

THE QUIET PLACE

The Command

*"This is my command: Love
each other." ... Jesus ... John 15:17*

The Promise

*"If anyone loves me, he will obey my teaching.
My Father will love him, and we will come to him
and make our home with him." ... Jesus ... John 14:23*

Holding these words in our hearts, we opened the door
to the everyday Presence of Jesus, walking
with us ... teaching us ... The Way.

And, onto the mountain,
there came the words
...as promised...

Jesus Teaches On:

Use The Wisdom Of Yesterday, To Bring Forth, The Flowers Of Tomorrow

“I AM with you. Feel My Presence. I AM with you, as I promised. You are My sister. You are My brother. We are united, in The Father. And we are One.

“Come. Sit with Me a while. For I have something to share with you on this day, something that will help you, prepare for the coming year.

“Many of you hearing these words, or reading these words, are working through a process right now, reviewing the year that was, the year that was recorded as 2007 upon the Earth. And I say unto you: ‘Recalling celebration, great joy, moments of grand success, will be easy to find amongst the days, and is good.’ It is the seasoning to a fine pot of stew, adding the spice, bringing delight to your days. But what I am asking you to ‘remember,’ are the things that you might be tempted to push under a rug, to forget, to mark as ‘unsatisfactory,’ to attach the sign saying ‘failure.’

“In other words, what I am asking you to do is – revisit the moments of this year ending – to find the real gem stones, the real power, the real wisdom; for, celebration of a joyous event, can be fleeting. But the wisdom that comes to you in the hours of trial, trying, challenge, is marked upon your soul; for, they are the lessons of your lifetime, and deserve to be, in a place of honor. So, you see, it is actually the reverse of what you are taught on Earth. The most endearing to you, will be the times that you made it through the valleys dark, the storm, the tears. And you came out the other side, knowing that you could do what you thought you could not do, only hours, or days, or months before. These are the treasures of your life, for they bring you wisdom.

“As you spend the last few days of this year, I ask you to walk into the garden that is your lifetime. Move up and down the rows. Pull the weeds. Begin to hoe and prepare the earth. Tend your garden. I ask you to go back, and look at your garden. See the beauty. See all that you have done, and prepare for a new season coming. For as this year that is ending began in winter, a dormant period, and is ending just the same; so too, will it be, for the coming year. Now is the planning time. Look, and see, the vision for your garden.

“Now I will ask you, as you revisit the times of challenge and trying in the year 2007, gather them up, each lesson. Do not mark them, ‘failure.’ Gather the ‘Seeds of Wisdom,’ from the periods of trying, and carry them to your garden. Plant them carefully in the rows, so you can see how wisdom grows, next year. If you will ‘allow,’ each trial, experienced this year, to bring you the wisdom the lesson was meant to bring to you, then, with the coming of spring and summer, the flowers will burst forth upon the Earth, brought into being, by you, from a seed planted in the dormant period of planning, using ‘the lessons of the past, to plant the garden for the future.’

“Be willing to be still, and look at the trials with a new eye. See them, for the lessons, they are. Gather up the wisdom, that is yours; and carry it to the field, to the garden, that is your life. Sew these seeds of wisdom with great care and honor, giving thanks to God for bringing them to you, and respect to yourself for enduring the test. Thank all those who are involved in the lesson. And watch your garden, grow.

“There is great promise, in tomorrow. Many blessings come your way. Do not listen to the whispers, that tempt you to stray, from The Light and The Glory of God; for there is good, in all things; for you are to bless, all things.

“I say to you this day, as this year is passing away, as you are preparing for the new: ‘You are My brother. You are My sister. I will walk, up and down the rows of your garden, with you, and we will talk.’

“Envision your garden. See it rise-up in The Light of God. You are standing at the threshold of a new year. It is the time of planning. Use the wisdom of yesterday, to bring forth the flowers of tomorrow, and do so with a joyful heart; for The Kingdom of Heaven is all about you, and I AM with you.

“You are a child of God.”

Jesus Teaches On:

Remember, Seek Me, And You Will Find Me, For I AM Within You

“I speak to you today. Today, I call you, and stir, deep within your being, a desire to draw nearer to Me.

“In the sacred stillness, you hear My whisper. Come. Call upon your gift of imagination, and come to bring the time of My birth, upon the Earth, into the present, so you might, more fully, feel My Presence with you. For on this day, I summon you, just as the Magi, just as the shepherds, just as all those before you, and all those after you, I summon you, to rise-up.

“Seek Me, and you will find Me. The only requirement, on this journey within, is that you close the door to that which you ‘know,’ concerning the world of man, and step into The Eternal Kingdom, where all things are possible.

“Begin your journey, ‘knowing,’ that The Light of God will lead you as you come. Let us go forth. See the path. It is set, before you, walk in it. Behold, The Great Star, in the sky, and follow the beams, flowing toward the Earth, they mark the place. Notice, the night air around you is calm and peaceful. You do not need a coat, or a hat, or gloves. Come as you are.

“I will walk with you, and speak to you, of the signs, as they are revealed to you, so you do not miss them. Look into the night sky, and see the star, moving. See how the stars are close to the Earth, and reach into the Heavens; for as you reach into the Heavens, the star, bursts, into millions of pieces, and showers the Earth, with Light.

“And as is the plan, a piece has fallen unto you. Cradle it gently, and watch it grow. This Light, will illuminate, all darkness, and the path will be revealed to you, and you will see things with clarity. See the angel before you, leading The Way. Follow!

“Now look ahead. Your journey, it’s almost done. But be mindful of the signs, as you approach the place. See all the other Lights, congregating, gathering. Look at them ahead of you. And then turn, and see, that which comes after you. It is time to move forward. Yes, the Lights are beautiful, carried by all the children of God, who did rise-up.

“As you approach the place, the celebration of My birth upon the Earth, notice, that each one ahead of you, places their Light, on the ground, and gets in a line. So you too join, and wait your turn. Yes, the anticipation sings-out in your heart. For you know, there, at the head of the line, you will see, The Word of God, made flesh.

“And now, there is only one before you. Watch, and see. This one, leans close to the Babe, and whispers. And then, with one finger, touches The Precious Hand of the Child. The departure is simple. But The Light, within this one departing, is great, for they have carried, unto the place, a Light, that has been rekindled, by The Touch of The Child.

“And so, here it is. It is your turn. You have made the journey. And now, you stand before The Living Word of God. It is at this point, and in this precious, sacred silence, that I leave you...to do as you are led... it is okay... you are being called, whether you touch The Hand, or embrace The Child... it is you now... your turn.

“Remember, seek Me, and you will find Me, for I AM within you.

“Be at Peace.”

Jesus Teaches On:

Come, Celebrate The Birth, Of The Word, Of God, Made Flesh

“I AM with you, now, right now! I AM with you, this day!

“And on this day, I wish to issue to each of you hearing these words, or reading these words, an open invitation to celebrate My birth. For My birth, My mission, My life, is a celebration of The Word of God made flesh to walk the Earth.

“And I say unto each of you, do not put great value in the words mankind speaks about Me, and My life. Rather, treasure The Words God speaks to mankind, through Me, through My life! For I was sent from Heaven, to walk upon the Earth, to show The Way, to speak The Truth, and to live My life, so others might ‘know God,’ through, that which I said, and did, so others would follow, The Way.

“During the time, the time of My physical birth upon the Earth, there were many, many people, who ‘knew,’ of the prophecy, many prophecies, concerning The One, Who would be sent from God. Yet, upon My arrival, they rejected and refused to accept, because I did not come as they expected. They held a preconceived notion, that God would send a king, sitting on a lofty throne, in charge of a massive army, to bring them out of bondage. What God sent, was a babe, wrapped in a banner, emblazoned with one word...

‘Love!’

“The Key to Freedom... the Key, that opens the door... is Love!

“There were others, in foreign lands, who knew of the prophecies as well. They studied the words; but they were led, by The Wisdom of God. And when they saw the sign in the Heavens, they left the comfort of their home, and their land, and came forth to see, that which God had sent to Earth.

“The shepherds in the fields were not moved so much by the knowledge and the reading, and the searching amongst the books written, and the oral history passed on; they were caught-up in their daily lives; yet, when the invitation came to them, on the tone and vibration of angels, they too, left all they were doing, and journeyed to find, that which God had sent to Earth. They were stirred to move forward, to be witness, to give testimony, to that which they saw.

“There were others who came, too. Occasionally they would come, one-by-one, sometimes two, bringing food, or pieces of clothing. Moved by The Hand of God, they came, noon, evening, and morning. And The Hand of God is still moving those of Earth to find their way to the place, where The Word of God was given birth.

“I say to you this day, if these words settle on your heart, rise-up, and follow! Take yourself to the hillside, and listen, for The Word of God. It is written on your heart. Open, and receive The Gift, I AM with you, eternally, with you!

“Prepare to make the journey. Come, celebrate My birth!”

Jesus Teaches On:

I Will Deliver The Gifts Of God Come Christmas Day

“I come to you this day, and as you open, My Presence, settles, within you and around you, in a more profound way, for we are One. Open and know this. Receive this gift I bring unto you.

“On this day, I wish to say, many things to you. Some of you, hearing these words, or reading these words, are observing a period of Advent, preparing for the Christmas season, by reviewing, and remembering, the people of the Old Testament, reading, of the time they spent waiting for The Savior, promised to them by God.

“The people of that time, held strong to the faith, to the hope, that God would send one who would deliver them up, out of bondage. They thought there would come, a king, sent from God to rule the Earth, to destroy their opponents, to hand to them the wealth of the Earth, so that they might be free from the bonds of slavery. This is not how the prophecy was fulfilled.

“God sent to them a Babe, Who held, The Gift of Freedom, within, Who was to be The Savior. But it was not, to be, the material kingdom they expected. So there were many, who missed the coming. I say this to you because, I was The Babe, I AM The Babe, I AM The Message, I AM the One, Who will bring freedom, and deliver, those in bondage, to a new time, a new day, a new life.

“As you prepare to celebrate Christmas, and as you read, and reread, the things of the Old Testament, I ask you to bring them to the present. Rather than reading about the people, the chosen people of God, I say to you...

“Be, the people! Bring it to the present, so it has immediate life, and effect, on you. Be, those, waiting, searching, hoping. For I will deliver unto you, The Gift of God, come Christmas day. It is waiting. It will enhance your life upon the Earth.

“Be, the people, waiting, searching, hoping. And be, the wise men, looking, observing, watching, vigilant for the signs, so that you might ‘know,’ the time has come. Be, the shepherds, going about their daily tasks, but struck in wonder and awe, when the revelations of the Heavens, are opened, and fall upon you. Be, of Earth, waiting, for Heaven.

“And in this time, bring forth the lesson, from the Old Testament. Do not be expecting deliverance, in the form of the things of Earth. Wait, and search, in joyous expectation, of a spiritual rebirth, revival, renewal. And it will come to you, for I AM with you. Yet, there are many gifts, still to be opened. They will be set before you. And The Holy Spirit will lead you along The Way.

“Come, as the people, searching. Come, as the wise men, knowing. Come, as the shepherds, willing. And behold The Gifts of God set before you; for, as it was in the past, it is now, and

ever shall be... God sends, to the people of Earth... One, Who will sever the chains of bondage, and deliver unto you, Freedom.

“Be at Peace.”

Jesus Teaches On:

Bring To Me That Which You Are Willing To Release, And You Will Be Free From It

“This day I say unto you, those of Earth, are never alone: angels watch over you, constant in their vigil; I AM with you, always; and The Holy Spirit of God is within you, to guide you home!

“I AM with you on this day; and I wish for you to hear the words I say unto you, for they will bring you freedom, freedom to take flight, to be all that you are to be, and to accomplish your mission in The Light and Glory of God. For, it is not meant that you are to be weighed-down; stuck, unable to move; filled with sadness, unable to sing; filled with frustration, unable to decide which way to go. I say unto you, you are a child of God, and you are free to do all things.

“And to assist you, to help you ‘know,’ the powerful being that you are, I say this to you today... ‘Give to Me, that which you are willing to release, and you will be free from it. You will be free, from a burden, laden with frustration, confusion, anger, anxiety, doubt, fear, and any other emotions, which you have packed into the bundle.’

“You will be free of the heavy weight, you have borne for years; and a feeling ‘of lightness,’ will come over you, as you hand these things to Me; for I will bless them, and release them, so that you might rise-up, in The Light, and Glory, of God, and go about your mission.

“All that is required is that you are ready to lay down your burden, to be done with it, to rid yourself of it. When you are ready, I AM willing.

“Think upon this. Do not be tempted to take back what you have handed to Me. And once you have decided to rid yourself of the burdens weighing you down, do not be tempted, to go about, collecting more.

“On this day I say unto you, bring to Me that which you are willing to release, and you will be free from it. You will be free to do that which you are to do, in The Light, and The Glory, of God.

“So, if you are ready, I AM with you. If you are willing, pass your burden to Me now, and feel The Lightness, that is God.”

Jesus Teaches On:
Be Still, and Know, I AM

“On this day, I bring to you, The Grace of God, in a most special way. I breathe upon you, The Breath of Life. Draw it into your being, and hear what I say, to you... Be still, and know, I AM.

“Repeat the words, at the sacred altar within, and feel them reverberate, throughout your being... Be still, and know, I AM.

“The words are powerful, and they are, profound; for, it is not a message for the past; and it is not a promise for the future; it is a pronouncement of the present, Presence of God with you... Be still, and know, I AM.

“Know that God is with you, now! Open yourself fully to the power of these words; and take these words with you into this new day, into this new week, set before you. Repeat them often, because they will alter the course of your week. No chaos will overshadow you, if you repeat these words: ‘Be still, and know, I AM;’ because it brings God to the present, to the hour, to the minute, to you. And if you ‘know,’ these words, you can be the instrument used, to bring The Presence of God, to all you encounter this day, and this week, as it unfolds.

“If these words are on your lips, and on your heart, repeated hourly, each day of this week, a Great Peace, will settle wherever you go; because, you will bring The Presence of God, in a more profound way, by acknowledging, the present, and The Presence, of God.

“This is My message to you; it is another Key; it is The Way, to live your life upon the Earth, in peace, and to assist others to do so as well. So on this day, repeat the words, write them down, breathe them in, and exhale them out, to the universe...

“Be still, and know, I AM.”

Jesus Teaches On:
Do Not Sully The Gift of God

“I AM with you. Praise the day! Sing with joy! Embrace the gifts that come your way, for I AM with you! And on this day I say unto you...

“Do not sully, the gift given, by rejecting it, outright.

“Some of you, upon hearing these words, will draw your own personal interpretation and understanding of this message, assigning this word to that thought, or this phrase to that meaning. So there is no doubt, when I say to you: ... ‘Do not sully the gift given, by rejecting it, outright.’... I AM speaking of the penultimate gift, your birthright; you are a child, of God, first, foremost, eternally, you are a child of God!

“Your lineage is ‘of God.’ Your origin is ‘of God.’ Some of you, will accept this, on one level; yet, you will reject it, on another level, protesting: ‘that you are not worthy, that you are not as holy as this one or that one, that you are not a saint, that you are not kind enough, that you are not compassionate enough.’ And I say to you, that is enough! Do not taint the gift you are given.

“If you will accept, the gift of your Heavenly Heritage, your life on Earth, as you know it, will change, immediately. I say to you... ‘Accept your lineage. Embrace your Heavenly Heritage. Gracefully, carry the responsibility, associated with the title.’ Once you do this, The Light of God will shine about you in great abundance, and miracles, will abound, wherever you go.

“Do not cast yourself in an inferior position. Do not cower in the shadow of a corner. Do not place yourself behind this one, or that one. On the Earthly plane, a parent, with many children, does not stand-up and declare, ‘I love the first child, and I love the tenth child, ten times less than the first child.’ In Heaven, God The Creator, embraces, and loves, all the children of The Kingdom, uniquely. Therefore I say unto you again... ‘Do not place yourself behind this one or that one.’

“Place yourself in The Lap of God. Embrace The Presence of God within you. And then, join Me, and sing-out... ‘You are my strength, from which I come! You are My God, and I am your child, forever, and ever! So be it, amen!’”

Jesus Teaches On:
Fear No Evil, For I AM With You

“I AM with you on this day. I AM, always, with you! And on this day, I wish to speak to you, about an energy that is heavy. Yet, My words to you, I speak in joy; for if My words can lead you to avoid this pitfall, this temptation, this energy of which I speak, then your journey upon the Earth will be one ‘of joy!’

“I wish to speak to you this day, about fear. Fear, is an insidious, burdensome, boulder, which, if left unchecked, will settle into every fiber of your being, rendering you incapable, of successfully completing your mission upon the Earth.

“Fear, is not, your friend. Fear, is a temptation, ‘of shadow.’ And if you are seduced by fear, it will subdue your spirit, and rob you, of your joy.

