with new confidence, boldly saying, "Here I am God,
I am on 'my Way.' I have made 'the decision,' I accept, today."

November 1, 2011

The path is set before you. Take the opportunity
to see, and know, and embrace, that which is yours;
for, the time has come, for you to rise-up! See the day.
Shine. It is your time. My power is within you! There-
fore, you can do all, that is set before you. So go, eager
to see what is to be done, knowing it is yours; and,
you can do it! Be at peace, and enjoy
your time upon the Earth;
for, it is limited;
and, it is precious!
And The Holy Spirit says:
The opportunities are all around you,
floating on The Wind, as the autumn leaves.
Take your time, and look around, and pick a challenge, an
opportunity; embrace it as yours, knowing, that you can do it, the goal
will be achieved. Earth is not a place of boredom. Earth is a place 'of
opportunity!' Seize the day. Create; for My creation, continues, in you!

October 31, 2011

Once
you have awakened
there is no excuse; it is then time
to accept responsibility, for you know who you are,
and you realize and understand the importance: of letting Me
work miracles through you; of cleaning-up Earth, through you;
of blessing Earth, with My power, and My love, through you.
Once you awaken there is no excuse, but to see,
and to know, and to do.
And The Holy Spirit says:
Awaken... Remember.
Accept the responsibility, and
there will be no need for excuses,
because you will understand, eternity
is in your hands. Miracles await. Rise-up,
and remember. Your inheritance is The Heavenly
Kingdom, of God. Awaken, and remember, who you are.

October 30, 2011

My
Word
is Love.
My Will is
that you be
the living Word
of My Love, rejecting
the energies of darkness and
shadow, to be the light, unto the world.
And The Holy Spirit says:
Use the gift of your free will to make a choice:
choose to be the light of God; or choose
to use the power of darkness,
and shadow. This
is a great time,
use your free will,
to do The Will of God!
In this Way, you set the gift at the feet
of God, and you say, clearly, "Here I am God,
I am ready to do your will! So let it be! Amen!"

October 29, 2011

My will
is that you use
My power, within you,
to bring light upon Earth,
to bring My presence upon Earth, through you.
My will is to work upon Earth through you.
And The Holy Spirit says:
You are upon the Earth to do the work of God, to let
God work, through you.
Oftentimes, it is easy
to be distracted
doing the work
of the world.
The distractions
can appear noble, lofty;
yet, they are still distracting you, from
the main things you are to do... let God work,
through you! You will know it, when it is happening,
because you 'feel enlightened, you feel the power of God;' and,
'you see the glory of God, in what you are thinking, saying, and doing.'
That is the state to seek: 'the state of seeing, and knowing, the glory of God.'

October 28, 2011

You
will accomplish
more with kind words
than with a harsh tongue.
And The Holy Spirit says:
When you want to be heard, speak softly.

October 27, 2011

Every time
you open to My love,
you experience a day filled
with light, a day of sunshine.
And The Holy Spirit says:
When you are filled with love
you bring the light of God
into each day; and when
it is raining you create
rainbows, to mark
The Way.
Live life
to the fullest,
creating sunshine
and rainbows, today.

October 26, 2011

Anger is
the bringer
of death. Love is
the bringer of life.
And The Holy Spirit says:
Every day you are given
opportunities to choose
a course of action,
or an energy
to use.
Pay attention to what you are doing:
whenever you face hatred or frustration,
or get caught-up in chaos or confusion,
choose love, over anger, choose life,
over death; and you
will feel the presence
of God, with you; and, you
will be the light, unto the world.

October 25, 2011

Kindness
dissolves tension
making the way clear
for forgiveness and peace.
And The Holy Spirit says:
The peacemaker does not
rattle sabers; rather,
the peacemaker
speaks
with
compassion;
and understanding; and
wisdom calms the storm
of chaos, and confusion.

October 24, 2011

This
is not
a day to hesitate,
be eager, rise-up, and
greet the new day.
And The Holy Spirit says:
Greet the new day
with song.
Greet
the new day
with enthusiasm. Greet
The New Day; for, it is glorious!

October 23, 2011

Whenever you encounter hatred, use forgiveness;
and you will find your way into compassion and understanding.
Whenever you encounter anger, use My power within you, to lead
you, into peace and light and love; for My child, this is The Way.
And The Holy Spirit says:
Do not be distracted, from your mission, by the tools of shadow,
and darkness: do not respond to hatred, with hatred,
or to anger, with anger; for this action
will sabotage your mission.
Be still, when faced
with these temptations,
and act in the light of God:
face hatred, with forgiveness,
and you will deliver compassion
and understanding; face anger, with
the power of God, within you; and, you
will restore Earth to a place of peace, and
light, and love. Be mindful of what you are doing!

October 22, 2011

In speaking to others, when you choose to use words
held within the gifts of The Holy Spirit, your words
to others 'support, lift-up, and bless.' Use words
held within the gifts of The Holy Spirit;
and, that which you speak will be
the fruit, from the good tree.
And The Holy Spirit says:
Whenever
given the
opportunity,
choose words which
will enlighten others, which
will bring the glory of God upon them, which
will bless them, all the day. Whenever you are
given the opportunity, be eager to show The Way
in 'how you live, what you do, and what you say.'

October 21, 2011

Banish,
and cast from you,
every thought of another,
or yourself, that is not of My light.
Refuse to let your tongue speak ill of another;
speak only of another with words of light. These things
will bring you peace. You will be happy. And your days
will be blessed, if you think and speak only, of light.
And The Holy Spirit says:
The more you practice, thinking and speaking
only of light, the better you will become,
and soon you will master the exercise,
and you will bless the Earth,
and God will sing
your name.

October 20, 2011

When you
reject judgment,
of yourself and others,
and make it your intention
to forgive all things, all others
and yourself, you break the chains
which bind you, and free yourself, and
prepare yourself, to receive the wisdom
of eternity, and all it will bring to you; but,
first, you must refuse to judge, and forgive.
And The Holy Spirit says:
If you are carrying a grudge, you are holding a weight.
If you are refusing to forgive, you are carrying a burden.
And these things are within you, they become a part of you.
To experience 'a lightness of being that is amazing,' you must
get rid of the weight, the burden, you must release the grudges,
and you must forgive all things, and then you will be light.

October 19, 2011

When you use words
in a prayer, they bring you
peace, they bring peace to others;
but when you pronounce the words,
indicating that they are delivering
the power of God, you bring forth
the miracles, the healing.

Pronounce
the words, and
deliver the power!
And The Holy Spirit says:
Pray for 'the wisdom,'
to know the difference between:
knowing the words, and knowing
The Power, and The Glory, of God!

October 18, 2011

Go,
where
you are
led to go;
do, what you are led to do;
say, what you are led to say;
because, in this Way
you will go,
and do,
and say,
as you are led, and
you will bless all in the process.
And The Holy Spirit says:
If you will set your desire(s) aside, and say,
"I will do as God directs me to do," then you will go,
and do, and say, as God wills you to go, and do, and say.
It is in this way that you are moved by the hand of God, and
you complete your mission, in a sacred way, not distracted by
the things of the world, but attracted to the power of God, which
will fuel you, and move you, and bless you, all your days upon Earth.

October 17, 2011

You are one of the greatest explorers sent forth from
The Kingdom of Heaven to claim: the land, the planet,
the Earth, for The Kingdom of God. Sail forth in confidence
and courage, 'knowing,' what you are doing; you are bringing
the light, you are claiming Earth, for The Kingdom, of Light.
And The Holy Spirit says:
This day, remember, you are on a mission, the greatest exploration
is taking place, now! Wherever you are, where you reside, where
you call home, make the commitment, do not forget, stake
the claim, bring the light, declare verbally, "This
I claim, and pronounce, is the land, which
belongs to The Kingdom of Heaven.
May it hold its light. May it
hold its promise.
May it be...
forever."

October 16, 2011

Stop
judging
one another!
Begin to comprehend
where the power of judgment came from.
Judgment is not a gift of The Holy Spirit;
it is not a fruit, of the good vine.
Stop judging one another!
And The Holy Spirit says:
The most important thing,
you can do today, is to
dissolve the energy
of judgment, you
are carrying
within your being.
Release it. And let it go,
from you. It does not serve you well.
It does not serve your brothers and sisters
well. It is not the good fruit, from the good tree.

October 15, 2011

It is
the great plan,
which is divine, I send you forth
to Earth, for a time. Look around, and
see the glory, that is yours, and that is Mine.
And, The Holy Spirit says:
Awaken to the glory that is God's. Take the time,
this day, to look around and see: see the beauty,
see the grandeur, see the magnificence.
Awaken, this day,
and see, the
glory.

October 14, 2011

Use your tongue to speak of kindness,
to say gentle things, which will fall as sweet rain
upon those longing for compassion and understanding.
Use your hands to reach-out to those who stand alone.
Use your eyes to see the glory held in every day.
Use your ears to hear the laughter of children.
Use your feet to take you where others dare
not go, so that you might bring peace.
Use your heart to love. These things
I ask, of you, as We are One.
And The Holy Spirit says:
When you realize the honor
bestowed upon you,
you will find
it easy to do
the will of God,
because you will know:
God is working through you;
God's words are upon your lips;
God's love is within your heart; and
it is your honor to bring it to Earth,
magnifying the glory, that is God.

October 13, 2011

When you remember, when you know, that it is never
between you and one of your brothers or sisters,
but it is always between you, and Me, your
life upon the Earth will be blessed, and
in balance; joy will be the salt,
laughter will be the pepper,
which spice your existence
on Earth; for, together,
you and I will know joy,
the joy of living eternally; and,
we will laugh, in 'the knowing,' of it.

And The Holy Spirit says:

Do not be tempted into confrontation,
with your brothers or sisters; remember, and
know, that it is between you and God, always.
You will know laughter. You will know joy.
You will know peace. Connected with God
you will 'know,' what living upon Earth
is all about, always, and in all ways.

October 12, 2011

When it seems as if all you are facing are closed doors
be willing to use the windows, of opportunity, which will,
surely, come your way; be watchful, every day; for, some-
times, the way out, is the window, rather than the door.

And The Holy Spirit says:

Practice. Practice watching, for the signs,
look around you, and be observant.

Be willing to make
modifications,
changes, accept
alterations. Be flexible.

Your way will be made clear
when you become adept at seeing the signs,
reading them, and knowing, which way to go.
There are turns and curves, there are hills and valleys,
all along the way. Be willing to accept that which comes to you;
and then, watch for the signs, for they will tell you what to do!

October 11, 2011

As
this New Day begins,
do not be so concerned about
what others think, say, do; be interested
and excited about the possibilities
of what we can do, together!
And The Holy Spirit says:
Do not waste
your energy,
wondering why
someone said this,
or another did that,
be more caught-up, in the wonder,
of the relationship you will establish, maintain,
or discover this day, with God; for, in the end, when it is
all said and done: it is never about you, and another, anyway;
it is about what you and God can do, every day! It is all ways,
and forever, about you, and what you are willing to do, with God!

October 10, 2011

Be
the love
you desire, and
you will know love.
Be the joy you desire,
and you will know joy.
Be the happiness you desire,
and you will know happiness. Be
what you desire; and, you will know.
And The Holy Spirit says:
When you become a parent it becomes apparent
that it is more precious to give, than to receive.
It is an 'earthly lesson,' from 'The Heavenly Kingdom:'
in watching the joy upon your child's face: as they receive
love from you; as they receive gifts from you; as they receive
confidence from you; as they learn the important things of life
from you. It is in this Way, that you come to understand that
you know love best, when you give love! Be the love, you desire!

October 9, 2011

Open,
and receive
My power, for I give it
unto you! It flows between us, a river;
and from this river, of life, springs forth
the state of miracles! Open, and receive
that which is yours.
And The Holy Spirit says:
It is set, in place;
it is what is
meant to be:
Earth feeds your body,
filling it, with nutrients, blessed,
by the hand of God; the power, of God,
is held in the breath, blown over, into, and
through you, giving you life, which is eternal.

October 8, 2011

The most important thing
that you can do upon Earth
is to be a loving presence, for
all to see, and hear, and know.
And The Holy Spirit says:
When you focus on being the love
of God upon Earth, you bring
peace, and balance, and
harmony, to every
situation.
Practice,
this day, being
the instrument of
God's love, upon Earth.

October 7, 2011

Come, and sit with Me,
and be still, and you will begin
to see, life, with the eternal eye.
And The Holy Spirit says:
Bring forth the gift of patience.
Bring forth the gift of faith.
Bring forth the gift of hope.
And, using these gifts,
as tools, walk into
this day; for, it
is in this way,
that you begin
to understand life
on the eternal plane.

October 6, 2011

For those
who are willing
to set aside ego,
and self-importance,
there is a gift, the ability
to move over Earth unimpeded
by the energies created by others.
And The Holy Spirit says:
The thoughts, and words, and deeds of others
have no effect on those who live by the power of God.

October 5, 2011

Go into this new day, feeling My love,
knowing My love, being My love upon Earth.
And The Holy Spirit says:
Rise-up, and go forth into this new day, and let it be
your intention, in every way, to restore the garden,
the garden Earth was meant to be. Sweep
the pathways, pull the weeds, water
the plants, call forth the birds,
and the butterflies,
and the bees,
and let the sun
shine upon you, and
all that you do, for the glory
of God. This day, rise-up, and be the love
of God, upon Earth! This day, rise-up, and be!

October 4, 2011

For those of you with the gift of power,
hear Me: Power, used in the ways of the world
is most often used to subjugate... and intimidate.
Power, used in the heavenly way, is most often used
to liberate, and celebrate. Be mindful of how you use
the gift of power, liberate, and celebrate, Earth.
And The Holy Spirit says:
The gift of power is magnificent.
Use the gift
to celebrate
the glory of God,
and liberate the spirits
of your brothers and sister.
Use the power to bring peace.

October 3, 2011

Do not be strident in your ways,
be flexible, within My flowing love.
And The Holy Spirit says:
When one does not move their body,
when they stand, or sit, in rigid
position, for hour after hour,
the body finds it difficult
to move. And,
if maintained,
in this rigid state,
the body will find it almost impossible
to move. However, if you bend and move
and flow your body is flexible and you grow
stronger, in this flexibility. Do not be strident
in your ways, be flexible in the love of God.

October 2, 2011

If
you
will begin
to use forgiveness,
as the tool it is meant to be,
you will begin to understand,
and comprehend, the power
it holds over all eternity.
And The Holy Spirit says:
Nothing, absolutely
nothing,
resolves
an issue,
a disturbance,
turmoil, as completely,
effectively, and efficiently, as forgiveness,
complete forgiveness. In the act, of forgiving,
there is the blessing, and releasing, all rolled into
one act, the act of total, and complete, forgiveness.

October 1, 2011

When
you open,
fully, to My love
pouring to you and into you, you open to, and
are filled with, understanding and compassion,
because understanding and compassion are
held within, My love. Open to My love.
And The Holy Spirit says:
When one of your
brothers or sisters
comes to you in pain,
holding: anxiety or fear,
doubt or confusion, do not try
to make sense of the chaos, rather
open to the loving power of God, flow-
ing to you, and into you, and you will then
deliver understanding and compassion, you will then
deliver the touch of God. And, the hand of God will move, and
disburse the shadows, and there will be balance, and harmony, once again.