“I say unto you this day, reject fear; for, you are a child of God. Therefore, fear no evil, for I AM with you!

“And as I AM with you on this day, I ask you to take this moment, to close your eyes, and paint a picture, on as grand a scale as possible.

“Paint a picture in your mind’s eye, of a noble steed, galloping out of the Heavens onto the Earth. And then, within this vision see, atop this magnificent charger, a noble being, radiant as the Sun, holding high a banner, which is emblazoned with golden letters, forming the words...

From HEAVEN, To EARTH, With LOVE!

“Now, study this vision closely, and see the picture, that your mind has projected. This radiant being, astride the magnificent horse, galloping out of the Heavens onto the Earth, is you!

“You are a child of God! See yourself, as this radiant being! Do not sell your soul, to the purveyors of fear. Know who you are! Let your vision be clear. The journey is yours. Therefore, I say unto you...Fear no evil; for I AM with you. Ride child of God!

“Be at Peace.”

Jesus Teaches On:

The Golden Truth: God's Love Flows To You, Consistently, Abundantly, Constantly
(Forgive, All Transgressions, Remove All Barriers, Which Restrict The Free Flow Of This Sacred Energy)

“Awaken! Awaken My brothers and sisters. See The Glory all about you. Rise-up, and greet the New Day. Rise-up, for I AM with you! I AM with you, now!

“And as you begin this new day, this new week, I ask you to ponder, this Golden Truth: God's Love, flows to you, consistently, abundantly, constantly, providing that which you need, as you journey, upon the Earth.

“God does not restrict this Love, or measure this Love, flowing to you. The only impediment, to this, sacred flow of energy, are the barriers, erected, by you.

“You are intended: to be fully enlightened, as you walk the face of the Earth; to feel The Presence of God, within you! However, this energy coming to you, from God, can be interrupted, by the pockets, of darkness or shadow, within you. And, although they might be small, they still hinder The Light, from flowing through you, freely.

“To understand this more fully, imagine, that you are a crystal cylinder, clear, pure. And then imagine The Light of God flowing into, and through, the crystal cylinder that is you. As you spend days, and weeks and months and years upon the Earth, you experience, certain things, move in and out of certain situations, wherein you create thoughts, words, and deeds, to act, interact, or react to these situations. As you do this, you have the opportunity to choose...to love...or to use... other... energies.

“This is where the cylinder begins to take on pockets of darkness or shadow. And it is necessary to ‘clean house,’ from time to time, to go through your being, taking inventory, checking-off issues, situations, thoughts, words, and deeds, that have created these pockets, that are impeding, the flow of God's Love.

“It is time to release, past injuries, hurts, animosities, anger; let it go. If you are willing to release these pockets of negative energy, then they will flow from you. And each time you go back, and forgive, and bless and release past transgressions, and present transgressions, you will feel the energy of this sacred, flowing Love, coming from God to you, magnify, within your being, grow, within your being. In other words, you will feel it light-up, your crystal cylinder!

“Think about it. Take the time this day and this week, to review your life. Go back to those areas that you still carry, that spring into your thoughts occasionally, with ‘less than love energy.’ Go back to them; bless them; and free yourself, of that spot, that obstruction, that impediment.

“Once you begin, to clean your inner-being, your inner-house, your inner-channel, you will feel The Love of God flowing through you, more freely, more fully. And it will be such an experience that you will desire, to maintain, a free-flowing channel. This will enable you to move over the face of the Earth, with new light, with healing light, with The Light of God moving you, unimpeded, over the face of the Earth.

“So on this day, I say to you, remember, this Golden Truth: God’s Love flows consistently, and abundantly, and constantly, to you. Open, and accept this Love. Be at peace, within this flowing, sacred, energy. And move over the face of the Earth, in The Light, and The Glory, of God.”

Jesus Teaches On:

Coming To A Better Understanding Of The Energies Of Interaction

“I AM here, with you! Gather, near Me. Come and sit. I ask you, to hear Me. On this day, I wish to speak briefly to you, about energies. I wish for you to better understand ‘The Energies of Interaction.’ Specifically, the energies created, exchanged, and disbursed, each time, you interact with another human being.

“I have brought this matter to your attention, before. But, its importance is great. It calls out to be readdressed, because there are those among you, who are ready to take a deeper, and more comprehensive, look, at these energies. And as your numbers grow, great healings will take place upon the Earth, because you will comprehend, The Energies of Interaction.

“It is important for you to understand, that you are very powerful; that you are energy! You have, flowing to you, and held within you, ‘the energies of Earth.’ They flow around you and into you every day. You have, within you, and flowing to you, ‘the energies coming, from the Heavenly Dimension.’ These energies move all around you, and into you, and you hold them, and you use them. Everyday, every hour, every minute, you are creating, recreating, diminishing, magnifying, energies.

“You are a powerful, energetic, child of God. And it is time, that you begin to recognize, the powerful energies, that are created, exchanged, and disbursed, every time you interact with another human being. It is important for you to ‘know this;’ because, this energy moves from this initial interaction, reaching-out, like a grid, touching others, affecting others, and moving on into eternity.

“I ask you this week to be observant! Learn to watch, with a keen eye, the interaction of your brothers and sisters. Be still and quiet. Watch, what is happening around you, so that you might more completely ‘know it.’ If you observe these interactions, you encounter, this week, you will begin to ‘see energy,’ at work, on Earth, in a different light.

“You will see, and observe, someone walk into a room, and change the energy of the room, by the energy they bring to that room, affecting each person in different ways, and in varying degrees. The energy that is introduced, from one to the other, is carried from one to the other.

“If you watch, closely, you will observe, that one energy, can override another energy. There is a way, to alter and modify, all energies, to bring them to Peace, to bring them into use for The Light and Glory of God; but first, you must observe, and understand, how The Energies of Interaction, affect, those involved: immediately; those passing by, on a secondary level; and all beings of eternity. This type of situation can be altered, can be glorified, can be The Light of God. But it requires observant, caring, willing, children of God to carry this out.

“This week, I ask, that you observe the energy, exchanged, one to the other. It will change your life. The energy exchanged, the energy created, the energy disbursed, between two human beings, is as powerful as, let us use, the X-ray machine. There are many times, in your daily lives, that you encounter, sources of energy, which require protection, so you will not get burned, or absorb too much of this energy. You are often protected, from X-rays. You often protect yourself, from sun rays.

“All types of energy, on Earth, can be absorbed, by the beings of Earth. Therefore, it is time for you to be, more aware of The Energies of Interaction.

“This week, watch...more. Observe...keenly. Some of you will begin, to actually see, the energy. It is powerful. It is within you. And it flows from you. I say to you, this magnificent energy, the energy of Earth, and the energy flowing to you from The Creator, is to be used for The Light and The Glory of God. But to do this, it is good to know it; to see it. The more you see it, and know it, the better you will be, at mastering, this powerful life force.

“This week, I wish for you, to come to a better understanding, of The Energies of Interaction. It will change, your life, on Earth. It will change, the life, of Earth. It will change Earth, and eternity! So I give you another Key! It is yours. Be observant.”

Jesus Teaches On:

Cleaning Up The Hallways of Eternity, The Corridors of All Times

“Feel My Presence! I AM with you! Take My Hand, and walk with Me, for I was sent, from The Father! I was sent: so you might ‘see;’ I was sent to gather children so that they might ‘know, the Love,’ so that they might ‘see, the beauty;’ so that they might ‘feel, The Dove!’ The Dove is flying ever near you. Raise your eyes and see The Light. The Dove is ever flying. Feel The Presence of The Dove within you. Feel The Light of God within you. I AM with you! I AM with you; and at these times, when you draw quiet, when you sit still, it is then, that you ‘feel, and know.’

“As you have gathered this morning, as we are united together, I will say something to you that will assist you in your week. My message to you is brief. As you look about you this day, you will see much beauty. But there is something I would like you to ponder this week. And, at first hearing, or reading, you might stop, and wonder, what is this doing here? But I ask you to bear with Me, give me your ear, for it is important. I wish to speak to you about pollution on a grand scale.

“Some of you hearing these words, or reading these words, are actively supporting projects to clean the rivers, and the air, and the Earth. And this is important: clean waters, flowing freely; fish, jumping in the sea; the trees of Earth, the plants of Earth, the great ‘keepers,’ that give you clean air to breathe. All of the things that you can imagine, that fall into the category that comes to mind when you hear this word ‘pollution;’ all of these things that fall within this category are important! For you would not pour toxic chemicals into your water; and you would not cast debris over the land; and you would not dig-up the soil to plant poisonous chemicals that would affect the food you eat. So I say to you this day, your mind is ‘of the intention to clean your environment.’ What I say to you, this day, is this ‘Expand that thought!’

“This week, as you stoop to pick-up a piece of litter, or debris, think, on an eternal level! For, just as you would not disburse a noxious chemical into the water that you desire to be clean, be mindful that when you hold a thought that is anything, but Love, and Light, and Peace, you are casting pollution into eternity!

“Think upon it. Think when you bend down to clean an area that has been ‘trashed,’ as you would say. Expand the thought, and think about the words that you cast into eternity, each day! Do not litter eternity, with unclean thoughts and words and deeds!

“I say this to you today because it is time, and you are ready. There is a Spirit moving over the Earth, into so many of the children of God, and it is raising a unique desire to clean the planet, and to give thanks to Mother Earth, for all that she has provided. For even though she has been assaulted and assailed, she continues to feed the children of God, to clean the children of God, to give the thirsty something to drink, she continues to mind the children of God.

“Now I ask you, My brothers and sisters, to think about cleaning up the hallways of eternity, the rivers of the Heavenly Dimension! Think about this...

“Open your eyes, and see! Open your heart, and feel! Let your thoughts be seeds, scattered on the winds of eternity, to blossom into flowers, in the hallways and the corridors of all times! Let your words flow from you, as living waters, to find the seeds, and give them nourishment! Let your deeds support your thoughts, and your words! Eternity is yours! Be mindful of what you are planting there!

“Be at Peace.”

Jesus Teaches On:
Making Major Life Changes, Simple

“A New Day is rising-up before you! Come! I AM with you; I AM always with you; and on this day, I wish to speak to you, about making major life changes, in a simple and most productive way.

“I wish to speak to you about the challenges, and obstacles, you encounter, along your life path; because, the challenges, and obstacles, which you pronounce to be, ‘impossible situations,’ are in fact, and in reality, ‘possible situations,’ waiting to be resolved, and absolved, by you. But to do this, requires desire, and a willingness, to change or modify your thoughts, words, and deeds, in such a way, that the prevailing energy of that moment, or of that particular situation, is The Loving Light of God.

“Once you bring The Healing Light of God to the center of the challenge, or obstacle, or that which you have pronounced to be an ‘impossible situation,’ it is altered, for the present, and eternity. It is altered because you have chosen to use the energy coming to you from God, rather than engaging in, or creating in, the negative energy, or energies, to handle the situation.

“Now, some of you hearing these words, or reading these words, might protest, saying: ‘Well that is good, if it is only that I am using my free will to choose this Light to resolve the matter. But in my case, there is another, or others, who are engaging in this situation as well.’ And I say to those of you who build this wall of protestation: ‘Tear it down.’ Because you see, this is not about another, or others; it is about you, meeting your challenges, and obstacles, and coming to ‘know,’ that it is in using the energy coming to you from God, that you will finally resolve, and absolve, these lessons. In this Way, the situations no longer repeat themselves, or come to you for the learning. Because you will ‘see them,’ in The Light of God; and, you will ‘know them.’

“I use an example. This is what you should do, if there is another involved in your situation. Let us use the challenge, or obstacle, of conflict. Let us use, for example, a co-worker of yours. You see them approaching. You can tell by their manner, that they are upset. And as they approach, you realize that they are upset with you! At this moment, you can ‘choose:’ to engage in the energy they are bringing to you, or create energies of your own to match the energy they are bringing to you, or you can set this energy and your ego, aside, and call on The Light of God to fill you, and the other, or others, approaching.

“And, when they come to you, and you have the opportunity to speak, look into their eyes, and say: ‘We are children of God; and God does not desire us to fight, or be angry with each other. But it is obvious, you have an issue. Therefore, let us clear the air with a prayer.’ Extend your hand, and take theirs, and sit. And invite The Light of God, The Presence of God, into your midst fully! Pray! Do not pray that God point-out to the other, or others, that you are right, and

they are wrong. Pray for 'The Light,' to resolve this issue, so that you might absolve the issue, and move on. If you will try this, one time, you will find that it will change your life!

"If the children of God on Earth would try this method, a 'Wave of Grace,' would move over the Earth, and each next encounter would be less 'heavy.' You must use that which comes to you from God, first; not resort to it last, if all other things fail! I say unto you this day: 'The challenges and obstacles you encounter along your life path are waiting to be resolved and absolved by you!'

"Which energy will you use?"

Jesus Teaches On:
A Strong Foundation For Your Life

“As day becomes rich and full, I AM with you; as the New Day is upon you, I AM with you...

“And on this day, I wish to speak to you, about setting a strong foundation, for the magnificent structure, that is your life. Let us compare it to constructing a grand edifice, or perhaps a monument. You would not begin, by placing beautiful glass windows, here and there in the air. And you would not begin, by landscaping all around the site where your structure would stand. First, you would mark-off the site, clear away the debris, and begin digging and trenching, to pour a firm foundation, before the stories would begin to be set in place, and the monument rise-up. And just as this is so, so it is, with erecting the monument of your life.

“I wish to address, the foundation, first. Because it is in the setting of a solid foundation, that your structure will be strong, and stand in the face of turbulent winds. So I turn you toward ‘the little things,’ of life. I ask you to cast your attention to the daily tasks, the things that happen day-in and day-out, the ordinary, because these, small things, are what create the strength that you will need to rise-up.

“The stories of your life, of your monument, will actually be based on ‘the little things,’ poured into the foundation. So I ask you to concentrate, this week, on the smallest occurrence of your day, and fill it, with love, so that The Light of God will shine upon it, and therein, be glorious.

“Concentrate, when you walk, on ‘blessing the trees,’ as you walk by; or, if it’s the case of walking about in the city, ‘blessing the people,’ as you walk by. Do not put your head down, and push your way through a crowd. Plan ahead, before you walk, or move about, to make time to go into the world ‘blessing.’ So often, as you move about, it is with the purpose of getting from one point to another. And so often, you concentrate on how fast, or how quickly, you can get there. I ask you this week, to slow your pace, and bless the smallest task you perform, and bless every person you encounter!

“Make it your intention to Be God’s Love, as you move about the Earth. For you see, this is the strong foundation, of all the other stories of your life. Just as a strong foundation of a building affects each of the stories contained in the building, the foundation that you build, with acts of kindness and love, affects the stories of your life!

“The only exception, the only difference, between the example, I give you, of constructing a building, and the art of developing, constructing, your life, is that, at any time, you can go back, and adjust your foundation! Even if your foundation was a little ‘off-kilter’ before, you can go back now, and adjust the foundation, by your daily actions, by your thoughts and words, by your blessings. And although it might surprise you, the return, frequently, to check your foundation,

will alter the stories, even of your childhood. It will smooth them out; bring balance, where there might have been chaos.

“The stories of your life, will slip into balance and harmony, if you will check the foundation. And the foundation is comprised of all the little things you do every day. And from the small, will grow the tall, and grand. The stories of your life will rise-up; but, they will be in balance, and harmony, with the land, and all about you.

“This week, concentrate, on the smallest task, every encounter. Bless them, each one, with your love. And you will find that as you review the stories of your life, they will begin to alter, and come more into balance. This week, I ask you, to set a strong foundation, so that you might raise-up a magnificent monument that is your life, on Earth.”

Jesus Teaches On:

The Key To Bringing The Kingdom Of Heaven To Earth, Is To Love One Another

“Look, there comes to you, the new day, filled with golden opportunities. Reach out, and accept the gift. I AM here with you, to begin your New Day.

“I wish to speak to you, so that you might begin your new day, with something to ponder, to think upon. What I wish to say to you is of the utmost importance; and, those of you who grasp the significance, of the words I say, will ‘know,’ it is The Key to bringing The Kingdom of God onto the Earth.

“It does not require a particular talent, or schooling, or skill. It does not require you to be a man, or a woman, or a child. There is no requirement that you be very young, or young, or middle-aged, or older, or elderly. The only requirement is the desire to do God’s Will. So I say unto you this day, open your heart, and hear the Words, with the ears of your soul...

Love one another!

“It is simple. It requires... desire... to do... The Will of God...

Love one another!

“If you will seize the opportunity, you will master the energy, and change eternity. It is simple. Yet it is how it is to be done, for The Kingdom of God is within you. And The Kingdom of God will come upon the Earth through you: through your thoughts, your words, your deeds. So I say unto you this day, you hold the key. Open your heart. Hear Me, with the ears of your soul...

“The New Command is to Love one another! And, if you do this... you will truly...

“Be at Peace.”

Jesus Teaches On:

You Are A Child Of God, God Is Our Father, Bring Heaven To Earth, Master The Energies Around You

“I AM with you. I AM, always, with you! It is important for you to remember, and to ‘know.’ ‘You are My brother. You are My sister. I instructed you, to begin your Earthly prayers, saying: ‘Our Father,’ because God is My Father, your Father, Our Father! This very day, God is with you, lives with you. God loves you. I told you, if you love Me, I will come and live with you. I have also told you that I will reveal Myself to you. Because you are a child of God, you can do all that I did, and even more. Know this. I have said it, many times. It is important that you know, truly ‘know,’ you are a child of God.

“My brother, My sister, I tell you: ‘The day you truly know, you are a child of God, your journey upon the Earth will change.’ It will become grand in scope. The things that you, at one time, would call a great obstacle, will be for you at that moment, a golden opportunity. For, when you recognize, that you are a child of God, you will also know your responsibility. And you will ‘Master the Energies,’ of that particular situation. It will no longer be an obstacle. It will truly be an opportunity.

“I have said this to you before; but, I say it to you again: ‘You are a child of God.’ Now, it is up to you, to bring the energies of Heaven upon the Earth. And you can start doing that this minute, this day, this week. And you can change, for all time, for all eternity, the energies of Earth.

“When you come upon a situation that seems to be chaotic, let us say there are people who are agitated, or angry, as a child of God, you can look, and see, that the energy needs to be changed. And you can master the energy of the situation, in such a way, that it is no longer heavy, and filled with darkness, but becomes The Light of God.

“I wish for you to think about this. I wish for you to pray to Our Father, about this. There is no situation too small, to pass by. There is no situation too great, to avoid. You can do all things, through the energy, that comes to you, from God. And once you open the doors, and let it flow through you, you will ‘see,’ and ‘know.’ Remember, the small is as important as the great in size.

“It is time that you take the responsibility, and master the energy about you, and master the energy that is you!

“If you stop right now, and breathe slowly, deeply, The Breath of Life, you will feel it flow, into your body, and fill you. And once you are full, then you release this breath. And it flows from you. And that which you took into your being, flows from you, and feeds other things, fuels other things...trees, grasses. This Breath of Life that you draw upon the Earth is an example. Because if you will stop this moment, and take in The Breath of Spirit, that comes to

you directly from God, your Father, if you will pull it into your being, through the top of your head, where your halo is located, if you will draw it in, and hold it, and be blessed by it, then this is the energy, the spiritual energy, that you will release from your being, onto the Earth. And it will be God's Love.

“This day I ask you: to think upon it; to say the words, and mean them, ‘I am a child of God;’ to see every situation as a golden opportunity; to master the energies of chaos and anger, anxiety and worry, frustration and fear; and change them for all time, to the energy of Peace, to the energy of Light, to the energy of Love.

“This requires that you know who you are. And once you truly know that you are My brother, you are My sister, that we are the children of God, then your journey will be changed. And you will walk the Earth with authority.

“It is time for you to begin. I say unto you: ‘Master the energy that is you! You can do all that I did! Therefore, master the energies all around you!’

“We are One.”

Jesus Teaches On:
Accept, And Enjoy, The Gifts Of Simple Pleasures

“Comes the new day, and I AM with you. Welcome the new day, and ‘know,’ I AM with you!

“Come sit! On this day, I wish to speak to you, about: enjoying The Gifts, of Simple Pleasures.

“On this day, I ask you: ‘Be still . . . be quiet . . . be peaceful!’

“Calm the urge to speak and talk of frivolous things. And open the Gifts, The Holy Spirit brings to Earth at this time.

“If you choose to set yourself aside this day, and be still, your lifetime on Earth will be greatly enhanced for doing so.

“Look at the sky; whether it is a brilliant blue, or covered with clouds, look at the sky. Breathe it in. Be one with it.

“Sit, and watch a solitary leaf, twirling its way from the treetop to the grass below. Watch its journey, watch it flow. You will learn much from the leaf on the breeze, floating, in the Hand of God.

“Take yourself to a place, and find a small creature: an insect; a butterfly; a bee; a bird; and give it your full attention, watching; watching as if you heard it call to you, ‘Come and see, the things I do.’

“Take yourself aside: to a pond; or a pool; or a river; or a stream; and watch the water moving, touching grasses, rocks, moving onward. Listen to the song it sings, or listen to the beautiful silence, of a still pool.

“When I walked the face of the Earth, there was much to do. I traveled from town to town, and in My ministry, I spoke to hundreds, or thousands, of people gathered. Sometimes I would go to individuals, and speak to them of the Love of God, and great forgiveness, for all things. I moved about, in action, doing that which God asked of Me.

“But then, I set Myself aside, for days, to rest and relax, to breathe in the things of Earth, so I might take this energy back home, so I might ‘know it,’ as My Earth experience. And when you breathe in these things of Earth, they fuel you, fulfill you, and give you the power to move into a new day.

“The Gifts of Simple Pleasures will enhance your lifetime. They will bring you great wisdom. Stop the harried movements. Slow your pace. Take yourself to a quiet place, and be still!

“Accept The Gifts Of Simple Pleasures!”

Jesus Teaches On:

The Power, And The Kingdom, Of God, Is Within You

“On this day, I AM with you. I say unto you, I AM with you every day. Come. Sit with Me. Listen to the words I say unto you, for these are the Words of God:

“To walk The Way, to be the Living Word of God, requires surrender, sweet surrender to the Divine Plan, sweeping away your ego, and saying, ‘I will be Your instrument God. Move me, to do Your will. Use me: to write the words; to speak the words; to touch Your children; to tend the Earth.’ And through you, great miracles will be done, in the Name of God! For I say unto you, you carry The Kingdom of God, within you!

“I say this to you because great things will be accomplished, if you will set aside the things of matter: your ego; the things that you want to do; or think perhaps would be the thing for others to do. And the minute that happens, this little door swings open within you, and The Kingdom of God is flowing. And it is at that time that The Kingdom of God flows through you, onto the Earth.

“I repeat to you, The Kingdom of God is within you! When you acknowledge this, when you accept this fully, then it will flow through you onto the Earth. My brother, My sister, it is possible! But you must believe, and surrender, to the Will of God. And then, great things shall be done, by your hands, and your feet, and your heart, and your mind. They will be things ‘of God.’ For it is in this way, that The Kingdom of God will come flowing, onto the face of Earth.

“This day I say unto you, walk The Way,
and be The Living Word of God.

For, it is in you, to do.

The Kingdom of God

is within you!

Know this!

“Be at Peace.”

Jesus Teaches On:
God Is Within You, You Are A Piece of God

“In celebration of this day, I say to you, My brother, My sister: ‘I AM with you.’ In celebration of this day, I say to you:

“‘God is within you. You are, uniquely, a piece of God.’

“Say this to yourself! If you say, ‘I am uniquely a piece of God,’ you will not feel any doubt. It will fit. You see, once you say this, from your core being, you will ‘know,’ it is true. So I encourage each of you to say it, ‘I am uniquely a piece of God.’ And each time you say it, it settles to a comfortable place within your being. And it is then, that you ‘know, it is true.’ Even for those who say it, sometimes, without proper preparation, the grasping of it, evades them. But if you are silent, and still, and prayerful, and make this statement, you will ‘feel, and know, it is true.’

“To define, in Earthly terms, your connection with God, My connection with God, it is important to use an example, as outwardly visible, as, let’s say, the human body. If you desire to hear, you do not use your foot. The foot has properties that would not function in a way to permit you to hear. If you desire to move, you would not use your ear. Your ear has properties, designed for a function. The properties do not permit it to walk. The foot is a piece of the body. But you would not look at a foot, and say, this is the body. You look at the foot, and say this is the foot, a unique piece of the body, without it, the body is not complete and whole. The same thing goes for the cells, for the skin, for the sinew, for the bones, for an eye, for an elbow, unique pieces of the body, yet separated, and set aside. You would not call an elbow the body. You would be more inclined to say, that is an elbow, it is a piece of the body.

“This is repeated, from other messages, other days, other nights. But, it gives a very good description, of how each being is uniquely a piece of God.

“Think on it, so that you might come, to the right resolution. It is not easy, to resolve these things, when you are upon the Earth, because there is, usually, a desire to comprehend how something is working; however, there is the limitation of ‘as you know it, on Earth.’ If you will open, to The Holy Spirit of God, if you will open, to your guardian angels, if you will open, to My Presence, you will ‘know things,’ that are not confined, or restricted, by the laws of Earth.

“I will tell you, on this day that once you complete your mission on Earth, and you return, through the Hallways of the Dimensions, back to Heaven, from whence you came, you will see clearly. There is a Kingdom of Heaven. And, it exists. It is close to you right now.

“Beings populate the Kingdom of Heaven, unconfined and unrestricted, by the physical form of a body. Heavenly beings manifest, or show, themselves to be, however they desire to

be. And the prevailing desire in the Heavenly Kingdom is to be 'of Love and Light,' so the beings, who occupy this Kingdom, created by God, glow in the Light.

"Beings gather together in Heaven. The desire of beings of the Heavenly Dimension is to do certain things that will benefit all beings of all time. There are no 'egos,' to feed, for the 'desire,' is 'the benefit of the One.' You can see God in the gatherings. You see the form of God, in all things.

"I say this to you, and leave it open, not pulled together so tightly, so that you might take these things, and walk into the week, and ask, 'Show this to me, so I might understand it more fully.' And, each of you will receive information, suiting your particular personality, something that you can hold onto, something that you can see, and know, is true.

"The Kingdom of Heaven exists! It is real. It is right next to you; in fact, it is in you! The being that you are, 'knows this.' You are 'of the Kingdom of Heaven.'

"These things are important for you to remember! You are extending the Kingdom of Heaven onto the Earth. Be aware, of how you feel, when you say the words, 'I am, uniquely, a piece of God.' Before you finish that statement, you will probably hear within you, 'Yes you are My child, and I AM with you.' You are connected to the Kingdom of God!

"I came forth, in the body of a man, to walk the Earth, to say: 'Brothers and sisters, you are residents of the Kingdom of Heaven, the Kingdom of God. Know this: You carry the Kingdom, within you. You are a citizen of Heaven!'

"There are many things that will assist you, in changing your desires. And this is one of them... a key... that I give unto you. Once you know this, you will 'choose,' you will desire, to work with the energies of Light and Love. Once you grasp it fully, you will want your unique piece of the One to function, at its optimum performance.

"Remember, a body, moving in unison, whole and in balance, serene and tranquil, moving over the Earth, all of the pieces functioning, each piece unique, each piece, doing what it does best; but functioning, for the higher good of the body.

"In the coming month, these words will hold great meaning for you. Right now you might be wondering, 'What is the point of this lesson? I know I am a child of God.' But I say unto you, until you more fully 'realize and know,' it will not be complete.

"Be at Peace."

Jesus Teaches On:

The Gifts Of God Are Carried Within Your Being

“I AM with you; on this day, I walk with you. Every step you take along The Way, I AM with you! And on this day I say unto you:

“The Gifts of God are carried within your being. You are a vessel, filled with Heavenly treasurers. You hold the keys, which unlock doors, revealing all that you need, to accomplish your mission.

“You are a Child of God, sent from Heaven, to journey over the Earth. And you were not sent unprepared to meet the obstacles, and opportunities, you will find along The Way. You have been given Gifts by the Creator, talents, that will assist you on your mission. You are ‘marked,’ as a Child of God.

“Just as your physical body carries DNA, which distinguishes you from every other human being who has ever walked the face of the Earth, your spiritual being carries DNA, which distinguishes you as a unique piece of The One.

“There will never be another you. And your Earthly experiences are as unique, as you are, unique, within the Body of God. As you walk the Earth, you will come to experience certain situations that have never been experienced before, because of your particular make-up, your constitution, physically, and spiritually. It is a grand experience, and you are the Master of your time on Earth.

“When it is that you are to come Home, you will seal, all that you have done, and it will bear your ‘mark,’ for all eternity, uniquely, your own, Earthly, experience.

“Think on this. God has blessed you with all you need. And now, what you need to do is to open your gifts, use your talents! Do not return Home having talents that have not been used in your coffers, for the more you use your talents, the more there will be. They will be multiplied, and magnified. And the Glory of God will shine about you as you use these gifts, these talents.

“If you are a Child of God on the path, and you find that you are open to Spirit, and the Glory of God is shining about you, continue on! Mark your way! Write your name in the stars!

“If you are a Child of God who has stumbled, or fallen, celebrate! Celebrate the nobility, of the rising-up of the human being, helped by the Hand of Spirit! And mark your way with your sign, so all will see!

“If you are a Child of God who is dealing with a body that is in distress, or carrying disease, celebrate your perseverance to complete your mission!

“These things I tell you, so that you might ‘know,’ the importance of your unique experience, and the importance of using the gifts you have been given to assist you in your mission. For the more you use them, the more the Glory of God will shine through them. It is important that you do not return, Home, having not used your talents.

“The
Gifts of God
are carried within your being.
You are a vessel filled with Heavenly treasures.
You are
prepared
for the journey
you are making.
It is your time. There will
never be another you. Mark eternity,
for the Glory of God. And be at Peace.”

Jesus Teaches On:

Be Love In The Face Of Hatred, Anger, Animosity

“I AM with you, on this day, as I AM with you every day, every hour, every minute. I AM with you. Open to My Presence. And as I AM with you on this day, I wish to give you this Key...

“To be love, in the face of hatred, anger, animosity, requires that you relinquish, your free will choice, so that The Glory of God might shine...through...you. It requires, that you desire, The Love of God to supersede your need to be right, to prove a point, to win a fight, whether it be verbal, or physical. It requires that you take off the robe of self-importance to be clothed in The Light of God.

“That is it!”

“To stand in the face of hatred, anger, or animosity, requires that you open to The Love of God, and let it flow through you. That is all. That is it.

“And, you might say, ‘If it is that easy, why is it not done more?’ And I say to you, it shall be done more! It will be done more, when it is upon the heart of the beings, temporarily in the form of human beings, to choose that God’s Will be done. God’s Will is for anger, hatred, animosity to cease. And it is done, one being at a time.

“It is good to pray, to ask, that nations, locked in combat, see The Light, are bathed in Peace. But it is far better to be the instrument of Peace, one being to one being at a time. This is what I ask of you this day. This is what I ask you to carry into this new week set before you. I ask that you place The Will of God over your need to be right, to prove a point, to win a fight. If you will do this for only one day, you will sense a great feeling of Peace.

“When you permit, The Will of God to work through you, any anger, hatred, animosity that is brought to you, ceases. And, once you have done it with one being, there will be another that comes to you. And that hatred, anger, animosity, will stop, with you. Soon, The Holy Spirit will guide to you, those who will give you the opportunity, to do the work of God on Earth, in a most marvelous way.

“So, I ask you this week: ‘Stand up, be The Champion of God, look for every opportunity, and welcome it when it comes. And when there stands one, or more, before you that show the signs of hatred, anger, or animosity, relinquish your free will choice to add to these energies, so that The Glory of God might shine through you creating...

“Peace.”

Jesus Teaches On:
Trust, Believe, And Be Peace, In The Face of Chaos

“I AM with you. Feel My Presence!”

“I AM with you, on this day, and every day. It is My promise to you, ‘If you love Me, I will live with you.’ And you will feel Me, and hear Me. I will touch you. You are My sister, you are My brother, We are One, One united, in the eternal Creator.

“Feel My Presence. Feel the Peace that flows from My Presence around you, precious, precious Peace. Earth would be a garden, if there were more open vessels; for, this Peace that you feel right now, is the Peace that flows to Me, and overflows from Me, onto you. It comes from the Source of All That Is, The Creator. And this Peace is yours, always.

“On this day, I wish to speak to you about being Peace, in the face of chaos.

“Being Peace, in the face of chaos, requires trust. It requires trusting, that Divine Guidance will show The Way. It requires believing, that The Holy Spirit of God is in you.

“Trust and believe, for it is so. You see, I did not cast the words out of My mouth without purpose, when I spoke to those who were with Me in flesh, saying: ‘It is time for Me to go back home. But do not concern yourself. I will not leave you wandering. I will send to you, guidance. When I return to The Father, and tell Him, then He will agree, and We will send to you, a Counselor, who will lead you.’

“These words I spoke, with intent. For, the ways on Earth can be difficult to navigate. And so there has come from the Heavenly Dimension, a Source to guide you, and all beings. Every human being on Earth has the capability, to tap into Divine Guidance. It requires the will to do so, and that is all.

“Peace, in the face of chaos, requires trust. For when your worldly wanderings lead you into a place of shadow, and despair, you are not alone. The Holy Spirit of God is there, with you. You do not stand alone.

“If you will go to the center of your being, and call forth the Peace of God, it will flow over you, no matter where you are, because, no matter where you are, there too is The Holy Spirit of God, Who dwells within you.