September 30, 2011

The
more you look,
the more you see. The
more you seek, the more you find.
And The Holy Spirit says:
The one who refuses to see what is happening all around them,
will not see it. The one who will not open their eyes and see
does not know. The one who does not seek will not find.
You cannot reach the end of the journey, until you
begin the journey. The one who will not
open their ears will not hear.
Refusing to see, or hear,
or seek, does not make
the situation less,
it simply makes
that which you realize,
recognize, and accomplish, less. Today,
make it your intention: to open your eyes, and see;
to open your ears, and hear; to set your foot on the path, and
seek The Way, with a heart willing; and the adventure will truly begin!

September 29, 2011

Heal
the wounds
of the past, with forgiveness,
today; so that tomorrow
will be filled with light,
as you walk along The Way.
And The Holy Spirit says:
Nothing feels
better
than to set
your burden aside,
and run free, over the hills,
into the countryside, lighter, open,
feeling the wind, knowing the sun. Today,
take some time to forgive the things of the past,
and free yourself! Free yourself, at last, of all that is
holding you down, the weight of the past; with forgiveness
it falls from your shoulders, as you sing-out, "Free at last!"

September 28, 2011

Today, go within, go within your being,
and heal the open wounds with forgiveness.
And The Holy Spirit says:
That which you carry within is either a burden,
or a gem, a glorious presence within. Today,
take the time to find those things,
some obvious, some hidden,
pushed deep within
the recesses of
your being.
It is time
to free yourself,
and free all others
with forgiveness. Today,
go within, and heal the wounds,
with a gift for yourself. Forgiveness
for others, will heal all that ails you.

September 27, 2011

The instrument of healing
is forgiveness. To be the instrument
of healing for another, one must be healed,
first. To be the instrument of bringing balance
and wholeness to another, one must be made whole
first. Forgiveness is the instrument of healing!
And The Holy Spirit says:
Forgiveness cleanses, cleans, and clears, bringing health,
balance, making one whole. Be constant, seeking places,
situations, people, things, which need to be forgiven,
within yourself. Be vigilant. All things are cleansed,
through forgiveness. Forgive yourself, forgive all
others, so that you might be the instrument
of healing, so that you might deliver
a 'state of wholeness.' God
'works, through you,'
today. Be at
peace.

September 26, 2011

Wisdom
is knowing
the importance
of the gift of free will.
I have given the gift to
every child upon Earth.
In wisdom it was given,
and remains.
And The Holy Spirit says:
God has given you the gift of free will,
and when you are willing to use your free will
to carry-out the will of God, the gift is complete,
it is circular, it passes from God to you, and back
again. That is when the gift holds the power of God!
Use your free will to carry-out the will of God upon Earth.

September 25, 2011

You have a choice: either forgive, all things, or live, within the creation, of the things, forever. Forgiveness is the key which will open the door to the prison of all of the things, the situations, the occurrences, in the past; so that you might walk into the new day free, free of the burden, free at last; but freedom will not come, until you forgive. Today, make it the day that you begin the work in earnest, go into yesterday, and forgive, so that your today is free, and your tomorrow holds promise.

And The Holy Spirit says:

The key to a joyful today is forgiveness of all things, from yesterday. It is easy to say, "I forgive you," but it takes work to go into the situation, understand it, learn the lesson and bless all things about the lesson you learned, for this is forgiveness. Forgiveness springs forth out of understanding. Today, use the key, of forgiveness, to free yourself, from the bonds, of yesterday.

September 24, 2011

The day you realize the power that using the gifts brings unto you, should be a day that you mark, and celebrate, forever; because, in this way, you take part in, and become part of, My power. This is My gift to you. Use the gifts, and you will know

My Way.

And The

Holy

Spirit says:

Every man, woman, and child

upon Earth, has been given the gifts.

All it takes is the desire to do the will of God, and to use the gifts. And in this way, the power of God will flow, and you will grow, you will grow in the light and the love of God, you will be the word of God, and you will bring peace to all things.

September 23, 2011

I
have
the power
to do, that which I wish to do
upon Earth, through you!
But first, before
the miracle
occurs,
you must be
willing to open, and
let Me work, through you.
And The Holy Spirit says:
You can accomplish much, and God will help
you work and do the things you want to do. But
miraculous things can be accomplished, if you will help
God by letting God work through you. Open to the power
of God, that is always there, and let God work, through you.

September 22, 2011

Know that your tongue,
and your hands, reveal that
which is held upon your heart;
therefore, make sure your heart is
pure, and clean, free, and pristine.
And The Holy Spirit says:
Rejoice this day, as this is the day, that you
are to deliver the works of God to Earth:
through what you think; through what
you say; through what you do. The
place, the earthly place of your
birth, will be blessed
by God, this day,
through
you.

September 21, 2011

I can do all things, through you.
Therefore, nothing is impossible.
If it is there, for you to do, and
you are open to all that
I AM giving you,
it will be
accomplished.
And The Holy Spirit says:
Every time you say, "Yes,"
to God, your faith is increased, by
enormous proportions! Every time
you say, "Yes," your faith is increased.

September 20, 2011

I wish for you to understand,
and appreciate, the gift of living
right now upon Earth, and to treat
your earthly experience, as such.
And The Holy Spirit says:
You are living, an earthly
experience, and it is
special, unique,
and while
challenging,
can be the complete
understanding of miracles,
of joy, of laughter. Therefore,
reject reviewing the difficult times,
the times you say, "This was miserable," and
look and you will find the times that you will say,
"This is joyful." Yes, today, come to an understanding
that you are living the earthly experience, and rejoice.

September 19, 2011

If you will stay in the present, you will know
the power of My love, for you; because, it will
flow, directly, to you! Stay in the present.
And The Holy Spirit says:
Remain, yes, remain, in the light of God. Stand in
the present moment, and rejoice. Breathe deep-
ly, and rejoice. Reject the temptation to be
confused, and frustrated, about the past.
Reject the temptation to be worried,
or hold fear, about the future.
Live 'in the present,'
in the light, and
the glory of
God.

September 18, 2011

You are known by that which you create.
Be mindful, of what, you are creating.
And The Holy Spirit says:
Be mindful of the things you seek,
desire, and want. You will either,
seek the things of the world,
or the eternal riches
and abundance,
of The Kingdom of God;
you will become ensnared by
the ways of the world, or you will
be eternally free, by The Way of God.

September 17, 2011

To be
directly
within My light,
you must give up the energies of darkness and shadow;
for in them, there is no light. I AM the light you are seeking.
Come to Me, and you will
be in the light.
And The Holy Spirit says:
It is healthy, spiritually,
and physically, to stand completely
in the light of God, because the light of God
fills you, and fuels you, and sustains you. You will
recognize the difference, because darkness and shadow
take from you. Darkness and shadow energies, suck your power,
suck your glory. God feeds; therefore, stand in the light of God, so that
you might be healed, so that you might be whole, in the light of God.

September 16, 2011

When
'you desire,'
something, be still,
and that which is yours,
that which is to be, will flow
to you, naturally, drawn to the
port, 'knowing,' the safe harbor.
And The Holy Spirit says:
When you 'desire something,' do not
waste time, running here, and there,
moving in circles, stirring the air.
Be still; and, that which is flowing
to you will come riding The Wind,
embraced by the sun. When it
is 'of importance,' be still, and
let it flow, just as it is
to be, naturally
with thee.

September 15, 2011

When you 'are practicing,'
when you 'are trying,' you 'are doing.'
Practice what I say to you. Practice loving,
practice forgiving, and in practicing
loving and forgiving, you are doing it.
And The Holy Spirit says:
Practice. Practice using 'the tools'
I give to you. Practice, makes
perfect. Your goal is to
be perfect, as God
is perfect.

September 14, 2011

If
today,
you find
yourself alone,
in the shadows, hiding
in the darkness of pain,
hear Me, and be still.
Open the door,
and I will touch you,
with light. I will heal your pain.
I will carry you out of the shadows,
and lead you to the path once again.
And The Holy Spirit says:
If today, you feel lost, alone, or in pain,
of any kind, be still. Take just a few minutes
to open the door to the passageway that leads you
to Home. And even though it might seem to come from
very far away, you will hear, or see, or know, and as you open
the door wider, The Presence will grow. It will grow stronger, and fill
you with the glory of God. And the glory of God will lift-you-up! And you
will move to a place of light for; you, will be healed you, will be made whole.

September 13, 2011

Every time
you choose light
over darkness or shadow
your journey will be one of joy,
as you walk over the Earth.
Stay out of the shadows,
and choose to walk
in the light.
And The Holy Spirit says:
If you are not 'at peace,'
if you do not 'feel joyful,' alter
your course, get back on the path
so you are directly in the light of God.
As soon as this is done, 'peace,' settles
over you, and joy returns. Stay in the light.

September 12, 2011

Until
forgiveness
is complete, you carry
a burden. Once it is done, once
you have 'mastered the situation,'
and forgiveness is accomplished,
you are light, you are free.
And The Holy Spirit says:
Forgiveness takes
practice.
Oftentimes,
forgiveness is left
dangling, unfinished, not
complete; but the reward is great for the one
who is persistent, along the path, of forgiveness;
for once it is accomplished, once it is done, there is
a lightness of being, there is freedom, there is One!

September 11, 2011

The more you use The Gifts,
of The Holy Spirit, the more
familiar you become, with
the power they hold, and
the freedom, they carry.
And The Holy Spirit says:
As you become familiar
with The Gifts,
you come
to know
the freedom
of living without a care,
and this freedom, comes, as
you grow into, and understand, the
power of a peaceful presence upon Earth.

September 10, 2011

Come,
and sit with Me;
and, I will give you
the peace you are seeking.
And, The Holy Spirit says:
Confusion and chaos
cannot live,
cannot
thrive,
within
the atmosphere
of peace. When you are
at peace, you are truly with God.

September 9, 2011

At
the core
of your being
you find perfection,
the perfection of Heaven,
from whence you came.
And The Holy Spirit says:
You began within the perfection
of God, and this beginning
does not leave you.
You can always
return.

September 8, 2011

Do
not
live
in fear.
I will take
your darkness,
or your shadows, and
transform them within My light.
And The Holy Spirit says:
Whenever you feel lost
be still,
and wait.
And the light
of God will illuminate
all around you, all within you,
and you will see through the power of God.

September 7, 2011

Tend
your garden
with The Gifts
you have been given,
and there will be abundant fruit,
and the fruit will feed those of Earth.
The gift comes to you, from Me.
The fruit of the gift
is passed-on
to others,
through you.

And The Holy Spirit says:
If there is one amongst you
willing to reject darkness and shadow,
and use the gifts you have been given,
you will bear fruit; and, that which
comes from your abundant garden
will be sufficient to feed thousands.

September 6, 2011

You are on a
mission upon the Earth.
The Gifts of The Holy Spirit
are the tools you have been given
to assist you in accomplishing your mission.
And The Holy Spirit says:
Hundreds of years ago, covered wagons left the East,
making a journey into the West of the United States.
And they went prepared. They carried tools
with them, and when their wagon
got stuck in a mud-hole,
they knew
how to get out,
free the wheel, and continue on their mission.
The 'modern day traveler,' should be prepared as well,
carrying the tools with you as you get into your car, in the event
that you get a flat tire, or get stuck in a mud-hole, so that you might
get out of your car, tend to the wheel, and continue on your journey.
It is the same, with your spiritual journey! God does not promise that
you will complete the mission without encountering mud-holes, cracks,
crevices, ruts in your path. But God does promise that you have
tools to make the adjustments, and continue on your journey.
You have been given the tools, they are the gifts, use them.

September 5, 2011

You are
the light of the world.
The light that is to come from Earth,
is not the light powered by electricity, or other fuel;
the light of Earth is to begin within each of you, ignited at the core
of your being. Set the world afire, with your desire, to be love.
And The Holy Spirit says:
The life of the human body does not come from the layer of skin
which holds your package of flesh together. It comes from
the organs within, from the heart, that pumps the blood,
that feeds the body that moves you. It is the same
with your spirit; your spirit animates your flesh.
True life, comes from within your spirit,
the heartbeat of God,
the presence of God,
the flame of God,
the eternal flame,
that is at the core of your spirit.
Life begins from within. Go there, today.
Go within, and find desire, which will fan the flame,
which will light-up the Earth, the Earth on fire, with desire, from
the core of your spirit. See the light of Earth! And know, it is within, you!

September 4, 2011

When
you begin
to understand
The Power, held within
the Gifts, of The Spirit,
you begin to know,
My Ways.
And The
Holy
Spirit
says:
The gifts
are available. Ask,
and you shall receive. Use
the gifts, you are given. And,
by doing so, you will come to know
the ways of God; for the gifts, are the gifts
of God; and they will lead you, all the Way
Home, in happiness, and joy, and peace!

September 3, 2011

When you are listening to Me, you do not hear the harsh words, you do not hear the mockery, the bitterness, that is either sent towards you, or spinning all around you, you cannot. If you are listening to Me, you are listening to words of love.

And The Holy Spirit says:

Have ears to hear. Your physical ears hear the things of the world, and you take part in conversations of the world, because you hear with your physical ears; but when you listen with the ears of your soul, your spirit lifts you into a new place, and the words you hear are of gold, because they are, of God; open your spiritual ears, so that you might hear, so that when you speak, you speak gently, kindly, with compassion, and understand, and you speak not the words of the world, but the words of God.

September 2, 2011

When it is time, the signs will appear.

When you are ready, you will see them, and know them, and respond to their call.

And The Holy Spirit says:

Today, begin, in earnest, paying attention to what you are doing. Keep your connection to the Heavenly Father, to God, your Creator, your Mother of Spirit, open, and active, so that you are ready, when it is time; for, the signs will come; but it requires you to be prepared, so that you might see them, and read them, and know The Way.

September 1, 2011

Be
not afraid.

Be not worried.

Be not concerned.

Even though your day is filled with tasks, chores,
and responsibilities, walk into the day, with great joy,
calling forth the angels to assist you and minister to you
along The Way. And then, make each chore, or task,
or responsibility, a sacred prayer,
creating, from perfection, in
your desire to raise-it-up.

And The Holy Spirit says:

The mundane can achieve
the level of the sublime,

when you set your
intention,
every time,

to make everything you do

a prayer, an offering, a song of joy,
a song of praise. Today, let all mundane be sublime.

August 31, 2011

Make
everything,
you do, a prayer;
and in so doing,
everything
you do,
at the
core of
its being,
its creation,
will be a prayer.

And The Holy Spirit says:

Let everything you create
first begin with a prayer.

August 30, 2011

Ride
upon
the breath
of The Holy Spirit,
as a feather caught in The Wind,
without a care of where you're going,
blessing all, where you've been.
And The Holy Spirit says:
Your life upon the Earth
becomes the sacred
journey, when
you are willing
to be moved by
the hand of God,
without a worry,
or concern, seeing
Earth as it is. Today,
be moved by the hand of God,
ride upon My breath, and know.

August 29, 2011

Reject
the temptations
of darkness and shadow; for
every situation you encounter, use the gifts,
of The Holy Spirit, and bring light to Earth.
And The Holy Spirit says:
The more you use the gifts, the more
familiar you are with them.
The more you use
the gifts,
the more
you see the power
you have, by using them. Use
the gifts, and bear the fruit, so all might see.

August 28, 2011

Tend your heart! As a 'caring gardener,' prepares the soil of the garden, removing the rocks and the weeds and the thorns and the brambles preparing a place worthy to grow a beautiful, abundant, bountiful garden, prepare your heart to receive the seed.

And The Holy Spirit says:

When you hear the word of God: receive it, with an open heart; embrace it, as the seeds falling from the hand of The Sower. Let the words fall upon you, so that you might grow and bear fruit.

August 27, 2011

When you awaken to the importance of living the present minute, hour and day, you awaken to the importance of living, truly living, for every breath you take is a prayer, and gives witness that you are there, upon the Earth.

Awaken to the present.

And The Holy Spirit says:

Living in the present moment, fully in the grace of God, in the river of God's love, floating through life, requires that you release regrets of the past, and release fear of the future, so that you might embrace the love of God, fully.

August 26, 2011

The
gentle tongue
speaks words so softly, that all can hear.
And The Holy Spirit says:
When you speak, speak words of kindness, understanding, and
compassion, speak words of love; and let these words fall upon all
who are around you, and near you; but most especially,
speak kindly, lovingly, and compassionately,
about yourself.
Love others.
Love yourself.
Be kind to others.
Be kind to yourself.
Be understanding of others.
Be understanding of yourself. In
this Way, you will come to know peace.

August 25, 2011

You
have
the ability,
and the authority,
to cast shadows, and darkness, from you;
for I have made it so! And The Holy Spirit says:
Do not stand in fear,
living in darkness
and shadow.
You hold
the authority
to cast these things
from you; and, once you use
this authority, given to you by God,
the shadows and darkness must go, because
a child of God stands and says, "Get thee from me!"

August 24, 2011

As the
sun rises,
to herald the start of a new day,
let the Son rise, in your heart,
heralding the start,
of a new
Way.
And
The
Holy
Spirit says:
Celebrate the dawn,
of a new day; celebrate it
in all that you think, and do,
and say, celebrate the rising of
The Son, showing you The Way.

August 23, 2011

That which
you experience
upon Earth, will be
more glorious, if you
will open your eyes and
see in the light of My love.
And The Holy Spirit says:
When you experience Earth
in the light
of God's love,
you live in a state
of miracles and wonder,
and the journey is amazing.

August 22, 2011

When
another
tempts you,
with anger or hatred,
do not miss the opportunity to be the golden key
to compassion, understanding, forgiveness, and love.
And The Holy Spirit says:
When you stand in the face of hatred, or anger, refuse
to go into that energy, and let the light,
and the love, of God,
pour through
you, and
fill you,
for that is
the answer,
that is the key,
that is the golden
opportunity, to let God
walk upon the Earth, through you.

August 21, 2011

Those around you, know
what is on your heart, through
the words you say, and the deeds you do.
And The Holy Spirit says:
Today, make the change within, and
'live,' that which you 'know.'
Exhibit the love of God
upon Earth. Live
the love, of
God.

August 20, 2011

The
miracle is
'you believe.'
You cannot see Me,
with your physical eyes,
but you 'recognize' Me,
with your spiritual eyes.
And The Holy Spirit says:
Believe. Believe beyond
the world, which you
see, with your
physical
eyes.
Believe,
into the realm of
The Holy Spirit of God, and
you will be touched, and you will know,
and the shades will be peeled from your eyes,
so that you might see. Be at peace, and see.

August 19, 2011

I
will
speak
to you, in
the quiet, when
you are still, so that
you might know The Way.
And The Holy Spirit says:
That which you seek,
you find.
Today,
seek joy,
seek peace,
seek love; but do not
look in the world about you.
Be still; and, go within. Be quiet; and,
you will find, you are holding that which you seek.

August 18, 2011

You learn
the ways of the world,
as you live upon the Earth,
but My Ways you have known
for eternity. All you have to do
is remember. And The Holy Spirit says:
When you care enough, and desire
to reconnect with your Creator,
and set yourself aside, from
the world, you begin to
remember, The
Ways, of
God.

August 17, 2011

It
is time
to give-up
the struggle.
It is time to ride The Wind.
And The Holy Spirit says:
When you are working toward a goal,
toward completing a mission,
and you understand,
the labor is
fulfilling,
because
you know,
what you are doing.

August 16, 2011

The voice,
or the thought,
which leads you into doubt and confusion,
worry or anxiety, is not Mine. Listen to Me. Listen for Me.
My Voice fills you with promise and hope; My Voice calls you
to come and sit, so I might show you The Way.

And The Holy Spirit says:

The voice, or the thought,
or the feeling, which
leads you into
confusion,
worry,
concern,
which leaves you
with many questions,
is not the Voice, or the Thought,
or the Feelings, of God, or your angels,
or the beings of great light which surround you;
their presence fills you with faith, and hope, and promise,
that no matter where you are, they will show you The Way.

August 15, 2011

When
you are still, and quiet,
when you are not talking, or making noise,
you hear creation all around you. At first you hear
the obvious: the rushing of the stream, the birds singing,
insects and bees buzzing, you even hear the breeze, moving
the leaves in the trees, you hear the raindrops falling. But if
you will be still, and even more quiet, you will go beyond
these things, these obvious things, and you will begin to feel,
and hear, beyond. You will feel 'My presence,' and you will
hear 'My guidance.' Today, be still, be quiet, and hear!

And, The Holy Spirit says:

Have you ever been studying something, let us say, blades of grass,
still wet with dew, as the sun begins to rise, and cast a light upon them?
In the studying of the blades of grass, with the sun lighting-up the dew,
the more you look, the more intensely you focus, you see colors, sparkling
like gemstones: greens, and reds, and blues, at first just a few, but then
many. Have you ever been listening to the sound of an instrument, a piano
let us say, and found that the more you listen the greater the possibility of
hearing, even the softest of notes and tones? You go beyond the obvious,
and pick-up the magical vibrations of tender music. It is the same
with listening to God. The deeper you go, the more you hear.
The longer you sit in silence, seeking guidance from God,
the more you will know. And from this relationship
comes wisdom, which will live with you, and
within you, all of the days
you walk upon
Earth.

August 14, 2011

You have been given the keys
to understanding the mysteries
of The Kingdom of Heaven.

Some of you - use the keys;
and - begin - to understand.

This is a blessing: for most
see, yet do not know;
many hear,
but do not
comprehend
or understand.

And The Holy Spirit says:

When you begin to understand
the mysteries of The Kingdom of God,

The Kingdom of Heaven, you also begin to see,
that most of those inhabiting Earth at the present time,
do not know, do not understand. Therefore, lead them with a gentle
hand. Show The Way: by speaking, as if you know; by living, as if you understand;
and slowly, they will begin to draw nearer, and take your hand.

August 13, 2011

When

delivering a message,
deliver the message, with
a gentle voice. In this way,
the message will be accept-
ed, embraced, and held.

And The Holy Spirit says:

A gentle voice does more,
accomplishes more,
than a harsh re-
buke; choose
the gentle
voice.

August 12, 2011

You will recognize, and know,
when you are walking The Way; because
of the way you feel, you will know, it is real.
And The Holy Spirit says:
There are angels posted, all along The Way, so
when you are confused you should stop, be still,
and say, "Holy angel, am I going in the right
direction?" And you will feel, or hear, or
know the answer. In that way, you can
correct, or modify, your direction.
Stop, and ask. It will feel right,
when you are going along
The Way; you will feel
confident, and
sure!

August 11, 2011

If you
will sit awhile
and be still, you will
feel My presence with you,
as it is My will for you to do so.
And The Holy Spirit says:
Today, if you will linger - a bit longer
along the path, where the flowers grow, and
the grass is greener, you will see things, you didn't see
before, before you slowed down; today, linger awhile, and see.

August 10, 2011

To
know
The Way,
you must open to My presence with you,
for you are My child, and as the Good Parent, I
will always provide guidance: so that you might
see the signs and follow the path; so that you
might truly
know The Way.
And The Holy Spirit says:
Signs are all around you.
Sometimes you might wonder,
"Maybe its time for me to go home.
I wonder if I am supposed to go home
right now?" And all of a sudden you hear
one bird singing, and another bird singing, and
the breeze blows stronger around you. It is a sign.
You have asked a question, and God's holy universe
has answered, "Yes, it is time to go Home now."

August 9, 2011

The most important thing you can do,
while living your life upon Earth, is to love
freely, without constrictions, without binding rules,
or regulations. The most important thing you can do
is to love, with an open heart, and open arms.
And The Holy Spirit says:
The most perfect gift, you can give to another,
cannot be bought; you cannot take it;
you cannot steal it; the most perfect
gift that you can give another,
is the gift of love; it comes
from your heart; it
comes from
God!
When
you give
the gift of love
you've given the perfect gift
a piece of God that is within you.

August 8, 2011

You
have been
granted the opportunity
to experience Earth. See it, and rejoice.
And The Holy Spirit says:
Awaken today. Awaken and see, and know. Your dream
has been realized. You have been given the opportunity
to live, upon Earth, for a while. Open your eyes
and see the glory, of the butterfly.
Listen to the bee.
Watch
the flowers
grow. Draw-in
the aroma, of Earth,
and know, you are blessed, as
you live, in The Garden, created by God.

August 7, 2011

It is
through
forgiveness
that you heal,
yourself and others.
It is through forgiveness
that you free yourself and others.
It is through forgiveness that you learn love.
And The Holy Spirit says:
Every time you forgive, you free yourself.
Forgive, from the smallest trespass,
to the most major of intrusions.
Forgive, and free yourself.
Forgive, at the core
of your being,
and you
will no longer
be burdened with anger,
judgment, resentment; forgive; and,
you will no longer carry a grudge. Forgive.

August 6, 2011

A smile, an open heart, a kind word,
the things you do, in this way, are a gift
to another, from The Holy Spirit, through you.
And The Holy Spirit says:
Every time you love, you are letting God love through you.
Every time you speak a kind word, you are letting God
speak a kind word, through you. Every time you open
your heart, and your arms, and offer your hand
in peace to another, you are letting God
give the gift of peace, through you.
Today, open your heart, and
your arms, and extend
your hand in peace,
and let God work
through
you.

August 5, 2011

Feel
My arms
fold around you gently, as
we sit, this day, and pray.
Let us sit,
together,
and pray.
And The Holy Spirit says:
Today, sing a song of the glory of God.
Sing a song of creation: sing of the flowers,
with their faces tilted to the heavens, growing
in the light of the sun; sing of the birds, flying
on wing; sing of the trees and the grasses;
sing of the rivers, and streams,
and oceans. Sing!
Ye children
of God,
sing.

August 4, 2011

Temptations
come, temptations to be
judgmental of, or harsh with,
another; resist the temptation,
and offer the gift of love.

And The Holy Spirit says:

If you react
to judgment,
with judgment,

or harshness, with harshness,

you magnify that energy and it grows, and spreads.

Choose to meet judgment, with love, and understanding,
and compassion. Choose to meet harshness, with gentleness.

In this way, the judgment stops at your door, the harshness stops
at your door, and becomes: love, and light, and peace, gentleness,
compassion and understanding. This is where it all begins: it all begins with you.

August 3, 2011

Today,
explore the possibilities
'of accomplishing the goal,'
that is written upon your heart.
And The Holy Spirit says:
Today is a good day to be still,
and listen to that which is
written, upon your heart.

That which is written
upon your heart
is a call to
action:
to do
something, for
the glory of God;
to do something for the glory
of Earth, the creation of God; to do something.

August 2, 2011

When
you are distracted
by the things of the world,
do not be discouraged, or disheartened.
Rather, focus, more intently, on the light.
And The Holy Spirit says:
The distractions of the world are many, and varied; but you can use
them as signs, signals, which will be the clue, the key, that you should
at those times, focus more intently on the light of God. Use the temptations
as an opportunity, to be in the light of God, more completely, more fully.

August 1, 2011

There are things of great beauty,
wonders, things of amazement,
which go 'unseen,' by those
'unwilling to be still.'
And The Holy Spirit says:
The quality of
your life
will be
greatly
enhanced,
if you set aside
some time each day
to walk away from the business
of the world to sit in the lap of God and pray.

July 31, 2011

I
give
you My light,
so it might shine upon you,
eliminating every shadow and darkness,
so you might see The Way
clearly, and walk
in it.
And The
Holy Spirit says:
When you stand
directly in the light of God,
there is no shadow only light.

July 30, 2011

See
the rabbit
in the pasture.
See the bird, on wing.
See the flower, in its glory.
See the beauty, in each thing.
And The Holy Spirit says:
God's creation lives! It is rich,
and vibrant, and full! You are
a part, of God's creation!
Live,
and know,
the glory of God!

July 29, 2011

When
you stand, directly
in My light: there is no shadow,
there is no darkness, there is you and the light.
And The Holy Spirit says:
The deception of shadow and darkness
is eliminated in the light;
for the light brings
truth,
and truth
brings forth shadow,
and darkness, into the light.
See the truth in the light of God.
Know the truth in the light of God.
Be the eternal truth, of the light of God.

July 28, 2011

Reject
the temptation
to be irritated, or frustrated,
with another; stay in the light, and deliver love.
And The Holy Spirit says:
Today, let it be your intention,
to be a peaceful presence,
all the day long.
Be peace.

July 27, 2011

If
peace
is your goal,
your desire, then you must be peace,
in the presence of hatred and anger,
chaos and confusion. If it is peace
you desire,
be peace.
And The
Holy
Spirit says:
You cannot
demand peace.
Peace springs forth
from within. Peace is a gift
of The Holy Spirit. It is a fruit,
from the seed sown within. Be at peace.

July 26, 2011

I give you the power,
I give you the glory, so
you might continue
the creation story.
Today, create
a day of
glory.
And
The
Holy
Spirit
says:
However
you imagine,
or see, a glorious day
in your mind or your thoughts,
bring it to life today. Create a glorious day.

July 25, 2011

I live upon Earth
through all I have created!
My presence is felt upon Earth
through all I have created!
Therefore, I live! And
My presence is felt
upon Earth
through
you!

And The Holy Spirit says:

As you begin this day, make it your intention
to walk upon the Earth: knowing that God is living
upon Earth through you; knowing that God's presence
upon Earth is felt through all you think, and say, and do.
Walk upon Earth in such a way, that you show, you know,
God is living, and God's presence, is felt, through you.

July 24, 2011

Pay
attention
to 'the signs:'
for they are with you,
the signs of the physical world,
and the signs of the spiritual kingdom
are with you; but you must look and see.
You must 'know, the signs.' You must be ready to act
upon the message the signs carry. Awaken, and see the signs.
And The Holy Spirit says:
Look around you for the signs. The signs of the world are physical,
something you see, something you have been taught to obey,
to follow, to keep you on the correct path, such as: stop
signs, yield signs, do not enter signs. They are physical,
you see them. The signs of the spiritual kingdom are
'unseen, yet felt;' and the difference is clearly
marked, within you, as surely as the signs
indicating: stop, yield, do not enter,
for they are emotions, feelings,
knowings, unseen, yet known,
felt, experienced by you.
Follow the signs,
seen, and un-
seen.