“And, if your faith extends to reach your hand toward Me, I will be with you, in a special way, and I will say unto you: ‘I, your Brother, Am here, with you. Do not shake with fear. Do not cry. Pray. And feel The Spirit of God within you. Come, let us be on our Way. There is much to do.’ These things I promise you.

“To be Peace, in the face of chaos, requires trust, and belief. You can quiet, an angry crowd, by being still. Send from you the tempters, who whisper words of fear, and anguish, and concern, and doubt, anxiety, hatred, loathing, unforgiveness. These are but the fuel that will whip the flames of chaos, even higher. The way to quiet, the angry voices, is with silence, stillness. And, in the quiet, summon forth the Peace of God.

“I tell you this, because it is the Truth, that will enable you to meet chaos, and walk through it. For many, it will be The Way to meet chaos, and dissolve it.

“The Power of God is pure, and peaceful, and serene, and tranquil. It does not need to be loud to prove a point. The Power of God is eternal. The Power of God is eternally within you.

“Trust. Believe. And be, Peace, in the face of chaos.

“Feel My Peace, as it is with you now. Carry My Peace with you into the day. And let it flow from you in every way, covering all who come to you, with precious, precious Peace. On this day, I say unto you, it is possible:

“Trust, and believe, and be Peace.”

Perseverance In The Face Of Adversity Requires Faith

“I AM with you. “As the sun rises, and a new day begins, I AM with you. And, on this day, I say unto you, these words:

“Perseverance in the face of adversity requires faith. Peace and tranquility blossom and flower in The Garden of Faith, which dwells within the one who is in balance and harmony with All That Is.

“When you are in balance and harmony with All That Is, you desire to do The Will of God, you ‘know,’ it is your mission to bring The Kingdom of Heaven onto the Earth, through your thoughts, and your words, and your deeds.

“Faith is the staff that will support you on your mission. And when, upon your journey, you encounter adversity, you will lean on faith, as you pray and ask, ‘Am I to drink from this cup, or can I set this cup aside?’

“And, if the answer comes from God, that this cup can be set aside, you will receive guidance, that will assist you in moving the obstacles in your way, and you will continue your journey.

“But, if the Word comes from God, that you are to drink from the cup, then you will walk into your time of trying, led by The Holy Spirit of God. And you shall emerge from the shadows into The Light of God; and, with your staff of faith, continue your mission, along The Way.

“Perseverance in the face of adversity requires faith.

“It is your journey. It is your mission. It is your cup to pick-up and drink, or to set aside. It is all yours, and with faith, you will be led, by The Holy Spirit of God.

“Perseverance in the face of adversity requires faith.

“And so I say to you, My brother, and I say to you, My sister, rise-up and walk the Earth. Bring forth The Kingdom of Heaven, through your thoughts, and your words, and your deeds! And The Holy Spirit of God will guide you, all of your days.

“Be at Peace.”

My Ways, Are The Ways Of Infinite Goodness, Light, And Love

“I AM with you. On this day, I ask you to open to what I say to you. And on this day, I say unto you:

“My Ways are the ways of Infinite Goodness, Light, and Love. My Ways are the ways that will bring you life, filled with treasures beyond, what you can now imagine.

“And I say to you:

“My gifts are there for you. I give you the gifts, because you are My brother, you are My sister. I give you My Ways, because you are a Child of God.

“Therefore, as a Child of God, this guidance I give to you:

“Before creating your thoughts, invite The Holy Spirit to infuse you with The Light.

“Before speaking your words, invite The Holy Spirit to fill you with wisdom.

“Before moving or acting out your thoughts and words, invite The Holy Spirit to move through the deeds you do.

“At first you might be tempted to think this practice is too cumbersome, restricting freedom of thought, word, and deed. But, as you begin working, actively communicating with The Heavenly Kingdom, you will notice that things flow more smoothly, doors open more easily.

“It is then, you will come to ‘know,’ that an angel of God is going before you, preparing The Way. It is then, that you will feel My Presence with you in a most profound way. It is then, that you will come to ‘know,’ that you can follow Divine Guidance, all the days you walk the Earth.

“And, it is then, that these words will come from your lips:

“My Ways are the ways of Infinite Goodness, Light, and Love.”

“Come My brother, come My sister, it is time. Let us walk the Earth, together, as One. Amen.”

Jesus Teaches On:
Happiness Is A State Of Being Achieved Through Love

“As I promised, I come to you. As I promised, I AM with you. And on this day that I AM with you, I say unto you:

“Happiness is a State of Being, achieved through Love.

“Happiness is not held within the possessions of matter. It springs forth from within you, from your soul, from knowing the Love of God. Happiness is borne within you.

“It has very little to do with the transient pleasures of gathering possessions around you, of having this, or having that. It has everything to do with that which is within you. And the more you open to the Love of God, flowing to you, it will fill you, it will complete you. It will permeate your being, as it is intended to do.

“And once you let the Love of God flow through you and out to others, you will begin to experience true happiness, from within. The more you let the Love of God flow through you, you will come to see, and feel, and know, The Presence of God that is within you, that completes you, and makes you whole; so that no matter what you are seeing, or doing, or saying, or thinking, it is filled with the Love of God. And then, all that you see, and do, and say, and think, transcends matter.

“I say these words to you because there are so many of My brothers and sisters walking the face of the Earth, searching for happiness, seeking happiness, desiring happiness. But it cannot be bought, or gathered-up in material things. Happiness comes from within, and it is the direct product of a loving heart. It has nothing to do with material objects. It has nothing to do with gathering those around you who sing your praise, and compliment you on the things you have done. It has everything to do with opening to the Love coming to you from The Father, and being a child of God.

“On this day, open more fully to the Love that is yours. Set your earthly desires aside, and walk the face of the Earth this day, letting the Love of God flow into and through you freely. And then, touched with your blessing, send it out to all those you encounter. You will find, at the end of the day, that you are happy, because you have held the Love of God, and you have passed it on to others.

“The greatest gift the world has ever known is the Love of God, flowing from one child to another, wrapped in the golden cord, streaming from Heaven to Earth. See all the presents fill the air, wrapped in golden strings. Open them, without a care, and see the joy they bring.

“Happiness is a State of Being, achieved through Love. Be at peace; and, this day, take some time to ponder these words. Be at peace, and open to the Love of God. Be at peace, and ‘know:’

Happiness is not held or confined within the things of matter; but it springs forth from the garden of your soul, in great abundance. Walk into the garden of your soul, and breathe in the happiness that is yours. It is eternal. It is within you!”

I AM In The Father, You Are In Me, and I AM In You

“I AM with you on this day. And on this day, I say unto you: ‘Suffer the little children to come unto Me. Do not stop them. Do not impede their progress to Me. Suffer the little children to come unto Me. Bring forth the animals, and the birds, and all things of creation, so that we might sit together, as One.’

“As you have chosen to walk with Me, I AM with you in a most Sacred Way. And, as we walk the face of the Earth together, we will be led by The Holy Spirit of God. As we walk together, you will come to know more fully, the Ways of The Father. The Ways of The Father shall be your ways, for the Ways of God are within you. And this you will ‘know,’ more profoundly, as we walk.

“When I walked the Earth, I told those gathered around Me:

‘I AM in the Father, you are in Me, and I AM in you.’

“I did not say this, only, for a chosen few. I said these words, for all of My brothers and sisters. I said these words, so all might ‘know,’ that we are united, as One. I said these words, so all might ‘know,’ My eternal prayer. My eternal prayer is that we all, be, as One.

“I said that if you love Me, I will come and live with you, and show Myself unto you. This, I do. I said I would ask The Father to send another counselor to guide you. And The Father sent The Holy Spirit of God, Who dwells within you, we are One.

“As I journeyed to Earth with a mission, you also have a mission. As I came from God to accomplish My mission, you also come from God to accomplish your mission. And, as we walk together, your mission will be done, for when your ways are the ways of God, God’s will, shall be done. It shall be done through you. God’s Power and Glory will move about you and into you. It will shine around you and from within you. You will move over the face of the Earth doing the will of God, as I did the will of God. And I shall be, forever, with you.

“Open to The Holy Spirit of God, and be led in all ways, so that all the days you walk the Earth your ways are the ways of God. I AM with you, we are led by The Holy Spirit of God, we are together, united, as One.

“I say these words to you today, because I AM in you this day, and eternally. Eternally, we are One. Eternally, My prayer is that we all be united, as One; for,

‘I AM in The Father, you are in Me, and I AM
in you.’ Be at Peace; for
we are One.”

Jesus Teaches On:

The Secret I Give, To You, The Key, I Hand To You, Is Love

“I AM with you on this day. On this day, I come to tell you: how you can walk closely with Me, your Brother; how you can be led by The Holy Spirit; how you can be in sacred communion with God every second, every minute, every hour, every day you walk the Earth. The secret I give to you, the key I hand to you, is Love. Hold yourself within the energy of Love.”

“The Love of God your Father flows to you freely. It is not hindered, by condition, or clouded, by restriction. It flows freely to you, as it is the Love flowing from the Father, from the Creator, to the child. If you will open to this Love, this Love coming to you in great abundance, and let it permeate your being, body, soul, and spirit, and let it flow from you, to all things, you will come to ‘know,’ what it is to walk the Earth, as a child of God. I say to you, put this before all things.

“When I came to Earth, I was to fulfill the prophecy, to be the living word... The Living Word... Love. I held Myself, open, to God, the Creator, and moved over the face of the Earth, at the direction of God. And I let this energy coming from God flow through Me, and flow from Me, so that The Energy of Love touched all, held all, healed all, was the moving energy.

“I say to you, loving all things, does not mean that you should be complacent, sitting in the bosom of your family, loving the members of your family who care for you, provide for you. I say to you, do not be complacent to be in the company of your friends, and companions, and cohorts, who support you, in a joint theme, or mission, or task.

“I say to you, Love, unconditionally, all things, even these human beings who look as if there is no Love within them, who act, and speak, as if there is no Love within them. Pour your Love upon them!

“I say to you, Love, as I loved; walk, as I walked; speak, as I spoke; for, I AM walking, I AM speaking, I AM loving. The things I did, before, I do through you, today. The Ways that I taught are the Ways that you are to walk, The Living Word of God.

“The Living Word of God... is Love... for if you hold this, above all things, you will not need any other law. You will not need to search through volumes, and libraries, of books for the answer, because the answer will be within you. You will not need to read instruction upon instruction, because the instruction will be within you. You will not need to join into great debates, of what is right, and what is wrong, because right will be within you.

“I say to you, that you can read all the books, in all the libraries, in all the institutions of learning created by human beings, and you will come to know these things. And you will master these things. And you will be known as a doctor of this, or a doctor of that, or a master of this, or a master of that. You can come to join all types of associations. And you can learn all the rules and regulations. And you will become known as a member of this, or a member of

that. You can memorize laws and regulations. And you can know the codes, and you can live by them. And you will be known as a member of this, or a doctor of that.

“But, if you open to The Loving Energy, coming to you from God, and let it flow into you, and fill you with the Love of God, and flow from you, so that the Love of God touches you and moves on to others, you will be known as...a child of God, walking the Earth.

“This is how you will walk more closely with Me, as I AM your Brother. This is how you will be led by The Holy Spirit, from within. This is how you will be in sacred communion, with God, by opening to that which God is sending to you!

“Set aside the rules and regulations of the human code(s), and open to The Kingdom of God that is within you. You are a child of God. You are My brother. You are My sister. Come. Walk with Me. We will be led by The Holy Spirit. We will be in sacred communion with God, Our Father, all the days we walk the Earth!”

If You Will Sit With God In The Garden, The Words Will Lead You Home

“Feel My Presence, as I sit with you. Feel My Presence, as I touch you, with My Love. Feel My Presence, for I AM with you. And as I AM with you on this day, I say unto you:

“If you sit, every day, with God, in the garden, the fruits, flowing from you, will be the treasures of Earth. If you tarry, each day, with God, in the garden, He will speak to you, of your worth.

“And the words will fall sweetly, upon your ears, lifting you, guiding you, into the new day dawning. Rise-up in the Glory and Light of God. Walk amongst the flowers. Run over the grassy meadows. Pick the flowers, and drink the nectar from the vines of Earth. And, The Holy Spirit will lead you!

“Days will come to you, and days will pass from you. And when at last, your mission on Earth is done, on that day, you will sit, with God, in the garden, and He will whisper . . . ‘It’s time . . . to come Home.’ And you will rise-up, and your spirit will pass, from Earth, into Heaven, into the Hand of God.

“If you will sit, every day, with God, in the garden . . .
The Words...will lead you back...
Home.”

Come, Sit In The Garden, With God

“I AM with you, and I say unto you: Be at Peace.

Be at Peace.

“Come. Sit in the garden with God. Let the words that you say, be the way that you pray. Speak of the things held on your heart. Then, listen to hear, what God will say!

“Make time each day, to sit in the garden. Make time each day, to listen, and to hear. Place your petitions in the Hands of The Father. Place all of your questions in the Lap of God. And know, in so doing, that you are releasing, all that concerns you, to the Creator of All That Is. Therefore...

Trust in God!
Know, that which you need
will be given to you. And, be vigilant.

“On this day, I say unto you: ‘Be at Peace. Come. Sit, in The Garden, with God.’”

Jesus Teaches On:

Three (3) Principles, Guidelines For Living In The House Of Light, A Prescription (Rx) For: Wholeness, Oneness, Health, And Happiness, While On Earth

“I AM with you, for all time! As you choose, to walk along The Path with Me, I come to you. Since we are companions, along The Way, I speak freely to you. And, as The Children of God gather upon the Earth, to abide in The House of Light, I say unto you...

“Do not ‘judge,’ yourself, or others, by the ‘measuring stick,’ created by humankind. But hold up the cup, overflowing with the Love that streams from The Father, The God, The Creator of All Things. And let it flow over you, and onto you, into you, and through you, and over all your brothers and sisters. And within this free-flowing, and over-flowing, Cup of Love...you shall abide, and you will be led by The Holy Spirit of God.

“Do not join any voices of prejudice, bias, anger, or fear, as they are prescribed by the clans of Earth. Rather, set your lips to speak ‘of Love,’ to all the Children of God. And in this way, you shall melt the walls of hatred; and, be led by The Holy Spirit of God.

“Do not lock-up your heart, and hold it in a tower, reserved only for those who show you kindness and compassion. I say unto all who gather around The House of Light, ‘Break the chains that hold your heart hostage. Throw open your chest, and reveal your Love to all beings of Earth, no matter what the situation. Stand before the Children of God, with your heart exposed, beating in unison with The One, creating the energy of Love, that will cover all who come to you, and The Holy Spirit of God will lead you, all the days you walk the Earth.’

“I say these things to you because: These are the Guidelines. This, that I give you, is the Prescription (Rx) for: wholeness, oneness, for health and happiness, as you walk, and spend your days on Earth.

“So, no matter what might come to you, or what might be said to you, let the only judgment you hold, be a cup, overflowing, with Love, ‘knowing,’ no boundaries. Let your lips speak only ‘of Love,’ and refuse to utter words of hatred and anger. Bare your heart, beating in unison with the energy of The One, Creator of All Things, so there is no doubt, so there is no wonder in anyone’s mind, about the fruit that comes from you.

“If the children who gather to live in The House of Light can hold these three principles, within their heart, The House of Light will be a beacon for all eternity.

“The Children of God have gathered upon the Earth, and the Light they send into eternity is great. For, The Light is The Power and The Glory ‘of Love,’ sent from The Creator, and magnified by all they do, and say, and think!

“These guidelines... will bring you... and the Earth... Peace.”

Jesus Teaches On:

The Time, The Children Of Earth, Inherit The House Of Light, The House Of Spirit

“I AM with you. And I speak to you this day of your inheritance, for you are The Children of God, walking the Earth for a while. For a while, you are the children of Earth. And I say unto you, now is the time, you inherit, that which was raised-up, by all those who walked the Earth before you.

“The hands that set the foundation, firmly upon the rock, are still. And the arms that lifted the walls, the walls rising higher, and higher, and higher into the Heavens, are at peace. And I delivered The Light of God many, many years ago, setting it in place, in such a way, that it would summon all those seeking The Light.

“And now, the children gather, traveling over sea and land, they follow The Light, placed atop a structure, connecting Heaven and Earth. And, it is your inheritance, to abide within this House of Light. The doors stand ever open, welcoming all who come, for the House will hold all who are summoned. The windows are never to be shut, or hammered closed, but left open, so that which is in the House will not grow stale, but will be refreshed by The Breath of Spirit, blowing in through the House, carrying The Word of God on The Wings of the Dove, filling all those who live within the House, with Truth, guiding their every day upon the Earth.

“And as those of Earth are called, The Light continues to burn brightly. And the voices of The Children of Earth can be heard, filling the House. For, as The Breath of Spirit moves through the House, the House begins to breathe, and it has life, and the walls shall not fall from it; for, this is - a House of Spirit!