July 23, 2011

Awaken
to the glory in you.
You are My hands, My feet,
My eyes. You are My ears. Hear
My words. Do My deeds. Comfort those
around you, with My love. Awaken
to The Glory, within you.
And The Holy Spirit says:
Rise-up and greet
the new day.
Awaken to
The Glory
that is within
you, and bless the Earth,
with every thought, word, and deed.
Reach-out, and take the hand of your brother,
your sister, and walk over the Earth, as a child of God.

July 22, 2011

When you hear the song of dawn:
it is time to awaken in the light of a new day;
it is time to rise-up, be joyous, and play.
And The Holy Spirit says:
It is time; the day is here; celebrate; rise-up; ask for wisdom:
to understand dreams; to see beyond what is obvious, into
the unseen; to hear the song of angels, in the greetings
of the birds; to feel the breath of Spirit, in
the rustling of the breeze, through
the trees; to know, really know,
who you are, and
what you are
doing.

July 21, 2011

As
you go
about your
daily chores,
don't do so idly,
without paying any atten-
tion to what you are doing,
go about your daily chores
blessing all you are doing;
you will see the difference
at the end of the day.
And The Holy Spirit says:
By blessing all
that you do,
all day long,
everything you create
carries the sacred song.
Bless all you do this day.

July 20, 2011

Take that
which you are given,
and create a miracle of light.
And The Holy Spirit says:
No matter what you are thinking about,
no matter what you are preparing to say,
no matter what you are planning to do,
you can do it all in the light of God.
Resist the temptation to use
energies of shadow.
Reject
temptations
of darkness outright.
Bathe all, you do, in
The Golden Light of God.

July 19, 2011

Today,
use your gifts,
the gifts of The Holy Spirit,
to transmute energies of darkness, and
shadow, into light, and love, and peace,
so that there might be
balance, and
harmony,
wherever
you go.
And The
Holy Spirit says:
Today, let the legacy
you leave behind you be
peace, balance, tranquility,
serenity, a symphony, of light.

July 18, 2011

Experience Earth
with the enthusiasm of a child.
Open the door, and go out to play.
And The Holy Spirit says:
God is please and delighted
when the children
go out to play
in the garden
of Heaven
that is
Earth.
This
day:
see,
feel, hear, know
the beauty all around you.
Experience Earth, as a child, today.

July 17, 2011

You
were sent
to be the light,
so that you might
illuminate, that portion
of Earth, with what you know.
And The Holy Spirit says:
Do not hide your light, under the table, of
conformity. That which you carry, within you, that
which is instilled within you, by the hand of God, is meant to
illuminate the darkness. Therefore, rise-up, and turn on your light.

July 16, 2011

When you feel the power,
The Presence of The Power,
within you, in its purest, and
most sacred form, you begin
to understand, and to know.
And The Holy Spirit says:
It is good to exercise the shell,
which is your body; for, in
strengthening the body
you gain energy.
But the miracle
comes, when
you exercise
The Power
within you,
and you see,
and know, the Presence
of God, upon Earth, in you.

July 15, 2011

Every time you seek to
forgive another, or yourself,
you receive the grace necessary
to accomplish the goal; and, once
it is done, there is great blessing!
And The Holy Spirit says:
Forgiving another, or yourself, can
seem as if you are swimming up-
stream, against a raging river,
or floating downstream,
in the gentle flow.
The difference
is in how you do it!
Trying to forgive on your own
can be a challenge; but, if you open
to the love of God, and let the love of God
flow through you to another, or embracing yourself,
it is easy, because it is done by God. When it is your intention
to forgive, whether it is another, or yourself, you will always receive
the grace necessary, and the blessing that comes with forgiveness.

July 14, 2011

Let Me
work through you,
and that which you do,
all that you accomplish,
will be as miracles
upon the Earth.
And The
Holy
Spirit
says: You can
use all that you know
to accomplish great things,
and you can open to the flow
of God's love, moving into and through you,
and create miracles with all the things you do.

July 13, 2011

If you will commit to the journey, you will sail
uncharted seas, into the land, of all possibilities.
And The Holy Spirit says:
To discover, that which you cannot see, at the present time, you
must be willing to make the journey, to open the eyes of your soul.
To hear the songs of angels, and words you have not heard before,
you must be willing to take the journey, and open the ears
of your soul. To embrace All That Is, with you, yet
unseen, and unknown, by you, you must be
willing to throw open the doors
of your heart, and live,
fully, as you walk
along The
Way.

July 12, 2011

Resting
is setting aside
all of your cares, and worries, and concerns,
so that you might be refreshed,
and refueled,
in the lap
of God.
And
The
Holy
Spirit
says:
Be still,
and in the quiet,
you will feel the presence of God.

July 11, 2011

Faith
is believing
that which you cannot see,
accepting that which you cannot understand,
or comprehend, at the present time; yet, at
the core of your being, you know it is true.

And The Holy Spirit says:

If you will
accept
only
that
which
you can
understand,
or comprehend,
at the time, you will
limit that which you know.

July 10, 2011

Believe in Me, as
I believe in you, and all
the things that you will do,
when you believe in Me.

And The Holy Spirit says:

When times of burden
place doubt,
upon
your
heart,
when faith is
low, within you,
raise-up your eyes,
unto the Heavens, and say
this, "I am willing to believe."

July 9, 2011

Today, open your heart,
and your arms, so wide, so as to welcome
all who come, without discrimination, or judgment.
For, it is better to love all, than to close your heart
and be concerned about being hurt in the loving.
Open your heart, open your arms, and love all.
And The Holy Spirit says:
If you attempt to love, using the yardstick
of human standards, you will find you select
a few, which 'you think,' are worthy.
But if you let 'God's love,' flow into,
and through you, it is possible
to love all! For, God
is loving, for you,
through
you!

July 8, 2011

I
AM
The Parent,
patiently waiting,
for the telephone call,
or the letter, from
the child, half-
way around
the world;
call Me.
And The
Holy
Spirit says:
A conversation
with God, Who is always
present, and waiting, is just a call away.

July 7, 2011

Do
not
be lost
in confusion,
seeking outside, that
which is to be found inside.
And The Holy Spirit says:
Those who deliver peace,
carry the gift within.
Peace is found,
first, within,
then, in
great
joy
it wells up,
spilling over from the vessel,
touching all, with the presence of peace.

July 6, 2011

Hold
your tongue
until you are using it
to create the words of a blessing:
upon another, upon creation,
upon life, upon yourself.
And The Holy Spirit says:
Be the peaceful
presence,
blessing
the Earth.

July 5, 2011

Be mindful of your mannerisms,
the tone of your voice, the vibration of your
movement. Be mindful of what you are doing.
And The Holy Spirit says:
Check your manner, the tone of your voice, the vibration
of your motion and movement; so, in this way, you
know, your tone and your vibration echo
the words written on your heart,
the song, of your soul, the
dance, of your
spirit.

July 4, 2011

Make
some time
to sit with Me,
for I have much to tell thee.
I have miracles of which to speak, and
I long to touch you, to kiss your cheek,
and to remind you
that you are My child.
And The Holy Spirit says:
Celebrations are complete,
when the Spirit of God is near.
Celebrations are complete, when
the glory of God, abounds, within
each one. Celebrate the glory with God.

July 3, 2011

Do
not
attempt
to sing another's note. Sing your note.
Sound your tone. Dance your dance.
And The Holy Spirit says:
When you sing, your song,
and dance, your dance,
you bring balance,
and harmony, to
the eternal plan.
Sing your song,
dance, your dance,
and it will blend, and
move, as a symphony,
directed by the hand of God!

July 2, 2011

When
you feel as if
you have much to do,
and little time in which to do it,
do not give-in to chaos and turmoil. In order,
proceed, from one thing to the other, acting in confidence,
and competence. You will move from task to task, accomplishing
all that is necessary, when you move within the energy of peace.
And The Holy Spirit says:
Frantic actions, and chaotic turmoil, spawn the same. Today,
work in peace, and you will find, as sun sets, that you
have accomplished all that is necessary
to accomplish this day, and you
will have done so,
in peace.

July 1, 2011

The day is here. It is your day.
Experience the present day.
Experience the present.
And The Holy Spirit says:
Bring forth
every
lesson,
and create
the perfect day.

June 30, 2011

Seek
with an
open spirit, and
you will find what
you did not believe before.
And The Holy Spirit says:
When your heart is open,
you accept, and give love.
When your soul is open,
you begin journeys,
complete missions.
When your spirit
is open, you soar
into realms, un-
seen before. Open
your spirit and see. It
is all there for you to see.
Open your spirit, and seek.

June 29, 2011

When
you are playing,
you are growing closer to Me.
And The Holy Spirit says:
Sometimes, you encounter a day meant to be spent in work,
physical work, you are accomplishing a task, completing a chore.
Sometimes, there is a day meant to be spent in studying, and you are
accomplishing a task, you are learning, you are gathering knowledge
and information. But sometimes, you encounter a day set aside
for the glory of play, and you are accomplishing something.
Within the glory of play is a seed of creation.
When you are playing, you are growing
spiritually. Let your imagination
soar today, and engage
in glorious play.

June 28, 2011

In
your
journey
up the mountain,
you will notice something:
the higher you climb, the broader
your vision, the closer you are to Me.
And The Holy Spirit says:
To broaden your vision, to expand your imagination, climb-up
the mountain, so you can see, and understand, and comprehend
the picture, as it is, in its wholeness. Climb-up the mountain, and see.

June 27, 2011

Do
not be in
such a hurry
that you do not see
the beauty, all around you.
And The Holy Spirit says:
Even on the days when your tasks
are many, make the time to see the beauty, all
around you. Make the time to see the gift of creation.

June 26, 2011

Situations come,
circumstances go,
but each situation,
each circumstance,
is an 'opportunity.'

Today, see challenge
as an opportunity - to
show - 'the light of God.'

Within every situation, you master:
what you will do, how you will do it,
what you think, and what you say.

And The Holy Spirit says:

Wherever you find chaos, confusion, frustration, anger,
do not take part in it. Instead, bring the light of God to it.

In this Way, you can sit within the chaos and confusion,
you can walk within
the frustration and anger, with
the light of God, at peace, untainted.
Be at peace, and be with God, this day.

June 25, 2011

When
you are living
in the love of My grace,
there is no confusion, there is no chaos,
there is My light, upon your face.

And The Holy Spirit says:

When you 'know,'
the hand of God
is with you,
you are at
peace.

June 24, 2011

Your
journey
upon the Earth
is one of forward progress,
walking each day into My light.
Your forward progress is greatly impeded, when you
are constantly going backwards, walking into the past.
Do not turn your head and look behind you. Cast
your eyes upon the light, where I will find you
each day, coming forward,
following your journey
all The Way Home.
And The Holy Spirit says:
This day, walk. Rise-up,
and walk into the light of God.
Do not look backwards. Go forward.
The man who knows where he is going, walks
with great intention, and purpose, not distracted by
the past, encouraged by the future, seeking the light of God.

June 23, 2011

Visions,
of crystals cities,
floating in the sky,
are yours, when you open
to the possibility of All That Is.
And The Holy Spirit says: Do
not be limited to only the things you can
understand, that you comprehend, at this time. Let
yourself soar, into the unlimited, that is, The Kingdom of God.

June 22, 2011

The
more time
you spend in the arms of God,
the better you 'know,' the ways
of God.
And
The
Holy
Spirit
says:
If you
will sit still
in peace and solitude,
the wisdom of God will fill you,
and you will come to know that God does
understand, and provide, all that you need.

June 21, 2011

Each day 'seems happier,'
when you are willing to sing.
And The Holy Spirit says:
When you are working, raking
the yard, ironing clothes,
sweeping the floors,
building
something,
that is work;
and the work shifts,
the energy around the work shifts,
when you whistle, hum, or sing. When
you do that, you bring forth your vibration, your
tone, your joy, into all that you do; and it carries it
forever. Today sing, and bring joy to all the world.

June 20, 2011

Once you make the decision
to rise-up, and go, you are already
on your way into the new day.
And The Holy Spirit says:
Commitment to the mission
is a piece of the
completion.

June 19, 2011

Words
of wisdom
are as seeds.

If you receive the words, and hold them in your hand,
they're often useless, of little value; but if you receive the seeds,
the words of wisdom, and plant them within your being, the seeds
will grow, and they will bear fruit, and they will be obvious,
because you will use these things, growing,
and springing forth, from you.

And The Holy Spirit says:

When you are given a gift,
you receive the gift, but
what you do with the gift
makes a big difference: if you
put it in a drawer, or set it on a shelf,
it is just 'one more thing,' you have collected,
gathering dust, of little use. But, if you take the gift out
and use it, touch it, and you feel it, you embrace it, it is useful,
and you are thankful, for the giving, because you 'know,' the gift.
To be truly thankful, you must come to know the gift. Know the gift.

June 18, 2011

When you
achieve balance, you are
inline with the divine plan,
and it is then, miraculous things
come forth from your precious hand.

And The Holy Spirit says:

Those who 'know,' what they are doing do not desire
to create shadow and darkness. Those who know
what they are doing create light, conceive
and bear and bring forth
love, and live
in an atmosphere
of peace. Today: be
still; remember, who you
are; know, what you are doing!

June 17, 2011

See
the river,
flowing to the sea.
It does not go back; it does not look back;
it moves forward, onward to its destination,
sometimes full and fast, sometimes slow;
but the river knows which way to go,
it continues its journey.
Be like the river,
moving forward.
Do not be frozen in place,
lingering in the past. Come.
Follow your journey toward Home.
And The Holy Spirit says:
Today, think of yourself as a beautiful river, follow-
ing the journey of your lifetime, proceeding, everyday,
toward your final destination, into the sea, of God's love.

June 16, 2011

Do not look back
over your shoulder.
Focus your attention
to the front, ahead
of you, into the light.
And The Holy Spirit says:
Once you understand
the power of forgiveness
you will free yourself
of heavy burdens,
you will unlock
the 'chains,'
which bind
you.
Today,
sit in quiet,
and begin to forgive
even the smallest things,
which occurred in your past, with
every forgiveness, you will feel lighter, forgive
yourself, and forgive others, so that you might live, 'free.'

June 15, 2011

I
will
wipe away
every tear, I will carry every load,
I will support your aching back, and cleanse your feet.
When you come to Me, I know what you seek, and
I know what you need, and here, with Me,
I will provide all you need.
And The Holy Spirit says:
The glorious reunion
between Parent
and child
is at hand.
Come Home, for
just a few minutes a day,
come Home, and be united with
the love that created you so long ago.
Today, find some time to come Home.

June 14, 2011

When your heart
is filled with the song of love,
it has no room, for petty things:
it has no room for hatred and anger,
it has no room for greed and envy.
When your heart is filled with
the song of love, you are
a blessing to Earth.
And The Holy Spirit says:
Let today be a
celebration
of love.
Let your heart be filled with joy,
and let your joy be unconfined. Today, sing of love.