“The foundation is set upon the rocks of Earth. And the walls reach-up into the Heavens. And all those abiding within The House of Spirit are filled with Life, and Truth. The Holy Spirit of God indwells each one that is within this House. And the voices of The Children of God are raised in song. It is the tone, and vibration, of joy, and peace, as the Truth is imparted to all. And The Light can be seen in The Halls of Eternity. And the song of The Children of Earth can be heard in The Corridors of Time.

“The law that governs the children abiding within The House of Spirit is The Law of Love. For all time, there is Peace. So let it be, that this House of Spirit is filled with all the nations of Earth, the walls of Spirit expanding, embracing, all who come.

“Lift-up your song. Let eternity hear that The Children of God, walking Earth, have found The Light and abide therein.

“Be at Peace.”

Jesus Teaches On:

Building The House, Bringing The Light, Living The Law Of Love

“I AM with you. And My Presence with you is continuing, and fulfilling My promise to you!

“As I AM with you, I desire to speak to you, and to continue speaking to you, in such a way, that I might draw you nearer to a complete understanding of the importance, of comprehending and understanding, ‘the old,’ so that you might fully, live, in ‘the new.’

“I AM with you this day, to say unto you: ‘It was vital that the prophecies of the Old Testament, the Old Covenant, the old time, be fulfilled, be completed, so that they could be sealed; and a door to a new time, a New Covenant, a New Testament, opened, in Light! The sealing of the Old Covenant, the Old Testament, was a great ceremony, performed with the utmost respect, completed with a song of honor for all those who walked, and taught, and lived, the laws of the old time, so that the new, might be born.

“Many, who constructed the old time, the old ways, the old ark, never, in physical form, walked through the doorway of the new time, the New Covenant, while they were on Earth. But I can assure you, that their spirits gathered together for the celebration, and the ceremony, of the sealing of the old, and the opening, the beginning, of the new.

“I have talked to you, more than once, about bringing the New Command, The Law of Love; and I shall continue to do so, until it settles within you, with great comfort, that: ‘What is of the old time has been sealed, so that you might open your heart to the new, Law of Love, before this covenant, this time, is sealed, and a new Law, and a new door, stand before the world of Earth.’

“I wish to compare this to something, to make an analogy, so that you might comprehend better, than by merely hearing these words, because it is comfortable to cling to the old ways. It takes an adventurous heart, soul, and spirit, to go-out into uncharted waters; yet, there are those who go, because they ‘know,’ the Light of the new time, and the New Covenant, has been lit, so that they might always see the Light, and ‘know’ where it is, so they might find their way, Home.

“I brought unto the Earth, The Law of Love, saying at that time, and showing in My actions, that many of the rules and regulations, that were in place, to suit a particular step in the construction of The House of Light, were no longer required.

“I came into the world, to bring The Light of God, to bring The Law of Love, and to show all those whom I could, that there were laws and regulations, that had been set in place, that were actually restricting The Law of Love. And, if they would open, their body, soul, and spirit, to The Law of Love, they would have no problems adjusting to the periodic rules and regulations; and, to let them ‘know,’ that even if God had told them to do something one way on one day, it might not be the same four days later. The Way, the whisper coming from God to move, or act,

or do, might be different four days later, than it was in the preceding days; but, The Law of Love would lead them, constantly!

“Now, I would like to tell you a story, which will further assist in your comprehension of this...

“Imagine...a land, broad, and wide, having all types of topography: with flatlands, and hills, places wet, and places dry, majestic mountains, fertile valleys, cities with many people, and places sparsely populated...all seeking...all following...God!

“And God began to direct them. And He led them to a place. And in this place these people settled. Some moved about. But they would always return to the place for holidays, for celebrations, for festivals.

“And God spoke to them at certain times, and in certain ways, to assist them, not only in finding this place to be their gathering home, but also in how to live, and work, and exist on Earth; so that they might be known as ‘The People of God.’

“There was great construction going on. And, as God spoke to the people, they began to follow the rules that were passed down to them, on how they might be ‘of God, and of Earth.’

“But God understood that a period of building was quite different from another period and after the building. That is why it was set in place that I would travel to Earth, to say: ‘The Time has come. I AM the One you have been waiting for. I AM fulfilling the prophecies that you have lived by, so that you might be prepared to walk into the new time; and, the banner for the new time, the New Testament, the New Covenant is: The Law of Love.’

“You can comprehend this more clearly, if you use your imagination to see, that the people, who had followed The Word of God, to lead them to this certain place, were ‘the builders,’ let us say, of a grand tower, similar to ‘a Lighthouse.’ They followed the rules and regulations. And, as the Great Builder was saying, ‘Dig the holes for the foundation!’ And there were those who dug the holes for the foundation. This might be all they ‘knew,’ all their life, ‘God desires us to dig these holes, and fill them in, for the foundation.’

“Maybe a generation later, there would be those who were told, ‘Now, set the cornerstone, and begin to frame!’ And the cornerstone was set; and the framing, began. And those who spent their life doing this followed The Law of God; and they said, ‘This is what God wants us to do: set these stones, set the foundation.’

“And another generation came-up to work. And the house rose-up, one floor at a time, one window at a time, going higher, and higher.

“But, when the construction was complete, the command ‘to dig the hole,’ so that the foundation might be set, and in place, properly and balanced, was no longer given, it was no longer necessary. The House of Light was constructed! And, it was then, those who would abide within the house, walk through the door, and see what has been constructed.

“I was sent to Earth, you might say, to walk into that house, and turn on The Light.

“If you can envision a grand lighthouse, built at the edge of the land, close to the shore, My instruction was: ‘Turn on The Light! When The House of Light is complete, turn on The Light!’

“And so, because all of those before Me on Earth dug the holes, laid the stones, built the foundation, set the windows and the doorways, I could come, and answer, ‘This is the right house, The House of Light!’ So, I turned on The Light!

“I want you to think on this...word picture, and comprehend...that each step along The Way, The Grand Designer, The Builder, The Creator, gave different directions, calling-out different commands, to whatever crew was working on this magnificent construction, this edifice, this Lighthouse. Each was important, in its time. In fact, each was vital. But The Law that the Bringer of The Light carried from Heaven to Earth was intended to be set atop all the others, and say: ‘This is The Law of God!’ Tell each of those involved in the process of building, ‘It is done. Behold, The Light! It is through Me that you reach God the Father, through this Light. And, as I turn on The Light, all those that came before take part.

“The Light is present this day. While I walked the Earth, I sent those I had gathered close to Me, from Me, so that they could carry the stories of The Light, and tell all they met, ‘Follow The Light. It stands high above the land. And it beckons those from land and sea. It reaches up to the sky, so all will ‘know,’ The Children of Earth have erected the tower, reaching into the Heavenly Dimension, and it summons all to see, The Way, Home.

“When I speak of bringing the new time, the New Covenant, and The New Law, I do so with the greatest respect, and honor, for those who lived in the Old Law, and faithfully served God The Creator, so that those who walk the Earth, after their passing, might know The Light. If you will think of it in this way, it will slip more easily into your comprehension.

“Now, The Light is on! The Children of Earth can gather around it. The Voice of The Holy Spirit, within each being, will lead you to The Light. Follow The Light, it was ignited for you.

“Be at Peace.”

The Living Word, Delivered The New Covenant, The New Commandment, The Law of Love

“I AM with you. I AM beside you. I walk with you. Every step you take, I AM there. And when you ‘awaken,’ to this ‘knowing,’ we will walk the days together: speaking, sharing, growing closer and closer.

“I AM with you on this day. And I wish to say to you: ‘Remember, what I have said to you. I was sent from Heaven to be The Living Word, to deliver The New Commandment.’ And I said to those gathered, ‘I bring a New Commandment and the New Command is Love. I deliver...unto Earth...The Law of Love!’

“And this Law of Love was not delivered by a fist of fury, by a hard hand. I was sent to Earth, to bring this New Command, with a hand of compassion, caring, giving.

“I have said unto you, that I came from Heaven to Earth to fulfill the prophecy of the Old Testament, the Old Covenant. And it is right that this be done, that the time of the Old be sealed, and fulfilled, before the New, can take its root in the fertile gardens of those ‘who know.’

“And so it was. And so it is. This Law of Love that I bring unto you is the only command you need while you walk the Earth; for it is the answer to every question that can be presented to you, it is the resolution for every challenge that you meet!

“When I had a period of question, as I knelt and prayed in the garden, I asked God, ‘Father, must this be done this way? Can this cup pass from Me?’ And the answer was clearly, ‘The prophecy must be fulfilled, My Son. The Old must be sealed, before the New is begun in earnest.’

“And I ‘knew,’ at that moment, that The Law of Love could not be The Standing Law of the Time, until the prophecy of the Old was fulfilled. And I tell you, at that time, when ‘the knowing,’ settled into Me, I rose-up, and I was ready to be the One, who would seal the Covenant of the Old Time, and open the New. So, it was My destiny, to be The Living Word, and to bring this message, this Law of Love, to Earth.

“I say unto you, if you ‘know,’ that The Law of Love has been delivered unto you, embrace the Law. Live the Love. Hold it in a place of honor. And let it guide your ways, every day. For I tell you this, My brothers and sisters, this Law of the new time, the New Covenant, this Law of Love, will lead you, Home. And the Hand that guides you will be ‘of compassion, and caring.’

“Be at Peace. Open, it is the time, of The Law of Love...

“Take My Hand, and be at Peace!”

Find The Lights And Bring Them Forth With The Breath Of Love

“I AM with you. On this day, I AM, with you. Know this! At the core of your being, ‘know this!’ For, I was sent from Heaven, from God, The Creator of All Things, so those of Earth might ‘know,’ the time of The New Covenant, the time, that was set for The Law of Love to cover the Earth. I was sent to bring The Law of Love!

“I did not choose, as companions, those in high places. In fact, and in truth, I was led by the Father’s Hand to those I chose. I was led to those, I was to walk with. Therefore, as I would walk by, I would ‘know,’ ‘that is the one...go touch that one...that one has been prepared by the Hand of God...that one...will follow.’

“So, My choice of companions was not a random selection, choosing, or picking just anyone from the crowd. And, as I was led to each one, they opened, as My eyes fell upon them, and I said, ‘Come with Me,’ and they followed.

“There were those who sought Me to find out what I was about, to try to get an understanding, a comprehension, of these thoughts, these stories, these words, I was saying. But most of those who sought Me chose not to follow Me. I understood that.

“As those I was led to were ready, prepared by the Hand of God, there were others, who were not ready; still, children of God, but not ready. You see, the ones who were not ready would have had many doubts, and would have created much turmoil. And it was that those I was to take with Me...to gather unto Me, to water the gardens of their souls and spirits, to raise-them-up in such a way that they could continue My message...needed to be ready.

“Still, even within the ones who walked with Me freely, of their own choosing, there was much doubt from time to time. It should be understood, that they chose, because they ‘knew,’ within their being, that this new law, this new covenant’s time, had come.

“When I was with these friends, these who said, ‘I will follow,’ they were My friends, My brothers. And I knew them, with all of their challenges and obstacles, and all the things they carried ‘of human experience.’ I knew them; yet, My choice with them, was to point-out, and hold-up, the ‘best,’ within them!

“And every time I lifted-up the best within them, they, each one, rose-up in spirit. In this way, the pointing-out of the Light, the best, the most unique characteristic ‘of God,’ within each of these individual followers, much of the doubt, and residue of the Earthly dimension, began to shake from them, as it was not pointed out so often.

“Yes, there were times when I would take each aside, and say something to them to assist them around obstacles; but only, as led, by the Father.

“What I am saying to you on this day is this: ‘As I gathered unto Me, those I was led to, you too, gather unto you, those you are led to. Now, few recognize what is happening; but I say unto you, you are led to certain people every day. And the people you are led to are open; they have been touched by the Hand of God; and, they are ready, for some message, you are to bring to them.’

“You will gather around you, and already have in all probability, a circle of close friends. Make it your pattern of conduct to find ‘The Shining Star,’ held within each of those you hold close to you. Begin this day, and follow, through this week, to lift-up the shining pieces of those gathered around you. Bring these to the surface of the conversation, more than anything else. And see what happens!

“The more you point to the Light, the more focus is put on the Light, and the brighter the Light will become. Other things will fall away. And soon, you will find that you are assisting all of those around you, to be, more fully, what God intended them to be.

“It does not matter, whether those around you number two, or twelve, or twenty, or two hundred. You have the ability to bring forth a Light, that they might have tamped down, that might be only a small ember. But, with The Breath of Love that comes from you, the ember will burst into a flame! And you will begin to see, God, in your friend. And every time your breath is focused on this unique, holy, and glowing part of your friend, it will increase in volume...in intensity...in Light.

“If you can do this for the friends gathered around you, they will move from you, and carry their Light to other places. When they remember the joy in their hearts, kindled by the words from your lips, they too will begin to find the Light in others. Soon, all these Lights will be uncovered!

“It is, in this Way, that the Love of God is spread over Earth, one being to another. It is not so much that the Light will pass over Earth because there is a command in place that you must ‘Love your brothers and your sisters.’ It is more so, that The Love of God will be spread over Earth, by touching another, by finding the Light within the other, and by bringing it to the surface.

“This is what I wish to tell you this day: ‘The human beings of Earth have a unique opportunity to spread The Love of God, to go out, and find the Lights, and bring them forth. It is good if you can uncover your own Light; but others might require, that you find their Light, for them.’

“Gather unto you, those you are led to, and breathe upon them, The Words of Love, which will ignite embers, slowly going out. And, when these embers ignite into a flame, you will see the Light, and the world will be a brighter place.

“Be at Peace. Go in search of the Light. You will be led to the ones who will follow.”

Jesus Teaches:

Open The Door And Walk Into The World Led By The Holy Spirit Of God

“I AM with you, on this day. Every day, all of your days, I AM with you. And on this day, I wish to speak, to you, of birth, and life, and growth: physical growth, maturing from a child, to an adolescent, to an adult; and, spiritual growth, awakening to the desire, the intent, to walk closer with God, to ‘know,’ the things of Spirit; growing in physical body, and growing in spiritual body.

“And as your mother, your earthly mother, gave you The Gift, of physical life, God, The Creator of All Things, gave you The Gift, of spiritual life. You are a spiritual being, in the form, of a human being, walking Earth.

“When I was sent from Heaven – to bring the New Commandment, the New Covenant, to Earth; to be the Living Word of God; to show, The Way – I was a spiritual being, in the form of a human being. And I gathered around me apostles, and disciples, friends, all spiritual beings, in the form of human beings.

“I gathered them around me for the purpose, of sharing with them, in a personal way, the New Covenant of Love, the Living Word of God, to show them: how to live, on Earth, while exhibiting the attributes, of The Kingdom of the Father, God, Creator; how to live on Earth, with Heavenly attributes; how to live on Earth, exhibiting, the spiritual being, that they were, that they are.

“It is much as a mother teaches a child. There, young, and at her knee, you learn many things preparing you to go into the world, without her. And a mother tells you these things. A mother tells you these things, repeatedly, until one day when the door is opened, and you are given permission. You hear the words, ‘You’re ready. Go play outside by yourself!’ And you look back at her, wondering, if the boundaries are still the same, and she says to you... ‘knowing,’ the question in your eyes, and on your heart... ‘Yes. You can cross the street. But remember, look both ways before crossing!’

“And so, you go into the world, with the words of your mother still ringing in your ears. And it might be that years pass. And it might be, at some point in time, that your mother passes, ends her time on Earth with you, and returns to the Heavenly Dimension. But still, no matter how old you are, you reach a road, that looks very busy, and you’re not sure of where you’re standing, and even though she is not with you physically, as you prepare to step into the thoroughfare, you hear her voice within you say, ‘Remember to look both ways, before you cross the street!’ You hear her, within you. And because, of this presence, of her words still living within you, you cross the street safely.

“And so it is, that I began teaching those that I gathered with Me, in this same way; gathering them around Me, repeating things to them, in ways that they would remember; sometimes in

stories, called parables, sometimes taking them aside, one-to-one, to repeat things, that it seemed to Me they were not learning.

“But most of all, I was the living example. We lived together, we walked together, and we talked together. And when it was time for me to return to the Father, to the Heavenly Dimension, I told them, that I would send to them, The Holy Spirit of God, Who would lead them, and guide them, so that they would not be alone while they walked the Earth. I told them that The Holy Spirit of God would lead them into all truth, the truth they were each ready to hear, in their own time, and in their own way.