June 13, 2011

When
your body is in
distress, or disease, take
immediate steps for healing.
When your spirit is in distress,
or disease, take immediate
steps for healing.
And The Holy
Spirit says:
When you
are in distress
or disease, be still, and
take steps to receive healing.

June 12, 2011

When
you make the choice
to move forward, your progress is unimpeded,
when you know where you are going.
And The Holy Spirit says:
When you are
crossing a bridge,
a bridge constructed
high over a raging river,
the direction is, 'Cross the bridge;
do not look down, just keep walking.' And
soon, following these directions, you feel your foot
on solid ground again. Listen, and heed the direction
you are receiving, and move forward, with confidence.

June 11, 2011

That
which receives
your focus, your attention,
your thought, is what is
greatly
magnified.

See this, and know it.

And The Holy Spirit says:

Today, try something different, when
you see your challenges, the obstacles
placed before you, sometimes appearing placed
directly on you, over you, and around you, focus on
resolving the issues within the light of God. See the issue, and
welcome the light of God, asking that the resolution be revealed, and
the shadows and darkness be dispersed by the hand of God. Be still; and
in the quiet, you will begin to see The Way; and you will find the courage
to rise-up, and walk in it. And, along The Way, you will find the new day.

June 10, 2011

Let
everything
you do, this day,
be a prayer, a living prayer, a living witness.
Let everything you do this day, live.

And The Holy Spirit says:

There is nothing
too small,
there is
nothing
too grand,
to be blessed
with the sacred breath,
to be held in the hand of God.

June 9, 2011

The words you speak
reveal that which is in your thoughts, in
your heart. Go to your heart, and feel My love.
And The Holy Spirit says:
When you speak, speak with words of light,
speak of love. Laugh. Dance. And be
joyous, because, at the moment,
God has His arms around
you; at the moment,
you are dancing
with God.

June 8, 2011

Do
not be
limited
by that which you can conceive,
be unlimited by My Divine Plan
conceived just for you.
And The Holy Spirit says:
When something
or someone
comes into
your life,
grander, and better,
and more wonderful than anything
you could imagine, that is a gift
from God. Embrace it,
and know the gift
is yours.

June 7, 2011

Recognize,
and realize your gifts,
and use them well, and in this way
you will experience joy and happiness, peace
and contentment. See your gifts, and use them.
And The Holy Spirit says:
Once you set your intention to master every situation
which comes to you, operating only in the light
of God, the light of God illuminates the gifts
you carry, and you find you are equipped
to master everything life brings to you,
in balance, and harmony,
with All That Is.

June 6, 2011

Be My love song. And The Holy Spirit says:
Reject the 'temptations,' which come first in your thoughts;
their purpose is to lead you from your mission.
Do not be distracted, from the song of love
you have been given.
Sing.
Sing the song,
God's love song,
to all those who in-
habit Earth. Sing of love.

June 5, 2011

The gifts have been given to you, receive
the gifts, bear the fruit, live, an abundant life.
And The Holy Spirit says:
It is possible to live in a castle, and have all of the worldly things,
money, and clothing, that you can gather, and still be in a state
of need, lacking, and want; but when you use the gifts of God
given freely to you, and bear the fruits upon the Earth,
your life will be rich, fulfilling, and rewarding.
You will need nothing. You will lack
nothing. You will want, for
nothing; for you will
have all things
eternal!

June 4, 2011

For
each
encounter
of this day,
you carry a gift
to show you The Way;
and every time you use the gift, the fruits grow
abundantly. Let the fruits grow this day.
And The Holy Spirit says:
Along the pathway of life you will encounter:
many stations, many situations, many
individuals, many ways. The
encounters will be sweet,
if you use the gifts
of compassion
and understanding:
for these are the fruits of peace;
these are the sweet fruits born on the vine,
springing directly from the gifts, that you carry
within you. Use the gifts. Bear the fruit. And
experience life, more abundant. Experience life.

June 3, 2011

If you will sit, quietly, with Me,
all the concerns of your daily life: will
vanish, will fall from you, will be resolved.
And The Holy Spirit says:
Today, sit with God, and bring one concern
into the light with you, asking for guidance.
And then be still, and God will teach you,
and you will know The Way. Once
you have resolved your first issue,
then, you may bring another,
and another, and another,
until all the worry
and concern
has been
laid to rest
in the lap of God,
one thing at a time, one step at a time,
one resolution at a time, one at a time.

June 2, 2011

When you begin the day, when you begin to pray, check first to make sure that your attitude is good and positive. No matter what is set before you, the most important thing you bring to the task is your attitude. When it is positive, all things are possible, and you bring light to any situation. When it is negative, all things seem dismal, and dark. Check your attitude.

And The Holy Spirit says:

You have many options. What clothes will you wear today?

What food will you eat today? What tasks, what chores,

will you pick to accomplish today? But one of

the most important options, one of the things

that you will choose to wear, and to add to

everything you create this day, is either

a positive, or a negative, attitude.

Create with a positive attitude,

and that is what everything

you create will hold. Create with a negative attitude,

and that is what everything you create will hold. Today, check

your attitude, and go into the day joyfully singing the name of God.

June 1, 2011

Every
thought
you have
is a creation.

Every word you speak is a creation.

Every deed you do is a creation.

Today, be mindful of
what you are creating
in your thoughts, and
words, and deeds, because,
if they are created, they exist.

And The Holy Spirit says:

Create within the light of God, then all

that you create will hold the power of God.

Create within the light, and with the power of God.

May 31, 2011

When you are distracted
by the things of the world, when you are caught-up
in worry, anxiety, confusion, it is easy to miss the signs.
Be vigilant. They are all around you. Watch for the signs.
And The Holy Spirit says:
When you are doing something which requires your attention, you are
not as efficient, when you are distracted, you miss things, some things
go totally unnoticed, undone; but when you are performing a task,
giving it your full, and undivided attention, you notice even the
smallest details, and you work efficiently, and effectively.
This is how it is with your spiritual life; the things
of Spirit can assist you in your daily chores,
upon Earth. This day, as you awaken,
awaken on a different level, alert,
mindful, vigilant, and you
will see the signs, and
you will 'know,'
The Way!

May 30, 2011

Forgive,
and bless, all things,
in such a profound way,
that the events of your life, upon the Earth,
stand as memorials to how the light of God
illuminates with truth,
and clarity, peace,
light, and
love.
And
The Holy Spirit says:
There is not one thing
which will not be made better
by receiving the blessing of God,
through you. This day, mark the events
of your life as memorials, testimonies to the light.

May 29, 2011

Do
not mistake
what is, for all that is.
And The Holy Spirit says:
The situation currently with you, loosely translated to,
'what is,' is the continuation, of the creation, of yourself,
the things you do, and a continuation, of the creation,
of others, the things those of Earth do.
What is can be altered, by
what you think,
and say,
and do,
setting
you firmly
on the pathway
toward 'All That Is.'
It is time to evolve, so that you might know
it is up to you to change what is to All That Is.

May 28, 2011

Embrace
The Wind.
Let it move into, and
through you, cleansing you, re-
arranging many things that sat in place
for a long time. Open your arms,
and welcome The Wind.
And The Holy Spirit says:
Just as the sailor
waits for
the wind
to fill
the sails,
be eager to let
The Breath of Spirit,
fill you, to take you places
you would never go, without the power
of The Wind in your sails. Today, ride The Wind.

May 27, 2011

I
call you
to come, and sit with Me,
and we will talk, and you will be free, of: worry,
concern, and anxiety. Come, and talk with Me.
And The Holy Spirit says:
There is precious
reunion
when
a child,
who thought
he was lost, turns around,
and sees his parent. It is sweet, it is
loving, and the first thing they do is embrace.
The child says, "I thought I was lost." And the parent says,
"I'm here. I will always protect you. I will hold you near." When
you feel alone, or lost, you are as the child. But all you have to do is
"turn around," and you will see The Parent. God is always near!

May 26, 2011

If
you will,
in confidence,
ride The Wind,
The Holy Spirit will take you to places
that you are to go. You will be where
you are to be, if you, in confidence,
will ride The Wind.
And The Holy Spirit says:
Anointed, by the hand of God,
encouraged, by the hand of Jesus,
and lifted-up upon My breath; this is
how you are travel over Earth, blessed,
three (3) times blessed. Therefore, go forth
in the name of The Father, and the Son, and
The Holy Spirit, and see, and know, and hear,
and grow in wisdom as you walk over the Earth.

May 25, 2011

Infuse and instill, into
all of your creations, that
which is good, that which
is holy; create, with light.
And The Holy Spirit says:
Let everything you do
be a reflection
of you.
Bless
the Earth
with that which
you are creating this day.
Bless the Earth, with your light!

May 24, 2011

With every thought, you conceive;
with every word, you bring the conception
to life upon Earth; with every action, you set it
more firmly into place, in the present time.
Be mindful of what you are conceiving,
and delivering, and giving life.
And The Holy Spirit says:
Today, with every thought,
weight it. How
does it feel?
Does it feel light,
of Heaven? If it does,
welcome it in fully, embrace it,
and let the conception be complete. But if there is
the slightest shadow in your thought, cast it from you, so
that you might be: pure, a pure vessel, for the thoughts of God.

May 23, 2011

Let
today be the day
that you intentionally see
beyond the parameters of human sight.
Today when you look at the tree, close your eyes,
and then open them again, as if you were seeing
the tree for the first time. Today, open
the eyes of your soul, and see.
And The Holy Spirit says:
There is often
so much
to do
that you
put your head down,
and push your way through.
You get everything done, and checked-off your list.
You move through the day, working; but the day is so sweet,
if you just take the time to pick-up your head and look around
once in a while. Open your ears, once in a while, and listen for
the song of the bird, the whisper of The Wind in the trees. These
things are the blessings, upon the work of the day. Today, do that
which needs to be done, but do it in the light and the glory of The Son.

May 22, 2011

I
promise you
everlasting, eternal life;
and I guarantee, that from
the gifts of The Holy Spirit,
you will produce the fruits,
which will lead you into
a life more abundant,
than you can now
imagine.
I promise,
and guarantee,
an abundant life.
And The Holy Spirit says:
By using the gifts you have been given,
you will produce the fruit, which will sustain you
in every way, promising, guaranteeing you: a life rich,
rewarding; a life more abundant than you can now imagine.

May 21, 2011

Do
not overlook
the beauty of the small,
by being swept away, with
the magnificence of the grand.
All things are as they should be,
in support of each other; this
day, see the beauty of each
thing, the great, and
the small.
And
The Holy
Spirit says: The
masterpiece is not complete,
until each section, each portion,
each piece, is in place, supporting, playing
a part; for you see, it is all one, connected with God.
Today, open your eyes, and see the great, and the small.

May 20, 2011

When you touch the heart
of one in sorrow, you deliver the gift
of love, so they might be made whole.
And The Holy Spirit says:
When you find one weeping, you do not
have to cry with them. When you find
one weeping, take them in your arms,
and let the tears you feel welling-up
within you, wash away the sorrow
with the love and light of God.
Do not go into their misery.
Deliver the love and vic-
tory, of God. This is
The Way to heal
sorrow.

May 19, 2011

I have given
to the birds the gift of flight,
traveling the air, day and night.
I have given to the flowers of Earth,
great beauty. I have given to the trees,
strength, and a duty, to clean the air
and make it pure, for you to breathe.
I have written a song for the streams
and the rivers to sing. I have done
these, and many things, so you
might 'see, and know,' My
Presence, and then be still
and know, within you,
I have planted all
these things!
See! Feel! Know!
I have given you all you need.
And The Holy Spirit says:
Come, let us walk, into this day, together;
and what you do not clearly 'know,' if you ask,
I will tell you, I will show you. If you ask, this day,
I will give you wisdom, in every way; for, I have been
poured-out, upon you. I AM with you to show The Way.

May 18, 2011

I
wish
for you
to know joy.
I wish for you to know the joy of play; for, as
you play upon the Earth, laughing, and dancing, and
singing in wonder and amazement at the creation
all around you, you are in constant prayer.
And The Holy Spirit says:
Think of how your heart sings
and you smile,
every time
you see
your loved ones,
joyfully playing, happy, content.
This is the same, with God, your Creator,
experiencing joy and contentment by watching the children
playing, in the garden of Earth. So today, let play be your prayer.

May 17, 2011

When tears fall, as the rains
from the sky, be still, and
My light, will fill you,
and deliver a rainbow.

And The Holy Spirit says:

The light of God
will touch
the tears,
and bring
forth the rainbow.

See the colors. See the light.
See the joy. Know the delight!
For as the spring rain brings
the promise of flowers, and
plants, and trees
blossoming
in the light of God,
so too are the days of your life,
a promise, of blossoming, in the light of God.

May 16, 2011

When you understand
that you are an eternal being,
that you live forever, it frees you
to enjoy and experience the present
in all it's glory, creating a part of
the creation story, by living now,
today, in the eternal present.

And The Holy Spirit says:

How many times have you
thought or actually said,
"If I had enough time,
I would..." Well,
you do have
all the time
it takes
to do:
that which
you are led to do;
that which you desire to do;
that which you are meant to do;
you have eternity; you have time.
You have all the time in eternity.

May 15, 2011

A
good tree
does not produce
rotten fruit, nor does
the rotten tree produce good fruit.
The tree is known by the fruit.
And The Holy Spirit says:
Be mindful of your
thoughts, for
it is from
your thoughts
that your words,
and actions, flow; and it is
from your words and actions
that those around you 'know,'
what is carried, within your heart,
what is created, within your thought.
Be mindful, of what, you are creating.

May 14, 2011

Today, bless
the Earth wherever you go.
Bless each person you see. Bless
the song of springtime you hear.
Bless this day, as a piece
of eternity.
And
The
Holy
Spirit
says:
This day,
open your eyes, see
as God sees, and bless that which you see.
Open your ears, and hear as God hears, and bless
that which you hear. Open your heart, and love as God loves,
and bless all that you love. Follow your heart, and let each footfall
kiss the Earth. Extend your hand to every woman, child, and man,
and bless them, as they come to you. This day open, and bless the Earth.

May 13, 2011

You can
change the world
by acting from the power of love
in every situation you encounter
throughout your lifetime.
And The Holy Spirit says:
You have
a golden
opportunity.
You can bless
every moment.
You can bless every
situation you encounter.
You can bring the gift of love,
blessing and releasing, perfecting
each moment, creating a treasure for eternity.

May 12, 2011

Open your eyes and begin to see
every possibility brought to thee.
See what is set before you.
And The Holy Spirit says:
When you open
your eyes
and see,
as God sees,
you no longer consider
the days filled with opportunities
as difficult days, you see these days
as days in which you get to master
the situation, using the gifts
of The Holy Spirit,
bringing light
to the world,
where there was shadow
or darkness, confusion or chaos. Use
the opportunities, and bless what is set before you.

May 11, 2011

You
bless the world,
and all who are in it,
every time you choose
to use - the gifts - of
The Holy Spirit
of God.
And
The
Holy
Spirit
says:
No matter
what the situation
you have the box, the gifts,
the tools of The Holy Spirit of God
at your disposal; use the gifts, and bless the world.

May 10, 2011

See
the plan
set before you,
and follow The Way.
The 'signs,' will come to you,
each day, as you walk along The Way.
And The Holy Spirit says:
Rise-up and go into this day,
with your head-up,
looking all
around
to see,
that which
you are to see,
to be all that you are to be.
Rise-up this day, and follow Me.

May 9, 2011

Once
the commitment
is made, there is clarity.
And The Holy Spirit says:
During the decision making process
there is concern, there are questions;
but once the commitment is made,
all things fall into place,
and there is clarity.
Make the
commitment;
and, you will
receive direction
more clearly, because
you know where you are going.

May 8, 2011

Spend your days
upon Earth: living
in the garden, knowing
what you are doing, and
you will be happy, and
joyful, and at peace.
And The Holy Spirit says:
Live your life, in
the garden
of God,
for
it is
in the garden: where
you will find abundance,
where you will find life, where you
will find joy, and happiness, and peace.

May 7, 2011

Acceptance
is a pathway: into
understanding, and realization,
revelation, and awakening. And The Holy Spirit
says: Today, make it your intention to accept the day, and
what comes to you, knowing full well, that any change or modification
is to be made, from within, you. Accept. And as you shift your position
in such a way that you see, through the eyes of God, what is happening
around you, there will come to you great understanding: it will settle
within you; and, the realization that you are, truly,
a child of God, will bring revelation;
and as you walk into revelation,
you will be awakened
to All That Is.
Today,
accept
that which
comes to you,
and see it, as God sees it.
Today, be perfect, as God is perfect.

May 6, 2011

See
springtime,
summoning forth
the beauty of Earth:
flowers and trees, the grasses,
the birds and the bees. Feel My
Presence, in these things, and
'know,' My love is with you.
And The Holy Spirit says:
Springtime,
new life,
rebirth,
growing,
blossoming,
flowering in the light.
See this and know it is springtime
within your soul, and spirit. Open to
the possibilities, and let your heart sing,
of the sweetness, that you see, and call spring.

May 5, 2011

When
you see
the light
you will know it is time to awaken.
And The Holy Spirit says:
When you see the light, the morning light,
you know
it is time
to awaken,
and walk into
a brand new day.
When you see the light,
the light of God, you know
it is time to wake-up from
your slumber, and walk in-
to a new piece of eternity.

May 4, 2011

Knowing
how to live a life
more abundant, and
rich, is the gift,
I give, to
you.
And
The
Holy
Spirit
s a y s:
Existing
is as simple
as surviving
in the situation
in which you find
yourself; living is being
in the light, and the love,
and the power flow, of God,
wherein you illuminate the situation
in which you find yourself, and bring
peace, balance, and harmony to Earth.

May 3, 2011

That
which
you are to experience
is set before you; now,
go forth, and
experience
life upon Earth.
And The Holy Spirit says:
When you experience Earth,
while knowing you are a child of God,
Earth reveals mysteries, illuminating
eternity, with the magnificent creation of God.

May 2, 2011

See
the ripe buds
of springtime, burst open
in the light of the sun,
revealing
life.
And
The
Holy
Spirit says:
Throw open your heart,
and your soul, and your spirit,
so that the ripe buds of eternity,
held within you, may burst open
revealing life in My light,
in the light of God,
in the light
of The
Son.

May 1, 2011

Remember,
you will reap what you sow,
what you plant your garden will grow.
And The Holy Spirit says:
Be mindful of the seeds you are planting, for
whatever you plant, your garden will grow.
Reject the seeds of judgment,
condemnation,
anger,
hatred,
jealousy
and greed,
such seeds will bring you
a garden filled with unhappiness,
one not fit for eating, one not pleasant to the eye.
Rather choose, the seeds, from the gifts of The Holy Spirit,
planting joy and compassion, love, kindness. From these seeds, you
will be pleased with your garden; for whatever you give, you receive. If
you judge, you will be judged; if you condemn, you will be condemned; but
if you give the gifts of light and love and peace, that, is what you will receive!

April 30, 2011

When it is time
The Wind will blow
and carry those willing
where they are to go.
And The Holy Spirit says:
Once you make the
commitment
to do
the
will
of God,
there is no need
to concern yourself about:
what to do, where to go, how to do it;
just be ready, and when The Wind rises-up and
begins to blow, it will carry you, where you need to go.

April 29, 2011

Today,
is a piece of eternity,
prepare it well, create it
with enthusiasm, for
it lives, forever!
And The
Holy
Spirit says:
When you realize
that your days are created, for eternity,
that they are an eternal piece of All That Is, you
sing-out, in wonder; and set about making the perfect day;
and the perfect day is enshrined within the atmosphere of peace.

April 28, 2011

Do
not
resist
using days of rest
to recover, to refuel, to become vital,
and living in full energy, once again.
And The Holy Spirit
says:
Days
of rest
are just
as important
as days of physical
action. Use them well,
and you will be in balance soon.

April 27, 2011

Treasure
your time upon Earth
as the opportunity that it is.
And The Holy Spirit says:
Do not use your time, and your energy,
working with lamentation, and misery.
Your time upon the Earth is limited,
and it is your opportunity to bring
the glory of God, onto Earth.
It is your chance. It is
your time. Use it,
for the glory
of God.

April 26, 2011

When
you are tired,
be mindful of temptations.
And The Holy Spirit says:
When you are tired, when you are weary,
be vigilant for temptations. Stand
in the light of God. Stand
in the light
of God,
and rest.
Be at peace
in prayer; and,
as your body recovers and
grows stronger, the light will fill you.

April 25, 2011

When you
awaken in My light
you become enlightened, and
that which was hidden from you
in shadow and darkness, is illuminated
so that you might see, and know The Way.
And The Holy Spirit says:
The enlightened ones, those who have awakened
in the light of God, those who see and know The
Way, are walking upon Earth. Watch for them.
You will know them by the outward signs;
for, they will be the ones who reject
shadow and darkness, and
shine as the
sun.

April 24, 2011

Death
of the old ways
brings life to the new way.
And The Holy Spirit says:
For the tree to experience new life,
new buds, the leaves of the old year
must wither and die, and fall
away; and, in this process
the tree is prepared
for the
buds
that
come
in the springtime,
bringing forth the leaves,
which unfurl, and open, in
The Light, of The New Day.

April 23, 2011

The
most
valuable
gift you can give
is the memory of
a loving experience.
And The Holy Spirit says:
The memory of
a loving
experience
cannot be bought,
cannot be sold. It is
a 'priceless treasure,'
more valuable than gold.

April 22, 2011

As My glory shines within you,
let your glory shine, within Me,
in all you think, and say, and do.
And The Holy Spirit says:
If you will walk just one hour, in the light of God,
you will seek no other way to walk. If you will sit
in the light of God for just a day, you will seek
no other place to sit. If you will stand
in the light of God,
for just
one week,
you will seek
no other place to stand.
Live, love, laugh, and be
happy, in the light of God.

April 21, 2011

I
wish
for you
to awaken
in the light
of the sun,
and walk
into the
new
day,
which

has just begun.

And The Holy Spirit says:

Most of the beings upon Earth
are deep in sleep, as the dead, they
have not awakened to real life, true life,
holy life, as it can be, walking Earth, awakened
in the light of the sun. This day, rise-up from your slumber.
Do not be counted among the dead, be counted among the living.

April 20, 2011

Reject outright
reacting to another's energy;
choose instead to act within the power
of My love. Choose action, in My love.

And The Holy Spirit says:

When you choose to react to another's energy,
you get caught-up in the energy,
stuck in the web
of another's
creation.

Choose first,
and embrace
the action that you create
within the power of God's love! And,
you will feel freedom, you will feel light,
and you will feel the power of God. Choose
acting in The Light, Love, and Power of God!

April 19, 2011

That
which
you see
is as the tip
of the iceberg,
with a body of water,
covering more, much more.

And The Holy Spirit says:
You see the obvious, that which is revealed before you; but
with the proper tools, you are aware of more. It is through
using the gifts of The Holy Spirit that your eyes, the eyes
of your soul, are opened, and you see, as God sees. Use
the gifts of The Holy Spirit as tools to illuminate
that which is not obvious
to the human
eye.

April 18, 2011

Serve
others,
before serving yourself.
And The Holy Spirit says:
Dry the tears of another,
and your tears will
be diminished.
Comfort the sadness, for
another, and your sadness
will be greatly diminished.
Heal the wounds of another,
and your wounds will be healed.
Whatever you do for another,
you do for yourself.
Whatever you do
for another, you do
for Me, for we are all One.

April 17, 2011

Any
change
you wish to create
should begin, within
you.
And
The
Holy
Spirit says:
Real, substantial,
long-lasting change,
always begins, within you.

April 16, 2011

You
will experience
peace, when you create peace.
And The Holy Spirit says:
It is true. You will experience peace, when
you create peace. You will experience love,
when you create love. You will experience
joy and happiness, when you create joy
and happiness. You experience
that which you
create.

April 15, 2011

Gather
together
in joy, and happiness
will be the song you sing.
And The Holy Spirit says:
There
comes
a time
of laughter
and song, of joy
and peace, of balance
and harmony. It is a beautiful
time. It is a beautiful song. Sing.

April 14, 2011

The
most
important
thing you can do for someone,
for another person, is to give them
the gift of your kindness, and
let My love flow,
through
you to
them.

And The
Holy Spirit says:

When you are wondering
what you can do, for this person
or that person: be still, and know,
the most precious gift, you can give
another human being is the gift of kindness
and attention, thoughtfulness. And, as you do
these things, you will open the corridors of your being,
so that the power of God's love will flow through you, onto
them! They will 'feel, the glory of Heaven, by being, with you!'

April 13, 2011

Shine
like the sun,
for you are My child.
And The Holy Spirit says:
Shine like the sun, sing
like the birds, blossom
like the flowers, reach
into the heavens
like the trees,
and move
over the
Earth
like The Wind, for
you are a child of God!

April 12, 2011

In
the
coming,
and the going,
your earthly travels, tell the story.
And The Holy Spirit says:
As sunlight
brings
brilliance
to that which is,
let your presence
bring The Light of God,
as you move along The Way,
as you make the journey over
Earth today, be The Light of God.

April 11, 2011

Listen
to the song
of the birds, and learn:
they rise-up singing, joy is theirs.
Listen to the song
of the birds,
and rise-up
singing,
and joy
will be yours.
And The Holy Spirit says:
Do not change your song of joy,
because of the circumstances of the day; sing,
so that God knows, that you see, and feel, and hear; and,
experience Earth, as it is intended. Rise-up, and sing, as the birds.

April 10, 2011

Let
My love
flow upon the Earth
through
you.
And
The
Holy
Spirit says:

It is through you
that God's presence
flows upon the Earth.

And it is done every time you choose
to: love your enemy; do good to those
who hate you; bless those who curse you;
and, pray for those who mistreat you; for,
as you do these things, you do the will of God.

April 9, 2011

When you walk along
the pathway of today,
be quiet, and listen,
and you will hear
My whisper, as
it rides The
Wind.

And
The
Holy
Spirit says:

Some years ago,
when you were a child,
you played outside: and
the call of the bird was sweet;
and The Wind on your cheek,
you 'knew,' was a kiss from God; and the water
that splashed in the stream nearby, cleansed you, and
made you whole, and happy. Some years ago, when you
were a child, you 'knew,' the voice of God. Go there, today!

April 8, 2011

Set
that which
you have learned
from the world aside, and
today, come to ME, as a child.
And The Holy Spirit says:
Today, for today, make it your intention
to take-off the robe of ego, and slip into
the robe of a child of God. Sit in
the lap of God: and power
will be yours,
through
creation,
and imagination;
energy will be yours, through joy;
and you will 'know, the love of God,'
all the day, for it will be 'your wisdom.'

April 7, 2011

Accept
that which
comes to you,
with an open, and
willing heart, to love.
And The Holy Spirit says:
Anything: delivered to your doorstep,
carried to you, brought to you, is yours.
What you do with it is your gift to God.

April 6, 2011

Close
your eyes,
and pray - for
the gift of vision,
so you might - see,
without judgment.
Remove the mask
of ego, so you
might
see.

And The
Holy Spirit says:
Set aside the mask of ego,
which alters your vision, and leads you
into judgment. Close your eyes, and pray;
pray for the gift of vision; so that you might see,
as God sees; so that you might see, through the eyes
of God; so that you might see through the eyes of love.

April 5, 2011

I
AM
the source
of the power, which
is your connection with
the present eternity.
And The Holy Spirit says:
Be mindful, and
know this,
it is the power
flowing from God,
into and through you,
that keeps you connected
with the eternal presence, of All
That Is. It keeps your present, eternal.

April 4, 2011

Speak
with a gentle,
loving voice; and,
your words will be heard.
And The Holy Spirit says:
Do not spend your day
criticizing yourself
or others.
Spend
your day:
loving, singing,
laughing; for, to love
one another is The Way.

April 3, 2011

Love your enemy, as I love you.
And The Holy Spirit says:
Strip away your ego, and stand before
your enemy as the vessel of God's love.
In this Way, God will love through
you. In this way, it is possible
for you to do, love your
enemy, as God loves,
through
you.

April 2, 2011

Greet
the promise
of this new day,
with Me. Walk with Me;
talk with Me; dance with Me; and pray with Me.
Greet the promise, of this New Day, with Me.
And The Holy Spirit says:
The invitation
has been
given.
If you
will accept it,
you will spend a day,
a heavenly day, with God; and,
when it is time for the sun to set, and
night to begin, you will find new wisdom
is yours, new wisdom, given to you by God.

March 31, 2011

Hear
Me, you are
an eternal being;
live as if you know this.
And The Holy Spirit says:
Today, you are preparing to create
a portion of your eternal presence. Let
The Power of God move you. Let your
thoughts, words, and deeds, be filled
with light, and the glory of the story
you are telling, in the present,
will illuminate eternity
with your
light.

March 30, 2011

I
send
you forth.
Go into the world.
Go into the world and be My eyes, and
My hands, and My feet, be My ears and
My tongue. Go into the world,
and be My
heart.
And
The
Holy
Spirit
says:
This day
rise-up and go forth
into the world, and bring peace,
and light, and love, to all those who
will hear, and know, the word of God.

March 29, 2011

I wish for you to know love. I did not create hate.
The energy of hate was created within the world.
Therefore, it is not necessary for you to know
the things created in the world, before
you can know the things created
in Heaven. I created love.
My creation is love.
My creation is you.
And The Holy Spirit says:
Remember, it is not necessary
to know the things of the world, so that you might enjoy
the things of Heaven, the things created by God.
God created joy. Sorrow, and anxiety,
and the feelings of being alone,
were not created by God.
Therefore, it is not necessary
for you to study, the ways of the world,
in order to understand the ways of God.
God created you in love, and joy. Therefore,
that is where you belong this day, holding love and joy.

March 28, 2011

Peace
is yours,
when you are in
balance, from within.
And The Holy Spirit says:
As you begin your day, sit with God; be still; ask
what you should do this day, and it will be spread before you:
perhaps in a knowing; perhaps you will hear the words, from the core
of your being; perhaps you will feel the answer, and know it.
If you will begin your day, asking for guidance,
you will be led.
And in this way
you will come to live
in peace, leaving chaos
and confusion in the shadows of darkness,
walking into the light, led by the hand of God.