“Still, when it all came to pass and I left my friends and returned to Heaven, they became fearful, of what was to happen to them. They were as ‘lost children,’ when they gathered together in a room behind locked doors, not knowing which way to turn, which way to go. But, in the midst of their fear and uncertainty, The Holy Spirit descended upon them, and into each of them. And The Holy Spirit of God imparted unto each of them, the truth, as much as they were ready to hear, and showed each of them, The Way. When it was accomplished, those who had gathered together in fear, threw open the doors to the room, and walked out into the world, led by The Holy Spirit, in The Light, and the Glory of God.

“And, it is the same with each of you. It is the same as remembering the good counsel of your mother. It is the same as hearing her words as you go out into the world. For The Holy Spirit of God is with you, is within you. And, The Holy Spirit of God will teach you: how to bring The Kingdom of God to Earth; how to be The Living Word of God on Earth. The Holy Spirit of God, will guide you, all, along The Way, Home.

“On this day, recall the words of guidance, which came from your earthly mother. On this day, remember, The Holy Spirit of God is within you, always. The Holy Spirit of God is calling to you, ‘Come. Walk this path. I will show you The Way. Give me your hand. I will lead you all The Way home.’

“On this day, I speak to you of birth, life, and growth. I say unto you, you are ready: loose fear, loose worry, loose concern, doubt and anxiety, loose all these things from your heart. Throw open the door, and walk into the world, unafraid. You are ready. The Holy Spirit of God is with you. I AM with you. Awaken to the desire burning within. Make it your intention to walk more closely with God, to ‘know,’ The Way. You have been given The Gift of Life. I give you My hand, and say unto you, come! Let us walk The Way, together, one step, after another. Come! You are ready! Open the door, and walk out into the world, led by The Holy Spirit, in The Light and the Glory of God! Come!”

Jesus Teaches On:

Speaking The Words Pales In The Light, That Living The Words Will Bring Forth To Earth

“I AM with you on this day. On this day, My words to you – will be few – because it is on this day, that I wish for you to ‘know,’ to really know that: ‘Speaking the Words pales in The Light, that living The Words will bring forth to the Earth.’

“Words are forms of communication. But words can be altered, and changed, put in such an order that they do not hold the meaning, intended, by the one giving them first utterance.

“But I say unto you, if your deeds speak for you, then there is no mistaking what you are doing. It is good to know The Words, The Words that are passed down from generation to generation, The Words that are found in books, giving direction, guidance. It is good to know these Words and to read these Words; but living The Words, brings the Light of God to Earth!

“If you are to live The Words, it requires action; for to live The Words, you must truly ‘know,’ The Words. If you ‘know,’ that you are a child of God, it alters how you walk, and talk; and the thoughts that come forth from you, are worthy of a child of God.

“It is time, for those who say they ‘know The Words,’ to ‘live The Words,’ to be, ‘The Living Word of God.’ This requires full ‘knowing.’ And it will be a sign unto all beings of Earth, for you shall ‘know, the children of God,’...by what they do...how they live...how they are...‘The Living Word of God.’

“There will be many children still sleeping. But, as those who ‘know,’ take their place, and live The Word, The Light that they bring to Earth, will touch the others. And, they too, will rise-up in The Light. For even in the darkness, where there are those children who say, ‘There is nothing around us that would lead us to believe that there is a God who loves us. Therefore, we turn our back and walk away.’ Even in that darkness, when you are The Living Word of God, and you bring that Light onto the Earth, the darkness is no more, for they will ‘know God,’ through you!

“So, this day, I say unto you, ponder this week, think on ‘Living The Word,’ for it is what God wishes for you to do! During the coming days, remember: ‘Speaking the Words pales in The Light, that living The Words, will bring forth to the Earth.’

“Be at Peace. Live The Word. Bring forth, The Light of God.”

Jesus Teaches On:
Forgiveness Is The Key To Unlocking God's Love

“I AM with you, on this new day. I AM with you to begin your week. In Truth, I AM with you at all times.

“But on this day, I sit with you, and I say unto you: ‘Forgiveness is The Key, which unlocks the door of anger, hatred, jealousy, greed, pride, and hurt. And once this door is unlocked and open, the healing energy of God’s Love is free to flow.’

“The Key of Forgiveness is within every human being. But to use the key, one cannot be addled by frustration, or saddled by complacency. One must have, in the heart, the desire to forgive, beyond all other purpose, even when the words fall on closed ears, even when in your heart you forgive, and there is no reciprocal forgiveness coming to you.

“For, in Truth, I tell you: ‘If you will persist, and pick-up the key, you will bring great peace, because peace must begin somewhere. So it is appropriate that this peace begin, with a desire within your heart to use The Key of Forgiveness, to unlock the door, sealed by thoughts, and words, and deeds.’

“And you must persist, even with key in hand, because sometimes, the lock is so set and so corroded with negative thoughts, and words, and deeds, that inserting the key requires work and effort, to turn the key requires strength and diligence, and to open the door requires true desire, and ‘the knowing,’ that it is more important to free-up this avenue, this channel, this flow of God’s healing energy, than it is to hold on to your place of righteousness.

“You must set aside the feelings that it is more important for you to be right, that there is an argument that should be won by you. You must ‘know,’ that these things are small, and that The Healing Energy of God’s Love can cure all things, heal, all relationships. It does not matter, if you are forgiving yourself, your mother, your father, your sister, your brother, a friend, a group of people, or a whole nation.

“To free yourself, and all eternity, it is important to open the door. And, once this is done, this free-flowing energy will pour through the place that was once sealed, and bring healing, golden light. And it will be done, because you desired it to be. This is within you to do. And once it is done, you will feel this extra flow of God’s Love move into you. And just as important, it will move into you, and through you, and touch all beings, of all time.

“Remember, ‘Forgiveness is The Key,’ which unlocks the door, which holds back the free-flowing energy of God’s Love.

“The Key of Forgiveness,’ is within you. It is yours. ‘Pray on this day, for the strength to pick-up The Key, and open the door.’”

The Mountain Of Forgiveness Rises-up, Lifting High The Flame of Love

“Alleluia, I AM with you! I have risen, comes The Light.
Alleluia I AM risen, comes The Glory, no more night!
I AM with you. See the day. I AM with you. See The Light!

“I have come to you today – in celebration – I have come to you, today. Yes, I AM with you! And, as I AM with you, I say unto you... Heaven and Earth unite in the song, for the mountain rises-up, lifting high The Flame of Love, so all might see The Light. And the mountain – is called – Forgiveness.

“As the mountain rises-up from the plain of Earth, so shall The Mountain of Forgiveness rise-up from within the plane of man, within your being. For, as God sustains each of His children with the life-flowing Energy of Love, the mountain shall rise-up, within you.

“When you hold, within you, The Loving Energy of God, the flame is rekindled; it burns brightly, and those who come to you, see The Light of God, shining through you! But when you make it your decision, to open The Gift of Forgiveness, you raise-up within your being, a majestic mountain, and atop the mountain there burns The Eternal Flame of Love. This Mountain of Forgiveness lifts The Light of Love that is within you, higher, and higher still; so all might see The Light of God, so all might be beckoned unto you. For each thought, or deed, or word, of forgiveness, increases your mountain, lifts it higher.

“Think of it this way. Imagine, just for a while, a plain, that reaches-out far and wide; let us say a plain that is the width of the country in which you live; let us say that this plain reaches-out to the borders of North, South, East, and West; and then, imagine all of your brothers and sisters touched by The Light of God's Love, standing...all over the plain. It is a beautiful sight to see, these beings, holding The Light of God, the flame flickering over their heads, lighting the plain.

“Now, I ask you to see, as each one, with intent, and using their free-will, practices forgiveness, forgiving in thought, word, and deed, not only forgiving their brothers and sisters, but themselves, see mountains begin to rise-up, not all at the same time; but, one coming up here, and there, to the middle, and to the North, and to the South, growing at their own pace, but lifting high the flame. For you see, this flame, that was rekindled by The Love of God, burns brighter, and reaches farther, when it sits atop The Mountain of Forgiveness.

“So I say unto you this day, lift high The Flame of Love, and let it be atop The Mountain of Forgiveness, for it is within you. I say unto you this day, all Heaven and Earth, unite, in the glory of the song, as the mountain rises-up, lifting high, The Flame of Love, so all might ‘see, and know, and follow,’ . . . so all might find . . .

“Peace on Earth.”

Jesus Teaches On:

We Are One, Let Us Continue The Resurrection Of Spirit

“I AM with you. And, as I AM with you, I say unto you...

“We are One. Let us continue to rise-up together, as One.

“As I call to you, you come. You answer. And, in answering, you rise-up with Me. You choose to follow the path. You choose to walk The Way. And The Way is Love.

“As you continue to call forth your spirit, and set the things of matter aside, you create an energy within your being that raises-up all beings of eternity. When you create a ‘thought,’ that is ‘of Love,’ you rise-up in the creation of this thought. And this ‘thought,’ is an energy, which lives.

“In the rising-up, you will find that you feel lighter. This is because, when you are working to raise-up your spirit being, your physical body actually becomes lighter; and, you feel it. There are also chemical reactions within the physical body to the spirit body’s presence in a more profound way.

“As we continue this resurrection of spirit, I ask you to practice this week the creation of Love...repeatedly... let it be foremost in your thoughts. Even before you greet another, let it be your intention to greet them with Peace, and Light, and Love, no matter how you are received; for, you have gone beyond that point now. Now, it is up to you! It is up to you... to create... the Love... and the Light... and the Peace!

“And, if you are received with less than these, it is up to you to transmute any lesser energy, sent back to you, into Love. It is, by doing this, letting negative thoughts and words and deeds, stop, with you, that you draw the line in the sand, saying: ‘No more! This will be no more, for I am using my heritage - as a child of God - to take this energy, which is sent to me, and create a beautiful light energy of Love.’

“This is a conscious decision that you make, with purpose, and intention. It is no longer between you, and the other person, who might be assailing you; it is your direct decision, to alter all time, to change eternity, for the better.

“I say unto you, if you do this, the Earth will flower. It will be a perpetual garden. And, as you do this, you are planting seeds, the flowers of which you might never see. Still, you are leaving seeds, everywhere you go. And in your passing these flowers will be springing forth. You might never smell the aroma. You might never see the color. But the seeds came from you. And they will live, forever.

“So, I say unto you this day, rise-up with Me! Make it your intention to say...

“No more! No more hostility. No more anger. No more fear. No more crying. No more hatred or envy. It stops with me; for I choose to accept my heritage, I am a child of God, and I take all energies that come to me, and create a light energy... a powerful energy...of Love. This I do, for the highest good of all. This I do, as a child of God. This I do, for Love. This I do, for God.’ ”

Rise-Up With Me, As I Live, So You Too, Live: Resurrect The Spirit That You Are

“I AM with you. I come to you this day to proclaim The Good News ... I Live! I come to you this day to proclaim The Good News, that your body of Earth, cannot confine, The Spirit of God, that is within you. As I live, so you too, live.

“You walk the Earth for just a while. But when you shed the body of Earth, you fully walk into your state, your eternal state of being, for you are ‘of God.’

“God so loves you, that I was sent to you, so that you too, might ‘see, and know, and believe.’ I was sent to you from God, to be ‘The Living Word of God,’ to fulfill all of the prophecy of the old covenants, so that I might carry unto the children of God, the new covenant, that would stand atop all of the old covenants, the new covenant that would be The Golden Dome, The New Covenant, Love One Another.

“I came to Earth, and I fulfilled the prophecy, so that you would ‘know,’ that it was time for the new covenant. And, as I brought it to you, it was given to you by God, so that this new covenant, between the children of God walking Earth, and the Creator God in Heaven, might stand eternally, as the One Covenant that opened the door, and showed The Way, back home.

“I lived on Earth so you might ‘see, and know.’ And, as you walk the Earth, you have the ability to bring Heaven to Earth, to set the things of Earth aside, and fully accept The Spirit, which, in you, abides.

“I say to you today, as I rose-up, left my earthly body, and rose-up to be fully Spirit, you too shall pass in this way. I say to you today, rise-up and let this day be the day that you resurrect your Spirit that is within you. And although you might wear your body of Earth for a bit longer, it is time to begin to walk into your full Spirit being...now!

“Do not wait until your time of passing. Begin your resurrection now, with Me, for I AM The Way, The Truth, and The Life. I came to Earth to fulfill the prophecy, and to bring the new covenant, The Covenant of Love. I reach out My Hand to you now. And I say to you... My brothers, and sisters, of Earth...

“Rise-up with Me. Resurrect the Spirit that you are. You are a being of eternity; you are a child of God. And, I have been with you to show you The Way. Rise-up, with Me, ye sons and daughters of The Eternal God; as I live, you too, live! Come! It is time...

“Rise-up!”

Jesus Teaches On:

Find Strength By Going Inward, Find Joy In Who You Are, Find Peace In Completing Your Mission, And, You Will Find, Within You, The Voice Of God

“I AM with you. And on this day, I ask you to remember: ‘The tumultuous applause that greets your entrance onto the stage, will soon die down, and the play will begin.’ As I rode into Jerusalem, thousands of Earth years ago, it marked the beginning of the end of My Earth time. Oh glorious entrance, fading, as it begins!

“I say to you today, do not look to the cheering crowd, to be lifted-up, while you are experiencing life on Earth. Find Strength by going inward! Find Joy in who you are! Find Peace in completing your mission! The cheering crowd will grow weary, tired, and be still. When you turn, during times of trial, you will find, they are no longer with you. But, you will find, within you, ‘The Voice of God!’

“All things of Earth are fleeting and passing. Each man, and woman, and child, has their own mission. They might stop momentarily to recognize one amongst them. But soon, they are drawn to that, which they must accomplish, they must do. And that leaves you, walking ‘The Way.’

“I came to know this, as the human experience, when I walked amongst you, in a physical form. This is why I ‘knew,’ that there was to be a connector between the children of God walking Earth, and the Creator, One who would be with each of you, all of the time, not just with some of you, some of the time.

“As I made My entrance into the city, there was great applause; yet I ‘knew,’ it was just what it was, the fulfillment of prophecy, and the beginning of the end of My time on Earth. And with the cheers still ringing in My ears, it came to an end.

“If you put your faith, only, in the adoration of your brothers or sisters, or the rewards of Earth, you will soon be disappointed. But if you remember that you are a child of God, on a special mission, if you will remember that you are on Earth for a purpose, to bring The Love of God to all you encounter, then your ultimate victory will be, no matter what the atmosphere or environment of Earth might be at the time. For you will be holding your worth as a child of God; you will be holding your ultimate victory, in completing your individual mission.

“As it was time for Me to leave Earth, I spoke of this clearly, plainly, to those around Me, saying that I must return to the Father, so that I might, more completely, be with each of you. It is the Spirit reunion.

“As I left the life of Earth, and returned to Heaven, I promised to send The Holy Spirit, to lead each of you. And, in My absence, promised, that if you would hold the things that I said special and dear, and that if you would love Me as your Brother, I would come and live with you; not

with just one or two of you at a time, but with every human being on the face of the Earth...at one time. And this is done...by Spirit.

“And so it is, by The Ways of Spirit, that you are to live your time on Earth. This will bring you true happiness, for the ways of the world are fleeting, and passing, and changing.

“Do not look, to the cheering crowds, to be lifted-up, while you are experiencing life on Earth. Find strength by going inward. Be lifted-up, on The Breath of The Holy Spirit. Find joy, in the truth that you are a child of God. And know true peace, by making it your intention each day, to work toward completing your mission.

“I tell you this, because this was My purpose, during My last days of Earth, to mark each moment, on Earth, with God's Love, and with My will, to do the Will of God, to complete My mission, and go home.

“Do not bow to the applause of the world, be lifted-up by the Love of God; and ‘know,’ . . .

“I AM eternally with you.”

'Miracles,' Are The Flowers, Born Of The Seeds Of Faith

“On this day, I AM with you. On this day I wish to say: ‘Miracles are the flowers, born of the seeds of faith, carried on The Breath of The Holy Spirit, and nurtured in The Garden of God.’

“Miracles are every day occurrences, consistent with living in The Light and Glory of All That Is; for it is in The Light, that you ‘know,’ your physical being will pass, but your spiritual being is eternal.

“In The Light you ‘know,’ you are on Earth to complete a mission, for The Glory of God. And when you are distracted from your mission, by dis-ease of body, soul, and spirit, this is when you must speak with God, ask for help, pray for guidance. Set yourself aside; and, in silence, prepare to speak with God.

“And then, pray, in this way: ‘God, I am distracted from my mission. I am experiencing dis-ease of my body, soul, or spirit. I wish for healing. But if it is the great plan, that I am to carry this dis-ease, while completing my mission, so be it. But if I have contracted this dis-ease of body, soul, or spirit, because of the environment, or atmosphere, or just living on the Earth, then it is that I ask for healing, so I might be whole, and balanced, so I might continue serving You, and completing my mission. I wish for healing. But, my intent and my purpose is, ‘Thy Kingdom come, Thy will be done, on Earth, as it is in Heaven.’ On this day, this I say, and this I pray. So be it.’