March 27, 2011

You
must
be willing
to accept The New Covenant
before you can live The Way.
And The
Holy
Spirit
says:
Along
The Way
you will hear the echo,
carrying The Voice of One,
sent to deliver the word, the new law,
the code, the covenant, 'Love your enemy. Do
good to those who hate you. Bless those who curse you.
And pray for those who mistreat you.' This is The Way.

March 26, 2011

That
which you
are seeking
will be found
within the
state of
peace.

And
The
Holy
Spirit says:

Check your seeking,
so that it is not done frantically,
bumping into this, knocking that over,
running in circles, accomplishing little. Check
your seeking, so that it is done in peace, moving with care.
That which you are seeking, will be found within the state of peace.

March 25, 2011

Eat of the fruits
and drink from the vines
of the garden prepared for you.
And The Holy Spirit says:
When you care for, and nurture,
your spirit, your physical
body thrives, is sustained,
and fulfilled, in
the light of
God.

March 24, 2011

Let your intention be: to understand
rather than to be understood; listen over speaking.
And The Holy Spirit says:
Maintain an open channel to God's power. In doing so, the doors
are open, and God will deliver whatever is needed. Be God-like.
That which you feel you need, deliver to another; and in this way,
you will, in-deed, receive the gift. When you feel you are
misunderstood, listen, more intently; and ask God
to fill you with the gifts you need... to deliver,
what is needed. When there is a need
for understanding, listen, and
deliver the gift, and in
the giving of it,
you shall
receive
it.

March 23, 2011

My
Creation
of Earth speaks to you,
if you will be quiet, and listen.
And The Holy Spirit says:
Listen and you will hear
the invitation.
Listen
and you
will hear God's
creation calling,
saying to you, "Come.
Walk, into this day, and
let your presence in nature, be
that which you say." And the birds
will create the music, and the stream will write the words.
The flowers will be: the exclamation marks; and the commas,
and the periods, all the punctuation declaring it good.
And the budding trees will signify: the excitement; the excitement
of a new time; a new spring; a new birth. All of these things,
nature will teach you, if you will walk in quiet and peace, and hear.

March 22, 2011

If
you seek Me,
you will find Me.
When you find Me,
I will teach you, and
wisdom will be yours.
And The Holy Spirit says:
You have sought
the knowledge
of the world,
and as you
seek it,
it fills
you,
and
serves
you well.
Now, seek
the wisdom of God;
and, the wisdom of God
will fulfill you, and serve you well.

March 21, 2011

You can love the one difficult to love
by letting Me love, through you.
And The Holy Spirit says:
When you block the flow of God's love,
the love that is flowing to you,
into you, and through you,
you block your
ability to love.
Open the doors,
and let God's love flow
through you, and it will pour
onto those whom you cannot love
on your own. You have limitations. God
has no limitation. Let God love, through you.

March 20, 2011

I
have
given,
unto each
of you, the gifts.
Now, complete the presentation, by receiving.
Receive the gifts. Receive the gifts you carry, within.
And The Holy Spirit says:
The presentation of the gifts is not complete
until you receive the gifts; for,
within the reception
is the completion
of the presentation.
Once you receive the gifts, you
will begin to know them, and use them.
That is how The Kingdom of Heaven is at hand.
The Kingdom of Heaven, upon Earth, is through your hand.

March 19, 2011

No
matter
where you go,
you take that which
is within you, with you.
And The Holy Spirit says:
To feel the light of God within you,
and to feel your presence lighten
from the burden you carry
sit quietly and go within,
and there begin to
cast from you:
all the burdens
you have stored
within your being;
all the worries and concerns;
all the lies and the secrets. Bring them forward,
bless, and release them, and you will feel lighter;
and the light of God will flow from you, and you
will be relieved, and you will know, what it is to live.

March 18, 2011

If
you
will follow
the guidance I send to you,
if you will ride on the wings
of The Holy
Spirit,
you
will
have
a joyful life.

And The Holy Spirit says:
Understanding The Way to go
is an important part of taking the journey.

March 17, 2011

When
you come together
with another in peace,
there is unity, and balance.
And The Holy Spirit says:
Refrain from imposing 'your
will,' upon another. When
you come together,
come together
in peace.

March 16, 2011

I
wish
for you
to know:
the importance of incorporating joy
into your life; the importance of giving the gift of joy
to others, as you surround them with: laughter, and
a sweet word,
and a happy
disposition.
A joyful presence
is the presence of love.
And The Holy Spirit says:
The one who carries a joyful heart is not loud,
does not make noise for the making of the noise.
The one who carries a joyful heart is at peace, is
content, is in balance, with All That Is. Joy is
the song of contentment, and peace. Reach-
out your hand, to take another's hand,
and say, "Come. Let us
walk in joy, this
day.

March 15, 2011

See
how the night
gives way to the dawn
of a new day; because, it is time.
And The Holy Spirit says:
When it is time, act. When it is time, rest. See
how the sleep of night, gives way to the actions of
the day, when it is time. There is a time to rest,
and a time to be active. There is a time to sit,
and a time to dance. There is a time to listen,
and a time to speak. There is a time for
all things, it is balanced. Open this day
to the balance of all things. Center
yourself, in such a way,
that you embrace
the time.

March 14, 2011

I will call you, and
lead you, in the right direction,
if you will put your trust in Me.

And The Holy Spirit says:

You will hear
the voices
of many,
calling
to you,
telling you
do this, do that,
go here or there,
when it is apparent
you are lost in confusion.

And the voices of friends, and family, and well-
wishers, mean to do good. But when you find yourself
in this state of confusion, be still, and ask God for direction:
and you will 'know,' The Way to go; and you will walk in light;
and you will find peace. Put your trust in God, and go forth, in peace.

March 13, 2011

Within you
is the gift of hope.

Find it. Use it. Call upon it.

Strengthen your understanding of it;
for, it will be The Wind in your sails,
when it feels as if you are not moving
in the right direction. Call forth
the gift, and use it, it is hope.

And The Holy Spirit says:

Just as you plan
for a very important trip,
by making sure you have all you will need,
there was a great plan preparing for your journey to Earth, making sure
you would have all that you need to accomplish your mission, to do well
on your journey. There are many tools with you, some you know, some
are unfamiliar to you. Call for what you need, and you will find it is
with you. Hope is within you, and it is what will keep you going.

Call, and use the gift of hope,
related to faith, related to trust;
but the use of it will guarantee confidence
and courage in what you are doing. Use the gift of hope.

March 12, 2011

That
which comes
to you is yours.
Do, create, love,
and be life. You
live. Feel, and
experience,
joy!
And
The
Holy
Spirit
s a y s:
The one
who embraces
the wisdom of knowing:
they are an eternal being,
experiences joy! You cannot be
anything but joyful, in the realization
that you are eternal! Embrace eternity, joyfully!

March 11, 2011

Be
mindful of
what you think,
and say, and do; use
the Gifts of Spirit
to create in Light.
And The Holy Spirit says:
The enlightened one
chooses to use
the gifts
of
The
Holy
Spirit
as tools
to create; and,
the fruits they bear
are bountiful and good.

March 10, 2011

Live fully
and completely
every hour of this day.
And The Holy Spirit says:
Do not spend this precious
day, dwelling in the past,
or concerned about
the future.
Accept
the gift
of this day
and "live it,"
one hour at a time.
Live the present today.
And, you will be living in
the presence, of God, this way.

March 9, 2011

Comes
the morning,
dawn, a new day is born,
an opportunity to open your eyes and see
the glorious wonders all around you.
As the new day is born
be reborn
within it.
And The
Holy
Spirit
says: Rise-up
and greet the new day,
a new dawn, a new time. Rise-up
to create this day, for the glory of God.

March 8, 2011

Pay attention
to the trials, and challenges,
to the temptations, which come to you,
sometimes one right after another, sometimes day after day.
They are outward signs, of the portion, of your spiritual body
which needs work. Focus, focus on these places of weakness,
and you will make them strong, and soon, the trials
and challenges, the temptations, which once were
your weakness, will become the source
of your spiritual strength.
And The Holy Spirit says:
Just as you work on
the weaker portions
of your physical body, so
that they might be powerful,
and strengthen your entire body,
you must do the same for your spiritual body.
Identify the spiritual muscles which need work,
and then focus your attention there, so your entire
spiritual body is strengthened in the light of God.

March 7, 2011

I love you.

March 6, 2011

Open
and receive
My most powerful
and creative gift, the gift of My love.
And The Holy Spirit says:
Embrace the gift of God's love and let it fill you,
and let it flow from you onto Earth, onto
those of Earth.
In this Way
you will be
twice blessed,
for you will be blessed
in the receiving of the gift,
and you will be blessed in the giving
of the gift; so let the gift of God's love flow
freely, through you, onto all those of Earth.

March 5, 2011

It is more important for you to listen, intently,
to that which another says, than it is for you to speak
what is on your mind. It is in this Way, that you will grow
in wisdom, and learn, what is written on the hearts of others.
And The Holy Spirit says:
It is more important for you to know the heart of another,
so that you might grow, in wisdom. Therefore,
be still, and actively participate
in the conversation by
leaning forward, and
hearing, what
they are
saying.

March 4, 2011

You
cannot know
the power of My strength, within you,
until you surrender and take My hand
and let Me walk with you.
Then you will see
that which
you do
is done
through
My strength within you.
And The Holy Spirit says:
When you speak of the power of God, you
acknowledge the power and the strength of God;
but when you open, and accept, the power of God, you
begin to live, through the power, and the strength of God.

March 3, 2011

Be
at peace,
as My arms
are around you,
and you will be guided
and sustained by My strength.
And The Holy Spirit says:
When you feel as if you are crumbling,
lacking strength, lacking power,
be still, and ask
that you feel
the power
of God;
and, it will surge
and rise-up within you
and you will be renewed.

March 2, 2011

Do
not
hesitate
to act with
kindness and compassion.
Do not hesitate to perform deeds of mercy.
Do not hesitate to be the instrument of My love.
And The Holy Spirit says:
Every good deed brings more light upon the Earth.

March 1, 2011

Do not give worry, and
anxiety, a place within your heart.
And The Holy Spirit says:
Today, replace worry, and anxiety,
with these words, 'I see the test,
recognize the challenge, and
have faith, that I can walk
through adversity,
finding clarity,
in the light
of God.'

February 28, 2011

At
the core
of your being,
burns the eternal flame.
And The Holy Spirit says:
When you open to the presence of God
The Breath of Spirit brings forth the flame,
from the embers; and you feel life, from within.

February 27, 2011

The
temptation
which has been your challenge
can be seen clearly, as the
opportunity, in My light.
And The Holy Spirit says:
Temptations
will always
be with you, but
as you grow in wisdom,
you will 'know them,' and
master the energy, which may have
previously been your tripping-stone.

February 26, 2011

Today,
someone will feel
My love through you!
And The Holy Spirit says:
Rise-up, and sing! You hold
a joyful heart, within; and
it will deliver the love
of God to those
around you,
today!

February 25, 2011

I
will
lead you
through chaos to the light.
And The Holy Spirit says:
Even when you feel the tempest
of chaos, and confusion,
swirling
around you,
the hand of God
will calm the waters,
and you will 'know,' peace,
and see, with clarity, in the light.

February 24, 2011

The Way to plan for the unknown:
is to 'live, in the present, with Me;' to
be comfortable, in the present, with Me.
And The Holy Spirit says:
Know this, at the core of your being,
know this: every second of your
lifetime upon Earth, is The
Eternal Present! Live
in The Eternal
Present.

February 23, 2011

It is best
to be in balance
before taking another step forward.
And The Holy Spirit says:
The physical body cannot move easily
unless it is in balance.
It is the same
with the
spiritual body.
The spiritual body
cannot move comfortably,
in peace, without being in balance.

February 22, 2011

Use
My Power.
It is yours!
Use the power
I send to you.
Let it flow,
through
you,
and
infuse
all you do
with this power.
And The Holy Spirit says:
The extent of what you can accomplish
is not limited, has no boundaries, when you use
The Power of God, within you. Use the power!

February 21, 2011

Focus
your attention
on that which brings you: joy, happiness.
And The Holy Spirit says:
As you move through the ordinary day
it is easy to focus on:
the task at hand,
things which
must be done,
the work of the day;
and, in so doing, dismiss, or
forget to look, and see, the things
of great joy all around thee; today, focus on
that which makes you happy, filled with life!

February 20, 2011

It is
from within,
that you are led,
and guided, and
shown The
Way.
And
The
Holy
Spirit says:
It is from within,
that you are led beyond
the teachings of Earth, so that
you might 'know,' Eternal Wisdom.

February 19, 2011

That which
is on your heart
to do... is doable by you;
for, you would not desire to do
that which you cannot do. That which
is upon your heart to do... is written
by My breath. You asked; and,
you received, the gift is yours.
And The Holy Spirit says:
Ask, and you shall receive.
But today, ask for
great faith,
and embrace the gift
as it will be given to you, and
use the gift of faith to bring forth the gifts
you carry within, so that Earth will be blessed by you.

February 18, 2011

You are
who you believe you are.
And The Holy Spirit says:
You are an eternal being, a child of God,
with miracles waiting to unfold
from within you.
Believe
in who
you are; for,
there are great things
waiting to unfold, as you arise,
and say, "I am an eternal child of God."

February 17, 2011

Rise-up
and come to play.
Rise-up and come to pray.
Rise-up and come to sing a song,
celebrating the glory of this day.
And The Holy Spirit says:
That which is accomplished
with a song in your heart
becomes the gift of joy
that you offer to God
at the end of the day.
So come, rise-up
and sing.
Come,
rise-up and play.
Come, rise-up, and all you do
will be a prayer to God this day.

February 16, 2011

Prepare, and make ready,
for that which is yet to come.
And, The Holy Spirit says:
You can be ready for that which is yet to be,
by accepting that which comes to you, in
the present, seeing, the value of it,
because, it has come to you.
Make ready The Way
by opening your
heart today!

February 15, 2011

Everything
that comes to you
is a piece of the puzzle,
yet to unfold; see it that way,
and the day will be filled with awe,
and wonder, and revelation, and glory.
And The Holy Spirit says:
You have been assigned a portion
of the great masterpiece,
The Divine Plan.
It unfolds:
within you;
within each
thought, word,
and deed. Therefore,
embrace that which comes to you today.
It is a piece, of the masterpiece, of all time.
Valentine's Day

February 14, 2011

When My love touches your heart
it explodes onto the Earth, like millions
of particles of light, so brilliant they rival
the stars in the sky on a clear winter night.
And The Holy Spirit says:
When you 'open your heart,' to the love, of
God, the gift is given unto Earth; and
Earth is a magnificent, joyful,
and brilliantly
colored, place
to be.

February 13, 2011

I give unto you the gifts,
so you might know The Way.
I plant within you the seeds,
they are the Words I say;
and, the Words I say
are blessings upon
you, My
child.
And
The
Holy
Spirit
says: The seeds
you hold within you are
the Words of God; the seeds
tended by you, will yield: the fruits,
the gifts, the glory, and the power of God.