“And, in faith, you are a flower, tended by The Hand of God.

“I say to you this day, remember: ‘Miracles are the flowers, born of the seeds of faith, carried on The Breath of The Holy Spirit, and nurtured in The Garden of God.

“Be at Peace.”

Jesus Teaches On:

Open the Windows Of Your Soul, and Receive, The Breath Of Eternal Spring

“I AM with you. And as I come to you, you know Me, you feel My Presence settle about you.

“I come to you on this day, with another example, something for you to carry into the new week, spread before you, something that will be familiar, as it is almost springtime where you live on Earth. I ask you to consider this example...

“You are about to complete the cycle of the seasons, known as ‘winter,’ on Earth. And during this winter time, you are often held within your home, more so than during the time and passing of the other cycles of the year. It is a time...for inward... growth.

“And so you have spent most of the winter in your home. The windows have been shut down. The fire has been going, or the heater has been on, keeping you warm, as the winds of winter howled about you. You felt protected. You felt warm. And when you would open your door, or go out into the winter wind, you felt it cold and frigid. You felt warm and protected as you returned to your home, closed in. But as welcoming as your warm den has been during the winter, it is time for a change.

“And I say to you... throw open the windows. See, the wind has modified to a breeze. Feel the freshness, as it comes through your windows. Throw open the door. Draw in this new, fresh breeze of springtime. Let it move through the home that has been shut down, closed off. Let it refresh you body, soul, and spirit. Draw it in. Feel the difference. Even the most amazing times, spent within the walls of your home during the winter, grow stale. The air is not what it was at the beginning of the winter. Be cleansed in the springtime breeze. Feel it move about you, the welcoming touch of spring.

“Here is another example, too. The seeds of the flowers have been held beneath the Earth that has been cold and frozen; the seeds of the grasses, buds of the trees held tightly within, protected, shielded, from the cold winter. But as you look out and see the tender shoots of the grasses, the first evidence of the springtime flowers, the first buds on the branches of the trees, understand that you are also breaking the soil of winter. Open your doors! Open your windows!

“And now I ask you to transfer what I have just told you to your spiritual life as well, for you do not stay dormant, or stagnant, in that which you ‘know.’ But as you spend your years on Earth, The Holy Spirit leads you into new insights... into a richer, deeper life, and understanding...walking closer with God.

“So as you begin this springtime on Earth, open the windows of your soul, so the fresh Breath of The Holy Spirit can bring new life to that which has been dormant. Try it now, with purpose and intent, open the window to your soul and feel the Love flow into you!

“The Holy Spirit is always with you. But when you open yourself to the gifts of God that are flowing to you, with purpose and intent, just like you go over and open a window to your home, or the door to your home, there come to you the most amazing gifts.

“So on this day,
as you are preparing
on Earth to walk into
springtime, I say to you,
open the windows
to your soul,
so that
The
Holy
Spirit
might enter,
and bring to you,
a new life, filled with the flowers
of eternal springtime! And be at Peace.”

Jesus Teaches On:

An Example: Faith In The (Electric) Light (or, You Have The Power)

“As you have the Faith, to call My name, I walk into your midst, and I sit with you. I AM present with you because you believe, and your faith is the spark, that kindles our relationship.

“I AM with you on this day, as I promised. And I wish for you to sit back, and listen to an example I would like to present to you, so that you might use your understanding of the physical world, to better comprehend the spiritual world.

“I use as an example, something that those of you who are hearing these words, or reading these words, will recognize, most certainly, if you are beyond the ages of eight, or ten, or twelve. The example I use with you today, is the example of electricity... the way you walk into a room, and extend your arm, and, with a flip of your finger...bring forth the light.

“If you will think on how many times you do this, with confidence, stepping into a dark room, extending your arm, and flipping a switch, ‘knowing,’ you shall bring forth the light...then you will see...where I am leading you.

“Sometimes, those who have the confidence to step into a dark room, extend their arm, and flip the switch, are met with darkness, still. And this is what I want to speak to you about today. How is it that those who walk with the faith to know that they can bring forth the light, find themselves standing in a dark room?

“You know within you, with your comprehension of the physical world, that something is short-circuited; or perhaps the light bulb is burned out; or perhaps there is a storm brewing some place beyond your city, or within your city; perhaps there has been an accident along the route, and a car has run into some line that brings this light to your home, to your dwelling. But immediately, you begin to search for the answer.

“Often, when you come in, and go to flip a switch, and there is no response, you find a new light bulb, and you replace the old, with the new, the one that has been in use for so long that it needs a replacement. And once this is done, the light is again upon you.

“But sometimes that is not the answer. And even though your training has taught you to replace the bulb, it does not bring forth the light. If you are aware of a storm, or weather that could disturb the flow of the electricity, you wait for a while. But usually this wait, this time that you are waiting for the light to return, is not spent idly.

“You will pick up the telephone and call the source of the electricity to find out if they know: that you are without light, and how long this might take to restore the light, and what you might do to speed-up the return of the light. But you call for help, ‘knowing,’ – that since the source can always provide the light – there must be an interruption along the line.

“These examples could go on and on, depending on what country you are in, or whether you are in a city, or in a rural setting. But My friends who hear, and read, these words, use this physical example for your spiritual comprehension of the flow of The Power of Light coming from The Source, from God, from Our Father.

“Sometimes your home is filled with light. Sometimes you walk down a hallway, and you walk into a room that is dark, and you are the bringer of the light. Sometimes there is an interruption. And you must wait until the light is restored. And it is the same with your spiritual life. Knowing that you can bring forth The Light is operating, on Earth, using your gift of Faith. Showing The Light to others, and living in Light, is extending that Faith.

“But, when the time comes, when you walk from room to room in your home on Earth, and you stand in a room that is darkened spiritually, do not run from room to room calling, ‘The Light has been taken from me!’ Be still. Contact The Source of this Powerful Light. And in communication with The Holy Spirit of God, learn what is impeding the flow of Light. And then pray, for the lines to be opened, and The Light to be upon you.

“Do not live in chaos and fear of the darkness. Live in Faith, and confidence, that you have The Power of The Light within you. No matter where you might be, in a room filled with Light, or a room that is dark, hold the Faith! You ‘know,’ The Source, bring forth The Light.”

Jesus Teaches On:
Trying Times In The Garden Of God

“I AM with you on this day, every day, for all time, I AM with you!

“I AM with you on this day to say: ‘Beneath the blanket, the robe or the cloak of adversity, of challenge, there beats the heart of a champion, whose soul and spirit is brilliant, whose desire is to rise-up! And when the decision is made, there rises-up from the blanket of adversity and challenge, a champion. And this champion... stands in The Light...and is free.’

“I speak to you in this way, because I wish for you to understand, that this ‘time of trying,’ comes to every woman and man, and yes, to children too. All those walking Earth, face challenges.

“And it is important to understand, in the face of adversity, chaos, or misunderstanding, that this is a ‘Golden Opportunity,’ that has befallen you, and you are to seize the moment, to go within, briefly, and say: ‘I am a child of God. Be with me, and guide my way.’ And then, one foot in front of the other... the journey begins... the rising-up to the son.

“I tell you, verily, as this champion rises-up, the cloak of adversity, of challenge, slips from the shoulders, cascades to the feet, and forms the very steps you trod to climb to The Light of God.

“Look about you on this day. A blanket of snow has covered the Earth. Yet, beneath the soil, the new growth of spring has already begun to rise-up. It shall break the soil of Earth, and rise-up through the snow, to stand in the light, and be whole.

“And I say to you, you children are the flowers of this new spring. Rise-up, and let all adversity fall from your shoulders, and blossom in the Light of God.

“On this day, I extend My hand and I say ... Accept it. Rise-up! You are the flowers in The Garden of God, and springtime is upon us, rise-up!”

Jesus Teaches On:

Your Mission: To Bring The Energy Of The Creator To Earth

“Feel My Presence, as I AM with you! It is My intention and purpose, that you feel My Presence; and as you acquaint yourself with My Presence, I ask you to prepare to ponder, and to think and pray on, what it is I have come to say to you this day...

“If God, the Creator of all things, ‘knew,’ it was in the highest good of all to work amazing miracles, and move mountains, and set the seas rolling backwards, and bring the sands of the desert to be drops of water, to bring all the fish up into the sky, and the birds down into the sea, any of these things, could be done. And all beings on Earth would say, ‘Be still! This is the power and the energy of God! Let us pay Him homage. And let us bow down, and let this day be sacred, for we see the works and the wonders of God!’ And this you know is true. But God, in the eternal wisdom that is Love, ‘knows,’ this is not The Way.

“When the beings that inhabit the Earth dimension seem lost, and going in wrong directions, God, the Creator of all things, sends forth messengers to assist in redirection, in establishing a path that is easier, and clearer, and more enjoyable, for it is filled with the fruits of God. I was such a messenger. And you are such messengers. This is important to remember – ‘Every being that moves through the dimensions into the Earth plane, has a common mission. And that is, ultimately, to bring The Light and The Love of God into the Earthly dimension.’

“My life, although not ‘well marked,’ was filled with what might be considered ‘the ordinary.’ But I will tell you, the daily life on Earth is anything but ordinary, when you ‘know,’ you have the ability, or better said, ‘the mission,’ to open fully to The Light of God, and let this Love flow through you into the Earth plane, so that it might be more saturated with The God Light. Your daily life is anything but ordinary. It gives you the opportunity to bring The Light of God... to Earth, to make, what you consider ordinary, extraordinary...by your very presence.

“Now, I could have established Myself on a grand stage, and worked miracles from the first hour of the day, to the coming of night; and all of the peoples would have come, from all over the Earth, bringing themselves to see the miracles. And they would have bowed down. But this was not the Will of God. The Will of God – was for Me to channel this energy – at appropriate times.

“Actually, for the life that I lived, what would be considered ‘miracles,’ were relatively few, because that was not the important message. And things could have gotten very mixed-up that way.

“God wants you to complete your mission, of your own volition, of your own choosing; but, with the guidance of your angels, of The Holy Spirit, and the Words of God, coming through you. I set My words aside, and let the Words of the Father flow through Me.

“I did not shun standing-up, and speaking the Words of the Father. But I did not seek out the bright lights, the popularity, the applause of My peers, I sought to walk the Earth – open to the Loving Energy of God, Who is My Father and your Father, My Mother and your Mother, My Creator and your Creator – to let this Light saturate, so that God might be present on Earth through Me. And I asked those who walked with Me, to do the same; to go out and be love; to touch those who were sick; and to let The Love of God flow through them, so that the Will of God might be on Earth, as it is in Heaven. And if the Will of God was to have the sick rise-up, so they did. And if the Will of God was for them to bring the lessons to Earth in the state that they were in, so they did.

“I was functioning – so that The Kingdom of God would be on Earth, as it is in Heaven – establishing The Kingdom...on Earth.

“I say this to you so there is no confusion. ‘Know’ this: ‘If mountains are to move, and seas are to rise-up, it shall be done, if it is God’s Will. But God wishes, for those who have journeyed to Earth on a mission, to open fully, so their mission can be complete, in The Light of God.’

“It sounds easy. But it must be repeated, almost daily, so there is remembering... ‘You are on Earth to bring The Light and Love of God to this plane, so it might ascend, and be what it is intended to be.’ And it shall happen, because it is the Will of God. It is your honor to be in such a place, as to be an instrument of that happening. So your ordinary lives are anything but ordinary. Every day is extraordinary. And I urge you to pay attention to that.

“Open fully to what is yours. Yours is a heritage grand, marvelous, eternal. You are a child of God. Your mission is to bring The Energy of The Creator here to this Earth; and then, open to the Will of God, and only the Will of God. And follow it. Do what is asked of you to do. And when God’s Will is done through you, you shall see miracles.

“The miracle is that you are a child of God... walking the face of Earth...and you know it. Be at Peace. Open, I AM with you!”

Jesus Teaches On:

Be Not Afraid; These Are Not My Words, They Are The Words of My Father

“I AM with you! And I come to say to you, something that is of importance, especially in the world today, I say to you...

“Do not rush into the world in dismay – walk calmly into the world – unafraid.

“I say this to you, because it is as important to live, and act, the words you speak, as it is to speak the words.

“Many things fall into the path of those who desire to walk with Spirit, that need to be set aside; and, you can set them aside, if, before you make a move, you will open to The Holy Spirit! And it is through the guidance of The Holy Spirit, that you will ‘know how,’ to walk around, or move, out of your way, these things that seem to impede your progress.

“I say to you today, sit still. Do not be in a hurry. Make it a walk, ‘of intention.’ And let it be your intention, that as you are walking, you are speaking to God, and being guided by The Words of God.

“You know, so often, it is written that I said, ‘These are not My words. They are The Words of My Father.’ It is written, because I did say this; and, I said it quite frequently! And I would like you to try to do this same thing, for just a few days, at first; and see, how peaceful your life will be.

“You will not be tempted into discussion by others, whose purpose might be ‘other than productive,’ because you will hear The Voice of God. And The Voice of God will bless them, and then urge you, to go on your way. You will not be caught-up in frenzy, or needless motion, because you will be led by The Hand of God, at a calm and steady pace, a pace that allows you to enjoy all that you are passing, all that you are seeing, on your adventure on Earth.

“I say this to you today, so that you might use the days ahead, to walk gently into your day. Be at peace. Do not dance with chaos. Listen to The Words of Spirit, and they will fill your soul with happiness.

“I say this to you, so you too might let The Father’s Words be your words this coming week. And let the wings of The Holy Spirit guide you on your Way. Your week will be peaceful. Your week will be calm.

“I say this to you, because I know it is true. I have seen the chaos, and the clutter, and the clanging, and the banging. And in the end, it was all for naught, because what was to be, came to be. So, put your Faith in God and your hand in Mine; and let us walk, together – into The New Day – unafraid!”

Jesus Teaches On:
Live Every Day For The Joy And The Glory Of God

“I AM with you! I pass to you ‘Joy and Love!’

“This day, I wish to speak to you about your ability to alter situations that are ‘of shadow and darkness.’ I AM with you today, to say: ‘Live every day, for The Joy and The Glory of God!’

“This is how you are intended to live your life on Earth...in joy... bringing Glory to God. Whatever you do, do it for The Glory of God. And you will find yourself in a constant state of joy, and peace. You will find that the song that comes from your lips is laughter. And it will not be difficult. It will not be rehearsed. It will come from the heart, and the soul, because your heart and your soul will be free, because you will be doing the work of God.

“This is the greatest freedom you shall ever know, when you make it your intention to do the work of God. Because then, the Hand of God, blesses all that you create.

“God wishes you to be joyful! And you might wonder, when you hear that word, ‘How can I be joyful, all the time? There are circumstances and situations that I meet that I have been told, will be a challenge.’

“And you might add to that, ‘And, I accept these challenges, and walk through them. But am I to do this also in joy?’ And I understand the statements, and the questions involved in this.

“But I say to you: ‘If you make it your intention, and your purpose, that all you do, be done for The Glory of God, you will truly be able to hold a state of joy, true joy, not the loud, raucous, planned and rehearsed revelry; but true peaceful joy. And when you reach this state, I tell you it will be contagious. For all around will see how you do, and what you do, and the end result is a peaceful, joyful life for you, and all around you.

“Do not be dismayed when you are met head-on, with those who are carrying a negative energy, with those who make it their intention to be difficult, to be trying, with those who stand in your way, and make signs toward you, or perhaps call you names, or perhaps buffet, and spit upon you.

“For in your heart, you ‘know,’ ‘the answer is Love.’ And you recognize where they are. They are ‘caught in confusion,’ or they would not be acting in such a way, for their actions show they are ‘not creating for The Glory of God.’ Therefore, the direct(ed) decision is...you will love them. Send to them some of your joyful energy, because you find them ‘in chaos,’ and ‘in shadow.’

“Do not be pulled into their shadow, by reacting in such a way that does not reflect The Glory of God. Instead, stand fast in your light. Refuse to walk into their shadow. But send the light

and joy of God to them, by your prayer, that they be blessed with peace and joy, and go on your way.

“I say this to you because your daily encounters vary, your challenges vary. But there is one thing that will remain constant; it is ‘The Love,’ that God has for you. Therefore, draw upon this Love that is flowing freely to you, and make it your intention to use this energy, so that you might create spaces upon Earth, dedicated to The Glory of God.

“And as you do this, true joy, the joy of a peaceful existence, of knowing that you are the child of God filled with love, this joy will grow, and spring forth from you. And it will truly, and in great measure, affect all those around you and those you encounter.

“Whether you remain to see, or not, you will have left ‘The Seed of God’s Love’ wherever you have gone; leaving seeds behind you, moving forward, perhaps never to see the orchids of joy that rise-up in your passing.

“This day I say, unto you, ‘Live every day for The Joy and The Glory of God’.”

Jesus Teaches On:

How Can I Be More Like Jesus When I Must Attend To The Things of The World

“I AM with you on this day. And on this day I would like to answer a question, that I hear repeatedly; it comes from men, and women, and children; it is in earnest, when it is spoken; the question, to which I am referring, is this... ‘How can I be more like Jesus; how can I draw nearer to The Holy Spirit, when I am living in the world, when, every day, I must attend to the things of the world?’

“This is a question, repeated, many times, said in many ways, depending on the speaker. And the question, I just presented as an example, is familiar to you.

“I AM here this day, to dispel any thought, that it might be more than one can bear to walk The Way, to speak the Words of God, rather than one’s own, and to Love all brothers and sisters, to be at Peace, wherever you are.

“Begin in this way. Begin with the little things. Take each hour, as it comes to you, and look for the opportunities, to be one with God, to see something, in a totally different light. There are, I am sure, five, six, or maybe twenty, opportunities an hour, for you to see something differently.

“An example might be, for a parent observing a child, running in through the front door, slamming the door behind them in such a way that it bounces back open again, and the child continues on to their room, like nothing has occurred. This presentation, this example, any parent reading these words, or hearing these words, would recognize. And immediately, the options are set before you. But I tell you, the option that makes the way, clearer, and more peaceful, is to bless the child, and close the door. And when the opportunity presents itself, to speak in words simple, plain, and truthful, speak to the child about the importance of how to enter and leave a room. But it must be done, when things are calm, and at a time when the child will look, and see, what you are saying.

“And this does not change so much between the earthly children of God, and The Creator. No matter how many times you run into a situation, and leave it slightly ajar, moving hurriedly through it, not paying attention to what you’re doing, The Creator blesses you, and sets about...closing the door, fixing the energy... loving creation.

“Actually – The Way – is simple. It is to hold the energy ‘of Peace, and Love.’ It feels better! It creates less heavy energy. And it is a more appealing way to walk through your day.

“The answer – is to be – the example. Let your actions be the words. And it must begin with the smallest of things, of issues, of occurrences, for there to be a complete understanding within you.

“The smallest disturbance can be blessed. And so can be the disturber, because there will come a time, when all is more peaceful, when the right words will settle on a calm heart. And they will be taken in, because they are calm words, filled with truth, and love.

“I say to anyone who asks the question, ‘How can I walk closer to my Creator, holding the hand of Jesus, in the light of The Holy Spirit?’ ... Study each of the hours of the day given to you, and look at the many ways you are given. Begin there. Begin building a strong foundation. Understand the importance of the little things, the minute.

“This is a very important lesson. And it is My answer to that question, posed by so many. ‘Pay attention, to the little things. Bless the disturbance, and the disturber. And wait, for the opportune moment, to say the things that you would have said in haste, and in anger, or at least, in an agitated state...save those things for when you, yourself, hold Peace, when you are more open, to the energy coming to you from God, so that you can...lead... with Truth, and Light, and Love.’

“You will find, if you work on these little things, the energy around you changes very quickly. You will find that you are walking in Peace and harmony. And all who come close to you will enjoy your tranquil state, because you will be...creating balance. You will be ‘blessing and releasing,’ anxiety, anger, and frustration as you do; and, ‘creating,’ a State of Peace. It is so important to ‘hold your energy, and be at Peace.’

“Before you move your foot, and go along the path, put yourself in a peaceful state. You are the creator, of this ‘area,’ around you. And it is very important to all that you desire to do this.

“I say to you today, because you are beginning a new year. Just a few days have passed into this year marked as two thousand and seven. And if you can remember this, just a few times, it will alter your year greatly, and you will feel more peaceful. You will be happier. And those around you, will feel your presence, and hear your words ‘of Love.’

“Be at peace. I AM with you. You are ready. Look for ‘the opportunities’.”

Jesus Teaches On:
Your Mission, Your Purpose, Your Goal, Your Life

“I come to you this day. I touch you with My blessing. And I wish to speak to you about your mission, your purpose, your goal, your life.

“You came to Earth, from Heaven. You came into a physical body, from the spiritual body of God. And, as surely as your physical body bears the stamp, DNA, a marking of whom you are, and what you can be, your spiritual body bears the mark of your mission, your purpose, your goal, your life!

“This is true. And just as your DNA, sets-out the things that might happen, or occur, in your life, because of your physical composition, so your spiritual DNA, sets-out that which might occur in your spiritual life, and thus effect your physical life. Just as you can trace your roots, through your physical DNA, you can trace your roots, through your spiritual DNA. You came to Earth from Heaven, with a mission, imprinted upon you, held within you, a mission, that would be a banner, for your extended stay on Earth.

“Your purpose, in coming to Earth, is to be, a representative ‘of God,’ bringing The Love, and The Light, and The Peace, of God, The Creator of All Things, to Earth; and to do so, while carrying-out your mission, so that your mission would be enhanced, with The Glory of God. This is your purpose, for taking a body, for being a resident of Earth, for a while.

“And, just as your ‘mission,’ is emblazoned upon a beautiful banner, that waves above you, and your purpose is to accomplish your mission, and to do so, in The Glory of God, your ‘goal,’ is ever before you. There are minor goals and major goals. And as you meet, each of the minor goals, you are urged on, by a fire that burns within you, a ‘knowing,’ that you carry in your being, to proceed, to continue, to strive to reach the major goal, and these components, make-up the life, that you lead upon Earth.

“It sounds rather lofty and beautiful. But, I am sure, about this time, as you either hear these words, or read these words, somewhere within you, there is a feeling: that your mission might never be completed; that your purpose might be lost, in the actions that you, of your free-will choice, have taken; that your goals have been missed; and, that your life is just not what is written on the banner, hanging limply behind you.

“And I say to you, release those feelings, for they are heavy, and will weigh you down, and fool you. They will trick you, into not completing your mission, into thinking you have thrown away your purpose, and turned your head from the goal. For I say to you, your life is precious. Your guardian angels are ever with you. I walk beside you, and I am ready to take your hand.

“I say, to any who feel that they have let their mission slip through their fingers, that is in error. For no matter where you are, in your lifetime, be it beginning, or close to the end, you still have that banner, flying above you.

“I say to you today, connect! Set some time aside, and ask, in sacred silence, ‘What is my mission?’ And, if you are in a quiet place, with your attention focused, on hearing the answer, it will come to you. And you will find, that it is not far, from what you had hoped you might accomplish, when you were younger.

“And as you hear those words, you will draw new life into your lungs, your physical lungs, and your spiritual lungs. And you will be touched by a blessing, from your guardian angel, and from The Holy Spirit of God. And you will find the strength to pick-up the banner, and hold it high. For your purpose, on Earth, is to be ‘of Love and Light.’ So, open to The Love, and The Light will glow, and shine from you.

“Your goal, your major goal, will be reached, because all the turns and distractions you have made should be, at this time, ‘blessed and released,’ energy wise. But, gather-up, all the knowledge and information, all the lessons you have learned in your lifetime. And some of the greatest lessons that you put in your sack, might come, from the times that you feel you slipped.

“Now, you are ready to continue your life, your banner, bearing the statement of your mission, your purpose inflated, filled with confidence, eager to go to the next goal, your major goal still before you. And, all that you have learned, packed in a sack that you carry, for future reference. No matter where you are, in your life, you are ready to proceed to the major goal.

“I say to you this day, ‘Stop, and take stock. It is never too late. And all that you feel is failure can be your valuable treasure of knowledge, learning, and experience. And with the blessing of God, and on the wings of The Holy Spirit, and with Me at your side, let us begin anew.’ See it, as you close your eyes, the banner, flying above you; your purpose confirmed within you; your goal, ahead of you; and, your life, renewed.

“Be at Peace.”

Jesus Teaches On:

Take My Hand, I Show You The Way, Look At What I Did & Follow Me

“I AM with you; and I say unto you, ‘Take My hand, I have much to show you!’

“As I walked the Earth, completing My mission, doing that which The Father directed Me to do, I showed The Way. The things that I said to those gathered around Me, were to be repeated to others, so they too, might believe, in the deep Love that The Creator, God, of All Things, holds for the children of Earth.

“I say this to you, because, somewhere, somehow, My words have been turned slightly, and there is indication, that you, My brothers and sisters, should not really assume that you will do...the things that I did. And I wish to say to you, set that thought aside, set it from you. For, if I said it, I meant to say it. And at the direction of God The Father, I passed this information to you.

“This information that I brought to Earth, that I shared freely in conversation with those gathered close to Me, was information that I carried...to Earth, from God...The Creator. I ‘set My intention,’ so that I would put My personal thoughts aside, and open completely to the Words of God.

“Now I wish for you to look at some of the accounts that are recorded, for all to read, in the Bible. When you read some of the passages, they hold you; your attention is ‘locked.’ But then, you set the Book down, and you do not take it any farther.

“I wish for you to ponder this. Peter...called for the attention of his brothers, so that they might look-out from the boat in which they sat, to see Me, walking on the water. And there was a moment, when Peter’s faith moved within him, in such complete commingling with the energy coming to him from Heaven, that he stepped-out of the boat, and followed Me. And I held-out My hand, encouraging him to do so.

“But then, his thought processes, and the teachings of the material and matter plane, Earth, told him that he could not walk on water. And, he became afraid.

“I wish for you to think. Why would I raise My hand, and extend it toward My friend and brother, and encourage him to step-out of the boat, and do something he could not do? I wish for you to comprehend completely, that I told Peter to ‘Follow Me,’ because he could, when he was totally open to the energies coming to him from God, from the Heavenly dimension, he would be raised-up in that energy... and walk...just as I walked.

“And when those gathered around Me, heard Me say other things, their faith sometimes...wavered...but still, I kept saying to them, ‘Look at what I am doing, and do it! Follow Me!’

“I assure you...I did not say these words lightly...I said that ‘You too, will do great things, in the name of God!’ I wish for you to ‘know,’ this. And I wish for you to look around, at your daily miracles, all that you do. And then I wish for you to remember, that if you hear a voice within you, asking you to...move at the direction of Spirit...be assured that The Holy Spirit of God is raising a hand and extending it toward you, just I as did toward Peter. And when you hear the call, rise-up and follow, because, if you are asked to do it, you can do it. Hold your faith, and open to the gifts that are coming to you from God.

“The miracles that come from you might not have anything to do with walking on water. But, that particular scenario is what I want you to concentrate on, and to think about. When you hear, the whispered words of Spirit, do not doubt, for you would not be asked to do something that you could not do.

“I say to you, ‘You are a child of God.’ And I ask you to open to the voice of The Holy Spirit, calling to you, guiding you, and leading you home. For, you see, this is the voice that led Me. I wish for you to ‘know,’ the joy, the fulfillment that is your future, your heritage.

“Know that I love you, and all the things I said, to those gathered around me...are the truth. And I said them, so that those of great faith, would open to the energy coming to them from God, and accomplish great things, in His Name.

“I AM with you. I reach out My hand, and I say: ‘Come. Follow Me. This is The Way, and it is filled with The Light and The Glory of God. Come, my brothers and sisters, let us walk into The Light.’”

Jesus Teaches On:
If You Love Me, LOVE AS I LOVE

“I AM with you. And I bring to you this message... to place upon your heart...

If you love Me, love as I love!

“When I walked the Earth as Jesus, as Yeshua, I found it possible to love all things, all peoples, by opening, fully, to The Love of God, and letting this love energy pour through me, to all I encountered.

“In order to do this, it was imperative, that I set My humanity to the side, and open fully, so The Love of God could touch all people, through Me. I ask you this day, to ponder this in such a way, that you will practice it, because it does require ‘practice.’ But you can do it, as I did it. You can love, as I love. But the key to this...loving your neighbor as yourself...is to set your ego aside, so that The Love of God, is the moving force.

“I found this, easy to do: because of the way I was raised-up; because of the home that held My heart; because of the training of my earthly mother and father. As a very small child, I watched, and I listened. And it did not take Me long to learn. And then, as I learned, I remembered, Who I was. My earthly mother and father handed me the ‘keys,’ that unlocked the door, to Who I was.

“My earthly mother listened to angels. She was guided, by angelic beings. My impending birth was announced to her, by an angel. And she followed that information she was given. This was not the only time my mother followed the direction of angelic beings. And they led her into The Light of Truth, where she could ‘see and know,’ those things which would be difficult, to see and know, but for The Light. My father too, was led by angels. In times of peril, we were led to safety, because my father listened to angelic beings. And where there was chaos and darkness, The Light of Heaven brought clarity and direction.

“And so it was not unusual in My home, to call upon God for direction. And even when we were not aware, of what might be spinning into existence around us, the angels came to lead us. I tell you these things that took place in My home as I grew, so that you might understand the foundation that made it easy for me to open fully to The Love of God, to remember, Who I was. And I say to you, you have guardian angels, waiting to show you The Way, to lead you from every shadow, every bit of darkness, into The Light of the new day dawning, into The Light, and clarity, of God.

“One of the things that will mark you clearly, as a child of God, is your ‘Love,’ for your brothers and sisters. Yes, they will know you, by your Love. And so that you might be the child of God, more completely, and more fully than ever before, I say unto you, if you love Me, love as I love.

“It will require practice. But if you will, but ponder it, the more you try, the more completely it will slip into your being, your presence this time on Earth. And soon you will find, every time you encounter another human being, this person will be bathed in The Light of God. And the Light will shine about you, and it will flow through you, upon that person. It is time that this Light begins flowing, more fully, more completely, onto the Earth than ever before. And yes, it does begin with one person to another, one at a time.

“I say this to you today, so that this year that you have dedicated to The Light of God, will be flooded with this loving energy, flowing from God, through you, to all your brothers and sisters. Let The Love of God flow!

Love,
as I love,
and you shall find
great peace, harmony, balance, tranquility,
for you shall be the bringer of these things.
And, in your presence,
there shall be
no chaos,
for you
shall
be
The
Love
of God
on Earth!

Jesus Teaches On:

I AM In The Father; You Are In Me; And, I AM In You

“I AM with you; we are, forever, One. In this New Year, in this New Time, ‘realize that I AM in My Father, and you are in Me, and I AM in you.’ John 14:20 NIV* (*Except: Capital Letters utilized for Devine Pronouns*)

“My sisters, and brothers, today, I repeat these Words, and a few others, that I spoke almost 2000 years ago, and I continue to pray that you can now bear to hear, understand, and appreciate, the meaning of these Words, I spoke, on behalf of Our Father.

“Open your hearts to these Words, ponder their meaning yourselves, they have been recorded in The Holy Bible; and so I asked, and directed, the man and woman, who hear My voice within their hearts, and transcribe these Words for you, to record some of the places they appear, so that you too, may look at them, and truly take them, into yourselves.

“Tumbling-out of space and time, are Words of Wisdom, Words Divine, take them unto yourselves; and make them...you’re Words...

“‘In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning.’

“‘Through Him all things were made; without Him nothing was made. In Him was life, and that life was the light of men. The light shines in the darkness, but the darkness has not understood it.’ John 1:1-4 NIV*

“‘The Word became flesh and made His dwelling among us. We have seen His glory, the glory of the One and Only, Who came from the Father, full of grace and truth.’ John 1:14 NIV*

“‘I AM the light of the world. Whoever follows Me will never walk in darkness, but will have the light of life.’ John 8:12 NIV*

“‘A new command I give you: Love one another.’ John 12:34 NIV*

“‘If you love me, you will obey what I command. And I will ask the Father, and He will give you another Counselor to be with you forever---the Spirit of truth. The world cannot accept Him, because it neither sees Him nor knows Him. But you know Him, for He lives with you and will be in you. I will not leave you as orphans; I will come to you. Before long, the world will not see Me anymore, but you will see Me. Because I live, you also will live. On that day you will realize that I AM in My Father, and you are in Me, and I AM in you. Whoever has My commands and obeys them, he is the one who loves Me. He who loves Me will be loved by My Father, and I too will love him and show Myself to him.’

‘Then Judas (not Judas Iscariot) said, ‘But, Lord, why do you intend to show yourself to us and not to the world?’

‘Jesus replied, ‘If anyone loves Me, he will obey My teaching. My Father will love him, and we will come to him and make Our home with him. He who does not love Me will not obey my teaching. These words you hear are not my own; they belong to the Father Who sent Me.’

‘All this I have spoken while still with you. But the Counselor, the Holy Spirit, whom the Father will send in My name, will teach you all things and will remind you of everything I have said to you. Peace I leave with you; My peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.’ John 14:15-27 NIV* (emphasis added)

“Some, well intentioned, have interpreted the Words I spoke for Our Father, related above in the Gospel according to John, at 14:15-27, as applying only to the disciples, whom were present with Me at what you now know as The Last Supper. However, to so limit the Words Our Father directed Me to say is incorrect. Our Father intended that these Words... that I delivered to Earth in human form... apply, equally, to all of His children... for all time.

“And, so it was, is, and ever shall be...
Peace, I leave with you...
My peace, I give
to you.”