February 12, 2011

Whenever you feel
you have lost the connection
between you and Me, be still; and,
The Holy Spirit, within thee,
will lead you back to Me.
And The Holy Spirit says:
Open your heart,
open your arms,
open your eyes,
and go-out
into the
world,
and play!
See Earth: as it is today,
set before you, a magnificent array.
Play in The Garden, with comfort, and joy,
knowing I AM with you, forever, I AM with you; for,
I AM The Spirit of God, within you, sent to you, by God; so, play.

February 11, 2011

The pathways Home, back to Me, are as unique,
as each of you, are uniquely, a piece, of the One.
And The Holy Spirit says:
When your heart is open, and you see and hear with the eyes
of your soul and your spirit, it is possible for you to know,
and honor, the path you walk, while you respect, and
know, the pathway of others. Open your heart,
open your eyes, and your ears, in such a way
that you see as God sees, and you will see
clearly, and 'know:' there are
many gifts, one Spirit;
there are many
paths, one
God.

February 10, 2011

Use the power that is yours
to create: in the light; of the light;
by the light. Create the things, of light.
And The Holy Spirit says:
Do not use your precious energy chiding
yourself, or others, for something
you think was not done right.

Use your precious
energy, and
power, to
create an
atmosphere,
an environment,
that glows with light;
positive, free, magnificent
and amazing, it will all be.

February 9, 2011

The more frequently
you will speak with Me,
the more clearly you will
hear Me; and, know Me.
And The Holy Spirit says:
You can recognize the voice
of one you love, even in
a crowded room.

It is the same
with The
Voice
of God.
The closer
you are to God,
the sooner you will
recognize The Voice of God

February 8, 2011

Watch for the signs, they
will show you The Way.
And The Holy Spirit says:
The signs will come.
They will come
to you
and bring you
comfort; for, as you see
the signs, you will know
The Way, with surety
and clarity.
So begin
the day,
waiting, watching,
hopefully seeking the signs.

February 7, 2011

There is
an element
of wonder, and awe, when you recognize,
when you wake-up, and realize, that you
are the source
of the light.
And The
Holy
Spirit
s a y s:
Awaken
to the light
that is within you,
and bring it forth. It is
in this Way, that you will walk
through any shadow, or darkness, being
the light, and seeing The Way, with clarity.

February 6, 2011

Return
to the simple
to experience the
grand, and infinite.
And The Holy Spirit says:
Simple acts of kindness
create an environment
wherein goodness
thrives, and
grows,
so that all
might experience
the grand, and infinite.

February 5, 2011

Every
challenge
presents the golden opportunity
for the gifts you carry to bear fruit,
so the world might see
the tree is
good.
And
The
Holy
Spirit
s a y s:
This day
be still, and thankful;
hold gratitude upon your heart;
for, the gifts you have been given, the gifts
you bear, the gifts you carry, will bring forth the fruit; and,
by the fruit, the world will know you, who you are, and what you do.

February 4, 2011

Messages

come to you every day

to help you as you walk along The Way.

And The Holy Spirit says:

Messages come to you in so many different ways; and, once you begin to see the signs, to know them, for what they are, your way upon the Earth will be easier. Stop, and think, as you make your way through this day.

What did the person say, as you made your lunchtime purchase?

What did you hear?

What did you hear

from a passing conversation?

What did you hear?

What did you see play-out before you?

What did you dream... how did it feel?

These are but examples of The Way, messages come to you. Today, think upon it; and, be still.

February 3, 2011

What

you are

willing to see, you will see.

What you are willing to hear, you will hear.

What you are willing to know, you will know.

And what you are willing to do,

you will do,

in peace.

And The

Holy Spirit says:

Once you return

to the core of your being,

where you are the light, you receive the power to do, what it is you are to do.

February 2, 2011

That
which
you know,
through The Holy Spirit
of God, be willing to do,
through
the grace of
The Holy Spirit.

And The Holy Spirit says:
This day, embrace the grace of God.
Let it permeate your being, so that
you are willing: hands, and feet,
and eyes and ears and the lips
and the heart of God. That
which you know, by
the grace of God,
be willing
to do.

February 1, 2011

It is possible to love all you encounter,
by using the love flowing from Me to you.

And The Holy Spirit says:

If you will use the love of God, flowing constantly to you,
and let it flow through you, covering all you see upon the Earth,
you will love as God loves. If you intercept, and block, the free-flow
of God's love into you, and through you, placing obstacles in the way,
such as: judgment, pride, anger, confusion and chaos, hatred, anxiety, worry, concern,
things such as these, then you will have to love on
your own power, because you will be blocking the free-flow
of God's love. Today, begin removing the obstacles,
one at a time, so that the love of God flows
through you, and makes it possible
for you to love
in the glory
of God.

January 31, 2011

When
you go-out
into the world, remember
who you are, you are My
child.
A n d
The
Holy
Spirit
s a y s:
When you
remember,
and awaken to
the realization, that
you are a child of God, that
which you think, and say, and do,
"reflect the memory, within you."

January 30, 2011

In the
beginning,
I created with love.
Therefore, in the beginning, the creation is love.
To experience Earth, as it is intended to be, connect, with
that which I created, connect with the creation energy, as
you walk upon the Earth, and open-up your being.
The Hallway of Eternity is within your being.
Throw open
the doors,
so that My Power,
might flood you, with light.
And The Holy Spirit says:
It is possible to walk within the world,
yet, not be of the world. In this way, you move
over Earth, as The Light of God, illuminated fully,
using the blessings of Earth to magnify the glory of God.

January 29, 2011

Once you have taken the first step into realization
that "you are a child of God, you awaken." You awaken
in the light, and realize that all that I AM, you are. My power is
within you from the moment of your creation, your eternal creation.
At the core of your being is a piece of Me, which I give to you. And,
I will not let My light go out; I fuel it with the power I send to you.
And The Holy Spirit says:
Once you are living within the realization of the light, you begin to feel
the power of God, moving within you. And, at that precise time,
your heart speaks, when your lips cannot find the words;
and the song your heart sings is... Let my soul
magnify the power of God, and
like a river, flow,
upon the
Earth.

January 28, 2011

That
which
comes to you,
is yours to master;
whatever knocks upon your door
is yours to resolve. I give you
the key, use The Power, from Me!
And The Holy Spirit says:
Throughout every day, situations
arrive at your doorstep, and it is
your golden opportunity
to accept
that which is
delivered to you,
so that it might be
mastered, through you.
No matter what comes to you, it is yours;
master it, and be on your way; for, this is how
you grow in confidence, one step along The Way.

January 27, 2011

Sometimes you see with your heart.
Sometimes, you hear, with your soul.
Sometimes, you sing, with your spirit.
And The Holy Spirit says:
Do not close the doors of possibility and opportunity
based upon preconceived notions, ideas, or
the limitations of your earthly eyes,
and ears. Throw open the door,
clear "the avenues," of your
being: so that you might
see and hear and feel
and know and be,
completely be;
so that you
might be
whole.

January 26, 2011

Bless
every
situation
you encounter,
forgiving all things.
Gather-up the lessons,
and carry them with you
to the present. You are to live
in the present, holding the lessons
of the past, so that you might walk in wisdom.
And The Holy Spirit says:
To truly live, you must stand in the present piece of eternity, without worry
or concern about the future, without pain from the past, without fear
of the future. Bring the lessons from the past into the present,
blessed, forgiven, worn as a noble robe, carrying you
through, each precious moment of the present.

January 25, 2011

Learn
the lessons
experience teaches,
so that you are not destined to
revisit the situation for correction.
And The Holy Spirit says:
Sit, quietly, with the lessons
of experience, so that
you might walk
in wisdom.

January 24, 2011

To
see
things,
as they are,
with clarity, requires: stillness, quiet.
It requires a balance at the core of your being;
and then, in harmony with All That Is, you see
with peace, and you know it is good.
And The Holy Spirit says:
To see, with
clarity,
what is,
requires
one to see
as God sees.
See with an
eternal eye, and
all will be in balance.

January 23, 2011

The
orchards
and vineyards,
of My Holy Spirit, are
within you. Eat... and live.
And The Holy Spirit says:
If you are thirsting for understanding,
I give you the fruit of patience. Eat of it.
I give you many fruits, and they will fill you,
and nourish you. If you thirst, I will give you
fruits of the vine. If you hunger, I will give you
fruits from the trees in the orchard, which grow
within you. There is a beautiful orchard, within
you,
I tend it,
so that it is ready
to harvest, when you
are ready to drink or eat.

January 22, 2011

If
you are
living in fear
of the future,
you cannot be
in the present.
And
The
Holy
Spirit
says:
Live, and
be, in the present,
as if you know it is All That Is.

January 21, 2011

Sit with Me,
so I might teach thee,
about the ways of temptation.
And The Holy Spirit says:
Often times it is difficult to recognize the temptation, disguised in,
what appears to be, "the thing to do;" but, you will know it, because,
when the temptation comes to you:
you do not feel peace,
you feel agitation;
you do not
feel peace,
you feel chaos
and confusion;
you do not feel peace,
you feel anger and frustration.
These "feelings" are not brought about
with a correct way to say or do something,
they are carried on the wings of temptation.
If it is not peaceful, it is temptation!

January 20, 2011

Today,
do first
that which
you wish to do the least.
And The Holy Spirit says:
You will free yourself
of: worry
and concern,
and frustration,
if you will do that
which you want to do
the least, first, today.

January 19, 2011

Every
situation
can be mastered, by
taking one step at a time
and praying for guidance, from
The Holy Spirit, all along The Way.
And The Holy Spirit says:
Whenever you accept the responsibility
to accomplish a task, know I AM
with you, I AM with you,
until the last.
Open
your
heart,
and your soul,
and your spirit,
and ask for guidance
and you will receive it, and
the situation will be resolved
in peace, and light, and love!

January 18, 2011

Do
not
delay
doing that
which needs to be done.
And The Holy Spirit says:
By not attending to that
which is
yours
to do,
you will
hold on to it,
until it becomes
a burden for you.

January 17, 2011

I love
each one of you,
in a most special way.
I love your unique qualities.
I love the difference between each of you.
I love the unity, and community, between you,
when you come together, in prayerful assembly,
honoring, and respecting, the unique and beautiful
differences celebrated, within each of you.
And The Holy Spirit says:
God celebrates each of the children upon Earth, because
God knows what is at the core of your being,
and celebrates the masterpiece, the magnificence,
that you are. Today, think about the beauty of
each unique piece, slowly coming together
in unity, to form the great circle
of children in communion
with God.

January 16, 2011

Do
not
limit
your sight
to that which you can see with the human eye.
And The Holy Spirit says:
Accept my presence with you.
Open and see.
See
with
your
heart,
and soul,
and spirit.
See with your ears.
See with your fingers.
Do not limit your sight
to that which you can
see, with the human eye.

January 15, 2011

Let
your sails
be filled with the breath
of The Holy Spirit, as you go forth,
into the new world. Carrying the love of God with you,
and truth shining from you, go forth into the new world.
And The Holy Spirit says:
Do not let your feet be locked in hesitation,
as the voice of God sends you forth,
go with a joyful heart.
Do not let doubt
lock your
hands, and
arms, in place,
reach-out to all who come to you, in grace.
Use the key of God's love to open your heart,
and at last embrace, the world, and
all the inhabitants, so they will
"know," the peace of God,
through you. This day
go forth in to
The New
World.

January 14, 2011

When
you are given
the opportunity
to be kind, accept
the gift, as it is precious.
And The Holy Spirit says:
One of my most delicious, and fragrant,
fruits is kindness. Eat of it! And it becomes you!
When you are presented with "an opportunity to be kind,"
accept it eagerly, and "be kindness," in a cold and harsh environment.

January 13, 2011

Everything you do
has an accompanying energy
which is used by you. Today, be mindful
when you "do." Select wisely the energy you will use.
And The Holy Spirit says:
As you go about your day, performing the tasks set before you
remember, whatever you do is imbued with the energy
you use. Create a magnificent garden
by using the energies
of light,
and love,
and peace.
Pick from the tree
which bears the fruits
of The Holy Spirit of God.
There you will find energy
which "blesses," all you do.

January 12, 2011

You
are each
to be led from within
by The Holy Spirit.
Listen, and begin.
And The Holy Spirit says:
I spring forth from God
to show you
The Way.
Listen.
Be still.
Watch for the signs I give you
today, and you will know, with
confidence, how to walk The Way.

January 11, 2011

Let
your hand
be the hand
of compassion
and understanding
for yourself and others.

And The Holy Spirit says:
The hand of compassion and understanding
paves The Way, for faith, hope, and charity.

January 10, 2011

When you accept others,
just the way they are, you
receive the gift of freedom.
And The Holy Spirit says:
When you are no longer intent
on tending the garden of others
your garden will flourish,
because you have
more time:
to weed,
to sow,
to harvest,
to sit and enjoy
the garden you grow.

January 9, 2011

The
mysteries
of the Kingdom of Heaven
will be revealed to you
when
you sit
with Me.

And The Holy Spirit says:
When you are quiet and sit with God,
the mysteries of the Kingdom of Heaven dissolve,
as the veil is lifted, and you are free to walk into eternity

January 8, 2011

The
presence
of a joyful heart
is the healing font for all.
And The Holy Spirit says:
A joyful heart is as a bubbling spring,
a free-flowing river, a mighty ocean,
a peaceful pond, beckoning all
who are thirsty to come
and taste, and join
in the song,
the joyful
song.

January 7, 2011

Begin
to see your
time upon the Earth
as a vital part of your eternal life.
And The Holy Spirit says:
The truth is you are eternally in the present.

January 6, 2011

If you
will be still,
and sit with Me,
we will change sorrow
and grief and mourning,
into happiness, trust, joy.
And The Holy Spirit says:
When you look to the power of God
for your strength, you will find it,
and you will rise-up in the light,
and the glory of God. Seek
and you will find.

January 5, 2011

Do not open the door
to the "temptation" of fear.
And The Holy Spirit says:
Believe, and be confident, that God
has given you all that is required
to accomplish your mission
upon the Earth; do not
live in fear, for it
will freeze you
in place;
believe.

January 4, 2011

My
Will
is that there be Peace on Earth,
amongst all those living there.
And
The
Holy
Spirit says:
The will of God
is that each of you
be the peacemaker.
Do not wait for another
to unfurl the banner! Lift your: heart;
your thoughts; your words and deeds, in peace this day.

January 3, 2011

Facing
challenges
and temptations successfully,
requires desire and intention,
and then, commitment,
to do it
for
the
glory
of God.

And The Holy Spirit says:
Every challenge and temptation
is an opportunity to strengthen your spiritual muscles,
to know what you can do in the light, and the power of God, in you.

January 2, 2011

The gift of great value
is of little value, until
it is embraced,
and used!
And The
Holy
Spirit
says:
Using
the gifts
you are given
opens the door to more.

January 1, 2011

Forcing an
issue, oftentimes
extinguishes the light.
And The Holy Spirit says:
By being the eternal flame,
and holding the power of God,
you will illuminate the truth.
